2024/25 Activities

The Hall continues to be well used for social, sporting and community events. The trustees took on implementing a review of its energy consumption and current suppliers; with a grant from the Brecon Beacon National Park Authority several energy saving projects were carried out: insulating all exposes heating pipe-work; lighting was replaced with energy saving LED options, loft insulation and a false ceiling (with additional insulation was also installed).

The committee also switched energy provider after some through investigation of suppliers, to one which best fits its needs; this is estimated to also provide a £1,000 energy bill saving.

The committee manage a well-attended monthly village market; the Snooker room has seen a doubling in its booking and several entertainment nights were hosted. Regular users and events at the hall include:
