TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

The trustees present their annual report and financial statements of the charity for the year ended 31 March 2024. Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the charity's governing document, and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

STRUCTURE, GOVERNANCE AND MANAGEMENT

a. Constitution and governing document

Redbridge Citizens Advice Bureau is a registered charity and a company limited by guarantee. The registered name of the Charity is Redbridge Citizens Advice Bureau. However since 2015 the Charity has used the operating name of Citizens Advice Redbridge. The Charity was incorporated as a company limited by guarantee on 10 July 2001, company number 04249530. The charity's registration number is 1091547.

The charity is governed by its Memorandum and Articles of Association dated 10 July 2001, last amended June 2022.

The governance of the charity is the responsibility of the Trustees. Day to day management is by the CEO, who draws on the support and expertise of the highly experienced Board of Trustees as needed.

b. Method of appointment or election of Board of Trustees

Trustees are elected and co-opted under the terms of the Memorandum and Articles of Association. Regular reviews are held to identify any expertise gaps within the Board of Trustees and appointments are made where required to strengthen the Board of Trustees, subject to all trustees' approval.

When it is necessary to appoint new trustees, due to either a trustee stepping down or a gap in expertise in the board is identified, recruitment will be done via volunteer and trustee recruitment websites and services such as Reach Volunteering or the local volunteer bureau. Applicants will have the opportunity to meet the chief executive informally, and then undergo a formal interview process during which their application will be assessed against a trustee role description and person specification agreed by the board of trustees. If successful, they will be invited to attend a board meeting at which they will be co-opted with the view of being elected at the following AGM by members.

No other person or external body is entitled to appoint any trustees of the charity. The Trustees who served during the period and after the yearend are shown on page 1.

c. Policies adopted for the induction and training of Board of Trustees

The charity provides new trustees with an induction pack and mentoring from the Chair. The charity has limited resources for formal training of the trustee body. However, on-going training opportunities are announced to trustees when these become available pro bono.

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

d. Related party relationships

The Charity has considered the disclosure requirements of the SORP for related party relationships. Citizens Advice Redbridge is a member of Citizens Advice, the operating name of the National Association of Citizens Advice Bureaux, which provides a framework for standards of advice and casework management as well as monitoring progress against these standards. Operating policies are independently determined by the Trustee Board in order to fulfil its charitable objects and comply with the national membership requirements.

All trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in note 6 to the accounts.

Trustees are required to disclose all relevant interests and register them with the Chair of Trustees and to withdraw from decisions where a conflict of interest arises.

The charity also co-operates and liaises with a number of other advisory services, local charities and social services departments on behalf of clients. Where one of the trustees holds the position of trustee/director of another charity they may be involved in discussions regarding that other charity but not in the ultimate decision-making process.

e. Remuneration policy for key management personnel

In line with our pay policy, the pay of the charity's Chief Executive is reviewed annually along with that of all staff, and normally increased in accordance with London local government pay rates, depending on affordability. The trustees also draw on their knowledge of the sector and common practice in other charities of similar size to ensure that the remuneration set is fair and not out of line with that generally paid for similar roles.

f. Risk management

The Board of Trustees fully accepts its responsibilities for ensuring that the major risks to which the Charity is exposed are identified, and that there are systems and procedures in place to mitigate those risks.

The Charity is continually monitoring and managing its risk and ensuring action plans are in place to mitigate its key risks. A risk register is in place and is reviewed regularly.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

a. Purposes and aims

The charity's objects are to promote any charitable purpose for the benefit of the community in the London Borough of Redbridge by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress, and achieve this by the provision of: free, confidential, impartial and independent advice and information for the benefit of the local community, to exercise a responsible influence on the development of social policies and services and to ensure individuals do not suffer through a lack of knowledge or an inability to express their needs effectively.

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

b. Principal activities

The charity's main activities and who it tries to help are described below. All its charitable activities focus on the provision of free, confidential, independent and impartial advice, information and counselling for members of the public and are undertaken to further Citizen Advice Redbridge's charitable purposes for the public benefit.

Apart from our self-referral general advice service, we run the following projects, sponsored as shown:

- Housing Advice Outreach Project, funded by London Borough of Redbridge
- Employment Law Advice Project, funded by Trust for London
- GP Outreach Project, funded by City Bridge Trust (until September 2023)
- Health Inequalities Project, funded by NELFT (from October 2023)
- Foodbank Project, funded by Trussell Trust

c. Public benefit

The Board of Trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

ACHIEVEMENTS AND PERFORMANCE: REVIEW OF ACTIVITIES FOR THE YEAR

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help.

The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

Following changed working arrangements that became necessary due to the Covid-19 pandemic, Citizens Advice Redbridge continued to deliver most of its services from the homes of advisers, using phone and email as the main advice channels. Face-to-face advice services are provided by appointment at Hub Central, a public space on the second floor of the Redbridge Central Library shared with Work Redbridge. Other face-to-face advice services are available at a range of outreach locations, normally provided by a partner organisation.

Our administrative space is located at our South Woodford office.

The following projects, activities and events took place during the year under review:-

We continued to face high demand for our services as Redbridge residents continued to feel the impact of the cost-of-living crisis. This added to the complexity of issues that clients presented. In particular, clients needed more help with benefit and debt issues, as well as housing issues.

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

Clients access our services through different channels. Self-referring clients use Adviceline, a phone advice service with a dedicated freephone number for Redbridge residents (0808 278 7872). These calls are answered by our Adviceline volunteers and when they are not available, by a national overflow service. This means that our phone advice services are available from Monday to Friday, 9am to 5pm. We also contribute to the Adviceline Overflow service, enhancing national capacity by taking an additional 50 calls and 25 emails/chats every month. Clients can also send an email requesting advice via our website contact form, which is answered by our email volunteers. Most of our clients can be helped through these remote advice channels. However, some clients require more in-depth case work and where that is the case, we can offer face-to-face appointments at Hub Central, refer internally to our employment law solicitor or housing specialist, or externally to solicitor firms who partner with and deliver pro-bono advice covering housing and family law. Other clients reach us through established referral routes linked to partnership projects and outreach provision. Through all these routes, we helped 4,069 clients, dealt with 2,081 in-depth cases presenting 9,890 issues. These figures reflect a slight increase in client numbers though the number of in-depth cases we have seen have risen significantly as have financial outcomes over last year: combined service outcomes for local residents totalled £3,438,616 which consisted mainly of benefits and grants.

Demand regularly outstrips the services we can provide and accessibility continues to be a key issue for our work. Whilst phone and email advice allows us to meet the needs of most clients there are limitations with regards to meeting the needs of clients who have communication or other needs that cannot be met through phone and email advice. In 2023/24 we made great efforts to increase our face-to-face advice services and make services available in an increasing number of outreach locations.

Of all the people we helped, 54% of the people stated they had a disability or long-term health condition, which is a slight decrease from the previous year (60%). 69% came from a minoritised ethnic background, significantly more than in the previous year (63%).

Our Research and Campaigns activity benefits from close collaboration with Citizens Advice Havering, as we combined and complemented our contribution to national campaigns and local initiatives to improve policies and practices adversely affecting our residents. We continued our collaboration and partnership with the London cluster group.

Our volunteers continue to be the backbone of our advice service and we regularly recruit new volunteers to a range of roles. Volunteers carry out a range of different roles, helping with advice, reception, research and campaigns, and communication. The recruitment and retention of volunteers remains a continuous challenge as many of our volunteers move on to paid employment once they have experience and others are only available for a limited time. Despite this, we benefited from the service of 36 volunteer advisers and 17 volunteers in administrative and supporting roles. In addition, there were 40 volunteers in training.

The London Borough of Redbridge funds two Housing outreach projects to improve the financial situation of tenants and to prevent homelessness. Our adviser supported volunteers to deal with referrals, mainly by email and telephone. In total, we advised 184 clients. These were complex cases that in the main could not be resolved immediately but required several activities. We were able to assist clients achieve income gains of £438,879.

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

Our GP Outreach Project (funded by City Bridge Trust) came to an end after five years of partnership work at the end of September 2023. Up until that time, we continued to deliver support mainly remotely, advising clients by telephone and email. We saw some clients face to face at Loxford Polyclinic. The number of referral partners continued to increase in line with project targets and as expected, this impacted on referral rates. Feedback from clients, referral partners and social prescribers demonstrates that the service continued to play a valuable role in freeing up clinical time by providing a much-needed source of quality advice and support on a range of social welfare problems, leading to positive impacts on health and wellbeing. It was therefore good to see that the North East London Foundation Trust (NELFT) provided funding for a continuation project to help reduce health inequalities in Redbridge. In the first six months of this new project, we managed to support 460 clients.

Our Trust for London Employment project continued and we offered generalist advice on employment in response to 384 employment issues. In addition, we supported 84 clients with more in-depth casework. This mainly helped clients in need of support that couldn't be readily accessed via other services, for example due to the associated costs or because of the complexity of the issues and the client's individual support needs.

Our partnership with the Redbridge Foodbank is going from strength to strength. With the help of a Financial Inclusion grant from the Trussell Trust, we are working on two partnership projects. This allowed us to support Foodbank clients with two advisers. Our advisers took referrals from the Foodbank, and with the help of the advice provided, clients were given support in addressing the issues that necessitated the use of food vouchers. In total, we helped 555 clients and achieved £866,763 in financial gain, a significant increase from the previous year. The main issues they presented were benefit, debt and housing. A large number of clients also required advice on immigration and asylum issues.

The Cost of Living Crisis Prevention project supported by the Greater London Authority (GLA) and the London Citizens Advice moved into its second year. As part of the project we delivered the Advice First Aid programme in Redbridge, training small community groups in the principles of advice giving and linking them into a network of advice agencies. Two advisers offer advice in a range of locations to residents who are affected by the crisis, helping 731 clients during the year and achieving £838,338 in financial outcomes.

Crisis support has become increasingly important to our clients and the number of foodbank and fuel vouchers we issue has increased significantly. Thankfully our services are all geared up to provide this lifeline to clients.

FINANCIAL REVIEW

a. Summary

The statement of Financial Activities shows income of £618,006 for the year (2023 - £407,598). This year, the charity achieved net income of £145,869 (2023 - net expenditure of £89,953).

At 31 March 2024, total funds were £223,328 of which £223,328 represented unrestricted reserves (2023 - £77,459). All of the charity expenditure is spent on its charitable activities.

b. Reserves Policy

The trustees believe that Citizens Advice Redbridge (CAR) should hold financial reserves in order to ensure that the charity can continue to operate and meet the needs of clients in the event of unforeseen circumstances and financial risk. Trustees have taken into account the reliability and continuance of future funding, timing of cash flows and working capital requirements, cover for unplanned emergency works and potential liabilities to staff in the event of the closure of a particular activity.

Given the growth in income and expenditure, and to secure the future of services, trustees decided to set aside three months operating expenditure. For 2023-24, this equates £118,000.

The actual free reserves as at 31 March 2024 were £223,328. This is higher than the required level due to a legacy gift. The charity expects to use this gift to fund much needed services and expects that reserves will reduce to required levels over the course of two years.

c. Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charitable company will have adequate resources to continue in operational existence for the foreseeable future.

TRUSTEES RESPONSIBILITIES

The charity trustees (who are also the directors of Redbridge Citizens Advice Bureau for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

REDBRIDGE CITIZENS ADVICE BUREAU
(Operating as Citizens Advice Redbridge)

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In doing so the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Follow the methods and principles of the Charity SORP; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

PREPARATION OF THE REPORT

In preparing this report, the Board of Trustees have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

INFORMATION ASSURANCE STATEMENT

The trustee board of Citizens Advice Redbridge oversees the information security of all personal information of our clients, staff, funders and strategic partners that is processed. Citizens Advice Redbridge holds joint responsibility for client data that is held in our case management system, with the national Citizens Advice Service. An information assurance management team exists to ensure the confidentiality, integrity and availability of all personal and sensitive data is maintained to a level which is compliant with the requirements of the UK General Data Protection Regulation and Data Protection Act 2018.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
For the year ended 31 March 2024

I report on the accounts of the charity for the year ended 31 March 2024 set out on pages 11 to 23.

Respective responsibilities of the Trustees and examiner

As the trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the Company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

/Continued...

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
For the year ended 31 March 2024

.../Continued

Departure from the 2008 Regulations

I understand that the financial statements have been prepared to give a 'true and fair' view, and have departed from the Charities (Accounts and Reports) Regulations 2008, only to the extent required to provide a 'true and fair view'. This departure has involved following SORP 2015 FRS102, rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 (SORP 2005), which is referred to in the existing regulations, but has since been withdrawn.

Conclusion

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 31 March 2024

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities 2015 FRS 102, Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Reconciliation with previously Generally Accepted Accounting Practice (GAAP)

The trustees have not identified any opening balances or amounts in comparative income and expenditure that require to be restated in accordance with the requirements of FRS 102, on reconciliation of opening balances and net income / (expenditure), under FRS 102 compared to the balances, and net income / (expenditure) under previous GAAP. The transition date was 1 April 2014.

Public benefit entity

The charitable company meets the definition of a public benefit entity under FRS 102.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Key judgements that the charity has made which have a significant effect on the accounts include estimating income and expenditure for the next 12 months.

Income

Income is recognised when the charity has entitlement to the funds: this is when any performance conditions attached to the income have been met, it is probable that the income will be received, and that the amount can be measured reliably.

Income is only deferred when: The donor specifies that the grant or donation must only be used in future accounting periods; or for performance related grants, where these are received in advance of the performances or specific event to which they relate.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Fund accounting

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund.

Unrestricted funds are donations and other incoming resources received or generated for the charitable purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 31 March 2024

Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is considered all to relate to Charitable activities and includes the costs of delivering services undertaken to further the purposes of the charity and their associated support costs.

Allocation of support costs

Resources expended are allocated to the particular activity where the cost relates directly to that activity. However, the cost of overall direction and administration of each activity, including salaries and overhead costs of the central function, is apportioned on a on the basis of staff time, to include the amount attributable to each activity. The allocation of support and governance costs is analysed in note 4.

Tangible fixed assets and depreciation

Tangible fixed assets (excluding investments) are stated at cost less depreciation. Fixed assets with an expected life of more than one year are included at cost and depreciated over four years.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
