VISION

Serving the Church and the Nations with the Message of Jesus Christ.

3-FOLD MISSION

- Preach the Gospel
- Equip the Saints
- Feed the Poor

OBJECTIVES

World Mandate Ministries exists as a registered charity. The objectives are: -

1) The advancement of the Christian religion in accordance with the teaching of evangelism, in particular through the provision of classes and opportunities to study the Bible.
2) The relief of poverty of individuals who are in need through the provision and distribution of goods, clothing and other services.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

The charity objectives have been broken down into three headings: -

- Preaching the Gospel
- Equipping the Saints
- Feeding the Poor

The Trustees consider that through the activities and provision of services by the Charity, the public is greatly benefited by -

- **Preaching the gospel:** - through preaching of the Christian message in Churches and other settings, where there are individuals who are desirous to learn of what is being taught and choosing by an act of their free will to respond.
  Along with explaining the full message of Christianity, there is practical evidence of the constructive and positive hope that Christians have, through our Bible school, missions, visits by staff members, teaching, preaching, mentoring and coaching; all of which has a direct and positive impact on the lives of those who receive from the organisation.
  This is further evidenced by the fact that individual lives are transformed through the encounter with God and His people who serve and help in practical ways.

- **Equipping the Saints:** - through teaching believers the variety of ways on how to live out their personal faith in ways that make a difference in their local communities and the world at large. This is largely carried out through our Bible School, Every Nation by School UK, conferences, preaching and teaching engagements, cross-cultural mission trips, individual and peer mentoring and by our own personal examples in the way in which we live and conduct our lives.
  Lives continue to be transformed as individuals that attend the Bible School testify of the personal learning that transmutes into areas of constructive and practical contributions to their local communities and to the world at large.
  When individuals attend our equipping events, such as conferences, seminars, mentoring and other means, many will often report positive feedback such as, growth in confidence, increase in self-esteem, increased sense of self worth and the sense of feeling empowered. Such is the empowering that they feel they now have the tools to contribute to use in their communities, society and humanity.

- **Feeding the poor:** - The relief of poverty by the giving of 10% of all income from the general account of the charity.

We are humbled and privileged when we receive letters, emails and phone calls from individuals who have engaged with staff members through the diversity of ministry that we offer. They testify of the transformation they have experienced through their engagement with World Mandate Ministries staff and the Christian ministry that has been extended to them. The best part of this individual transformation that takes place is that there has been an empowering and releasing of even more confident, strong, entrepreneurial, positive and bold individuals that are now out there in the world at large, making their own contribution to a happier, healthier and more peaceful planet.

Our excellent pastoral team continue to meet with individuals, befriending and supporting them on a one-to-one basis. We regularly hear testimonies of individuals that have been helped to overcome life–controlling challenges. Through spending time with them, support and prayer, we witness individuals break chaotic cycles and re-establish normal and functioning lifestyles.
Personal transformation can be a challenge to quantify, nevertheless transformation produces happier, emotionally stable people who become even more fruitful in their area of vocation.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT cont...

RELIEF OF THE POOR—CHARITY SHOP was very popular and became a hub in the community. The shop raised money for charitable donations, supporting orphans through their schooling in both Uganda and Jamaica. The shop was a place where acts of kindness happened on a regular basis, with our volunteers becoming aware of customer needs and they demonstrated nonjudgemental love, care and value of how each person matters.
With listening ears and broad shoulders they offered comfort and support.
The shop was forced to close during the 2020 pandemic as a result of the poor health of the landlord. Being hard to enumerate the impact this amazing little shop had on the community. We would often witness the transformation of lives of individuals - 'all for the better.'

We are only too aware that the lives of our staff and customers have benefited and been transformed, probably as much as the recipients of the money raised by the shop!

Following the sale of Mandate House in June 2021 the Trustees made the decision to continue to make provision for the relief of the poor and support other charities by way of funds from the property sale. In excess of £50,000.00 was placed into the Tithe Account from which all donations to the poor and others are made. This way we ensured that our vision to keep supporting the poor and need could be maintained until such time we were able to open another charity shop.

EVERY NATION BIBLE SCHOOL UK is the predominant way in which we help Christians at every stage of their faith journey to learn afresh how to live out their faith and practically engage in their communities and their world.
The Bible School continues to receive excellent and outstanding reports from the annual external examiners and inspection team.
We pay particular tribute to our excellent Principal, dedicated hard-working staff and volunteers for these reports.

WE SHARE OUR CHRISTIAN HOPE

As a charity we believe that Jesus Christ is central to all that we do. It is out of that belief that we minister and serve the people that we come into contact with.

We believe that each and every individual person is of intrinsic value and importance to God.

We therefore seek to demonstrate His love and compassion in tangible ways to open hearts to trust God, the source of all goodness.

As a ministry we seek to live in the spirit of the Beatitudes and believe that the principle of honouring every person is important as every person matters to God. We are of the conviction that the spirit of the Beatitudes contributes to making the world a better place.

CHIEF EXECUTIVE'S REPORT

The year 2023-2024 was a year that was unique in many ways. We are Extremely grateful to our Volunteers and paid staff, both of whom work extremely hard. They are truly tremendous and a credit to the work that we do. They work tirelessly and most sacrificially for, and on behalf of, the Charity and the public that we serve.

Our volunteers and staff are loyal, hard-working and believe in giving of their very best, which they do it with cheerfulness and a spirit of excellence. World Mandate Ministries and Every Nation Bible School UK would not be able to function to the capacity and excellence that it does without them.

We express our deepest gratitude to those who give of their time in prayer and financially support the charity through their kind donations. Praying and giving enables the work of God to touch and transform lives.

As a Christian charity we particularly and most importantly, express our gratitude and thanks to God for all His enablement and continued encouragement in all the work that we are doing in His Name.

The remainder of this report will describe the wonderful works that we have been able to conduct by God's grace as well as testifying of the fruitfulness of the said works.

As the purpose of going to Jamaica was to be available to serve and support Elaine's mother, she recognised this would not be a full-time role. It was on that basis, Elaine agreed to continue to work online for three days a week. Her role will entail developing the ministry in Jamaica and further afield. This would mean that the staff team continue to be supported. A model that we believe would work well and, indeed, does work well.
Elaine also agreed that she would annually return to the UK for periods of time up to 8 weeks at a time, to be hands-on in the office and available to continue serving the ministry, Churches and other ministries.

On July 3 2024 a category 5 hurricane along with dual tornadoes devastated the south coast of Jamaica. Peter and Elaine's home was destroyed in the hurricane with devastating effects that took off the whole roof. Subsequently, they were homeless.
In the wake of the hurricane, power, water and internet were completely out of commission for up to 6 weeks, which made communications and ongoing work for Elaine virtually impossible. Whilst Elaine did her very best to be in communications with the UK office, Elaine's availability was hampered not only due to the physical devastation, but also due to the time required for both her and Peter to rebuild their home..

The remainder of this report will describe the wonderful works that we have been able to conduct by God's grace as well as testifying of the fruitfulness of the said works.

CHIEF EXECUTIVE'S REPORT continued...

PREACHING THE GOSPEL

We believe that the gospel of Jesus Christ has the power to save and transform lives. When we talk about saving lives, we do so understanding that the word 'save' or 'salvation' means and is evidenced by the holistic restoration of a person. The person can be and is indeed restored in spirit, soul and body. We believe that Christianity is a faith that brings emotional, physical as well as spiritual peace, comfort and well-being. Christianity is practical and we believe that Christianity is not merely a religion with a belief system, we regularly witness the transformation of broken and chaotic lives being restored, which therefore enables individuals to live ordered lives from a place of well-being. This transformation thus empowers and enables individuals to be positive and constructive contributors to their world and are able to live meaningful lives within society and the world at large.
We therefore seek to assist and support people to experience the blessing of a living faith in the Lord Jesus Christ, address mental health needs, offering support where requested and appropriate and receive prayer for physical healing where requested.

ENABLING BELIEVERS TO SERVE

Our amazing volunteers continue to make magnificent contributions to the running of Every Nation Bible School UK. They research, study and prepare classes, give of their time to learn how to be even better tutors, teach students, mentor students, mark student work and assignments. We are truly grateful to God for these outstanding individuals who take of the God-given gift that they have and graciously impart into the lives of those who come to learn. In their attitude of giving and serving, they are excellent role models to the students the teaching and leading.
Their genuine servant hearts are a blessing to the whole of the Body of Christ as they equip Church members from across the county, nation and world. Collectively their donation of their time runs into thousands of hours.

In October 2016, Selina Forde enrolled as a student on ENBS. Selina caught the heart and vision of the Bible School and wanted to give back as a volunteer. Selina's God-given ministry as a Bible teacher was formally recognised and she Commissioned as a Bible teacher to the body of Christ by WMM in 2019.

In August 2021, Selina Forde was promoted from her volunteer role to Principal of Every Nation Bible School UK. Elaine assumed the role of Associate Principal to enable Selina to flourish in her role and develop as Principal of the Bible School. Since that time Selina has continued to enable, educate and encourage students, staff and the ministry as a whole. As trustees we knew this was not the limit of Selina's ministry and we knew that it was right for her to eventually become ordained.

It was our absolute delight, pleasure and privilege in May 2024, to witness the ordination of Selina by Churches in Communities, CiC. World Mandate Ministries is in affiliated partnership and relationship with CiC as a Network Ministry. In speaking with Selina's pastors and sharing what we saw in Selina within ENBS and the recognition that ordination would further grant Selina as she interfaces with Church leaders, they were in total support of this move for Selina's life.

We believe that every individual has been gifted of God to make a transformational contribution and difference to the world that is positive and constructive. It is with that belief that we run ENBS. Through the Bible School we seek to empower and enable people from all walks of life to serve in ways to make their positive contribution to the world today. ENBS is meeting practical needs in the lives of individuals, the outworking in the lives of students is life changing and revolutionary. We continue to work with the Church locally, nationally and internationally, training and equipping Church members to serve God.

The Annual Monitoring Review and External Examinations conducted by NCFE of ENBS again resulted in excellent reports. More discussed later in this report.

PREACHING THE GOSPEL

Pentecost in the Park
In collaboration with many other Churches and ministries across Northamptonshire the joint event, "Pentecost in the Park" was held in Abington Park for Pentecost.

The team engaged with visitors to the event as they were dotted around the park having picnics, fun and enjoying time with family and friends.

Churches shared in singing songs of worship and explaining the purpose of the Christian festival of Pentecost.

Pentecost in the Park in Northamptonshire is not an isolated event.
It is part of a network of events that usually happens around the whole of the country on that day.
These events have been happening for over 10 years and were halted during the pandemic.

The local churches work collaboratively and in partnership with National Day of Prayer and Worship.

Visitors at the

World Mandate Ministries stand.

One of the purposes of Pentecost in the Park is to create an arena whereby members of the public can visit the different stands of the diversity of churches, ministries, clubs and societies that work together for the good of the community in Northamptonshire.

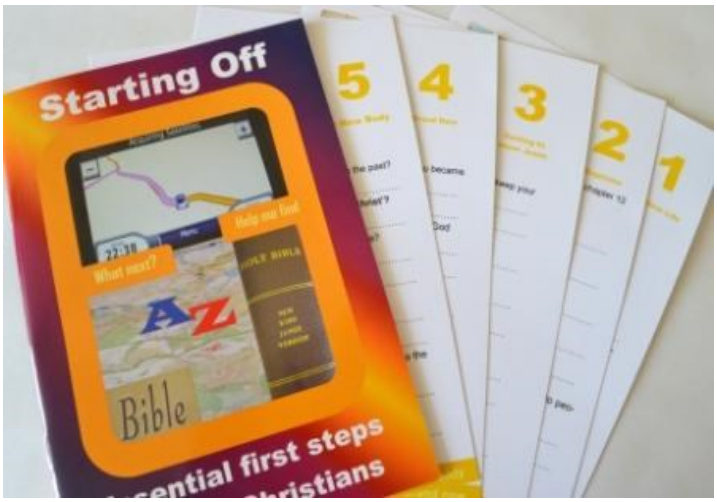
Visitors enjoy the array of stands that are present and engage in conversations with stallholders.

These are always great days with visitors specifically requesting return visits the following year.

PREACHING THE GOSPEL

In keeping with the Great Commission of Jesus in the making of disciples, our wonderful staff team of volunteers continue to run discipleship courses with a number of churches in the county. In addition to this, the team have one-to-one discipleship classes with individuals that express a desire to know more and particularly those that profess a confession of faith in Jesus Christ .
Some of the sessions are held face-to-face whilst others are held by way of ZOOM.

The Courses are run free of charge.



The idea behind these courses is to empower and equip congregation members, so that as new converts begin attending their church they are able to help them with the rudimentary and foundational beliefs of the Christian faith.

The five week course that is used is called STARTING OFF. This has been a tried and tested model of early stage discipleship for many years. The fruit of which has resulted in people being firmly established in the Christian faith and going on to be able to engage in vocational service and activities that benefit the wider community where their Churches are based.

Some helpful readings for you this week are:-

Mark's gospel from Beginning to end.
One Chapter a day.

Why not also have a short prayer time together from now on?

EQUIPPING THE SAINTS

Equipping and training the local church is the primary way the Charity equips Christian believers to serve.

Staff teams visit churches and groups of Churches to equip and enable members to be even more competent in their work of service within the Church and local communities.

WMM adheres very strongly to working with and supporting the local church in reaching, serving and being of public benefit to local communities. WMM will work with and serve any Church regardless of denomination. Our goal is to help Christians to be effective in serving their local Church and communities with their God-given gifts.

As an accredited teaching institution ENBS believes that Continual Professional Development (CPD) is very important. To teach and equip others is an honour and privilege. It is therefore vital that tutors continue to receive input to make their teaching even more fruitful.

Almost all of our tutors are volunteers and are qualified by way of academic credentials, personal gifting, calling, ministry experience and certainly life experience.
Our staff team are humble individuals who all serve the Lord with the spirit of excellence.
They are keen to develop themselves and receive ongoing training.
Over the summer all of our volunteers attend a 'refresher course' on teaching in the classroom enabling them to be even more fruitful in and through their teaching ministry. They also attend evening seminars that are held during the year that will upskill and further empower them to be even more fruitful and effective in their service delivery.

EVERY NATION BIBLE SCHOOL UK (ENBS)

ENBS is open to any member of the public who wishes to develop practical skills and abilities in Christian service and being able to serve their Church and local community.

All of the courses offered by the Bible School are Biblically based with the emphasis on practical equipping. The courses are part-time, running either fortnightly or monthly, evenings and weekends. The Bible School is accredited and subject to annual inspections by External Quality Assessments (EQA) ensuring that we meet rigorous and exacting standards of the National Awarding Organisation NCFE

ENBS classrooms are environments of safety and encouragement. The teaching is powerful. Learning is fun, interactive and life-changing with ministry and impartation. Most importantly the opportunity is given to put into practice what has been learnt. This is done by way of an end of year Evangelistic mission/campaign, where students are released to work with the local church in community evangelism.

Many students report back give first-hand accounts of how their lives have been changed, with new trajectories followed, improved personal self development, transformation and growth, which engenders new and heightened levels of confidence, self belief, self esteem and self worth.
In themselves, these qualities whilst invisible are manifested visibly in and through constructive and positive contributions in their personal lives and wider communities.

WMM ANNUAL DAY OF PRAYER

Each year in January the charity meets together for a Day of Prayer. Setting time aside to worship God, seek His face for the year head and have fellowship.

These are always amazing days of investment in the future work that God has called us to.

Elaine attends by way of zoom

Team members are often called upon to minister at church groups and gatherings to bring Gods Word.

They help believers develop in their faith and become even more fruitful in the life and ministry.

RIGHT: Selina is ministering at "Women to Women."

Women to Women was founded by

Dr Ivet White.

The group meets 4-6 times a year and lives are transformed as women meet together, pray, support one another, worship, receiving God's word and prayer ministry.

PREACHING THE GOSPEL

Evangelist Roundtable has continued to work alongside local Churches in evangelistic missions and outreaches throughout Northamptonshire and Market Harborough. The gospel was preached and proclaimed, along with songs of worship, music, and sharing of personal testimonies.

All the outreaches throughout Northamptonshire produced fruit, with souls being saved. The follow -up from the outreaches brought an opportunity to continue relationships as discipleship courses were arranged and people were invited into the local Churches for Sunday services.

The teams ministered in God's love to the communities and sharing the good news of the Gospel. Many deep conversations were had on the streets around Northamptonshire.

A brief synopsis of our evangelistic endeavours are as follows:-

- Partnering with local churches for the Good Friday March of witness and evangelistic outreach in Northampton Town centre.
- Visiting residential senior citizens homes over the Easter and Christmas period. Resulting in us being invited in to minister on a monthly basis to bring Church to the residents.
- We have good relationships with residential homes around Northampton.
- Remembrance Day service at Overstone Caravan Park. We called a roll of honour to remember the fallen.
- Christmas Carol service at Overstone Caravan Park. A huge turnout with all enjoying the carols, Christmas message, mince pies and receiving prayer.
- Partnering with ENBS in their student missions: summer and Christmas outreach. Six people accepted Christ as saviour and we were engaged in follow up and discipled the new converts.
- Pentecost Sunday: Praise in the Park at Abington Park, Northampton. We preached the gospel and the team minister at the park and people gave their lives to Jesus.
- Partnered with the New Testament Church of God at the town carnival, culminating in a huge gathering in the Northampton racecourse. The team shared God's love with visitors..
- We partnered with the community holding Kings Heath Community fun day.
- Visiting local schools conducting Christmas and Easter services..
- Partnering with numerous local churches and equipping their members for evangelism around Northamptonshire.
- Colette and the team spoke at several Churches and a regional conference throughout the year. Bringing encouraging words to the congregations.

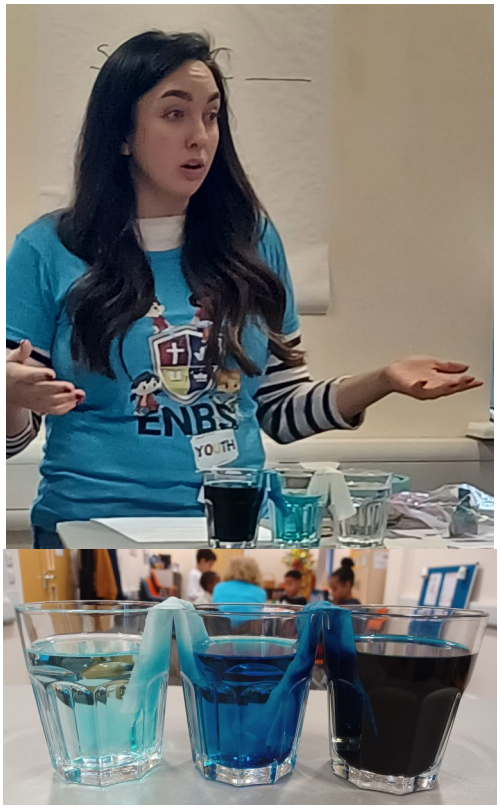
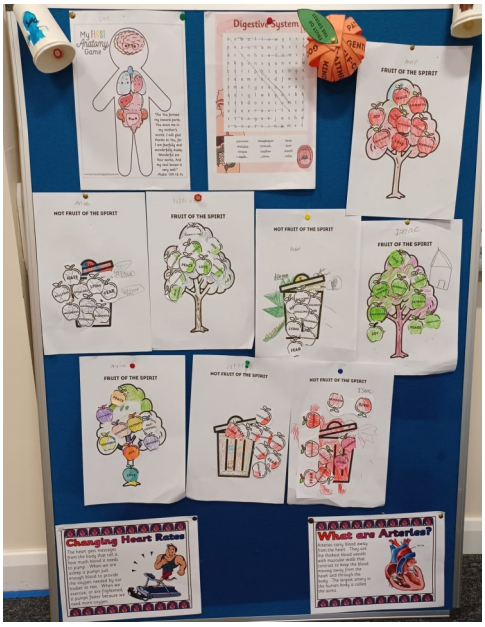
EVERY NATION BIBLE SCHOOL UK
HOLIDAY CLUB

Our tremendous Trustee, Vanessa Morgan and her amazing team of wonderful volunteers, yet again hosted holiday club for the children of the local community and beyond. These holiday clubs are extremely important, because for some of the children they are the sowing of seeds and laying a godly foundation for their lives.



The 3 glasses represent Spirit (darkest blue), Soul and body. They demonstrated how one part of us can affect the other.

This years theme was about how we are fearfully and wonderfully made - Psalm 139:14



We talked about things we should and could do to keep these areas well nourished; with the children understanding the fruit of the Spirit

As well as programmed activities, there were times when the children had time and space to themselves to engage in fellowship and other activities.

EQUIPPING THE SAINTS

Every Nation Bible School UK hosted a MINISTERS OPEN DAY for local Ministers and Church Leaders to visit the Bible School and learn all about Every Nation Bible School, its vision and values.

Volunteer Beverley, warmly welcoming visitors to the Open Day

One leader was so impacted and impressed by the quality of courses, tuition and team, that they immediately signed up members of the church leadership team to enroll onto one of the courses that was due to start shortly.

We again ran, what is fast becoming one of our increasingly popular courses, **Biblical Self Leadership.** Excellent self leadership and management is an essential prerequisite if we are going to be fruitful leader of others.

The course runs for 5 sessions with options for day time or evening subject to numbers. Both face to face and zoom.

It is a course of personal development and transformation as students learn to lead and manage self well!

As many members of the staff team share during the Open Days.
They are delighted to tell of their experiences as students that become tutors. hey testify of the impact and life transformation that they witness in the lives of

IMPACT STATEMENT FROM RECENT STUDENT

I came to know about the Practical Apologetic course through Elaine and Selina who invited me to the ENBS open day event.
I felt an inner prompting after the presentation to do the course immediately. I knew the course was relevant and that it would assist me with my desire to do more evangelism and outreach in obedience to the Great Commission. The inner prompt was confirmed when Selina offered the course as a gift.

The course resulted in a deepened desire and passion for evangelism and outreach.
Practical Apologetics gave me a better understanding and knowledge of alternative world views and increased my cultural intelligence. My enthusiasm and commitment to reaching others has been heightened. I was equipped with specific "tools" and I look forward to friendship evangelism at the gym, restaurants, jazz clubs and other social places and functions.

I am now giving of my time to assist other Christians, Pastors and leaders encouraging and empowering them to share the gospel with greater love and understanding across various cultural boundaries.

The modules are well designed to meet their objectives. The lecturer is well prepared and allows for classroom interaction and further enrichment from the participants. Support material and references for further reading and research are provided for every module. The course is relevant to the South African context and current global events. Overall, the course is just amazing!!

EQUIPPING THE SAINTS

The following courses were run by ENBS 2022-2023

Biblical self leadership
This course teaches students the fundamental elements of good self leadership. Self leadership being a prerequisite to excelling in leading others. The course equips students to lead themselves, enabling and empowering them to live fulfilled and fruitful lives.

Practical Christian Ministry
This course prepares students for the broad-spectrum of Christian life in ministry at a practical level. It is made up of six units and over 25 modules. Each module has an assessment whereby students engage in personal study and homework. Upon successful completion of this course, students earn a Level 4 Certificate in Practical Christian Ministry.

Practical apologetics
Our band new 'Practical Apologetics' 4 session course was launched in October 2022. It was a roaring success. The course was created, developed and delivered by Dr Ruth Ferguson, a long standing supporter and volunteer of World Mandate Ministries. Ruth is a retired GP and she carries a wealth of experience in evangelism that spans decades.
Christian apologetics is the art of being able to engage with people of other faiths, cultures and religions and engage in meaningful dialogue in respectful and courteous manner. Students on this course are taught the foundations of apologetics along with the practical engagement with people of other faiths.

DSG Jamaica
On this course students are taught how to recognise their own spiritual gifts and the purpose for which God has given them. They also learn to recognise spiritual gifts in others as well as understanding God's purpose and design for their own lives. On this course students identify the steps they need to employ to be fruitful in their spiritual gifts.

School of Holy Spirit
School of the Holy Spirit teaches students the foundational doctrines of the third person of the Holy Trinity, That being the Holy Spirit. Students also learn about the specific gifts of the Holy Spirit and how they are deployed in the lives of Christians today and relevant for holy living and impact in their communities. Upon successful completion of this course, students earn a Level 3 Certificate in Ministry in the Holy Spirit.

Setting the captives free
This course teaches students how to lovingly and sensitively spend time with individuals that have life controlling issues and chaotic lives, on how to support them through to emotional and spiritual freedom.

Discipling others
Whilst this course is a free e-learning resource it is also practically delivered by our volunteers to churches that request face-to-face teaching and training. It is a course that teaches church members to effectively disciple new converts to the Christian faith, enabling them to fully understand Christianity in a meaningful way.

A total of over 100 classroom sessions were delivered over 2023-2024

Thank you to all our amazing volunteers and staff team.

Other sessions including prayer, training, ministry to churches and mentoring the students

LAUNCHED

PATHWAY TO ACCREDITED PUBLIC MINISTRY

(ORDINATION PATHWAY)

We recognise that ordination for public Christian ministry is becoming increasingly important for those ministering in the public arena. For many in Christian, religious and non religious sectors of society, ordination is increasingly becoming a validating element that influences ministerial acceptance and collaboration.

We identified the gap that existed particularly for believers outside of the denominational structures. That gap, we believe, can be influenced in some way through **Every Nation Bible School UK.**

In partnership with **Churches in Communities (CIC)** we value very much the facility to function with strong accountability.

In October 2023 we launched **Pathway to Accredited Public Ministry.**

A brand-new course that will earn and be awarded at **Diploma Level 5**. .

The purpose of the **'Pathway to Accredited Public Ministry,'** is for those who feel a very clear and distinct calling to 'public' ministry,' to be further equipped and engage in theological, ministerial and personal developmental studies. It will include the practical demonstration of the calling and gifting within the life sphere of the student/applicant, thus making full proof of their ministry as per 2 Timothy 4:5.

The Pathway to Accredited Public Ministry (PAPM) is a comprehensive Level 5 Diploma programme designed to equip individuals for effective and accredited public ministry. ENBS UK - GRADUATION

ENBS had the great privilege to host its 24th Graduate Service. Having equipped and now releasing more workers in to the harvest

Rev Elaine Roberts travelled from Jamaica to be our guest speaker and spent 8 weeks in the UK ministering.

At the conclusion of the ceremony, the graduands receive prayer and are commissioned into their ministries. Each person received the ministry of the laying on of hands as per Acts 13 and apostolically released to serve the local, national and global Body of Christ.

As per pages 14-15 of this report, the wonderful children that attended the holiday club, were invited to be part of the graduation service and they too received their own certificates and awards for attending.

The Graduation Services are always great days of celebration for graduands, their family and friends.

PREACHING THE GOSPEL & EQUIPPING THE SAINTS

Founder of C2C Julie Parsons, Rev Elaine Roberts, Vice Lieutenant: Morcia Walker MBE, CEO of C2C: Michelle Shaw, Northampton Mayor: Cllr Stephen Hibbert

C2C SOCIAL ACTION AKA CRIME TO CHRIST 20TH ANNIVERSARY CELEBRATIONS

RIGHT: Mayor Hibbert being inspired by Michelle Shaw inspired by the work of C2C Social Action.

Twenty years ago, Sergeant Julie Parsons, who served within the Northampton police service, had a vision to reach out to offenders to help steer them away from a life of crime and incarceration.

At that time Julie was a volunteer with World Mandate Ministries and shared that vision with the trustees. The trustees were excited about this vision, seeing both the potential and impact it would have on the offending community.

We assisted Julie in the early days and encouraged her in the work of Crime to Christ, as it was known then. Knowing intuitively that the work of Crime to Christ had a life force of its own and deserved to stand as a ministry in its own right, we lovingly, encouraged and released Julie to take a leap of faith to step out from World Mandate Ministries and become a registered charity. With a tear stained face, hesitantly and with fear and trepidation Julie stepped out and took that leap of faith. We stood by Julie, walked with her, counselled and mentored her until Crime to Christ was able to stand on its own two feet.

The rest, as they say is history, Crime to Christ, has become an award winning and a force to be reckoned with. Delivering life changing services to both men and women helping to support and constructively develop their lives to help steer individuals from a life of crime.

It was the absolute delight pleasure and privilege of Elaine to be the guest speaker at their 20 years celebration. The Mayor of Northampton was in attendance that day. Upon hearing of the wonderful work that C2C contribute to the town, county and indeed the nation, awarded them a generous grant from the Mayor's charity account..

A truly great work!
A truly great day!

DESTINED FOR THE THRONE CONFERENCE

Destined for the throne conference held in October was a powerful gathering of hungry like minded believers seeking one thing only, the heart and mind of God in His service. Doctor Hugh Osgood was our speaker for the day and his inspirational and anointed ministry touched the hearts and lives of all in attendance.

The theme of the conference was to further encourage believers in their walk with God in preparation of the days that lay ahead.

People gathered in St. Giles church, Northampton and gave positive and encouraging feedback on how their faith had been lifted, encouraged and strengthened,

empowering them with confidence to make constructive and progressive choices about their future ministry and service to the Lord.

ORDINATION OF SELINA FORDE

Selina, receiving her holy charge from Rev Trevor Howard of CiC.

World Mandate Ministries first met Selina Forde when she attended our Teacher Training course at WMM in 2015.
From that day, her life was never the same. The Lord prompted Selina to attend the 5x5 Fivefold conference, that we hosted in 2016. At that conference the Lord spoke to Selina about her calling into His ministry.

Selina subsequently became a volunteer with WMM and enrolled on the Equipped 4 Life course.

Selina, receiving the biblical laying on of hands, being ordained into her ministry and receiving prayer.

Selina's passion for teaching God's Word, equipping and releasing people to fulfil their potential was clearly evident.

Selina and Trevor signing her ordination papers.

With the support of her Church Pastors, Selina served WMM and ENBS. Having made full proof of her ministry, Selina rightly commands the respect of her peers, ministers and church leaders, both locally and nationally.

Introducing Rev Selina Forde

It was with the open counsel and support of her pastors that Selina was ordained by Churches in Communities (CiC) into full public ministry.

The evening was magnificently completed by the beautifully anointed prayers of her father Dr Winston Morgan, live online via zoom all the way from Jamaica.

Selina is a God-anointed Bible teacher and powerful disciple maker. The anointing she carries transforms lives.
The Trustees of World Mandate Ministries proudly commend Rev. Selina Forde to the wider Church of Jesus Christ.

DISCOVERING YOUR SPIRITUAL GIFTS

ENBS in JAMAICA

In keeping with the World Mandate Ministries mission and vision to equip the Saints wherever we are, we had the great privilege to host the Discovering Your Spiritual Gifts course in 2023 and 2024.
A total of 20 students from four different Churches across St Elizabeth, enrolled and completed the course.

It was a tremendous opportunity and something that none of the students had ever experienced before. Nearly all of the students related the way they felt about themselves was, “Well this is how I am.” and “This is what I'm like.” They were astounded to discover that the way in which they “am” and “were like”, was indeed ordained and gifted of God.

They were elated to discover about their talents and abilities were actually God appointed special gifts in which He had gifted and empowered them to be able to serve Him and not just “What they were like.” From that point onwards, we witnessed many of them how they immediately deployed their gifts in new and exciting ways; knowing that they were indeed serving the Lord and edifying the body of Christ.

Two Pastors attended the course and for both of them it was a game changer in terms of ministry and how they proceeded from that time forward. Two further members were also blessed to be appointed to leadership roles within their church, having discovered that they had been gifted of God to lead.
PRAISE THE LORD!!!

We honour studies, assignments and hard work. The above picture was taken at the graduation service held in June 2024, for those who were able to attend.

LADIES OUT of LOCKDOWN

Elaine was kept very busy while she was in the UK, with her ministering at many churches, gatherings and conferences.

Here, Elaine ministered at “Ladies Out of Lockdown” Conference at Lighthouse Gospel Church in Spalding.

Whilst the country was a good year out of lockdown restrictions and impositions; between Elaine and the leadership of the church it was felt that this day’s ministry conference, was the needed catalyst for many women as they continued to emotionally and spiritually recalibrate and navigate out of the previous two years lockdown restrictions.

There was wonderful feedback with the church leadership receiving testimonies and accounts of how God had ministered deeply into the lives of the ladies that attended the conference during the day.

Elaine September to October 2023

Elaine’s visit was certainly eventful and fruitful with her attending and speaking at the ENBS student graduation, Elaine worked in the office on various projects as well as supporting the team. She also had the great privilege to visit every single one of the team members in their homes and have personal time to catch up and pray together. Attending trustees meetings and the annual ministry family day together. She was also the guest speaker at C2C Social Action, 20th anniversary celebrations. HOPE Church, Wellingborough, HOPE Church Corby and various planning meetings, Destined for the Throne conference, ENBS inspection, ladies out of lockdown conference in Spalding, teaching on the Bible school, plus much more.

Elaine was back in May 2024

Thankfully Elaine was able to be present for the ordination of Rev Selina Forde. She was also invited to be one of the speakers at the connect 24 - bi-annual gathering/ conference held by CiC at the Hayes Centre, Swanwick. . Elaine was requested to speak on the matter of cultural challenges of leadership.

Elaine again returned to Spalding gospel church ministering at both their morning services with inspiring messages to encourage and deepen the faith of those in attendance. She also attended the Focus on Israel day of prayer and continue to work and serve the team in the Northampton office.

WHEN YOU GIVE TO THE POOR YOU LEND TO THE LORD: PROVERBS 19:17

Pauline, Brandon and Romario

Elaine was moved to tears as she learned of the plight of Pauline and her two grandsons, Romario and Brandon. Both boys abandoned by their parents. Pauline is unable to work, due to suffering with lupus, Pauline it is at the mercy of expensive doctor visits and medication.

The boys have a great aptitude to learn. Romario wants to become a pilot when he leaves school while Brandon is still undecided. Brandon is on the spectrum suffering with autism. He is getting help..

When Elaine saw the awards, certificates and school reports that the boys received despite struggling to attend school on a consistent basis, due to lack of funds, it was abundantly clear that as a ministry we were to help this precious little family.

There is no benefit system in Jamaica. You either have funds for medical assistance and education or you don't. Pauline and her family don't!

Members of the World Mandate Ministries team were so touched by the need that a number of the team contribute monthly to support the family. The money is distributed monthly to the family through the nurse that is assigned at Pauline's doctor's surgery.

We receive reports from school and meet with Pauline, Brandon and Romario on a regular basis. We know the funds are being appropriately used and well spent. Romario wants to be a pilot. The way things are going for him at school there is no question that he will achieve his heart's desire. Brandon, being so much younger than Romario, is still quite undecided. We pray that God will continue to keep his hand on this beautiful family and heal Pauline from this horrible disease of lupus.

We are privileged to invest in this family assisting Pauline in meeting her health care bills and providing Romario and Brandon with the education they deserve.

EDUCATION IN UGANDA

WMM trustees stand on the words of the Bible: "If a man is hungry, then a simple 'God bless you' means absolutely nothing." Mere words do not change the plight of the hungry, the marginalised and the helpless. We believe that care for the poor is to be tangible, practical and relevant to those in need. WMM is committed to supporting the poor and marginalised in this and other countries.

TITHING

WMM adheres to the Biblical injunction of tithing. Meaning that 10% of all 'undesignated' income is put into a 'tithe account,' to meet the needs that are bought to the attention of the trustees, including the schooling of these children.

FEEDING THE POOR

Financial grant assistance was given to help relieve poverty locally, nationally and internationally. Careful and prayerful consideration is given to the distribution of all funds raised. The charity only supported needs and smaller projects where an audit trail of how the finances have been spent was accessible.
We are thrilled to be able to state that despite the closure of the charity shop, finances were still made available through the kind giving of individuals who knew that despite the closure of the charity shop monies were still required to support individuals, ministries and orphans. Due to this ongoing kindness World Mandate Ministries took the decision to support three more Orphans in Uganda.

CATEGORY 5 HURRICANE

DEVSTATES SOUTH COAST OF JAMAICA

July 3rd 2024—a devastating cat 5 hurricane made landfall on the south coast of Jamaica. Peter and Elaine house was totally destroyed by the hurricane and they had to rebuild their home with a new concrete roof. Peter and Elaine learned of at least 5 families with small children and elderly that were in need of immediate assistance. Whilst Peter and Elaine were insured—many are not.

BEFORE: Glenmore's house. 3 lots of windows were blown out by the hurricane.

AFTER

Shawna's house, still under reconstruction:

BEFORE: Curry's house—lives with elderly parents and he is still out of work.

Monies were distributed by way of placing funds at the local hardware stores that were nearest to those in need. That way monies could only be spent on roof, window and door replacements.

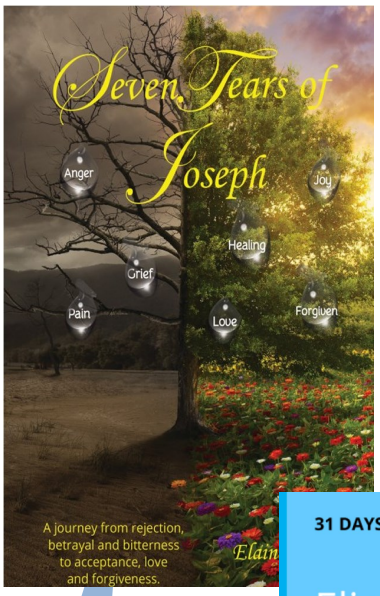
IN HER SPARE TIME...

In addition to the three books that Elaine published at the end of 2023, she has written a further book " The Seven Tears of Joseph."



In December 2023 ***"The Seven Tears of Joseph"*** was published. Having members of her own family murders die at the hands of others and forgiven them, Elaine draws upon those experiences and the powerful account of Joseph forgiving his brothers who so cruelly betrayed him.

In May 2023, Elaine released her first book, ***"31 Days to Eliminating Gossip."*** which is now available on Amazon in both paperback and Kindle format.

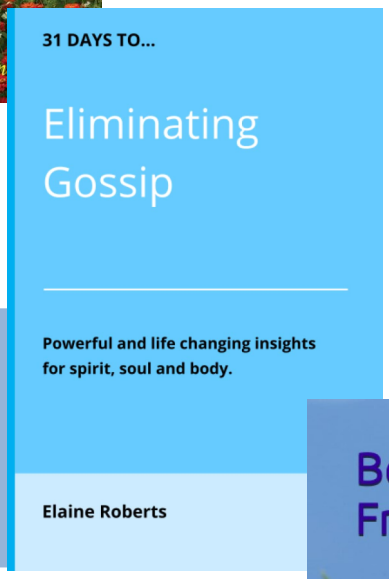
31 Days to Eliminating Gossip.

This short and insightful book gives successful strategies and top tips on how to shut down those who wish to use you to share their nasty gossip.

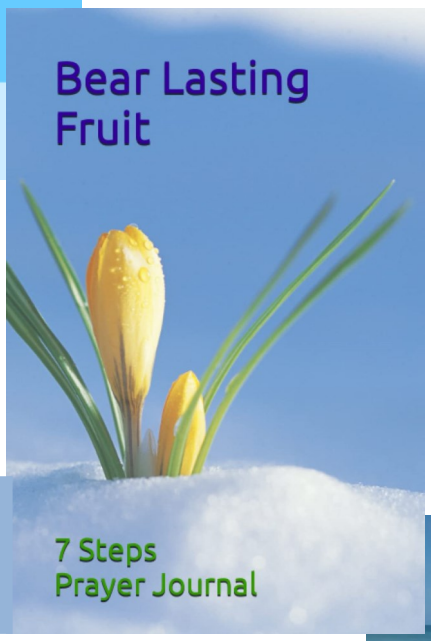
Gossip is a horrible disease that destroys relationships, reputations, credibility and integrity.

31 Days to Eliminating Gossip, is a powerful tool for you to use as a reference tool to use time and time again.

It makes a great gift to pass onto those you know suffer with this dreadful disease..



This book is relatable, challenging and thought provoking. Easy to read and hard to put down once started. Thoroughly recommend it.



It gives excellent practical advice and steps to eliminating gossip.

All four books are available on Amazon in paperback and Kindle.

Two lovely journals, easy to use and inspiring layout.

Registered Charity No. 1091640

OBJECTIVES

World Mandate Ministries exists as a registered charity. The objectives are: -

1) The advancement of the Christian religion in accordance with the teaching of evangelism, in particular through the provision of classes and opportunities to study the Bible.
2) The relief of poverty of individuals who are in need through the provision and distribution of goods, clothing and other services.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

The charity objectives have been broken down into three headings: -

- Preaching the Gospel - Making known the message of God's love
- Equipping the Saints - enabling and releasing church members to serve God and their communities
- Feeding the Poor - practical support to the needy

The Trustees consider that through the activities and provision of services by the Charity, the public is greatly benefited by -

- **Preaching the gospel:** - through preaching of the Christian message in churches and other settings, where there are individuals who want to hear what is being said.
  Along with explaining the message of Christianity, there is practical evidence of the positive hope that Christians have, through our school, missions, preaching and life!
  This is further evidenced by the fact that individual lives are transformed through the encounter of God and His people who serve and help in practical ways.

- **Equipping the Saints:** - through teaching believers how to live out their faith in ways that make a difference in their local communities and the world at large. We do that through our Bible School, Every Nation by School UK, conferences, preaching and teaching engagements, cross-cultural mission trips, individual and peer mentoring and by our own personal examples in the way in which we live and conduct our lives.
  Lives continue to be transformed as individuals that attend the Bible School testify of the personal learning that transmutes into areas of constructive and practical contributions to their local communities and to the world. at their equipping events, such as conferences, seminars, mentoring and other means, grow in confidence, self-esteem and increased sense of self worth that they have something to contribute to their communities, society and humanity.

- **Feeding the poor:** - the relief of poverty through the giving of 10% of all income from the general account of the charity.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT cont...

COMPASSION WORLD WIDE FORMER CHARITY SHOP was very popular and had become a hub in the community. It was a shop that raised money for charitable donations, support orphans through school in both Uganda and Jamaica.
It was also a place where acts of kindness happened on a regular basis. Our volunteers became aware of the needs of the customers and stepped up in ways that demonstrated non-judgemental love care and value of how each person matters.
They gave a listening ears and broad shoulders of comfort and support.
The shop was forced to close during the 2020 pandemic as a result of the poor health of the landlord. It is hard to enumerate the impact this little shop had on the community. However, one incident stands out among many, whereby a regular customer would come in and chat with the volunteer staff. This particular customer suffered with long-term life limiting chronic depression and a form of agoraphobia. Within a very short time of befriending the shop volunteers, through the love, support and care they received from the volunteers, the customer grew in confidence and became more outgoing. That customer eventually became a part-time volunteer working for World Mandate Ministries. Their life was transformed forever.
We are only too aware that the lives of our staff and customers have benefited and been transformed, probably as much as the recipients of the money raised by the shop!

Following the sale of Mandate House in June 2021 the Trustees made the decision to continue to make provision for the relief of the poor and support other charities by way of funds from the property sale. In excess of £50,000.00 was placed into the Tithe Account from which all donations to the poor and others are made. This way we ensured that our vision to keep supporting the poor and need could be maintained until such time we were able to open another charity shop.

EVERY NATION BIBLE SCHOOL UK is one of the ways in which we help Christians at every stage of maturity to learn something more of how to live out their faith and practically engage in their communities.

The courses that are run by the Bible School inevitably impact the community of each student as they contribute and relate to their neighbours and communities both locally and nationally, as Christ demonstrated.

Individuals are taught how to serve God, how to forgive, how to be gentle, how to explain the hope they have, how to pray, how to establish community projects, leadership skills, how to offer pastoral care to those encountering ‘end of life’ situations, plus much more.

People are equipped to serve in many and varied vocational capacities and go on to serve their local communities in meaningful ways.

The Bible School is biannually visited by an External Examiner to ensure that our management, systems, schemes of work, assessments are all fit for purpose. We are thrilled to report that the inspections held in 2022-23 reported excellent on all levels. We pay tribute to our amazing and hard-working staff and volunteers for this report.

CHIEF EXECUTIVE'S REPORT

The year 2022-2023 Was a year that was unique in every way. It was exciting and daunting. However our wonderful volunteers and staff are always up for a challenge and they exceed and excel in everything they put their hearts and hands to.

The nation had finally steered its way out of the last two years of lockdown, seemingly trying to get back into some kind of normal. However, what once was, could never be again. The world had truly changed forever. Within the world of World Mandate Ministries living and working situations Had also changed radically and the charity was now working with a new normal.

We are extremely grateful to our Volunteers and paid staff, both of whom work extremely hard. They are truly tremendous and a credit to the work that we do. They work tirelessly and most sacrificially for, and on behalf of, the Charity and the public that we serve.

All of our volunteers and staff are loyal, hard-working and believe in giving of their very best, which they do with cheerfulness and a spirit of excellence.

World Mandate Ministries and Every Nation Bible School UK would not be able to function to the capacity and excellence that it does without them.

We express our deepest gratitude to those who give of their time in prayer and financially support the charity through their kind donations. Praying and giving enables the work of God to touch and transform lives.

We take this opportunity to extend a hearty congratulations to our long-time Trustee and volunteer Dr Richard Barrett.
On December 31, 2023, it was announced in the London Gazette, that our very own Dr Richard Barrett, had been named in the New Years Honours list.
Richard was nominated and selected by the Cabinet Office to be awarded an MBE for his philanthropic endeavours and services to the environment.
Richard has served as Trustee of World Mandate Ministries since September 2006.
Richard is also a Trustee for Spencer Contact and Romans 1:11.
All that needs to be said , is that, Richard is an exceptional human being, whose hard work, integrity and love of humanity is beyond reproach.
Richard was certainly an individual worthy of receiving such a prestigious accolade.

Congratulations Richard, from all of us here at World Mandate Ministries!

As a Christian charity we particularly, and most importantly, express our gratitude and thanks to God for all His enablement and continued encouragement in all the work that we are doing in His Name.

The remainder of this report will describe the wonderful works that we have been able to conduct by God's grace as well as testifying of the fruitfulness of the said works.

As the purpose of going to Jamaica was to be available to serve and support Elaine's mother, she recognised this would not be a full-time role. It was on that basis, Elaine agreed to continue to work online for three days a week. Her role will entail developing the ministry in Jamaica and further afield. This would mean that the staff team continue to be supported. A model that we believe would work well and, indeed, does work well.
Elaine also agreed that she would annually return to the UK for periods of time up to 8 weeks at a time, to be hands-on in the office and available to continue serving the ministry, churches and other ministries.

We are always encouraged, humbled and privileged when we receive letters, emails and phone calls from individuals who have engaged with staff members through the diversity of ministry that we offer. They testify of the transformation they have experienced through their engagement with World Mandate Ministries staff and the Christian ministry that has been extended to them. The best part of this individual transformation that takes place is that there has been an empowering and releasing of even more confident, strong, entrepreneurial, positive and bold individuals that are now out there in the world at large, making their contribution to a happier, healthier and more peaceful planet.

Our excellent pastoral team continue to meet with individuals, befriending and supporting them on a one-to-one basis. We regularly hear testimonies of individuals that have been helped to overcome life–controlling challenges. Through spending time with them, support and prayer, we witness individuals break chaotic cycles and re-establish normal and functioning lifestyles.
Personal transformation can be a challenge to quantify, nevertheless transformation produces happier, emotionally stable people who become even more fruitful in their area of vocation.
They too are empowered to make positive and lasting impact within their local communities. Our vision is that in 2024 this can become a more formal arrangement whereby we offer a drop-in service to individuals.

CHIEF EXECUTIVE'S REPORT CONT...

SHARING OUR CHRISTIAN HOPE

As a charity we believe the hope and belief in Jesus Christ that we have as Christians is central to all that we do. It is out of that hope that we minister and serve the people that we come into contact with.

We believe that each and every individual person is important to God and we seek to demonstrate His love in practical and meaningful ways, in ways that will open hearts to trust God, the source of all goodness.

As a ministry we seek to live in the spirit of the Beatitudes and believe that the principle of honouring every person is important as every person matters to God.
We believe this spirit of the Beatitudes contributes to making the world a better place.

Diversity
We celebrate our diversity and acknowledged upon positive contributions to a more all-round in society and as lives are impacted through the diversity of coal of culture and nationalities.
World Mandate Ministries has always and will continue to include volunteers and staff from across the breadth of society. Our current volunteer base consists of 14 nationalities, including Eastern European, Caribbean, African and Far Eastern.

As an Inter-denominational charity we are proud to demonstrate inter-denominationality through the 14 church Streams that are represented through our outstanding volunteer representations.
We are also pleased to enjoy interdenominational harmony and peace across the whole spectrum of Christianity, including honour and respect for people of other religious persuasions.

The remainder of this report will describe the wonderful works that we have been able to conduct by God's grace as well as testifying of the fruitfulness of the said works.

CHIEF EXECUTIVE'S REPORT continued...

PREACHING THE GOSPEL

We believe that the gospel of Jesus Christ has the power to save and transform lives. When we talk about saving lives we do so understanding that the word 'save' or 'salvation' means and is evidenced by the holistic restoration of a person. The person can be and is indeed restored in spirit, soul and body. We believe that Christianity is a faith that brings emotional, physical as well as spiritual peace, comfort and well-being. We believe that Christianity is not merely a religion with the belief system, we regularly witness the transformation of broken and chaotic lives being restored, which therefore enables individuals to live ordered lives from a place of well-being. This transformation empowers and enables individuals to be positive and constructive contributors to healthy and meaningful society and world at large.
We therefore seek to assist and support people to experience the blessing of a living faith in the Lord Jesus Christ, address mental health needs, offering support where requested and appropriate and receive prayer for physical healing where requested.

ENABLING BELIEVERS TO SERVE

Our amazing volunteers make a significant contribution to the running of Every Nation Bible School UK. They study and prepare classes, they give of their time to learn how to be even better tutors, they teach students, they mentors students, they mark student work and assignments. We are truly grateful to God for these outstanding individuals who take of the God-given gift that they have and graciously imparted into the lives of those who come to learn.
Their contribution is a genuine mark of their commitment to the work of World Mandate Ministries in that there donation of their time runs into hundreds if not thousands of hours.
In August 2021. Selina Forde was promoted from her volunteer role as Principal of Every Nation Bible School. UK. Elaine assumed the role of Associate Principal to enable Selina to flourish in her role and develop as Principal of the Bible School. Since that time Selina has continued to Enable, Educate and Encourage students, staff and the ministry at as a whole
We believe that every individual has been gifted of God to make a transformational contribution and difference to the world that is positive and constructive. It is with that belief that we run Every Nation Bible School UK. Through the Bible school we seek to empower and enable people from all walks of life to serve in ways to make their positive contribution to the world today. Our students have ranged from plumbers, to GPs, lawyers, accountants Social workers, scientists, schoolteachers, the range is endless. Suffice to say, Every Nation Bible School UK is meeting very practical needs in the lives of individuals, the outworking in the lives of students is life changing and revolutionary.
We continue to work with the church locally, nationally and internationally, training and equipping church members to serve God.
In November 2022 a pastor from South Africa who we had worked with in previous years made contact with us and expressed great interest in opening the door for ENBS to operate a satellite centre in South Africa. He informed us that the need for accredited Bible and religious institutions had now become a government issue to counter fraudulent religious activities. His previous experience with us led him to know of the integrity by which World Mandate Ministries and the ENB year's operates. We are conducting meetings with this pastor and currently in the process of establishing links with other churches and groups in South Africa leading to the satellite centre becoming a reality.

Elaine is working in collaboration with the Church of God denomination in Jamaica, to establish an ENBS satellite centre, in Jamaica. This came about through an approach from the Church of God denomination, to assist them in their accreditation of their currently unaccredited theological seminary. The way it would work, would be that the theological seminary in Jamaica would operate under the same accreditation licence held by ENBS from NCFE. This has been fully discussed with and approved by NCFE.

The Annual Monitoring Review and External Examinations conducted by NCFE of ENBS again resulted in excellent reports. More discussed later in this report.

PREACHING THE GOSPEL

The Evangelist Roundtable volunteers operate under the auspices of World Mandate Ministries. Led by volunteer Rev Colette Barron. The unique element about the Roundtable, is that it serves the church by its volunteer team of evangelists team members working alongside, with and for the local church in equipping and mobilising the Church in its evangelistic endeavours. The volunteers come from a broad spectrum of denominations, this ensures there is no partisan spirit and everybody is serving the wider church and the wider community for the common good.

In 2022-2023, we were privileged to work alongside the diversity of Churches and ministries who joined us throughout this period, all team members volunteering their time to evangelism.

The Roundtable served churches and church groups for eight months out of the year. Points of outreach at Halloween, Christmas, Easter, Mother's Day and working with New Testament Church of God, Christ Image Assembly Church, Hope Church –Wellingborough, CUM Church in Northampton.

Healing on the Streets meets once a month in the town centre offering prayer for those who request. We can often be found supporting this service and ministry. Numerous people approach the stand for prayer and are greatly encouraged, supported and comforted to receive prayer on their behalf.

At Halloween, we handed out goody bags of hope, revealing God's love and blessing people with prayer. People took the bags, were keenly interested to read the contents and happily received prayer.

At Christmas we sang Christmas carols, proclaimed the gospel and had numerous conversations with people that were interested about the origins of Christmas and seeking peace in their hearts, lives and families at this special time.

On the Saturday before Mother's Day, the team again were out on the streets, engaging in conversations with mums and families. Some Mothers shared of their personal experiences of the difficulties, trials and tribulations of life. Many requested prayers of comfort on their behalf.
The mothers along with their children greatly appreciate prayers and express how comforted they felt after being prayed with.

Evangelist Roundtable
Wellingborough town centre

The team also engaged in equipping and serving churches by way of training their congregation members.
One of the volunteer team leaders Audrey Brown, led a programme for six weeks givng an opportunity for various members of Evangelist Roundtable to bring teaching and training.
That way all members of the team get to contribute to the great work that they are engaged in.

Market Harborough and Northampton - Easter outreaches were held across the two counties hosting Good Friday activities and on Easter Saturday.

Goody bags

Whenever the volunteers venture out onto the streets to talk to people, they always take goody bags with small gifts of chocolate's and gives relevant to the season that we are in. The purpose of the bags is to demonstrate love and kindness to strangers so that they will feel that they are valued by others.
The goody bags are underwritten by the volunteer team as their way of giving to the local community.

Northampton town centre has always been a pivotal place for evangelism outreach. We continue to meet faces both fresh and familiar. The familiar faces that now recognizes will often come and engage in conversation on then initiative and on many occasions requesting prayer.

We know that this work of being Christ in the Community makes a tremendous difference as people know we are present and feel very comforted that we are there and that they have someone to talk to if and when they need to.

PREACHING THE GOSPEL

Supporting the Bereaved

In March 2023 a young college youth with his whole life ahead of him, lovingly known as 'Fred' was tragically murdered. Fred was stabbed and died after school on a Friday afternoon in the Kingsthorpe area of Northampton.

Volunteer, Rev Colette Barron immediately visited the site where Fred was murdered to offer practical support and be a listening ear of comfort to Fred's grieving family, school friends and teachers who had gathered around a monument close to where he was violently stabbed.

Colette gave her broad shoulders and loving arms of comfort as she offered tremendous support to the bereaved and grieving. In many cases, simply holding them and physically supporting as they were overwrought with grief and wept uncontrollably. Furthermore, Colette mustered her wider team and they gathered again on the Saturday to support as more of Fred's friends who wanted to be there.

BBC News were present and after observing the care and professionalism by which Colette served the bereaved and heartbroken, the BBC approached Colette, asking if she would be willing to give an interview about the recent events. Colette kindly obliged and the news of the tragic event was aired on the National BBC News that very night.

Colette contacted the school, Kingsthorpe College, volunteering her and her team's support to the Head Teacher. The Head happily accepted Colette's offer of support and Colette and team were invited to visit the college over a period of 3 days. They were specifically requested to deliver services of love, support, listening ears and comfort to both the students and staff.

They were given a specific time in which to do this on the days that they were present. This was to ensure that the school functioned as normal as possible in this difficult period. However, on one particular occasion, when their time was up, the administrator approach the team to prepare for them to leave as planned. The administrator noted the positive rapport that was taking place between the students and the team. She left the team allowing them to continue in their conversations of comfort to the heartbroken students and returned much later.

She then informed Colette, that when she saw what was taking place between them all, it was far too important and she did not want to disturb or interrupt it. She explained that she wanted the students to receive all that they needed to, even if it meant going over time.
This is a testament to the professionalism and integrity by which the team operate.
The students were open to receiving from the team, with some not wanting to leave, even when their time was up. They simply wanted to sit and 'be.' Others wanted to talk about faith and were happy to receive prayer.

When the trial was taking place in the Crown Court, Colette and the team were once again approached by the Head Teacher and invited to return to Kingsthorpe College.
This time the Head felt that it was now prudent to have the team on hand for them to offer support to students and staff during the time of the trial, especially as that time had the potential to resurrect memories, further pain and distress.

Their presence was once more greatly appreciated, especially as the team were specifically able to serve the staff on this occasion.

PREACHING THE GOSPEL

Pentecost in the Park
In collaboration with many other churches and ministries across Northamptonshire, A joint event was held in Abington Park for Pentecost in the Park.

The team engaged with visitors to the event as they were dotted around the park having fun and enjoying time with family and friends with their picnics.

Churches shared in singing songs of worship and explaining The purpose of the Christian festival of Pentecost.

Pentecost in the Park in Northamptonshire is not an isolated event. It is part of a network of events that usually happens around the whole of the country on that day.
These events have been happening for over 10 years and halted during the pandemic.

The local churches work collaboratively and in partnership with National Day of Prayer and Worship.

Visitors at the

World Mandate Ministries stand.

One of the purposes of Pentecost in the Park is to create an arena whereby members of the public can visit the different stands of the diversity of churches, ministries, clubs and societies that work together for the good of the community in Northamptonshire.

Visitors enjoy the array of stands that are present and engage in conversations with stallholders.

These are always great days with visitors specifically requesting return visits the following year.

PREACHING THE GOSPEL

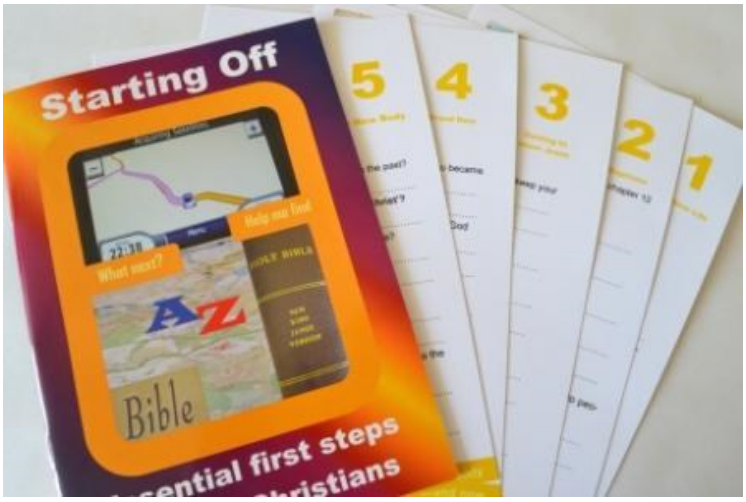
In keeping with the Great Commission of Jesus in the making of disciples, our volunteers were able to run discipleship courses with a number of churches in the county. Some of the causes were face-to-face and some were held by way of ZOOM.

The Courses are run free of charge.

The idea behind these courses is to empower and equip Congregation members, so that as New converts begin attending their church they are able to help them with the rudimentary and foundational beliefs of the Christian faith.

The five week course that is used is a course called STARTING OFF. This has been a tried and tested model of early stage discipleship for many years. The fruit of which has resulted in people being firmly established in the Christian faith and going on to be able to engage in vocational service and activities that benefit the wider community where their churches are based.

We are extremely grateful to our volunteers that serve in the different churches with these courses. We know they are making a tremendous difference to their churches and local communities.



A sample of the material that is used in the presentation of the discipleship course..

Elaine was also granted the amazing privilege and opportunity to speak on national radio BESS FM in Jamaica for a period for 3 months.

Initially invited to share of her journey to ministry, the hosts so appreciated Elaine's talk, that she was invited to return for a number of weeks that followed.

Elaine spoke on various matters, including faith and current affairs. Before the end of her sessions radio each week

Elaine was requested to share a brief word of prayer and encouragement for the radio station staff, the people of Jamaica, the government and the nation.

EQUIPPING THE SAINTS

Equipping and training the local church is the primary way the Charity equips Christian believers to serve.
Staff teams visit churches and groups of churches to equip and enable members to be even more competent in their work of service within the church and local communities.
World Mandate Ministries adheres very strongly to working with and supporting the local church in reaching, serving and being of public benefits to local communities. World Mandate Ministries will work with and serve any church regardless of denomination. Our goal is to help Christians to be effective in serving their local church and communities with their God-given gifts.

As an accredited teaching institution Every Nation Bible School believes that Continual Professional Development (CPD) is very important. To teach and equip others is an honour and privilege. It is therefore vital that tutors continue to receive input to make their teaching even more fruitful.

Almost all of our tutors are volunteers. Yet they are qualified to teach by way of their academic credentials, personal gifting, calling, ministry experience and certainly life experience.
They are humble individuals who serve the Lord with the spirit of excellence.
They are keen to develop themselves and receive ongoing training. Over the summer all our volunteers that teach attended a 'refresher course' on teaching in the classroom enabling them to be even more fruitful in and through their teaching ministry.

They also attend evening seminars that are held during the year that will upskill and further empower Then to be even more fruitful and effective in their service delivery. The two seminars that were held within this year were, Communication Skills and Spotting Deception in the Church.

EVERY NATION BIBLE SCHOOL UK (ENBS)

Every Nation Bible School UK is open to any member of the public who wishes to develop practical skills and abilities in Christian service and being able to serve their church and local community.
All of the courses offered by the Bible School are Biblically based with the emphasis on practical equipping.
The courses are part-time, running either weekly, fortnightly or monthly, evenings and weekends.
The Bible School is accredited and subject to thorough annual inspections by External Quality Assessments (EQA) ensuring that we meet rigorous and exacting standards of the National Awarding Organisation NCFE.

ENBS classrooms are environments of safety and encouragement. Teaching is powerful. Learning is fun, interactive and life-changing with ministry and impartation. Most importantly the opportunity is given to put into practice what has been learnt. This is done by way of an end of year Evangelistic mission/campaign, where students are released to work with the local church in community evangelism.

Many students report back give first-hand accounts of how their lives have been changed, with new trajectories followed, improved personal self development, transformation and growth, which engenders new and heightened levels of confidence, self belief, self esteem and self worth.
In themselves, these qualities whilst invisible are manifested visibly in and through constructive and positive contributions in their personal lives and wider communities.

At the conclusion of the ceremony, the graduands receive prayer and are apostolically commissioned and released to serve the local church their communities and the world.

EQUIPPING THE SAINTS

Each year the students from ENBS plan and host 3-5 day evangelistic mission, following the ten month course. The outreach mission forms part of their end of year assessment, where ENBS UK and the students work with a local church delivering the activities to the people of Northampton.

Gifts of mugs are given

The mission's purpose is to release the students to work together as a team, having being equipped, and to work within the context of a local church, and then to host and deliver an evangelistic outreach.

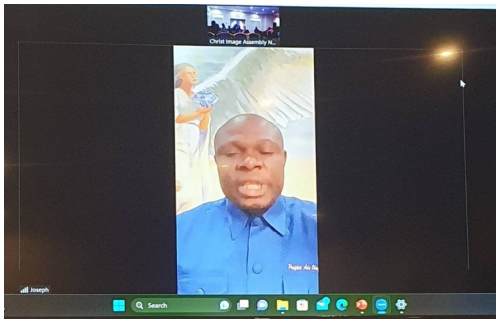
The outreach activities are organised in entirety by the students. They are at this point supported by the tutors and staff team.

The outreach activities enables them to put into practice and apply all that they have learnt over the last ten months. In addition to this, students learn how to engage with church leaders and church members and other congregations outside of their own personal experience. These experiences are always great learning opportunities for the students.

Activities range from and include engaging with members of the public on the streets, on the doors and within their homes, leading Bible studies, teaching, preaching and mobilising the Church in outreach activities.

These times are always extremely engaging as students and church members work together in harmony and unison.

One thing that is commonly experienced, especially when the students visit people on their doors is that residents are extremely open and visibly moved as the teams visited their homes. Many residents allowed the team to pray with them. They testify of how uncommon it is for strangers to knock on their doors and demonstrate and express love and care for the said resident. The residents greatly appreciate these visits



The students and team went on the Market Square and Abington Street of Northampton. In this setting they sing songs of worship, music, team members sharing personal testimony of their faith in Christ. Activities for the children are provided, face painting, colouring and games that children can take away with them.

The outreach concludes on the Sunday as the students lead the Sunday morning worship service.
Again activity is organised and facilitated by the students whereby they preach, facilitate the service , lead in taking holy Communion as well as pray for those who request it at the conclusion of the service.

This outreach activity indeed provides ample opportunities for the spiritual growth, personal and professional development of the students as they step into arenas of activity for the very first time.

At the conclusion of the school year students always exclaim how the end of year outreach activities is the pinnacle of the course and contributes to being one of the most exciting activities of their lives to date.

EVERY NATION BIBLE SCHOOL UK
HOLIDAY CLUB

One of our amazing volunteers Vanessa Morgan, has a very precious heart for children and young people. She had the vision of running a holiday club in their school summer holidays for children to attend for a few days.

Vanessa believes that the Christian faith is not merely for the adults but that children and young people can share in this as well. Vanessa believes that children know what they feel about certain things and felt that a holiday club could help some of the children in their social skills, interaction and development of relationships with children outside of their own families and religious settings.

Vanessa shared her vision with members of World Mandate Ministries team. The team were excited and Vanessa pulled together a strong team of eight other volunteers to pull Of the holiday club.

Vanessa was given free reign to lead and organise according to how she saw the vision of the holiday club running. To say that Vanessa and her team of outstanding volunteers did an excellent job, has to be somewhat of an understatement.

Vanessa and the team put together an exciting and fun packed programme for the days of the holiday club. The holiday club ran with military precision, all the volunteers knowing exactly what they should do, when they should do it, how they should do and who they should do it with.

The club ran for three days and all the children that attended were enthusiastic to the point of heartbroken when the holiday club ended on the third day. They called for, “More, more!”

It was a truly wonderful time. As World Mandate Ministries takes safeguarding extremely seriously, all the volunteers are DBS approved, Giving confidence to both team and parents that all workers are safe and credible and have the right to be serving precious little lives.

On the Sunday following the holiday club a prize-giving ceremony was held at Maranatha Gathering Church, awarding prizes for, completing their journey and exploration, good behavior, timekeeping, cooperation with team Plus more besides.

Volunteers all wore identical T-shirts, providing security for child and parent.

The theme of the holiday club was about finding treasure and making right choices on the journey to discovering that treasure.
The activities were fun filled and the children all had a wonderful time.

The library was turned into '*activity headquarters*' for the week of the holiday club.

The children enjoyed themselves so much that some of them cried wanting more.

Parental permission has been granted for their child's image to be made public.

EQUIPPING THE SAINTS

Every Nation Bible School UK hosted two MINISTERS OPEN DAY for local Ministers and Church Leaders to visit the Bible School and learn all about Every Nation Bible School, its vision and values.

Volunteer Beverley, warmly welcoming visitors to the Open Day

One leader was so impacted and impressed by the quality of courses, tuition and team, that they immediately signed up members of the church leadership team to enroll onto one of the courses that was due to start shortly.

We again ran, what is fast becoming one of our increasingly popular courses, **Biblical Self Leadership.** Excellent self leadership and management is an essential prerequisite if we are going to be fruitful leader of others.

The course runs for 5 sessions with options for day time or evening subject to numbers. Both face to face and zoom.

It is a course of personal development and transformation as students learn to lead and manage—self well!

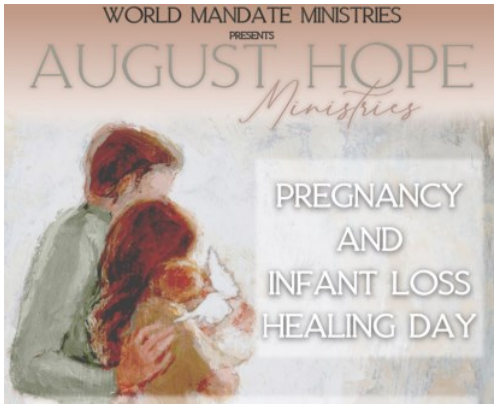
As many members of the volunteers share during the Open Days.

They are delighted to tell of their experiences as 'students' that become 'tutors.' They testify of the impact and life transformation that they witness in the lives of those that they in turn deliver their services to.

EQUIPPING THE SAINTS

AUGUST HOPE

Volunteers Kendra and Martin Lopez have carried on their hearts for some time a deep and caring passion for parents that have lost children to stillbirth, miscarriage and other infant loss syndromes.



AUGUST HOPE is a ministry that equips churches to help individuals and families carry the cross of miscarriage, ectopic pregnancy, stillbirth, infant loss, and infertility.

Whilst for the parent concerned, the style of loss may come under the title of a syndrome, the excruciating heartache and grief that ensues is certainly not a syndrome.

Through personal experience both Kendra and Martin recognised the lack of support to bereaved parents and with love and compassion, felt they wanted to address this to tender their experience, practical support and empathetic compassion to those who experienced this painful loss.

World Mandate Ministries, stand with and totally support Kendra and Martin in this ministry knowing of the life transforming power of the services that they deliver to those in need.

Kendra and Martin started: AUGUST HOPE as they recognised the gap that currently exists with little or no support or recognition within the church or outside of it, for families who have experienced pregnancy or infant loss. There are even fewer resources specifically created for them that operate on a frequent basis.

Kendra with her team of volunteers held their first Healing Day on Saturday 15th October 2022, to coincide with International Pregnancy and Infant Loss (PAIL) Awareness Day.

It was a very intimate setting at St. Giles Church in Northampton, and they were able to have deep conversations to minister to those who attended. They look forward to doing it again and are looking for more churches to partner with and host events.

They have completed their website and are active on Facebook and Instagram. Website address is www.augusthopeministries.com

Kendra says, "*We had the extraordinary privilege of connecting with women from all walks of life. It was a humbling experience to witness God at work in their lives.*
Yet we believe the call is to do more and to reach out even further!"

Kendra will be writing a book, the purpose of which will be to offer an additional source of comfort to grieving women who may not be able to access a local August Hope chapter, but are looking for practical steps to find healing through Christ.

IMPACT STATEMENT FROM RECENT STUDENT

I came to know about the Practical Apologetic course through Elaine and Selina who invited me to the ENBS open day event.
I felt an inner prompting after the presentation to do the course immediately. I knew the course was relevant and that it would assist me with my desire to do more evangelism and outreach in obedience to the Great Commission. The inner prompt was confirmed when Selina offered the course as a gift.

The course resulted in a deepened desire and passion for evangelism and outreach.
Practical Apologetics gave me a better understanding and knowledge of alternative world views and increased my cultural intelligence. My enthusiasm and commitment to the reaching others has been heightened. I was equipped with specific "tools" and I look forward to friendship evangelism at the gym, restaurants, jazz clubs and other social places and functions.

I and now giving of my time to assist other Christians, pastors and leaders encouraging and empowering them to share the gospel with greater love and understanding across various cultural boundaries.

The modules are well designed to meet their objectives. The lecturer is well prepared and allows for classroom interaction and further enrichment from the participants. Support material and references for further reading and research are provided for every module. The course is relevant to the South African context and current global events. Overall, the course is just amazing!!

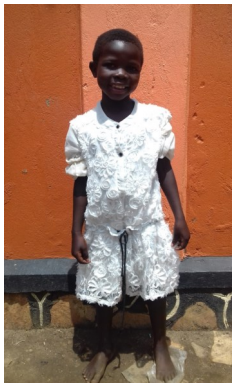
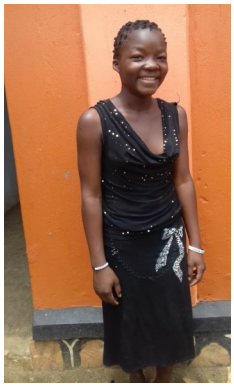
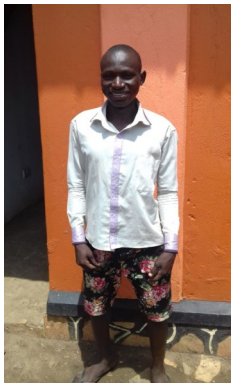
EDUCATION IN UGANDA

Sheila, Ssebata, Owen, Favor Racheal, Owori, Gift, in Uganda are sponsored by donors.







There are currently ten children being sponsored in Uganda.
Funds raised goes towards paying for school uniforms, text books, exercise books and stationary. The finances that are generously given enables families to send their children to school. We recognise that a good education for many of these precious children is the only way out of poverty.
We receive regular photographs updated along with annual school reports.

Financial grant assistance was given to help relieve poverty locally, nationally and internationally. Careful and prayerful consideration is given to the distribution of all funds raised. We take our responsibility as good stewards of public money extremely seriously. As good financial overseers, the charity only supported needs and smaller projects where a precise and exact audit trail of how the finances have been spent was accessible.

We are thrilled to be able to state that despite the closure of the charity shop, finances were still made available through the kind giving of individuals who knew that despite the closure of the charity shop monies were still required to support individuals, ministries and orphans. Due to this ongoing kindness World Mandate Ministries took the decision to support three more Orphans in Uganda.

We received photographs of the children, their school reports and letters that the children write, thanking us for their support and helping them through school.

We are absolutely thrilled, humbled and delighted all at the same time, of the difference that is being made to the lives of the precious children that are being supported through our kind donors.
On the next pages you will see two reports of the excellent progress that to the children are making through their studies at school.

FEEDING THE POOR

FEEDING THE POOR

TITHING

The charity trustees adhere to the Biblical injunction of tithing. This means that 10% of all 'undesignated' income is put into a 'tithe account, to meet the needs of other individuals, ministers and ministries in need that are bought to the attention of the trustees, including the schooling of these Ugandan children.

FEEDING THE POOR

World Mandate Ministries trustees firmly believe the words of the Bible that state, "If a man is hungry, then a simple 'God bless you' means absolutely nothing." This is because, mere words are not able to change the plight of the hungry, the marginalised and the helpless.

We believe that care for the poor needs to be tangible, practical and relevant to those in need. In the absence of the charity shop World Mandate Ministries is committed to supporting the poor and marginalised in this and other countries.

Financial grant assistance was given to help relieve poverty locally, nationally and internationally.

Careful and prayerful consideration is given to the distribution of all funds raised. The charity only supported needs and smaller projects where an audit trail of how the finances have been spent was accessible.

We are thrilled to be able to state that despite the closure of the charity shop, finances were still made available through the kind giving of individuals who knew that despite the closure of the charity shop monies were still required to support individuals, ministries and orphans.

Due to this ongoing kindness World Mandate Ministries took the decision to support three more Orphans in Uganda. Furthermore, it is our hope that in 2023-2024 we will be able to sponsor more children

We received photographs of the children, their school reports and letters that the children write, thanking us for their support and helping them through school.

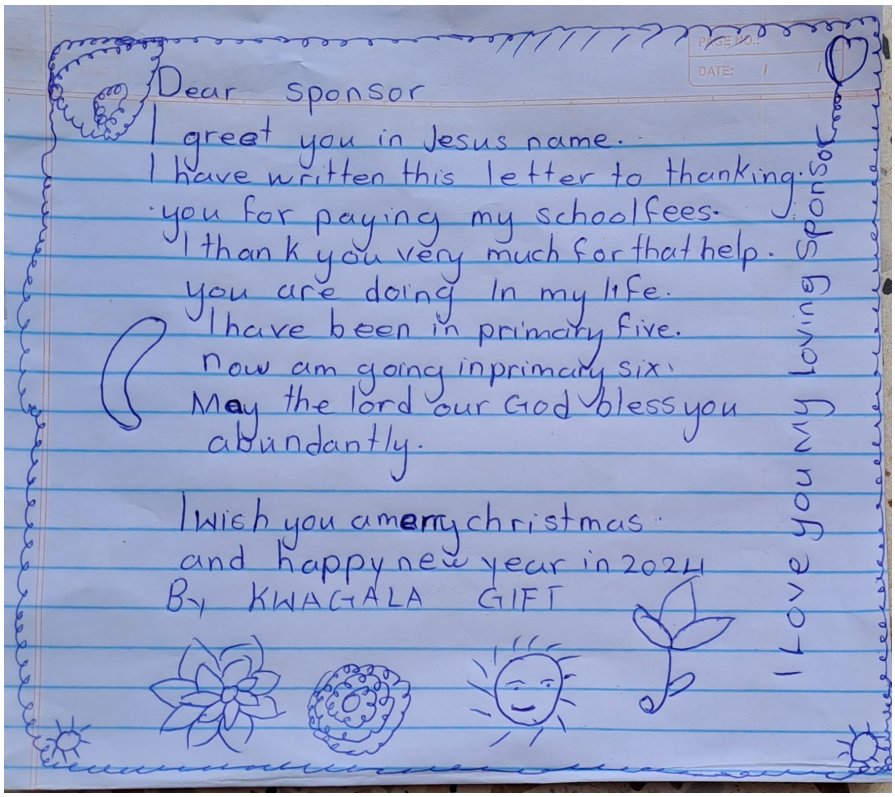
FEEDING THE POOR

These delightful yet powerfully heart-warming and precious letters from the children that our sponsored through World Mandate Ministries, goes some way to demonstrating the impact being made by loving and generous donations and the gratitude of these precious children.



Dear Sponsor
I greet you in Jesus name.
I have written this letter to thanking you for paying my schoolfees.
I thank you very much for that help.
you are doing In my life.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2023

The trustees present their report with the financial statements of the charity for the year ended 31 August 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The advancement of the Christian religion in accordance with the teaching of evangelism, in particular through the provision of classes and opportunities to study the bible.
The relief of poverty of individuals who are in need through the provision and distribution of goods, clothing and services.

Public benefit

The charity trustees have complied with their duty to have due regard to the guidance on public benefit published by the Commission in exercising their powers or duties.

The Trustees consider that through the activities and provision of services by the Charity, the public is greatly benefited by -

- **Preaching the gospel:** - through preaching of the Christian message in churches and individuals that want to hear. Along with teaching and learning how to explain the message of Christianity, there is practical evidence of the positive hope that Christians have, through our school, missions, preaching and life!

- Equipping the Saints: - teaching believers how to live out their faith in ways that make a difference in their local communities and the world at large. We do that through our Bible School, Every Nation by School UK, conferences, preaching and teaching engagements, cross-cultural mission trips, individual and peer mentoring and by our own personal examples in the way in which we live and conduct our lives.

- **Feeding the poor:** - the relief of poverty (by means of our Compassion World Wide Charity Shop, (now closed) along with the giving of 10% of all income from the general account of the charity.

More expanded details of our work carried out by the charity can be found in the Annual Report.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity has provided a wide range of ministry to individual, churches and groups of church.
A more detailed breakdown of activities to be found in Annual Report.

The Annual Report is on the Charity Commission for England and Wales website.
The Annual report whilst comprehensive, covers highlights and important news and activities of the work carried out by the ministry; as space does not permit in this document.

FINANCIAL REVIEW

Investment policy and objectives

Any funds surplus to immediate requirements are held in bank deposit accounts.

The Trust is reliant on the income from donors and income from its shop. All income from the shop is used to provide financial and material assistance to those in need of relief from poverty and ministry abroad. No shop income is used in the main part of the UK ministry.
The charity gives financial assistance to other ministries and individuals, details of which can be found within this report.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Independent examiner's report to the trustees of World Mandate Ministries

I report to the charity trustees on my examination of the accounts of World Mandate Ministries (the Trust) for the year ended 31 August 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our independent examination work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our independent examination work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

Critical accounting judgements and key sources of estimation uncertainty
The preparation of financial statements requires the use of certain critical accounting estimates. It also requires the Trustees to exercise their judgement in the process of applying the accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed within the individual accounting policies below.

Income
All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure
Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation
The charity is exempt from tax on its charitable activities.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits
The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

1. ACCOUNTING POLICIES - continued

Financial instruments
Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity date of three months or less.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income under administrative expenses.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Going concern
No material uncertainties regarding going concern exist.

Registered Charity No. 1091640

OBJECTIVES

World Mandate Ministries exists as a registered charity. The objectives are: -

1) The advancement of the Christian religion in accordance with the teaching of evangelism, in particular through the provision of classes and opportunities to study the Bible.
2) The relief of poverty of individuals who are in need through the provision and distribution of goods, clothing and other services.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

The charity objectives have been broken down into three headings: -

- Preaching the Gospel
- Equipping the Saints
- Feeding the Poor

The Trustees consider that through the activities and provision of services by the Charity, the public is greatly benefited by -

- **Preaching the gospel:** - through preaching of the Christian message in churches and individuals that want to hear. Along with teaching and learning how to explain the message of Christianity, there is practical evidence of the positive hope that Christians have, through our school, missions, preaching and life!

- **Equipping the Saints:** - teaching believers how to live out their faith in ways that make a difference in their local communities and the world at large. We do that through our Bible School, Every Nation by School UK, conferences, preaching and teaching engagements, cross-cultural mission trips, individual and peer mentoring and by our own personal examples in the way in which we live and conduct our lives.

- **Feeding the poor:** - the relief of poverty (by means of our Compassion World Wide Charity Shop, (now closed) along with the giving of 10% of all income from the general account of the charity.

We are always encouraged, humbled and privileged when we receive letters, emails and phone calls from individuals who have engaged with staff members through the diversity of ministry that we offer. They testify of the transformation they have experienced through their engagement with World Mandate Ministries staff and the Christian ministry that has been extended to them.

Our excellent pastoral team continue to meet with individuals, befriending and supporting them on a one-to-one basis. We regularly hear testimonies of individuals that have been helped to overcome life–controlling challenges. Through spending time with them, support and prayer, we witness individuals break chaotic cycles and re-establish normal and functioning lifestyles.
Personal transformation can be a challenge to quantify, nevertheless transformation produces happier, emotionally stable people who become even more fruitful in their area of vocation. They too are empowered to make positive and lasting impact within their local communities.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT cont...

COMPASSION WORLD WIDE CHARITY SHOP was very popular and had become a hub in the community. It was a shop that raised money for charitable donations, support orphans through school in both Uganda and Jamaica. It was also a place where acts of kindness happened on a regular basis. Our staff became aware of the needs of the customers and stepped up in ways that demonstrated how each person matters. They often gave a listening ear of comfort and support. Unfortunately the shop had to close in July of 2020. It is hard to enumerate the impact this little shop had on the community. We are aware that the lives of our staff and customers have benefited and been transformed, probably as much as the recipients of the money raised by the shop!

Following the sale of Mandate House in June 2021 the Trustees decided to continue to make provision for the relief of the poor and support other charities by way of fund from the property sale.
In excess of £50,000.00 was placed into the Tithe Account from which all donations to the poor and others are made. This way we ensured that our vision to keep supporting the poor and need could be maintained until such time we were able to open another charity shop.

EVERY NATION BIBLE SCHOOL UK is one of the ways in which we help Christians at every stage of maturity to learn something more of how to live out their faith and practically engage in their communities.

The courses that are run by the Bible School inevitably impact the community of each student as they contribute and relate to their neighbours and communities both locally and nationally, as Christ demonstrated.

Individuals are taught how to serve God, how to forgive, how to be gentle, how to explain the hope they have, how to pray, how to establish community projects, leadership skills, how to offer pastoral care to those encountering 'end of life' situations, plus much more.

People are equipped to serve in many and varied vocational capacities and go on to serve their local communities in meaningful ways.

The Bible School is biannually visited by an External Examiner to ensure that our management, systems, schemes of work, assessments are all fit for purpose. We are thrilled to report that the inspections held in 2020-21 reported excellent on all levels. We pay tribute to our amazing and hard-working staff and volunteers for this report.

SHARING OUR CHRISTIAN HOPE

As a charity we believe the hope and belief in Jesus Christ that we have as Christians is central to all that we do. It is out of that hope that we minister and serve the people that we come into contact with.

We believe that each and every individual person is important to God and we seek to demonstrate His love in practical and meaningful ways, in ways that will open hearts to trust God, the source of all goodness.

As a ministry we seek to live in the spirit of the Beatitudes and believe that the principle of honouring every person is important as every person matters to God.
We believe this spirit of the Beatitudes contributes to making the world a better place.

CHIEF EXECUTIVE'S REPORT

The year 2021-2022 Continued to be a year of challenge met with excitement and a positive spirit.

The nation was climbing out of what seemed like an eternity of restrictions, national and international lockdowns. The door had been reopened to a new kind of normal and we proceeded into the new season with expected anticipation, excitement and a sense of thrill as to what the new future held. We were not disappointed as individuals that we encountered in this new season engaged positively with us and we were privileged to witness continued and even greater degrees of impact and fruitfulness.

By September 2020 Britain began to climb its way out of the lockdown, only to be hit with another series of lockdowns that ran way into 2021.

We are Extremely grateful to our staff teams of both paid and unpaid volunteers, who worked tremendously hard, tirelessly and most sacrificially for, and on behalf of, the Charity and the public that we serve.

All of our volunteers are loyal, hard-working and believe in giving of their very best, which they do with cheerfulness and a spirit of excellence.

World Mandate Ministries and Every Nation Bible School UK would not be able to function to the capacity and excellence that it does without them.

We express our deepest gratitude to those who give of their time in prayer and financially support the charity through their kind donations. Praying and giving enables the work of God to touch and transform lives.

As a Christian charity we particularly, and most importantly, express our gratitude and thanks to God for all His enablement and continued encouragement in all the work that we are doing in His Name.

The remainder of this report will describe the wonderful works that we have been able to conduct by God's grace as well as testifying of the fruitfulness of the said works.

One of the most significant changes to the ministry that happened within 2021-2022, was the relocation of Peter and Rev . Elaine Roberts to Jamaica.

Peter and Elaine are the founders of World Mandate Ministries and Every Nation Bible School UK. In late 2021, Peter and Elaine made the decision to relocate to Jamaica to be available to serve Elaine's mother in her senior years. Whilst this came as a bit of a shock to the staff team. It was not altogether a surprise as Elaine as CEO has always encouraged and supported staff and falling tears to always put their parents first in their times of need. Staff have always been willingly released to be available to take care of ageing parents, so that they never find themselves in a position to choose whether to serve the ministry or to serve their parents. Honouring parents always came first, and there was absolutely no contest. So when Elaine informed the Trustees and staff team. There was a tinge of sadness, but total and wholehearted support. Peter and Elaine's decision.

Having said that, the decision did not mean that Elaine was leaving the ministry altogether.

As the purpose of going to Jamaica was to be available to serve and support Elaine's mother, she recognised this would not be a full-time role at this time. It was on that basis, Elaine agreed to continue to work online for three days a week. Her role will entail developing the ministry in Jamaica and further afield. This would mean that the staff team continue to be supported. A model that we believe would work well and, indeed, does work well.

Elaine also agreed that she would annually return to the UK for periods of time up to 8 weeks at a time, to be hands-on in the office and available to continue serving the ministry, churches and other ministries.

CHIEF EXECUTIVE'S REPORT continued...

PREACHING THE GOSPEL

We believe that the gospel of Jesus Christ has the power to save lives. When we talk about saving lives we do so understanding that the word 'save' or 'salvation' means the holistic restoration of a person—being restored in spirit, soul and body. We believe that Christianity is a faith that brings emotional, physical as well as spiritual peace, comfort and well-being.

We therefore seek to enable and empower people to experience the blessing of a living faith in the Lord Jesus Christ, address mental health needs, offering support where requested and appropriate and receive prayer for physical healing where requested.

ENABLING BELIEVERS TO SERVE

In August 2021. Selina Forde was promoted in her volunteer role as Principal of Every Nation Bible School. UK. Elaine assumed the role of Associate Principal to enable Selina to flourish in her role and develop as Principal of the Bible School.

Selina is married to David. Selina is a gifted Bible teacher with a passion for unlocking potential in people. Through – "Enabling, Educating and Encouraging" Selina makes the Bible practical and accessible. Selina has used her gifting to write courses and training manuals as well as facilitate workshops. Selina previously coordinated the Arise, Arise Ministries' mentoring programme for church leaders and members both in Northamptonshire and London. By profession, Selina is a Business Change Manager, helping people to adapt and be ready for change in the project and business arena. In her local church, Life in Christ Church International, Selina is actively involved in teaching adult and youth Bible studies, as well as helping to train, mentor and support teachers. Following a Five-Fold Ministry impartation at a World Mandate Ministries conference and a series of divine connections in 2016, Selina joined Every Nation Bible School as a lecturer. We look forward to the blessing Selina will be to the Bible School This practice further evidences the heart of the ministry to equip believers and raise them so that they can fly and flourish in their own ministries.

We believe that every individual has been gifted of God to make a transformational contribution and difference to the world that is positive and constructive. It is with that belief that we run Every Nation Bible School UK. Through the Bible school we seek to empower and enable people from all walks of life to serve in ways to make their positive contribution to the world today.

We continue to work with the church locally, nationally and internationally, training and equipping church members to serve God.

FEEDING THE POOR

World Mandate Ministries trustees firmly believe the words of the Bible that state, "If a man is hungry, then a simple "God bless you' means nothing." We firmly believe that care for the poor needs to be able to serve the whole person and not just fill their stomachs. Our assistance is tangible, practical and relevant to those in need.

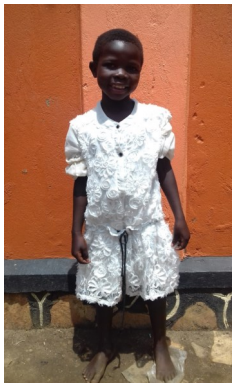
Financial grant assistance was given to help relieve poverty locally, nationally and internationally. Careful and prayerful consideration is given to the distribution of all funds raised. The charity only supported needs and smaller projects where an audit trail of how the finances have been spent was accessible.

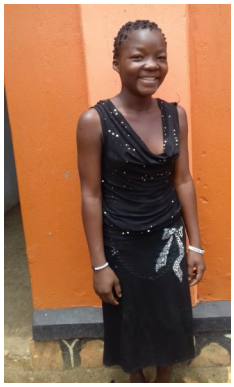
We are thrilled to be able to state that despite the closure of the charity shop, finances were still made available through the kind giving of individuals who knew that despite the closure of the charity shop monies were still required to support individuals, ministries and orphans. Due to this ongoing kindness World Mandate Ministries took the decision to support three more Orphans in Uganda.

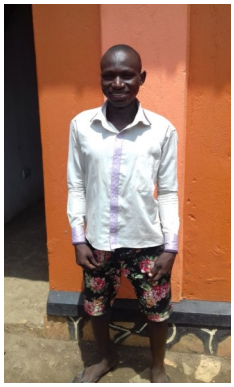
We received photographs of the children, their school reports and letters that the children write, thanking us for their support and helping them through school.

EDUCATION IN UGANDA

Sheilah, Ssebata, Owen, Favor Racheal, Owori, Gift, in Uganda are sponsored by donors.







There are currently ten children being sponsored in Uganda.
Funds raised goes towards paying for school uniforms, text books, exercise books and stationary. The finances that are generously given enables families to send their children to school. We recognise that a good education for many of these precious children is the only way out of poverty.
We receive regular photographs updated along with annual school reports.

FEEDING THE POOR

World Mandate Ministries trustees firmly believe the words of the Bible that state, "If a man is hungry, then a simple 'God bless you' means absolutely nothing." This is because, mere words are not able to change the plight of the hungry, the marginalised and the helpless.

We believe that care for the poor needs to be tangible, practical and relevant to those in need. In the absence of the charity shop World Mandate Ministries is committed to supporting the poor and marginalised in this and other countries.

TITHING

The charity trustees adhere to the Biblical injunction of tithing. This means that 10% of all 'undesignated' income is put into a 'tithe account, to meet the needs of other individuals, ministers and ministries in need that are bought to the attention of the trustees, including the schooling of these Ugandan children. The generous and regular donations that are given all help replace lost income from the shop.

PREACHING THE GOSPEL

Equipped 4 Life students carol singing on the Christmas outreach.
A fruitful morning of sharing God's love with shoppers in Northampton at which many people were prayed with and some giving their lives to Jesus. Many requested to be contacted by a Christian.

The Evangelist Roundtable that operates under the auspices of World Mandate Ministries, serves the church by its evangelist team members working alongside the local church in equipping the members is evangelism and engaging in evangelistic outreach with the local church.

In August 2021 the Roundtable served a new church plant led by Pastor Steve Davis in Oxford.
Evangelists took to the streets, proclaiming the gospel of Jesus Christ in the town centre. They had wonderful and powerful engagements with many people and were able to pray with those that requested prayer.
ABOVE: Pastor Colin John, sharing his personal story of faith in Jesus Christ in Oxford market square.
A gospel healing night was hosted by the team where God moved in power and lives were touched and transformed by the power of the Gospel.

RIGHT: Lola, had just completed a year on the Equipped 4 Life course. Immediately put into practice what she had been learning.

Over the four days of outreach, four people gave their lives to Jesus for the first time. Three more people recommitted their lives to the Lord after periods of time away from church and stated that they wanted to rejoin the local church.

That same weekend four people immediately joined the new church, feeling it to be their home and wanting to serve the vision of the church.

Four people have been baptised since the outreach.
The Lord is continuing to grow the church both spiritually and numerically.

PREACHING THE GOSPEL

At the beginning of May 2021 Northamptonshire hosted the Knife Angel (The National Monument Against Violence & Aggression) led by C2C Social Action.

The Knife Angel stands a staggering 27 feet in height, made from actual knives, 100,000+, used in real-life knife crime across the UK.

WMM Evangelist Roundtable was invited to support and share in the ministry and conduct evangelism to engage with members of the public.

The aim was to engage with many people through workshops and other events to reduce knife crime and promote unity and peace.
However, the impact of these engagement far outweighed and exceeded expectation.
Many people were broken as victims, including family members and friends who had experienced the cruel violence of knife crime. The Evangelist Roundtable ministered God's love to those who had been the victims of knife crime. Shoppers and passers-by wanted to have a voice and share their experiences. The team responded with loving and listening ears and hope-filled healing prayers.

Shoppers were keen to hear about God's love for them and visibly moved and touched as the team engaged and prayed with them. The Lord used this opportunity to bring healing to the broken-hearted through His precious presence that was tangible.

We had many very deep conversations with people who had been in darkness. The God of hope and light showed Himself powerfully to them. We thank God for all He has done.

Something very important, unique and refreshing took place at the Hearts Ablaze conference. After two sessions of impartation from the anointed evangelists

Activation took place, by way of the evangelists leading the delegates out on the streets of Northampton to engage in personal evangelism.
One hour on the streets led to multiple conversations, prayer, and answered prayer. For many, it was the very first time they had been involved in face-to-face evangelism. For all it was an exciting and powerful engagement on the streets.

The twofold power of transformation. Firstly, hearing the gospel message are transformed by God's love. Secondly, those taking the gospel message are transformed by God's power working through them.

PREACHING THE GOSPEL

Jesus said, Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these **Matthew 19:14.**

In June 2022 we had the privilege to baptise four children and two adults.

All of those baptised gave public testimony of how they had found faith in Jesus Christ, and loved Him with all of their hearts. When the children were asked why they wanted to be baptised they all replied in their own words, that they love Jesus and wanted to obey Him and follow Him. They expressed their desire be filled with the Holy Spirit and be used of the Lord to reach their friends and others to come to faith in Jesus, like them.

Beautiful!!!

The parents of all the children were supportive and confident that it was the correct step for their children's lives.

One couple travelled from Poland especially for this occasion, whereupon two of their children were baptised by full immersion. They also publicly dedicated there two year old daughter to the Lord Jesus Christ, promising to train her in the Gospel of Jesus and His ways.

We happily supported the families in their decisions. We did not want to be a hindrance to the precious children who had expressed their love and devotion to the Lord Jesus Christ.
The ministry of Jesus was one of exulting the lonely, lifting the humble and honouring the weak. Jesus made it His business to spend time with children as much as possible so that He could bless them. He taught us that the Kingdom of Heaven belongs to the children.
In this teaching it is important to recognise that many children understand the full rudiments of the gospel and trust Jesus at an early age, Hudson Taylor, John Westley, Mary Slessor, to name but a few.

The ministry of Jesus seemed to indicate that children have a special place in God's heart as well as His Kingdom. Jesus even commended that adults who possessed childlike faith would themselves inherit the Kingdom of God.

EQUIPPING THE SAINTS

In September 2021, Elaine was contacted by the Global Ethnic Majority (GEM) Staff Network of University of Northampton and informed she had been selected for the Picasso Jasper Award for meritorious contribution, service and advocacy for the welfare and advancement of people of colour in Northamptonshire.
She was recognised for her visionary and inspirational leadership in founding and running the **Every Nation Bible School UK** that has been operating in Northamptonshire for over 20 years.

Their research with the black ethnic community in the county had revealed the training of ministers and lay people across church denominations and ethnic groups had garnered both local and international accolades for academic excellence and devoted passion for caring and serving people.

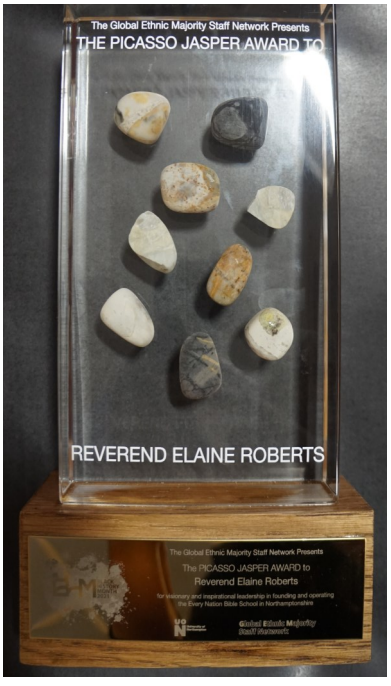
The Award Ceremony was held at the conclusion of the Black in the Ivory Conference at the University of Northampton Waterside Campus. It was a magnificent occasion.

The citation read on the evenings is below.

*"The GEM Staff network is pleased to honour the **Rev Elaine Roberts with the Picasso Jasper Award** for visionary and inspirational leadership in founding and running the Every Nation Bible School UK, ENBS, that has been operating in Northamptonshire for over 20 years.*

ENBS has garnered both local and international accolades for academic excellence, devoted passion for caring and serving people and the evangelical faith community.
There is not enough time here tonight to recount the numerous initiatives that Elaine has spearheaded, but beyond that, the extensive impact of her work in the heart of the community, and the numerous lives that have been changed consequent to her fulfilling the mandate of her vocation and calling.

As an ordained minister of the Elim Pentecostal Church in the UK, she has built an inter-denominational Bible School from the centre of Northamptonshire that has a global outreach. The name Every Nation Bible School is not just a nomenclature, but a reality, with students representing over thirty countries across all continents that have enrolled and completed training courses at ENBS. This list includes students from China, South-East Asia, the Caribbean, Northern and Eastern Europe, Africa, North and South America, New Zealand and Japan.



The Picasso Jasper Award

ENBS is accredited by NCFE which is one of the UK's largest and world leading awarding bodies, currently offering courses at Levels 3 and 4.
It has attracted people of all races, of varying professions, from carpenters to medical doctors who have studied side by side.

As a Christian in faith and in deed, Rev Elaine Roberts has impacted the local community with her advocacy for race equality. An example of this is in the aftermath of the George Floyd murder with the setting up the "A Safe Place" initiative for the Black Community to share and confront the trauma of racism that persists in society, but to also find a pathway towards healing and reconciliation.

This evening, the GEM staff network salutes the Rev Elaine Roberts and in quoting the Bible which is included in the name of her school -

'Many women have done wonderful things, but you surpass all of them'."

EQUIPPING THE SAINTS

In October 2021 we hosted "LADIES out of LOCKDOWN." ladies conference. A one day conference to enable ladies in the recalibration and resetting of dreams, visions and aspirations, many of which were buried, sacrificed, side-lined and even died during 'planet lockdown.' The day was a time of prayer, praise, worship, prophecy and basking in the presence of the Lord.
As each minister delivered the Word that the Lord had given to them, opportunity was granted to reflect and pray over what had been spoken.

Many thanks to you and all the team for a wonderful day 'out of lockdown'. It was truly inspiring! The speakers were excellent. An encouraging outcome for me was the time of personal prophecy. It was good to hear others giving such accurate words for people they didn't know, and to receive confirmation and stimulus myself. **RUTH**

Prayer stations were available throughout the day for ladies to receive private prayer and ministry.
Delegates were seated around tables to allow for intimacy and networking.
Ladies worked together in Discussing, sharing thoughts and insights from the messages shared by the speakers.
Many new friendships were formed that day.

The conference was amazing. Offering encouragement, healing and inspiration, acknowledging the pain and frustration of lockdown, revealing the Lord's plans and revelations of His victory for our future. The revelation during the triumphant 'walking round the walls' confirmed a prophetic word given to me in 2007. I am ready, willing and able to fulfil the Lord's call on my life.
JOY

Just to say,
"THANK YOU,
THANK YOU,
THANK YOU!"
ANNE

Triumphant procession concluded the conference

EQUIPPING THE SAINTS

Equipping and training the local church is the primary way the Charity equips Christian believers to serve.
Staff teams visit churches and groups of churches to equip and enable members to be even more competent in their work of service within the church and local communities.
World Mandate Ministries adheres very strongly to working with and supporting the local church in reaching, serving and being of public benefits to local communities. World Mandate Ministries will work with and serve any church regardless of denomination. Our goal is to help Christians to be effective in serving their local church and communities with their God-given gifts.

As an accredited teaching institution Every Nation Bible School believes that Continual Professional Development (CPD) is very important. To teach and equip others is an honour and privilege. It is therefore vital that tutors continue to receive input to make their teaching even more fruitful.

All of our tutors are qualified by way of their personal gifting, calling, ministry experience and academic credentials. They are humble individuals who serve the Lord with the spirit of excellence. They are keen to develop themselves and receive ongoing training. Over the summer all our tutors attended a 'refresher course' on teaching in the classroom enabling them to be even more fruitful in and through their teaching ministries.

EVERY NATION BIBLE SCHOOL UK (ENBS)

Every Nation Bible School UK is open to any member of the public who wishes to develop practical skills and abilities in Christian service and being able to serve their church and local community.
All of the courses offered by the Bible School are Biblically based with the emphasis on practical equipping. The courses are part-time, running either fortnightly or monthly, evenings and weekends.
The Bible School is accredited and subject to annual inspections by External Quality Assessments (EQA) ensuring that we meet the rigorous and exacting standards of the National Awarding Organisation NCFE.

ENBS classrooms are environments of safety and encouragement.
Teaching is powerful. Learning is fun, interactive and life-changing with ministry and impartation.
Most importantly the opportunity is given to put into practice what has been learnt. This is done by way of an end of year Evangelistic mission/campaign, where students are released to work with the local church in community evangelism.
Many students report Back give first-hand accounts of how their lives have been changed, new trajectories have been taken and personal development, transformation and growth has engendered new levels of confidence, self belief and self esteem.

EQUIPPING THE SAINTS

Each year the student from ENBS plan and host 3-5 day evangelistic mission, following the ten month course.
The mission is part of their end of year assessment, where ENBS UK and the students worked with a local church delivering the mission to the people of Northampton.
The purpose of the mission is to release the students to work together as a team, having being equipped, and to work within the context of a local church, and then to host and deliver an evangelistic outreach. The mission enables them to put into practice and apply all that they have learnt over the last ten months.

All had an amazing time of ministry, breakthrough, healing, and fruitful conversations with individuals that they were privileged to meet.
The evangelistic outreach started on Wednesday with Communion and Bible study, led and taught by students.
The next day, on Thursday, the students engaged in door-to-door evangelism on the Spencer Estate.
They also equipped the local church for evangelism.

On Friday there was more door-to-door evangelism. People were extremely open and visibly moved as the teams visited their homes. Many residents allowed the team to pray with them.

On the Friday evening, the students hosted a Healing Night at Maranatha Gathering church, Gladstone Close, from which powerful and lasting fruit has been born. Following the last two years of immense disruption, sadness and a sense of hopelessness of the pandemic the students were encouraged to witness hoe being restored to broken lives.

On the Saturday the students and team went on the Market Square of Northampton. The gospel was preached and proclaimed, along with songs of worship, music, team members sharing personal testimony of their faith in Christ, children's activities, all the time engaging in personal evangelism.
This outreach produced fruit with souls being added to God's kingdom.

On the Sunday, the students led the morning service. They were involved in facilitating the service, preaching, leading Communion, organising the worship, testimonies and ministering prayer for those who requested it at the conclusion of the service.

There were ample opportunities for spiritual growth and stretching.

EQUIPPING THE SAINTS

September 2021, was the first graduation held since 2019. We graduated over 60 students covering years 2019-2020 and 2020-2021.
Students graduated from Biblical Self Leadership, Setting the Captives Free, Equipped 4 Life, Christian Mentoring courses

At the conclusion of the ceremony, the graduands receive prayer and are commissioned into their ministries. Each person received the ministry of the laying on of hands as per Acts 13 and apostolically released to serve the local and global Body of Christ

As a FIVE FOLD Ministry World Mandate Ministries recognises the gifts of Christ given to equip the local and global church.

RIGHT: Minister and Deacon Martin Bates and Prophet Caroline Bates were commissioned and released to serve the Body of Christ.
Apostolic Leader: Rev Dr Hugh Osgood of 'Churches in Communities' led the Commissioning.

Both Martin and Caroline affirmed and committed to a ministerial 'charge,' in which they prayerfully affirmed and honoured the call of God on their lives and to serve Him in complete obedience by His grace.

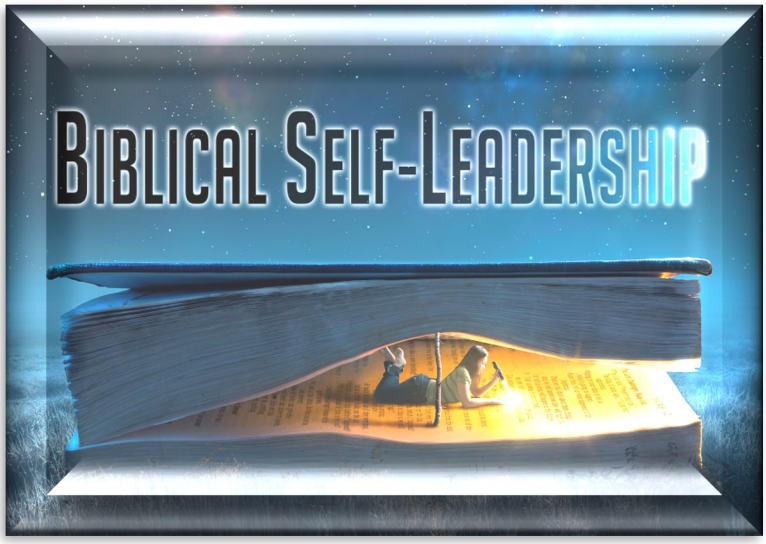
Martin and Caroline commissioned as Deacon and Prophet

World Mandate Ministries is of the conviction that the gifts and calling of each believer are to be demonstrated and manifested in the local church,
God's vision for His church is expansive and limitless. It cannot possibly be fulfilled through one church body, one denomination or one believer.
Each and every believer is important to the Lord in fulfilling His eternal and *Kingdom-sized vision.*

EQUIPPING THE SAINTS

Every Nation Bible School UK hosted a MINISTERS OPEN DAY for local Ministers and Church Leaders to visit the Bible School and learn all about Every Nation Bible School, its
vision and values.

One leader was so impacted by the quality of courses, tuition and team, that they immediately signed up five of their church members onto a course that was due to start imminently.



We also ran what is fast becoming one of our increasingly popular courses, **Biblical Self Leadership.** Excellent self leadership and management is an essential prerequisite if we are going to be fruitful leader of others.

The course runs for 5 sessions with options for day time or evening subject to numbers. Both face to face and zoom.

It is a course of personal development and transformation as students learn to lead and manage self well!

In September, Elaine was invited to speak at Northampton Life Chapels' annual 'Squeeze Conference.'

Squeeze is so called as the aim of the conference is to '*squeeze*' the potential out of the delegates so that that they receive and achieve all that God has called and intended them to be.

EQUIPPING THE SAINTS

Every Nation Bible School UK have developed and now sell bespoke vouchers that can be purchased as loving gifts to offset against the costs of any of our many part-time courses.

WHAT THE INSPECTORS SAY

World Mandate Ministries strives for excellence in all of its endeavours. The Bible School is no exception and exceptionally high standards have been created, maintained and continue to develop throughout every academic year.

ENBS is biannually inspected by External Examiners with schemes of work, policies, protocols, management systems and all matters relating to the efficient and effective running of the Bible School. We are thrilled to report that each year. Records "Outstanding" with no recommendations or areas of concern. Please see reports from the two visits held in 2021-2022.

"The team continue to work meticulously within NCFE guidelines to structure and produce their courses and these have been further reviewed today.
The team continues to work very closely together to progress themselves, the learners, the qualifications and quality improvement that is further evident during this review. The qualification documentation is excellent, standardised and the audit trail is navigated through the faultless mapping to the learning outcomes/assessment feedback/signatures and dates and quality assurance - this is very welcome and appreciated thank you. All centre policies are updated annually and readily available. There have not been any incidences of malpractice or maladministration. Record keeping at the centre is meticulous and continues to improve - thank you.
The centre is continuously developing and now has provision of 13 courses - starting originally with just 1 - well done." **NCFE EQA**

Thank you once again to Selina Forde (Principal) at Every Nation Bible School UK, for hosting this EQA monitoring review with Elaine Roberts (Associate Principal).

There is effective communication within the centre at all levels and meticulous records are maintained. Learner information is securely stored. The (GLH) is appropriate for the programs - with learners having more than the required GLH. There is an online platform which is multimedia driven with resources, tutorial classes, monthly webinars, q & a forums, video and audio teachings. All lessons are recorded for access by all learners for continuity of learning and new courses coming online, one is being written by a former student - a great collaboration.
All staff are highly qualified, committed and occupationally competent. There is ongoing (and recorded) continuous professional development in place. The team are practitioners in their subject. The centre has excellent accommodation for the programs and meets the requirements of the awarding organisation . The centre continues to engage with different online platforms which facilitate flexible learning and drive the development of themselves as teachers and the qualifications for the learners. Elaine has become a published author contributing a chapter to Church without Walls regarding what church will look like post pandemic - Preparing the church for the new normal. There is quality assurance with self assessment after every lesson - what would I change and why.? There is feedback from learners after each session, so the tutors can reflect on their delivery and make changes where necessary to suit the learning styles of the students. Peter and Elaine relocation

April, Elaine reached the milestone of 60 years of age (60 being the new 40).

Peter and Elaine felt that in addition to celebrating Elaine's 60th, they would invite people from their past, present and future to celebrate with them..

It was a wonderful celebration of Elaine's 60 years of life and 21 years of her and Peter's ministry to the nations, which will continue.

Elaine's family were deeply moved by the love shown to her and Peter by all present, and, particularly those who shared testimony of the impact of their life and ministry to them.

Peter and Elaine leave a legacy of a thriving ministry that continues to touch the hearts and lives of people both in the UK and internationally.

More importantly they wanted to be Biblically commissioned and sent to their new life in Jamaica.

Elaine's vision is to continue serving the ministry, writing more courses, networking in Jamaica and developing stronger international links.

RELEASING THE SAINTS

Rev Colette Barron

Colette Barron first attended Ministry Equipping School (now ENBS) in 2004-2005. It was evident in those days that God had called her to be an evangelist.
Ever since that time Colette has made full proof of her ministry commanding the respect of her ministerial peers both nationally and internationally.
She has been dedicated, committed and devoted to Jesus Christ, winning souls to His Kingdom and equipping others to be soul winners. She leads Northampton Evangelist Roundtable, the tri-weekly early morning intercession group. The Trustees of World Mandate Ministries positioned Colette to be Ordained and she was duly Ordained in April 2022.

As a developing FIVE-FOLD MINISTRY, we believe it is important for us to be refreshed and receive regular input to enable us to be even more fruitful.
In April we held a 2- day conference for the World Mandate Ministries Team, with guest minister Dr. Rev Hugh Osgood of Churches in Communities.

We continue to develop ministries and release individuals into their God ordained giftings thus enabling them to bless the global church and fulfil the great commission.

Dr. Hugh's wisdom and unparalleled ministry experience of ministry were invaluable as we spent the time, discussing and praying over matters pertaining to fruitful ministry.

The monthly prayer meetings continued to meet online and face to face. The advantage of the blend of styles in which to meet is that far more people were able to attend and certainly those who live further away from the ministry centre found it easier to participate.

The meetings are held on the first Wednesday of every month from 10 AM-12 noon. We pray for the world, the United Kingdom, the global church and the work of World Mandate Ministries.
We believe that a non-parochial mindset is essential to the ongoing work of unity within church life and the care for our world at large.

The prayer meetings continue to be foundational to the work of the ministry and we regularly witness answers to prayer.

EQUIPPING THE SAINTS

Following the blessings and success of Ladies out of Lockdown 1, held in October 2021, and the continued leading of God, we were honoured to host Ladies out of Lockdown 2, Ladies Conference, in May 2022.

The goal and outcomes of both conferences were markedly different.
In October 2021, as the nation was still emerging from the physical lockdowns of the previous 18 months, the response in the lives and hearts of ladies attended was overwhelming in terms of the physical freedom that they experienced.
For many, October was the first public meeting they had attended for almost 2 years.

Of course, the aftermath of spiritual and emotional disorientation and turmoil of over 18 months of physical lockdown and extreme restrictions on normal life taking their toll cannot be Underestimated This was the very sphere that we felt the Lord wanted to minister into in May 2022.

Ladies out of Lockdown 2 surpassed expectations with delegates spending a day in the presence of the Lord, being empowered and repositioned with renewed confidence and release into the next phase of their lives and ministry.

Delegates discussing important issues that are close to their heart.

"Thanks so much to all who organised the conference and spoke at it. It was a truly memorable time of inspiration and meeting up with precious friends."
Dr. Ruth Ferguson

"Hi…, it was good to be there, both of us loved it and especially the mix of cultures which is just how God wants it!!!"
Apostle M-A. Dalrymple, Diamonds International Christian Ministries

"It really was an amazing day with very deep teaching and the moving of the Lord. We reflected in our ladies group how really thought provoking it was. I would be most grateful for a copy of the slides 'from barrenness to fruitfulness' and the handouts on the ladies and their different hang-ups." **Sheila**

EQUIPPING THE SAINTS

In May2022, the Evangelist Roundtable, under the leadership of Rev. Colette Barron and her amazing team of evangelists, hosted an evangelists conference in Northampton.

The vision of the conference was **Impartation-Activation-Transformation.**
Subjects covered included:

- The importance of prayer and intercession.
- Meaningful discipleship.
- What time is it, on the spiritual clock?
- Why do evangelism?
- The fire of God.

Rev. Jenny Lambert, a gifted, evangelist from Northampton, is being used by God through a beautiful and creative ministry called ***Neighbourhood Pastors.***

Jenny shared how she began by praying for her neighbours on the street in which she lives for many years. At the same time that national lockdowns restrictions were imposed in March 2020, Jenny was led to take her praying one step further. She put letters through the letterboxes of her neighbours advising them that she was praying for them. In the letters she invited her neighbours to share any prayer needs they had, so that she could pray for them.
In the months that followed, Jenny's neighbours responded to her with positivity.

Since beginning this project, Jenny's neighbours have called on her for help in times of emergency, and they specifically requested that she pray for them, for a diversity of situations.

Jenny has prayed for her neighbours, led them to faith in Jesus Christ and disciple them, all because she began to pray for each home and was led by the Spirit of God.
If you wish to know more about setting up Neighbourhood Pastors in your community you can email Jenny at neighbourhoodpastors@gmail.com

Benjamin and Sheila Luk are more than qualified to have delivered the session on Discipleship. Both have been used of God to personally disciple literally hundreds of individuals in the Christian faith.
Only heaven will reveal the full extent of the power and fruitfulness of their ministry.

EQUIPPING THE SAINTS

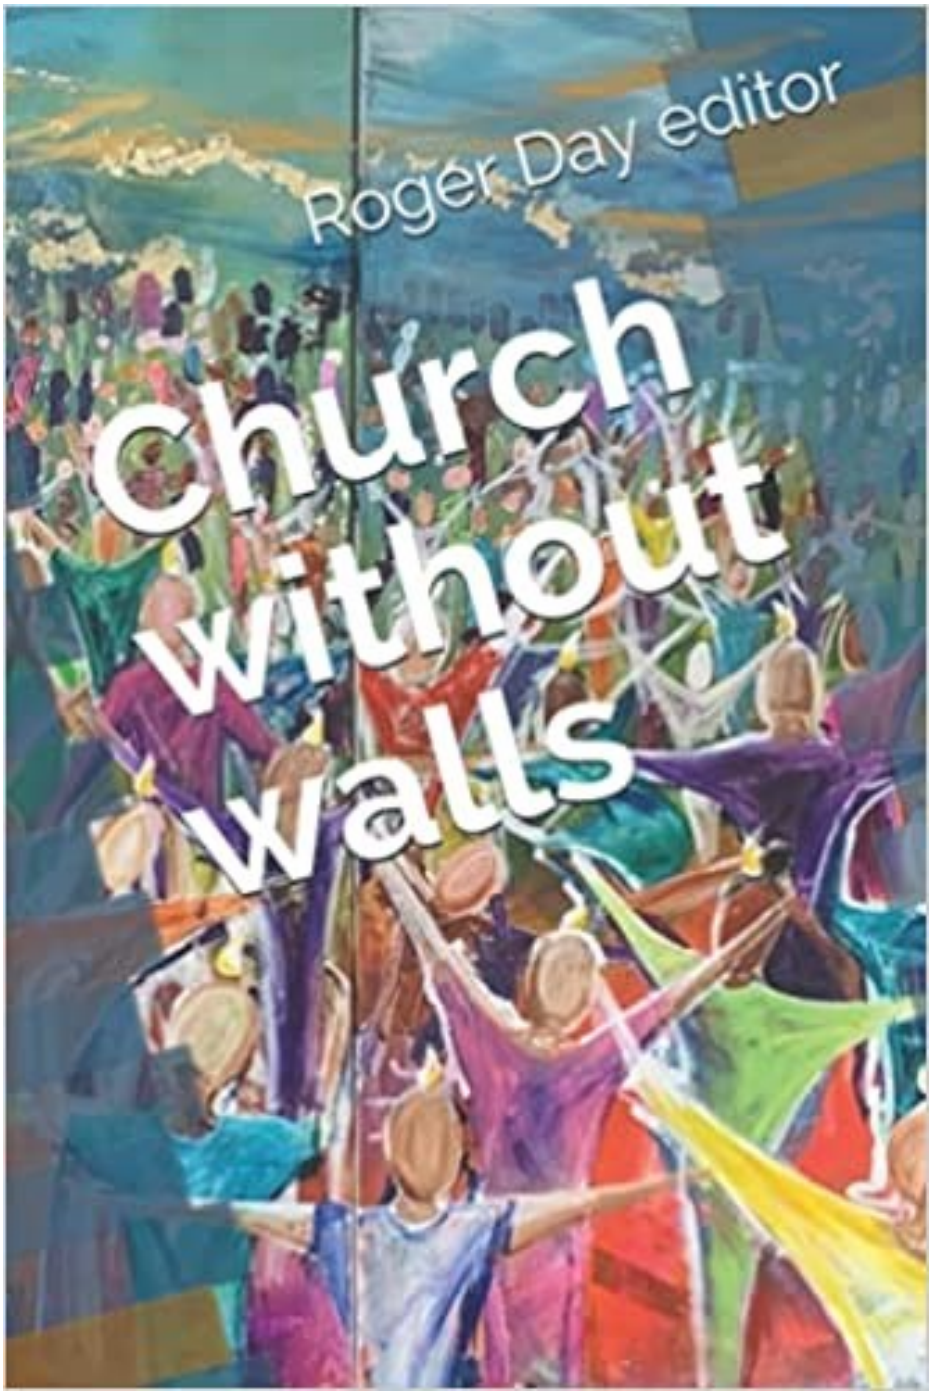
After the devastating effects of the global pandemic, what is the future of the Christian church?

This book presents various ways that the church is already functioning outside the walls of the church building and ideas for the future.

Church leaders from around the UK give their views on taking church to local people, including online services.
Many of the people being reached might never have entered a church building.

These leaders include worship leaders, international speakers and the head of a major annual youth event.

CEO of World Mandate Ministries, Rev Elaine Roberts was invited to contribute a whole chapter to the book and already there has been much positive feedback.



One of the most important things about this book is that proceeds from the sales go to Comfort, International—a ministry that rescues and ministers to women who have been violently abused, including rape in what the war-torn nations of Africa including Rwanda.

Church Without Walls sells for £8.95 on Amazon.

Independent examiner's report to the trustees of World Mandate Ministries
I report to the charity trustees on my examination of the accounts of World Mandate Ministries (the Trust) for the year ended 31 August 2022.

Responsibilities and basis of report
As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement
I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Use of our report
This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our independent examination work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our independent examination work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

Critical accounting judgements and key sources of estimation uncertainty
The preparation of financial statements requires the use of certain critical accounting estimates. It also requires the Trustees to exercise their judgement in the process of applying the accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed within the individual accounting policies below.

Income
All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure
Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Depreciation methods, useful lives and residual values are reviewed at each balance sheet date. The selection of these residual values and estimated lives requires the exercise of judgement. The Trustees are required to assess whether there is an indication of impairment to the carrying value of assets. In making that assessment, judgements are made in estimating value in use. The directors consider that the individual carrying values of assets are supportable by their value in use.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation
The charity is exempt from tax on its charitable activities.

continued...

1. ACCOUNTING POLICIES - continued

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits
The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments
Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity date of three months or less.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income under administrative expenses.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Going concern
No material uncertainties regarding going concern exist.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2022

The trustees present their report with the financial statements of the charity for the year ended 31 August 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The advancement of the Christian religion in accordance with the teaching of evangelism, in particular through the provision of classes and opportunities to study the bible.
The relief of poverty of individuals who are in need through the provision and distribution of goods, clothing and services.

Public benefit

The charity trustees have complied with their duty to have due regard to the guidance on public benefit published by the Commission in exercising their powers or duties.

The Trustees consider that through the activities and provision of services by the Charity, the public is greatly benefited by -

- **Preaching the gospel:** - through preaching of the Christian message in churches and individuals that want to hear. Along with teaching and learning how to explain the message of Christianity, there is practical evidence of the positive hope that Christians have, through our school, missions, preaching and life!

- **Equipping the Saints:** - teaching believers how to live out their faith in ways that make a difference in their local communities and the world at large. We do that through our Bible School, Every Nation by School UK, conferences, preaching and teaching engagements, cross-cultural mission trips, individual and peer mentoring and by our own personal examples in the way in which we live and conduct our lives.

- **Feeding the poor:** - the relief of poverty (by means of our Compassion World Wide Charity Shop, (now closed) along with the giving of 10% of all income from the general account of the charity.

More expanded details of our work carried out by the charity can be found in the Annual Report.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity has provided a wide range of ministry to individual, churches and groups of church.
A more detailed breakdown of activities to be found in Annual Report.

Independent examiner's report to the trustees of World Mandate Ministries
I report to the charity trustees on my examination of the accounts of World Mandate Ministries (the Trust) for the year ended 31 August 2022.

Responsibilities and basis of report
As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement
I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Use of our report
This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our independent examination work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our independent examination work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

Critical accounting judgements and key sources of estimation uncertainty
The preparation of financial statements requires the use of certain critical accounting estimates. It also requires the Trustees to exercise their judgement in the process of applying the accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed within the individual accounting policies below.

Income
All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure
Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Depreciation methods, useful lives and residual values are reviewed at each balance sheet date. The selection of these residual values and estimated lives requires the exercise of judgement. The Trustees are required to assess whether there is an indication of impairment to the carrying value of assets. In making that assessment, judgements are made in estimating value in use. The directors consider that the individual carrying values of assets are supportable by their value in use.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation
The charity is exempt from tax on its charitable activities.

1. ACCOUNTING POLICIES - continued

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits
The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments
Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity date of three months or less.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income under administrative expenses.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Going concern
No material uncertainties regarding going concern exist.

OBJECTIVES

World Mandate Ministries exists as a registered charity. The objectives are: -

1) The advancement of the Christian religion in accordance with the teaching of evangelism, in particular through the provision of classes and opportunities to study the Bible.
2) The relief of poverty of individuals who are in need through the provision and distribution of goods, clothing and other services.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

The charity objectives have been broken down into three headings: -

- Feeding the Poor
- Equipping the Saints
- Preaching the Gospel

The Trustees consider that through the activities and provision of services by the Charity, the public is greatly benefited by -

- **Feeding the poor:** - the relief of poverty (by means of our Compassion World Wide Charity Shop, (now closed) along with the giving of 10% of all income from the general account of the charity.

- **Equipping the Saints:** - teaching believers how to live out their faith in ways that make a difference in their world. We do that through our Bible School, Every Nation by School UK, conferences, preaching and teaching engagements, cross-cultural mission trips, individual and peer mentoring, and by our own personal example and the way we live.

- **Preaching the gospel:** - through preaching of the Christian message in churches and individuals want to hear.
- Along with teaching and learning how to explain the message of Christianity and the positive hope that Christians have, through our school, missions, preaching and life!

We are always greatly encouraged, humbled and privileged when we receive letters, emails and phone calls from individuals who have engaged with staff members through the diversity of ministry that we offer. They testify of the transformation they have experienced through their engagement with World Mandate Ministries staff and the Christian ministry that has been extended to them.

Our excellent pastoral team continue to meet with individuals who experience life–controlling challenges. Through spending time with them, support and prayer, we witness individuals re-establish normal and functioning lifestyles. Personal transformation can be a challenge to quantify, nevertheless transformation produces happier, emotionally stable people who become even more fruitful in their area of vocation.

Compassion World Wide Charity Shop was very popular and had become a hub in the community. This was not only a shop raising money for charity, it was also a place where acts of kindness happened on a regular basis. Our staff became aware of the needs of the customers and stepped up in ways that demonstrated how each person matters. They often gave a listening ear of comfort and support. Unfortunately the shop had to close in July of 2020.

It is our intention to reopen a charity shop in the future.

It is hard to enumerate the impact this little shop had on the community. We are aware that the lives of our staff and customers have benefited and been transformed, probably as much as the recipients of the money raised by the shop!

Every Nation Bible School UK is one of the ways in which we help Christians at every stage of maturity to learn something more of how to live out their faith and practically engage in their communities.

The courses that are run by the Bible School inevitably impact the community of each student as they contribute and relate to their neighbours and communities both locally and nationally, as Christ demonstrated.

Individuals are taught how to serve God, how to forgive, how to be gentle, how to explain the hope they have, how to pray, how to establish community projects, leadership skills, how to offer pastoral care to those encountering ‘end of life’ situations, plus much more.

People are equipped to serve in many and varied vocational capacities and go on to serve their local communities in meaningful ways.

The Bible School is biannually visited by an External Examiner to ensure that our management, systems, schemes of work, assessments are all fit for purpose. We are thrilled to report that the inspections held in 2020-21 reported excellent on all levels. We pay tribute to our amazing and hard-working staff and volunteers for this report.

CHIEF EXECUTIVE'S REPORT

The year 2020-2021 was an exciting year, despite the challenges of the previous 8 months of the global pandemic. By September 2020 Britain began to climb its way out of the lockdown, only to be hit with another series of lockdowns that ran way into 2021.

The end of September, going into October, the media reported a second wave of coronavirus transmuting into what was known as the Delta variant. This variant was excruciatingly lethal and tens of thousands of people in the UK lost their lives. We noticed that fear was very prominent and people became extremely anxious. Mental health was now the agenda because of the ferocity of this new variant.

In the immediate locality of Gladstone Close, World Mandate team contacted local companies offering support and a listening ear to those who were anxious and concerned of this second wave virus. Whilst we were not exactly inundated with people taking up the offer, local bosses and managers were extremely grateful for the initiative in offering support at a time of great emotional and national need.

The three areas that were impacted as a result of the immediate impact of the pandemic, were:-

1. The inability for itinerant travelling ministry. When ministers from the charity are invited to travel to churches and church groups to bring their ministry, honorarium's would be given to support the work of World Mandate Ministry. From September 2020-August 2021, of which almost 8 months were in one kind of national lockdown or another. This meant that no income from honorarium's or ministry gifts were able to be given to the ministry.
2. The lack of itinerant opportunities impacted the promotion of the Bible School as no national or international travel was permitted. Whilst online and social media promotion and advertising took place, we recognise the immense value of promotion through face-to-face personal contact.
3. Compassion World Wide finally closed its doors in July 2020. This was due to The landlord selling the property. Even though the new owner had promised to rent the property back to World Mandate Ministries, this did not happen and the income stream from the shop came to a standstill.

We are Extremely grateful to our staff teams of both paid and unpaid volunteers, who worked tremendously hard, tirelessly and most sacrificially for, and on behalf of, the Charity and the public that we serve.

All of our volunteers are loyal, hard-working and believe in giving of their very best, which they do with cheerfulness and a spirit of excellence.

World Mandate Ministries would not be able to function to the capacity and excellence that it does without them.

We express our deepest gratitude to those who give of their time in prayer and financially support the charity through their kind donations. Praying and giving enables the work of God to touch and transform lives.

As a Christian charity we particularly, and most importantly, express our gratitude and thanks to God for all His enablement and continued encouragement in all the work that we are doing in His Name.

SHARING OUR CHRISTIAN HOPE

As a charity we believe the hope and belief in Jesus Christ that we have as Christians is central to all that we do. It is out of that hope that we minister and serve the people that we come into contact with.

During the season of the pandemic, our resident minister Rev. E Roberts, when able and within government restrictions and guidelines visited those who were sick in hospital and sadly had to officiate and conduct many funerals due to the pandemic.

We believe that each and every individual person is important to God and we seek to demonstrate His love in practical and meaningful ways, in ways that will open hearts to trust God, the source of all goodness.

As a ministry we seek to live in the spirit of the Beatitudes. We believe that the principle of honouring every person is important and every person matters to God. We believe this spirit of the Beatitudes contributes to making the world a better place.

CHIEF EXECUTIVE'S REPORT continued...

SHARING THE CHRISTIAN MESSAGE

(PREACHING THE GOSPEL)

We believe that the gospel of Jesus Christ has the power to save lives. When we talk about saving lives we do so understanding that the word 'save' or 'salvation' means the holistic restoration of a person—being restored in spirit, soul and body. We believe that Christianity is a faith that brings emotional, physical as well as spiritual peace, comfort and well-being.

We therefore seek to enable and empower people to experience the blessing of a living faith in the Lord Jesus Christ, address mental health needs, offering support where requested and appropriate and receive prayer for physical healing where requested.

ENABLING BELIEVERS TO SERVE

We believe that every individual has been gifted of God to make a transformational contribution and difference to the world that is positive and constructive. It is with that belief that we run Every Nation Bible School UK. Through the Bible school we seek to empower and enable people from all walks of life to serve in ways to make their positive contribution to the world today.

We work with the church locally, nationally and internationally, training and equipping church members to serve God.

Despite the ravages of the pandemic, we are delighted to report an increase in student uptake on the courses run by the Bible School. We believe this increase in uptake to a slight reduction in student fees. We made the choice to slightly reduce student fees in the light of the pandemic and the ensuing financial pressures that people were facing.

Unfortunately we were unable to host the annual student graduation in September 2020 due to national government restrictions concerning larger gatherings. We therefore made the decision that we would a double graduation of 2019-2020 students and 2020-2021 students in September 2021.

FEEDING THE POOR

World Mandate Ministries trustees firmly believe the words of the Bible that state, "If a man is hungry, then a simple 'God bless you' means nothing." We believe that care for the poor needs to be tangible, practical and relevant to those in need. It is to this end we ran the charity shop Compassion World Wide which supported the work and individuals in this, and other, countries.

Charitable donations were daily dropped into the charity shop by local residents. Hard-working volunteers sorted washed and ironed all donations before putting them out for sale. After the shop rent, utilities and the salaries of two part-time staff were taken into account all surplus funds were given to those in most need. Financial grant assistance was given to help relieve poverty locally, nationally and internationally. Careful and prayerful consideration is given to the distribution of all funds raised. The charity only supported needs and smaller projects where an audit trail of how the finances have been spent was accessible.

We are thrilled to be able to state that despite the closure of the charity shop, finances were still made available through the kind giving of individuals who knew that despite the closure of the charity shop monies were still required to support individuals, ministries and orphans. Due to this ongoing kindness World Mandate Ministries took the decision to support three more Orphans in Uganda.

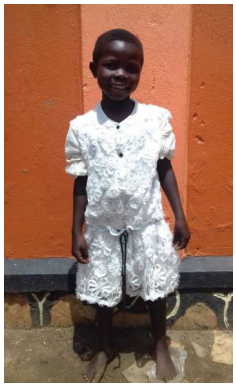
We received photographs of the children, their school reports and letters that the children write, thanking us for their support and helping them through school.

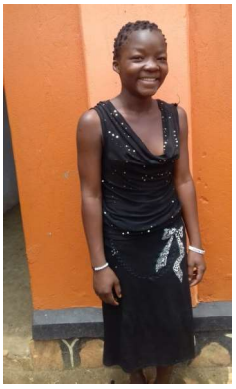
Tithing

The charity trustees adhere to the Biblical injunction of tithing. This means that 10% of all 'undesignated' income is put into a 'tithe account, to meet the needs of other individuals, ministers and ministries in need that are bought to the attention of the trustees, including the schooling of these Ugandan children. The generous and regular donations that are given all help replace lost income from the shop.

EDUCATION IN UGANDA

Sheilah, Ssebata, Owen, Favor Racheal, Owori, Gift, in Uganda are sponsored by donors.





There are currently ten children being sponsored in Uganda.
Funds raised goes towards paying for school uniforms, text books, exercise books and stationary. The finances that are generously given enables families to send their children to school. We recognise that a good education for many of these precious children is the only way out of poverty.
We receive regular photographs updated along with annual school reports.

FEEDING THE POOR

World Mandate Ministries trustees firmly believe the words of the Bible that state, "If a man is hungry, then a simple 'God bless you' means absolutely nothing." This is because, mere words are not able to change the plight of the hungry, the marginalised and the helpless.

We believe that care for the poor needs to be tangible, practical and relevant to those in need. In the absence of the charity shop World Mandate Ministries is committed to supporting the poor and marginalised in this and other countries.

PREACHING THE GOSPEL

During the pandemic and lockdown season the team were still busy evangelising where possible on prayer walks, praying with people online, taking to the streets individually, in small groups and through the Evangelism Roundtable. New ministries were birthed within the Evangelist Roundtable including, " Neighbourhood Pastors" where individuals supported their neighbours. Practically, emotionally and spiritually through the pandemic. the spin-off from this has been ongoing positive community relationships.

The team created a brand-new tract entitled A - Z of Salvation, each letter of the alphabet depicting the journey from Creation and God's rescue plan of salvation for mankind.

The tract includes a Gospel presentation along with a salvation prayer.

There is room on the back for churches to put their contact details so people can be referred to a local church.

Beautifully created and inspired, this 32 page, full-colour Gospel tract comes in postcard size and is a wonderful resource for evangelism outreach and personal witness toolkit.
It will serve any church regardless of denomination.

Our goal is to equip Christians to be effective in serving their local church and communities with their God-given gifts.

With mixed feelings, we said, "Au Revoir" to Ian and Ruth Campbell at the end of June 2021.
They relocated back to Scotland to take care of Ian's elderly mother. We were sad to lose precious friends and ministry partners from our team.
Ian turned a room full of books into a thriving library of almost 4,000 books, covering most genres of Christianity and theology.

Ian and Ruth requested that as a ministry we release and send them to Scotland.
Following the Biblical example from Acts 13, trustees and team members anointed Ian and Ruth with oil, laid hands on them, sent and released them as missionaries to Scotland, and to the ministry that God has set them apart to do in His name.

Their heart is to reach out to Christians, those who have no faith and those who have lost their way and help restore them to the Lord. Ian continued to be part of the team, supervising volunteers in the library and preparing for the launch of the library for research and personal study.

PREACHING THE GOSPEL

A further way in which the World Mandate Ministries team continued with reaching out with the gospel was the creation PIECE WITH GOD VIDEO - JOHN 3:16.

Individuals from churches around the town and county of Northampton contributed in sharing the world's most powerful message of salvation.

This video is freely available to send to personal emails or social media sites.

The house that God sold!

Many of you will know the sale of Mandate House was been quite a journey. Yet, whilst the property had been taken off the market to refresh. A local estate agent contacted us to ask if the property was still available for sale. They promised that within 4 weeks, they would sell Mandate House.

- Within 24 hours of that statement, the agent had procured 4 viewings
- Within 12 days we had 9 (nine) viewings and 5 (five) offers.
- On 8th May an offer was accepted and the conveyancing ball began to roll.
- On 30th June 2021 contracts were exchanged and the sale was completed.

We give thanks to God that from acceptance of the offer to completion of sale, took 54 days. This is 100% a work of the hand of the Lord.

Celebrating Mandate House

We celebrate the magnificent work that had taken place over the 15 years that we were based at Mandate House in Clopton. Mandate house was the base from which we touched this nation and the world including, Ghana, Kenya, Uganda, Poland, Cameroon, Germany, refurbishing the Chernobyl children's hospital in Ukraine, ministry visits to Ukraine, Radio Mawaal - broadcasting Gospel programs to the West Bank Territories of Israel twice a week for two years, France, South Africa, taken pilgrims to Israel, ministered on Revelation TV and TBN UK, plus much more!

Baptism

Making disciples continues to be the work of World Mandate Ministries.

The last baptism was held at Mandate House, Clopton and we all attest it was the best and most fitting finale to the 15 years of ministry for all of which **we give God all the praise and glory.**

EQUIPPING THE SAINTS

Equipping and training the local church is the primary way the Charity equips Christian believers to serve.

Staff teams visit churches and groups of churches to equip and enable members to be even more competent in their work of service within the church and local communities.

World Mandate Ministries adheres very strongly to working with and supporting the local church in reaching, serving and being of public benefits to local communities. World Mandate Ministries will work with and serve any church regardless of denomination. Our goal is to help Christians to be effective in serving their local church and communities with their God-given gifts.

As an accredited teaching institution Every Nation Bible School believes that Continual Professional Development (CPD) is very important. To teach and equip others is an honour and privilege. It is therefore vital that tutors continue to receive input to make their teaching even more fruitful.

All of our tutors are qualified by way of their personal gifting, calling, ministry experience and academic credentials. They are humble individuals who serve the Lord with the spirit of excellence. They are keen to develop themselves and receive ongoing training. Over the summer all our tutors attended a 'refresher course' on teaching in the classroom enabling them to be even more fruitful in and through their teaching ministries.

EVERY NATION BIBLE SCHOOL UK (ENBS)

Every Nation Bible School UK is open to any member of the public who wishes to develop practical skills and abilities in Christian service and being able to serve their church and local community. All of the courses offered by the Bible School are Biblically based with the emphasis on practical equipping. The courses are part-time, running either fortnightly or monthly, evenings and weekends. The Bible School is accredited and subject to annual inspections by External Quality Assessments (EQA) ensuring that we meet rigorous and exacting standards of the National Awarding Organisation NCFE.

ENBS classrooms are environments of safety and encouragement. Teaching is powerful. Learning is fun, interactive and life-changing with ministry and impartation. Most importantly the opportunity is given to put into practice what has been learnt. This is done by way of an end of year Evangelistic mission/ campaign, where students are released to work with the local church in community evangelism.

Many students report Back give first-hand accounts of how their lives have been changed, new trajectories have been taken and personal development, transformation and growth has engendered new levels of confidence, self belief and self esteem.

Every Nation Bible School UK on ZOOM

Due to virus restrictions many of our teaching modules were conducted via Zoom, as our students were unable to visit the classroom.

EQUIPPING THE SAINTS

The student mission is truly one of the most significant aspects of the E4L course

RIGHT: Moheb powerfully led prayers and intercession at the prayer meeting.

This involved leading the church to cover a diversity of subjects and pray about them.

The course students planned and hosted their own 3-4 day outreach mission. Almost always, this would have been the very first time that any of them have taken part in public ministry or released to step out and serve God in the gift that God has given to them.

LEFT: Philomena delivered an equipping session to church members on how to tell their personal story of journey to faith in Jesus in a powerful and meaningful way.

Over two days the students worked with Ignite Elim, a new church plant on the Briar Hill estate, led by Pastor Darren Edwards.

The church was being launched officially the following weekend and the students were thrilled to be able to serve the pastor and the church in their Evangelistic outreach.

Over 100 Mugs containing goodies of soap, drinking chocolate sachets, and Gospel literature amongst other things, were distributed to the residents on the Briar Hill estate.

EQUIPPING THE SAINTS

The reception from the residents of Briar Hill was warm and welcoming. Residents were thrilled and blessed to receive these goodies, and know that a church was coming to the area. Some people even declined the love gift, claiming they were 'not good enough to receive such gifts.'

LEFT: Philomena and Lola on the doors of Briar Hill distributing mugs packed with special goodies!

A healing night was also part of the mission and Lynsey, who had never preached before, preached an outstanding and powerful Gospel and healing message. At the end of her message individuals responded and requested prayer.

It was obvious to all who heard Lindsay preach that God has gifted her to do so.

LEFT: Lynsey preaching at the Healing Service

All the events over the period of the mission were held with C19 safety restrictions in place and we thank St Giles Church for the kind use of their church hall for the Healing Night.

Another feature of the mission weekend was a community fun day at the Briar Hill Community Centre.

There was a bouncy castle, nail art, free refreshments, dramas, worship, a prayer corner, a children's corner and much more.

It was a great afternoon where people from the local community attended. When people were asked why they had attended the day, amazingly, the response from many was, "To **look for and find Jesus."**

"E4L is an amazing course and true to the title Equipped for Life. On my 10 month journey I now can say I feel equipped to do the works of the Lord".

Tara

My two sisters, told me about the Equipped 4 Life Course. I am so glad they did. I now feel better equipped to share how much Jesus loves people with others. I am now equipped to lead people to Christ. I would encourage you join the Equipped 4 Life course because God wants to equip and release each one of us to serve Him.

Philomena

What our students say...

I would say "If you want to grow... make it your priority to know!".
Know the who, what, where, when, why and how. In this race called life, there's much for vacant hands to do. You can't turn around and say "Sorry Lord - I didn't know", because you knew about the **Equipped 4 Life** course!
The title speaks for itself.
Vanessa

Sound biblical teaching completely pierced my heart and prepared me to enter the battle field. I want to thank you all from the bottom of my heart and soul for giving me the tools I need to build a solid foundation and continue to build a relationship with our Lord!

Martin

The difference attending the Equipped 4 Life course has made to me so far is that it is helping me grow in my walk with God and daily increase my trust in Him. I hope to achieve a deeper relationship with God and discern more my God given purpose. I would encourage others by saying this course truly does what it says it does i.e. Equip You 4 Life, a Life for Christ!

Elaine H

WHAT THE STUDENTS SAY continued...

The poem below is a reflection from one of the students, Elaine Herbert following her year on the Equipped 4 Life course.

I went on a course called Equipped 4 Life,
I learnt, among other things how to overcome strife.
I met new brothers and sisters in our Lord Jesus Christ,
All very kind, supportive and nice.

If you want a job doing well, you can rely on **Ness**,
She is very organised with true flair and finesse.
Tara did a drama on how to avoid hell,
She loved the door knocking, she did it so well.

Rebecca, gifted with creativity, the mission leaflets she did make,
We gave them out all over town and on the Briar Hill estate.
Magda around the communion table, she sang and played guitar,
Her heartfelt testimony she shared from Poland afar.

Lola learnt to be led by what the Holy Spirit said,
She learnt to be obedient that others to God's Kingdom could be led.
Naomi, anointed and with purity of heart,
God's Word with much power she did impart.

Philomena, full of generosity and God's grace For the lost and marginalized,
in her heart she'd embrace.
I'd often hear **Lindsay** say, "I've not done this before, but I'm willing to give it a go."
She preached of God's healing so that others would know.

Moheb led the prayers on the Bible study day,
From the heart, it flowed in a kind, gentle, yet anointed way.
Ramsey has a gift for leading people to the Lord,
so that lives can be changed, built up and restored.

Silvia with her pearls of wisdom, she did impart,
She encouraged and supported with her generous heart.
I am Elaine, and as for me,
All Gods' children in heaven is what I want to see.

So that was the class of 2021, In unity, and mission - to be one.

EQUIPPING THE SAINTS

The Biblical Self Leadership ran twice in the year and is becoming one of our most popular courses, largely due to the brevity of the course, the cost and most importantly the transformation within the lives of the students that attend the course.

One of the modules of Biblical Self Leadership include a session on creating a biblical mission statement. This exercise is not only practical, it provides a spiritual and biblical roadmap for students to base their future life and ministry on.

MONTHLY PRAYER MEETINGS

The monthly prayer meetings continued to meet online, post-pandemic. The advantage of this was that more people were able to attend and certainly those who live further away from the ministry centre found it easier to participate.

The meetings are held on the first Wednesday of every month from 10 AM-12 noon. We pray for the world, the United Kingdom, the global church and the work of World Mandate Ministries. We believe that a non-parochial mindset is essential to the ongoing work of unity within church life and the care for our world at large.

The prayer meetings continue to be foundational to the work of the ministry and we regularly witness answers to prayer.

The notes form part of these financial statements

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

Critical accounting judgements and key sources of estimation uncertainty
The preparation of financial statements requires the use of certain critical accounting estimates. It also requires the Trustees to exercise their judgement in the process of applying the accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed within the individual accounting policies below.

Income
All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure
Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	-	2% on cost

Fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Depreciation methods, useful lives and residual values are reviewed at each balance sheet date. The selection of these residual values and estimated lives requires the exercise of judgement. The Trustees are required to assess whether there is an indication of impairment to the carrying value of assets. In making that assessment, judgements are made in estimating value in use. The directors consider that the individual carrying values of assets are supportable by their value in use.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation
The charity is exempt from tax on its charitable activities.

1. ACCOUNTING POLICIES - continued

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits
The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments
Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity date of three months or less.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income under administrative expenses.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Going concern
No material uncertainties regarding going concern exist.

Registered Charity No. 1091640

OBJECTIVES

World Mandate Ministries exists as a registered charity. The objectives are: -

1) The advancement of the Christian religion in accordance with the teaching of evangelism, in particular through the provision of classes and opportunities to study the Bible.
2) The relief of poverty of individuals who are in need. through the provision and distribution of goods, clothing and other services.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

The charity objectives have been broken down into three headings -

- Feeding the Poor
- Equipping the Saints
- Preaching the Gospel

The trustees consider that through the activities and provision of services by the Charity, the public is greatly benefited by -

- Feeding the poor - the relief of poverty (by means of our Compassion World Wide Charity Shop, (now closed) along with the giving of 10% of all income from the general account of the charity.

- Equipping the Saints - teaching believers how to live out their faith in ways that make a difference in their world. We do that through our Bible School, conferences, preaching and teaching engagements, cross-cultural mission trips, individual and peer mentoring, and by our own personal example and the way we live.

- Preaching the gospel - teaching and learning how to explain the message of Christianity and the positive hope that Christians have, through our school, missions, preaching and life!

We are always greatly encouraged when we receive letters, emails and phone calls from individuals who have engaged with staff members. They testify of the transformation they have experienced through their engagement with World Mandate Ministries staff and the Christian ministry that has been extended to them.

Our pastoral team continue to meet with individuals who experience life–controlling challenges. Through spending time with them, and support and prayer, we witness individuals re-establish normal and functioning lifestyles. Personal transformation can be a challenge to quantify, nevertheless transformation produces happier, emotionally stable people who become even more fruitful in their area of vocation.

Compassion World Wide Charity Shop was very popular and had become a hub in the community. This was not only a shop raising money for charity, it was also a place where acts of kindness happened on a regular basis. Our staff became aware of the needs of the customers and stepped up in ways that demonstrated how each person matters. They often gave a listening ear of comfort and support. Unfortunately the shop had to close in July of 2020.

It is our intention to reopen a charity shop in the future.

It is hard to enumerate the impact this little shop had on the community. We are aware that the lives of our staff and customers have benefited and been transformed, probably as much as the recipients of the money raised by the shop!

Every Nation Bible School UK is one of the ways in which we help Christians at every stage of maturity to learn something more of how to live out their faith and practically engage in their communities.

The courses that are run by the Bible School inevitably impact the community of each student as they contribute and relate to their neighbours and communities both locally and nationally, as Christ demonstrated.

Individuals are taught how to serve God, how to forgive, how to be gentle, how to explain the hope they have, how to pray, how to establish community projects, leadership skills, how to offer pastoral care to those encountering 'end of life' situations, plus much more.

People are equipped to serve in many and varied vocational capacities and go on to serve their local communities in meaningful ways.

CHIEF EXECUTIVE'S REPORT

2018-2019 has been an exciting year. We are especially grateful to all the individuals, churches, organisations and ministries that have greatly assisted this Charity in its ongoing endeavours.

We pay special tribute to our wonderful staff team, both paid and volunteers, who work tirelessly and most sacrificially for, and on behalf of, the Charity and the public that we serve. Our volunteers are loyal, hard-working and believe in giving of their very best, which they do with cheerfulness and a spirit of excellence. World Mandate Ministries would not be able to function to the capacity and excellence that it does without them.

We express our deepest gratitude to those who give of their time in prayer and financially support the charity through their kind donations.

Praying and giving enables the work of God to touch and transform lives.

As a Christian charity we particularly, and most importantly, express our gratitude and thanks to God for all His enablement and continued encouragement in all the work that we are doing in His Name.

SHARING OUR CHRISTIAN HOPE

The hope that we have as Christians is central to World Mandate Ministries. It is out of that hope that we minister and serve the people that we come into contact with.

We believe that each and every individual person is important to God and we seek to demonstrate His love in practical and meaningful ways, in ways that will open hearts to trust God, the source of all goodness.

As a ministry we seek to live in the spirit of the Beatitudes. We believe that the principle of honouring every person is important and this contributes to making the world a better place.

SHARING THE CHRISTIAN MESSAGE

(PREACHING THE GOSPEL)

We believe that the gospel of Jesus Christ has the power to save lives. When we talk about saving lives we do so understanding that the word 'save' or 'salvation' means the holistic restoration of a person—being restored in spirit, soul and body.

ENABLING BELIEVERS TO SERVE

We believe that every individual has been gifted to make a transformational contribution and difference to the world that is positive and constructive. It is with that belief that we run Every Nation Bible School UK and seek to empower and enable people from all walks of life to serve in ways to make their positive contribution to the world today.

We work with the church locally. nationally and internationally, training and equipping church members to serve God.

FEEDING THE POOR

World Mandate Ministries trustees firmly believe the words of the Bible that state, "If a man is hungry, then a simple 'God bless you' means nothing." We believe that care for the poor needs to be tangible, practical and relevant to those in need. It is to this end we ran the charity shop Compassion World Wide which supported the work and individuals in this, and other, countries.

Charitable donations were daily dropped into the charity shop by local residents. Hard-working volunteers sorted washed and ironed all donations before putting them out for sale. After the shop rent, utilities and the salaries of two part-time staff were taken into account all surplus funds were given to those in most need. Financial grant assistance was given to help relieve poverty locally, nationally and internationally. Careful and prayerful consideration is given to the distribution of all funds raised. The charity only supports needs and smaller projects where an audit trail of how the finances have been spent is accessible.

EDUCATION IN UGANDA

Emmanuel, Elisha and Esther in Uganda are sponsored by donors and the proceeds from the charity shop.

Funds raised pay for their uniforms, stationary, exercise and text books. The family receives the funds allowing the children to go to school.
We receive regular photo updated along with an annual school report

Tithing

The charity trustees adhere to the Biblical injunction of tithing, which for us means that 10% of all 'undesignated' income is put into a 'tithe account, to meet the needs of others including the schooling of these Ugandan children.

EQUIPPING THE SAINTS

Every Nation Bible School UK (ENBS)

The Bible School is open to any member of the public who wishes to develop practical skills and abilities in being able to serve their church and local community.

ENBS classrooms are environments of safety and encouragement. Teaching is powerful. Learning is fun, interactive and life-changing with ministry and impartation. Most importantly the opportunity is given to put into practice what has been learnt.

The presence of God at the Equipped 4 Life in Poland is only equalled by the hunger for **God** of the students.

Momentum has been building in student lives as God has been doing what only He can do in transformational breakthrough in their lives.

Every Nation Bible School UK on ZOOM

Due to virus restrictions many of our teaching modules were conducted via Zoom, as our students were unable to visit the classroom.

GRADUATIONS

EQUIPPING THE SAINTS

Equipping and training the local church is the primary way the Charity equips the saints.

Staff teams visit churches and groups of churches to enable members to be even more competent in their work of service within the church and local communities.

World Mandate Ministries adheres very strongly to working with and supporting the local church in reaching, serving and being of public benefits to local communities.

We work with and serve any church regardless of denomination.

Our goal is to help Christians to be effective in serving their local church and communities with their God-given gifts.

As an accredited teaching institution Every Nation Bible School believes that Continual Professional Development (CPD) is very important. To teach and equip others is an

honour and privilege. It is therefore vital that tutors continue to receive input to make their teaching even more fruitful.

All of our tutors are qualified by way of their personal gifting, calling, ministry experience and academic credentials. They are humble individuals who serve the Lord with the spirit of excellence. They are keen to develop themselves and receive ongoing training. Over the summer all our tutors attended a 'refresher course' on teaching in the classroom enabling them to be even more fruitful in and through their teaching ministries.

As a Five Fold ministry World Mandate Ministries recognizes the gifts given to the local and global church. Eleven team members were commissioned into their gifting on the same day as the graduation.

It was our privilege, honour and delight to celebrate our 18th Student Graduation Commissioning Service and **World Mandate Ministries** 18th birthday party with many of you and students of our bible school. Thank you to all who attended to support the students and ministry.

We were absolutely thrilled to welcome Evangelist David Hathaway as our special Guest speaker for what was a wonderful occasion..

With over 200 guests packed into St Giles Church in Northampton, we were humbled and thrilled to welcome David Hathaway as our special Guest Speaker to celebrate this great day with us, as twelve of our students graduated. David was an absolute inspiration and challenge as he reflected on decades of miraculous ministry.

WHAT OTHERS SAY ABOUT THE BIBLE SCHOOL

A 2 Z of Salvation - Tools 4 Evangelism

During the lockdown season our team have still been busy evangelising where possible. Prayer walks, praying with people online, gospel literature and books on tables out side homes where possible.

A brand-new tract has been created entitled **A 2 Z of Salvation** with each letter of the alphabet depicting the journey from creation, the fall and God's rescue plan of salvation for mankind.

It also includes a short Gospel presentation along with a salvation prayer.

There is room on the back for your church to put its own label so people can be referred to your local church.

Beautifully created,
Spirit inspired, this 32 page, full-colour gospel tract comes in A6 size (postcard) and a wonderful resource for your evangelism outreach and personal witness..

Evangelist Colette, was invited to speak and lead prayer and intercession at the **Women with a Vision Movement UK Revival** Crusade 2019 – The Day of the Deborahs.

In July Colette joined alongside other ministers and pastors to minister who came from across the UK Women to intercede for our nation organised by Women with a Vision Movement the UK Revival Crusade 2019 called the Day of the Deborah's

Colette's lead subject was on Brexit as she interceded for our land and prophesying Biblical declarations over the destiny of Great Britain.

It was a powerful time of praise and worship, interceding, declaration and decreeing in the centre of London at the same time as London was taken over by Pride march and many of the main roads were closed.

the Lord will always have the last word as He heard our cries.

Thank You & Goodbye to Klaudia

Klaudia has worked in the office for 5 years and of course we said goodbye to her in April and I don't feel it would be right for her to have left and it not be mentioned to the prayer partners.

After 5 years of faithful service Klaudia Cairns -

Every Nation Bible School UK Administrator moved on to pastures new.

Klaudia has a passion to home-school her children and working even part-time would not permit her to give that important role the time that is needed.

We thank God for Klaudia her dedication and commitment. Klaudia still remains a member of the leadership of the Bible school and serves in a voluntary capacity.

PREACHING THE GOSPEL

December 2019 was the 8th year that seven itinerant evangelists met for their annual two day prayer retreat. These are very important days in our ministry calendars. We spend time seeking the face of God with and for each other. New and important ministries are birthed as a result of these precious times together.

On Saturday August 31st a group of Evangelists throughout Northamptonshire came together to hold a day of equipping and outreach in Northampton town centre. Here are the words from one of the team.

"It was a great and powerful day. Right the way through the day there was a sense that we were all working together and supporting each other. Varying personalities, giftings and approaches to evangelism but the core purpose was reached to lift Jesus name high in the streets and the Market Square.

Prophetic evangelism teaching really set the day and greatly helped me to be alert to the unction of the Holy Spirit. I have done outreach before but never before as emboldened as on that Saturday, Jennifer lead us so well in the singing and our hearts were stirred to praise God and announce to all that Jesus loves every passer-by. The day was covered in much prayer.

One of the first encounters of the day we saw the Lord heal a man with a 32 year collar bone injury. Seeds sown in the own and proclamation of the Gospel went out in three areas."

Poem by Elaine Roberts

George Floyd has left a void,
Seems his skin colour made a man annoyed.

His life was taken before it's time,
Twas a law enforcer that committed the crime.

Men employed to uphold the law,
A law they respected not nor held in awe.

His death exposed an evil schism,
Let's not deny this poison of racism.

Murderer thought they were the boss,
Respect of the people is now their sad loss.

His life was snatched, he didn't attack,
Unarmed and helpless, he didn't fight back.

His family mourn at this cruel loss,
To them he was loved, not some old dross.

Adored and respected by all those who knew him,
Now in Heaven with His Saviour who loves him.

George's life was valued, special and precious,
The way that he died was evil and vicious.

The church must speak and not hold its peace,
God's gospel of love it must be released.

God loves all men, look at Jesus and see,
He died for mankind to set us all free.

To clean up our lives and free us from sin,
Jesus died on the cross to cleanse us within.

There'll come a big day when all men will stand,
Before God Almighty at His right and left-hand.

We'll give an account for all we have done,
The repentant forgiven because of God's son.

If men won't repent their knees will be bent,
Eternity from God is where they'll be sent.

Kneel at the cross it's never too late,
Or meet God at His White Throne to be handed your fate.

Forgiveness is free to all who call,
On Jesus, God's Son, He is the Lord of all.

World Mandate Ministries Library

Here at **World Mandate Ministries** we have a well-stocked library which we trust will be of value to Northampton Christians and Churches. We now have in excess of 3250 books covering many topics, including Church History, Revival and Prayer. In addition, we have a large selection of commentaries and Bible study aids on both the Old and New Testament.

During lockdown we have added many new titles and we trust that with the lifting of lockdown measures the library will become a hub of study and prayer.

Some of you may remember that in 2018 Elaine was invited to contribute a 4 page devotional to the quarterly devotional produced by Scripture Union (SU) - Encounter with God (EwG) - " You Can Be a World Changer." as part of their World View series.

We are thrilled to inform you that Elaine was again invited to contribute to EwG for the April - June 2020 edition. This time a 14 day devotional covering Genesis 20-28 and Psalms 97, 98.

If you do not already use a daily devotional you can easily obtain one by contacting SU on **01908 856000** or **info@scriptureunion.co.uk**

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation
The charity is exempt from tax on its charitable activities.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

The financial statements have been prepared under the historical cost convention.

Income
All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure
Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation
The charity is exempt from tax on its charitable activities.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
