Trustee's Annual Report for the year ended 31 March 2025

The Trustee presents the annual report and financial statements for the year ended 31 March 2025 for the Reporting Charity and its linked charities. The financial statements have been prepared in accordance with the accounting principles set out in note 1 to the financial statements and comply with the Charity's Governing Document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Charity Commission made a uniting direction on 3 June 2021 for Mercers' School Memorial Trust (incorporating the Merrett Bequest) to be linked to two other charities which share the same trustee. These are the Lady Camden's Money Legacy for Loans and The Old Mercers' Benevolent Fund. The linking direction took effect from the start of the charities' financial year on 1 April 2021.

Objects and activities for public benefit

Mercers' School Memorial Trust (incorporating the Merrett Bequest)

Objects

To apply the clear income in furtherance of any charitable purposes (including but not limited to the advancement of education and the relief of need) provided that the names of the former Mercers' School and the Charity are associated with any such grant.

Strategy

To pay the annual stipend for the Mercers' School Memorial Gresham Professor of Business and to make grants for small school prizes and other educational purposes.

Lady Campden's Money Legacy for Loans

Objects

To make loans or grants to persons not less than 18 years old requiring financial assistance to enable them to enter a chosen profession, trade or calling, with a preference for freemen of the Mercers' Company.

Strategy

To continue to make loans in line with the objects of the Charity.

Old Mercers' Benevolent Fund

Objects

The Old Mercers' Benevolent Fund having firstly the object of assisting persons who were pupils or masters at Mercers' School and the wives and widows, children and other dependants of such persons, being in need of assistance, and secondly the object of assisting any persons whatsoever, being in need of assistance, to make payments for the furtherance of education of themselves, their spouses, children or dependents.

Strategy

To continue to make grants to past pupils or masters of Mercers' School.

The Trustee confirms that it has complied with its duty under Section 17 Charities Act 2011 to have due regard to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities and in setting the grant making policy for the year.

Charitable Activities in 2024/25

Grant and Loan Making

Two of the linked charities contribute to the **Young People & Education programme** co-ordinated by the Trustee.

Mercers' School Memorial Trust (incorporating the Merrett Bequest)

The Charity's primary activity this year was to continue to contribute towards the stipend of the Mercers' School Memorial Professor of Business at Gresham College with a grant of £8,000. Professor Raghavendra Rau was appointed Mercers' School Memorial Professor of Business at Gresham College for a three-year period from 1 August 2022 to 31 July 2025.

To support Gresham College's forward planning, in March 2025 a three-year grant totalling £33,000 was awarded to support the Mercers' School Memorial Professor of Business role, which will be paid in equal instalments from 2025/26 – 2027/28.

The Charity also granted a grant of £200 each to 13 of the Trustee's Associated Schools and Colleges to be used for Mercers' School Memorial prizes at those schools.

Lady Campden's Money Legacy for Loans

No new loans were made during 2024/25.

Old Mercers' Benevolent Fund

No new grants were made during 2024/25.

Future Plans

Phase 2 of the collaborative **Philanthropy Framework** coordinated by the Trustee started on 1 April 2023 and will run until 31 March 2028. The Charity's strategic framework was reviewed during the year and it was agreed that the **Mercers' School Memorial Trust (incorporating the Merrett Bequest)** will continue to contribute to the framework by providing funds for Gresham College and the Young People & Education Programme.

In 2025, recipients of Mercers' Arts Awards (who are individuals who have graduated from a postgraduate or masters course at one of the three partner institutions, Trinity Laban Conservatoire of Music and Dance, University of the Arts London, and West Dean College of Arts and Conservation and are at the start of their careers in the arts and heritage sectors) were invited to apply for loan funding from **Lady Campden's Money Legacy for Loans**. So far no applications have been received and consideration is being given to other routes to find eligible beneficiaries beyond the Mercers' Company.

The **Old Mercers' Benevolent Fund** will continue to apply the income and capital to its beneficiary group. The Trustee will now manage all requests directly following the winding up of the Management Committee.

Financial Review

Funding Sources

The Charities generate income from their investments, donations and interest from loans. During the year, two donations were received (2025: £53,000, 2024: £7).

Listed Investments

There were total gains of £6,813 on stock market investments during the year (2024: £62,399).

The portfolios produced a total return, after fees, of +4.2% over the year to 31 March 2024, behind the CPI +4% target return of +6.9%. Strong returns were seen in major asset classes, especially equities, driven by large US technology companies over 2024. Markets experienced a pullback in the first quarter of this year, largely due to rising geopolitical tensions and the re-emergence of protectionist trade policies.

The Trustee continues to monitor the performance of the portfolios and the market.

Investment Fund	12 months to March 2025	Since Inception August 2023
Mercers' School Memorial Trust Endowment Fund	4.2%	14.2%
Lady Campden's Money Legacy for Loan Endowment Fund	4.2%	14.3%
Primary Comparator: CPI + 4%	6.9%	16.5%
Secondary Comparator: Sarasin Endowment Fund	4.9%	10.4%

Results for the Year

Total income for the year was £72,350 (2024: £17,917); total expenditure for the year was £12,017 (2024: £12,315). Net gains on investments were £6,813 (2023: £62,399) resulting in net gain for the year of £68,001 (2024: £68,001).

Financial position

Net assets at the end of the year were £980,950 (2024: £913,804). These were represented by endowment and unrestricted funds.

Fundraising

The Charity does not undertake any fundraising.

Investment policy

Mercers' Schools Memorial Trust (incorporating the Merrett Bequest) and Lady Campden's Money Legacy for Loans

In accordance with the Scheme, the Trustee has the power to invest in such stocks, shares, and property as appropriate to meet the objectives of the Charity.

The investment policies reflect the need to generate a sufficient financial return for the charity to fulfil its objectives, with an appropriate time horizon, while managing risk and reflecting the charities' stance on ethical investments.

Both investment policies are income generating portfolios and capital can not be used to supplement income. The portfolios are managed on a balanced risk approach for income growth and capital growth.

The investment performance is compared against relevant benchmarks (see Financial Review above).

The Charity has a policy of responsible investment, positively screening to invest in companies that can demonstrate socially responsible values and sustainable growth, and negatively screening companies or sectors that are not in line with the charitable objects of the Charities. As such, the following areas are excluded from our investments:

- tobacco
- gambling
- pornography
- high interest lending

The Trustee is considering the objectives to be set in relation to net zero and will amend the investment policy and strategy accordingly when an agreed stepped approach is approved. The Trustee is satisfied that its policy and objective is being met.

Old Mercers' Benevolent Fund

In accordance with the Scheme, the Trustee has the power to invest in such stocks, shares, and property as appropriate to meet the objectives of the Charity. With only limited funds and the need to be able to provide rapid support, the Charity does not currently have investments.

Risk management

The Trustee acknowledges its responsibility for the management of risks faced by the Charities. A review is undertaken regularly by the Trustee to identify, assess and mitigate those risks.

The Trustee, in considering the governance, management, operational, financial and environmental risks, is satisfied that there is no material exposure and that there are procedures in place to mitigate such risks.

The Trustee has agreed clear lines of delegation and authority, and the Trustee and its staff are involved in the recognition of risk in all their activities.

Reserves policy

The reserves policy was reviewed by the Trustee during the year and integrates the objectives, responsibilities, risk management, liquidity, and reporting and monitoring processes for managing the reserves.

The primary reason for holding the reserves for the Charity is to ensure that the conditional committed beneficiary grants are fulfilled, and that the grant making budgets for next year are available to ensure the ability to plan for further grants to beneficiaries.

The free reserves of the Charity comprise the unrestricted funds of the linked charities less the unavailable assets (e.g. loans to beneficiaries) and comprise the following:

	Mercers' School Memorial Trust	Lady Campden's Money Legacy for Loans	Old Mercers' Benevolent Fund	Total
	£	£	£	£
Total unrestricted funds	31,335	148,750	88,668	268,753

2024 grantmaking allocations	2,600	-	5,000	7,600
Total allocated reserves	35,600	-	5,000	40,600
Free reserves / (reserves deficit)	(4,265)	148,750	83,668	228,153

Structure, Governance and Management

The Wardens and Commonalty of the Mystery of Mercers of the City of London (more commonly known as The Mercers' Company), which is a body corporate formed by Royal Charter in 1394, is the Trustee of the Charity and is the controlling party. The Mercers' Company's governing body is the Court of Assistants. The Master Mercer was PLR Lane until July 2024, Dr DGM Powell until July 2025 and xx from July 2025. The Clerk to the Mercers' Company is RM Abernethy.

The Mercers' Company acts as trustee for several charities and has established a governance committee for each charity. The members of the Charity's Governance Committee are:

Wg Cdr MG Dudgeon OBE DL (Chairman until 31 August 2025)

Mr BJ Parkinson

Mr GC Matthews (from 1 September 2023)

The Charity Governance Committee reviewed the Charity's grant making strategy, investment policy and reserves policy during the year. The Charity's Governance Committee also delegated certain matters to a number of the Trustee's specialist committees:

Function	Delegated Body
Loans	Young People & Education Committee Heritage & Arts Committee
Oversight of investment management	Investment Committee
Overview of risks and financial management	Audit Committee

The Charity is supported by the staff of the Mercers' Company, who are appropriately trained and qualified. These administrative services are provided by the Trustee under a service agreement, which is reviewed by the Governance Committee every 5 years and with charges reviewed annually. The following members of the Mercers' Company's senior management are involved in the provision of services:

Mr RM Abernethy (Clerk to The Mercers' Company)

Ms SMA Hedley-Dent (Deputy Clerk to The Mercers' Company)

Mr JRA Christie (Finance Director)

The Standards & Appointments Committee meets on a regular basis to keep the skills and composition of the committees and succession planning under review.

The Trustee applies the principles of the Charity Governance Code so far as is possible given that it is sole corporate trustee. The Trustee undertook a self-assessment against the Charity Governance Code in 2023/24 and identified areas in which it can further improve its practice to reflect the Governance Code principles.

Our volunteers

The Charity relies on members of The Mercers' Company volunteering their time to sit on committees, review grant requests, visit applicants and grantees, and attend events involving beneficiaries. In keeping with recommended practice, an estimate of the numbers of hours that Committee members give to the Charity free of charge during the year has been undertaken resulting in approximately 1.4 hours of voluntary time.

Related parties

The Charity works closely with the Trustee and the other charities with which the Trustee is involved.

Details of related parties and connected charities are given in note 10 of the financial statements.

Statement of Trustee's responsibilities

The Trustee is responsible for preparing the Trustee's Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period.

In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102);
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustee is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. The Trustee is also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustee is responsible for the maintenance and integrity of the Charity and financial information included on the Trustee's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Notes to the financial statements

1 Accounting Policies

ACCOUNTING BASIS

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these financial statements. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Charity constitutes a public benefit entity as defined by FRS 102. The Trustee considers that there are no material uncertainties about the Charity's ability to continue as a going concern.

CRITICAL ACCOUNTING JUDGEMENTS AND ESTIMATION UNCERTAINTY

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances prevailing.

INCOME

Interest on bank accounts and dividends from investment funds are reported on an accruals basis and included as receivable on the due dates. Income from endowment investments is unrestricted. Donations are recognised when there is entitlement and the amount can be measured with sufficient reliability. Legacies are recognized when there is entitlement and the amount can be measured with sufficient reliability. Gifts in kind are included at an estimate of their market value at the date of receipt. Income relating to the future subsequent financial period is carried forward as a creditor in the balance sheet and shown as deferred income.

EXPENDITURE

All expenditure is included on an accruals basis. Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to it, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged to the Statement of Financial Activities (SOFA) as incurred. Support costs relate to staff time and facility costs incurred by the Mercers' Company on behalf of the Charity and are recharged to the Charity on an accruals basis. Support costs have been allocated between activities based on estimated breakdowns of staff time and grant making activity. This includes time spent on the governance arrangements, relating to the general running of the Charity.

GRANTS

Grants payable are charged in the period when the offer is conveyed to the recipient except in cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the period end are noted as a commitment, but not accrued as expenditure.

INVESTMENT GAINS AND LOSSES

Unrealised gains and losses for the period reflect the movement in market values. Realised gains and losses represent the difference between proceeds on disposal and the market value brought forward. Unrealised and realised investment gains or losses are shown net on the face of the SOFA.

INVESTMENTS

Investments are stated at their market value at the balance sheet date. The Trustee is of the opinion that this valuation is appropriate for the purpose of these financial statements. Cash held by investment managers is recognised as part of investments.

FUNDS

The Charity has two types of funds:

- ▲ ENDOWMENT - WHERE THE CAPITAL IS HELD IN PERPETUITY TO GENERATE UNRESTRICTED DISTRIBUTABLE INCOME;
- ▲ UNRESTRICTED - WHERE THE FUND IS NOT RESTRICTED AS TO USE OTHER THAN IN FURTHERING THE OBJECTS OF THE CHARITY.

TAXATION

The Charity is a registered Charity, and as such is entitled to certain tax exemptions on income and profits from investments, and surpluses on any trading activities carried on in furtherance of the Charity's primary objectives, if these profits and surpluses are applied solely for charitable purposes.
