#### OBJECTIVES AND ACTIVITIES

The charity is constituted as a company limited by guarantee and is therefore governed by a Memorandum and Articles of Association.

ACE was founded in 1990 in response to the identified gap in education and training opportunities for adults with learning disabilities and mental health issues. ACE continues to fill a gap within the local market of care providers by offering lifelong learning opportunities to a client group that have been marginalised and excluded from post 25 education and training.

ACE supports individuals to become more self-reliant by offering individually tailored learning programmes covering a range of independent living skills. Our learning programmes enable students to get the best out of their lives, learning about how to use community facilities and integrate with others where they live. ACE:

- Provides a flexible, person centred curriculum facilitating optimum use of local community resources;
- Provides, selects and uses appropriate resources to support an individual learning programme including opportunities for progression;

- Recruits and trains experienced well qualified staff to deliver an effective service based on individuals' needs;
- Offers Life Skills courses (including for example Citizenship, Self-Advocacy, Using Transport, Digital Technology, Meal Preparation, Healthy Living, Employability) which lead to local and/or national accreditation;
- Provides a range of facilities to enhance personal development and advocacy skills;
- Establishes links with local schools, colleges and training providers to ease the student's transition into adulthood and promote lifelong learning. These links help students to transfer easily into provision at ACE or to leave to pursue greater independence;
- Maintains links in local and national networks to promote the interests of people with learning disabilities and maintain awareness of related issues; and
- Support students to greater independence.

### ACHIEVEMENTS AND PERFORMANCE

In July 2022, the Management Team conducted a staff survey, in which they asked all members of the team to share their views. The responses were extremely valuable and initiated the introduction of:

1. Management Team visits.
2. Quarterly, whole organisation, Management Meetings; and
3. A suggestion box, available at both teaching sites, with a £50 gift voucher for any staff member or volunteer whose idea is implemented.

ACE has successfully secured grants from the funders detailed below, amounting to £2,453:

1. The Duchy of Lancaster Grant Award Scheme for new student module books
2. Benevity for window ledge greenhouse project
3. WMBC Brighter Borough Fund for ACE polo/ T-shirts
4. Amazon Core Europe (Amazon Smile)
5. Just Giving

The Trustees are monitoring student numbers closely and encouraging new learner recruitment to maintain the viability of the business. The Trustees are satisfied that there are sufficient funds to continue operating and meet liabilities as they fall due, for the foreseeable future.

### FINANCIAL REVIEW

Each student has a learning plan, which details their learning outcomes and includes statements of what the student is expected to know, understand and/or do as a result of learning at ACE. These vary considerably between individual students based on their aspirations and needs. Outcomes may include:

- The skills to live more independently and increased communication skills, confidence and autonomy, leading to improved resilience and reduced risk;
- The ability to understand and develop healthy relationships with peers;
- Qualifications which enable them to progress to further education;
- Increased independence and autonomy achieved through developing skills in using adaptive technology; and
- Gaining the employability skills, experience, and where appropriate, qualifications to obtain voluntary, supported or paid employment.

## STAFF

The Trustees recognise the essential role that staff and volunteers play in providing a high quality service. Every teaching session is led by an experienced Tutor who holds a relevant Level 5 teaching qualification, such as the Postgraduate Certificate in Education (PGCE), the Certificate in Education, and the professional recognition of Qualified Teacher Status (QTS) or Qualified Teacher Learning and Skills (QTLS). A Learning Support Officer supports the Tutor to ensure all students engage in learning and stay on task during the session or activity. All our staff and volunteers have been through an enhanced DBS check.

We are committed to building and developing the knowledge, skills and experience of all staff members and volunteers. The organisation understands that professional development and training contribute to the effectiveness and the quality of the service the team provides. Therefore, ACE provides training and development opportunities for all its employees and volunteers so that they can perform their work effectively and in a safe working environment.

## VOULUNTEERS AND WORK BASED EXPERIENCE

As a charity ACE believes in fulfilling social aims such as creating jobs, providing volunteering opportunities and offering new skills and development to local people. We continue to offer placements for students from local and regional institutions, such as Wigan and Leigh College, St John Rigby College, Winstanley College, Salford University, Edge Hill University and Bolton University. The students are studying in the areas of teaching and health and social care at degree level or for qualifications such as BTEC.

## NETWORKS AND PARTNERSHIPS

ACE continuously develops mature and collaborative relationships not only with the students it supports but also with other partners, who are working closely with our students to develop care and support solutions. These include informal carers and families, a range of allied health professionals, other education providers, landlords, care providers and wider community connections, such as the police and DWP.

ACE has established local links with local groups from the Vocational, Community and Social Enterprise sector, community leaders and the Police. We bring community services into ACE to support teaching sessions and use our classroom facilities to support community events.

Our team have established good collaborative relationships with the Council. We continue to attend and contribute to Provider Forums and events held by the Council. As of March 2022, ACE has successfully achieved silver membership of the WMBC Deal for Business.

## STRUCTURE, GOVERNANCE AND MANAGEMENT

ACE is led by a voluntary management committee of Trustees and a Service Manager, who have a strong commitment to the staff and students. There is a strong vision, which is important in influencing a range of outcomes, including a low staff turnover that provides stability for our students. The Trustees and the Service Manager are highly visible role models with strong ethics, who focus on fairness, respect, diversity, equality and recognition. We ensure legal compliance and fair pricing, whilst treating students as equal partners in the management of the organisation.

The Trustees meet every 6 weeks and review significant events to drive continuous improvement. We take a proactive approach to performance management to prevent issues from occurring and to address emerging issues in the early stages through targeted action.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

## 1 Accounting policies

### Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

### Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

### Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

### Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
-----------------------	---

Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
---------------------------------	--

Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
------------------------	--

Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
-------------------------------------	---

Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
---------------------------------	--

Volunteer help	The value of any volunteer help received is not included in the accounts.
----------------	---

Investment income	This is included in the accounts when receivable.
-------------------	---

Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.
---	---

Gains/(losses) on investment assets	This includes any gain or loss on the sale of investments.
-------------------------------------	--

#### Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

#### Taxation

The charity is exempt from corporation tax on its charitable activities.

#### Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

#### Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

#### Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

#### Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### Research and development

Expenditure on research and development is written off in the year in which it is incurred.

#### Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

#### Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

#### Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

#### Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

## 2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.
