Activities

Objects: The object of the Charity is the advancement of the Christian religion through the restoration, preservation, beautification and reconstruction of the Church of St Martin's Bladon, its monuments, fittings, fixtures, stained glass, furniture, ornaments and chattels in the Church, the Churchyard and the Church Room belonging to the Church.

Activities: We run events to raise money to maintain the Church and encourage all sections of Bladon to join in the activities of the Church. We have held talks, had receptions for newcomers when they are introduced to the various societies in the village. We also run a toddlers group weekly in conjunction with some Church members to introduce the young to Church
