Activities

Objects: To advance the education of young people up to the age of 18. In particular, the charity will concentrate on providing for the educational and pastoral needs of young people who may have been excluded from conventional classroom education; To safeguard and protect the good health, both psychological and physical, of young persons by offering therapeutic emotional educational counselling support; To educate the public with particular reference to the emotional, physical and sexual relationships of young persons who are in conditions of need, hardship or distress and with a view to developing personal responsibilities and enriching personal and family life.

Activities: We develop alternatives to school exclusion, promote the alternative sector, managed moves, and community-based approaches to inclusion, We run an independent special school in Somerset for children with a wide range of developmental needs using non-coercive, therapeutic approaches focusing on relationship skills.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2024

The trustees present their annual report and financial statements for the year ended 31 August 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charitable company's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Inaura School is an independent, co-educational SEND school for pupils who have complex educational needs in addition to SEMH (social, emotional and mental health) needs.

The school has four education learning centres located in the county of Somerset. We provide student educational day placements for Somerset local authority and the surrounding local authorities including Bath and North East Somerset, Bristol, North Somerset and Swindon. Our Key Stage 2-3 learning centre is located in Wedmore while our Outdoor Learning Centre and Forest School are located nearby in the Westhay Moor Nature Reserve. Our two Key Stage 3, 4 and 5 learning centres are located in Burrowbridge and Street.

All of our students have Education Health and Care Plans and are placed with us through their local authority SEND departments. We work with students who have encountered challenges in mainstream, pupil referral units and other special school settings. Many of our students have experienced failure in multiple educational settings. That is why we do things a little differently.

Our approach encompasses a relational and non-coercive philosophy for teaching and learning. This philosophy focuses on building trust and systematically removing the barriers that pupils encountered in their previous learning journeys.

Our Vision

Inaura School will be a safe, supportive, inclusive and aspirational community for everyone – with the students at the heart of a school that is continually evolving.

The aim of Inaura School is to:

- Re-engage our pupils in education
- Facilitate experiences of success
- Raise self-esteem
- Raise self-awareness
- Enable our young people to realise independence in their own life

Our philosophy is rooted in the belief that every individual will learn when presented with the right conditions. Our goal is to help students enjoy learning again. This 360-degree learner-centred approach focuses on the **Head, Heart, Hands** and **Home**.

Head - Promoting academic learning and the gaining of qualifications to enable choice and social mobility.

Heart - Promoting emotional resilience, relationship building, higher self-esteem and self-awareness to facilitate experiences of success.

Hands- Promoting hands on activities that are flexible, practical and proactive rather than teacher-centred, lecture style learning.

Home- Promoting quality home/school relationships through effective communication and collaboration with parent/carers that closes the loop between the expectations of home and school.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

Our Ethos

The school ethos is based on compassion and we believe in being 'consistently kind'. Inaura's highest priority is to keep our students safe, healthy, happy and inspire them to overcome personal obstacles that prevent them from learning.

The vision, aims and ethos of the school have been underpinned by the following core values:

Integrity, Compassion, Kindness, Love and Family

And the following additional values:

Loyalty, Self-Respect, Courage, Friends, Freedom, Heritage, Respect, Fairness, Reliability and Authenticity

We believe all young people are able and genuinely want to learn. This will only occur if we remove the barriers that are holding them back from engaging with school and assist them in overcoming past, present and future challenges. We will empower students to learn the skills that will enable them to confront life's obstacles with confidence, poise and resilience.

In+aura - Our name means 'radiance piercing the darkness within'.

Charitable objectives

Inaura School's charitable objectives are:

- To advance the education of young people up to the age of 18.
- To safeguard and protect the psychological and physical health of young people by offering therapeutic emotional educational counselling support.
- To educate the public with particular reference to the emotional, physical and sexual relationships of young persons who are in conditions of need, hardship or distress and with a view to developing personal responsibilities and enriching personal and family life.

These objectives have been met in 2023-2024 by:

- Developing a broad and rich Inaura School curriculum offer that is ambitious and designed to give all students, particularly disadvantaged students with SEMH, the knowledge and cultural capital they need to succeed in life
- Improving student engagements and reducing the total number of sessions with 'no engagement'
- Achieving consistency in the garnering and capturing student engagement/feedback in each lesson delivered
- Establishing the use of Personal Development and Thrive targets in sessions without a fixed SoW e.g. DT, PE, Art
- Extending the capacity and range of complimentary therapies delivered across the school
- Improving the whole school attendance with a focus on achieving 80%
- Continuing the work on whole-school culture to further explore the range of factors that contribute to Inaura School's organisational culture and their impact on functionality and resilience
- Evaluate and improve 'Digital Safeguarding' at the Inaura School
- Prioritising Mental Health and Well-being of staff and students through the appointment of two Mental Health First Aiders (MHFA) to increase the MHFA team to five staff
- Implementing a reactive Relationships and Sex Education (RSE) programme which responds to ongoing needs within our students' lives and ensures that safeguarding is embedded across the whole curriculum at Inaura School
- Creating greater consistency of approach toward 'Reading for Pleasure' across all Learning Centres

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

Future development towards the school's objectives include:

- Implement, monitor and evaluate the redesigned core subject curricula for Maths, English, Science
- Ensure the new Maths, English and Science curricula build sequentially on what students already know and address gaps in learning
- Evaluate and refine, delivery of the Personal Development curriculum
- Evaluate the consistency across the school of Personal Development and Thrive planning and recording.
- Improve the skills of students to enable them to extend their writing - students plan, draft and extend their writing over a series of sessions
- Plan opportunities for students to find their enjoyment of writing
- Ensure consistent assessment and teaching of phonics across the school
- Prevent of misuse and abuse of Inaura IT infrastructure
- Stamp-out Cyberbullying - reduce the number of online abuse/bullying incidents between students outside of school hours
- Establish a whole-school strategy, policy and protocols to underpin the work of the Mental Health First Aiders (MHFAs)
- Investigate Coaching and Mentoring toolkit of management tools for use by the Senior Leadership Team and Learning Centre Managers to identify key staff in their teams and promote development of whole-culture
- Set a strategic direction for sustainability initiatives within the school.
- Develop staff and student's understanding of sustainable practices at school and within their own lives.

The Relational Approach

When using the relational approach, we look for opportunities to create positive conditions allowing us to invite the student (without coercion or conditional statements) to do what we are asking them to do. The challenging situation provides a way to build stronger relationships through trust and understanding. We want students to be safe, have fun and engage in their learning. Sometimes we will not be able to give students what they want but we work very hard to ensure that we give them what they need.

How does Inaura School do this?

- Using non-coercive techniques
- Applying restorative justice approaches
- Building relationships that encourage change and enable personal empowerment
- Reiterating the mantra – Be safe; Have fun; Engage in your learning

We believe that this approach combined with our 1:1 student to teacher ratio and small group settings are what make Inaura unique amongst other schools working with SEND/SEMH young people who would otherwise be disengaged from the learning process.

Achievements and performance

Financial review

The school business is viable and independent professionals have approved our financial management plans.

The school has made a surplus this year of £65,488.

The school was recently subject to a full three-day Inspection by HM Ofsted, between the 6th and 8th February 2024. The overall judgement from this Inspection is that the school remains '2 -Good' in all judgement areas.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

Principal funding sources

All income this year has come from local authority referrals to the school. Services have been provided to five local authorities this year, but the majority of referrals come from North Somerset, Somerset, Bristol, Swindon and Gloucester Councils. We will continue to promote our school to other local authorities.

Following the Labour government announcement that private school fees would be charged VAT at the standard 20% rate from 1 January 2025, Inaura School is now registered for VAT.

Fundraising

We are seeking to apply for further funding for the Outdoor Learning Centre and Forest School provision in 2023 and 2024. We also received a donation from a stewarding team at Glastonbury Festival of £1,300. This money is being used to provide a sensory room at our new learning centre in Burrowbridge.

Investment and reserves policy

The school continues to be remunerated on a four-month cycle in advance, so there is a 'dynamic reserve', which reduces to a minimum every four months. We will need to continue to apply our risk management policy to our premises portfolio and staffing levels each year. The school has a business savings account with the Nationwide Building Society where all reserves are currently held.

Principal risks and uncertainties

The trustees have assessed the major risks to which the charitable company is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

Governing document

Inaura School is a company limited by guarantee and a registered charity number 1092152. It was incorporated on 12 February 2001 and its memorandum and articles of association have been amended by special resolutions dated 11 May 2002, 3 March 2007, 28 February 2009, 23 June 2020 and 8 October 2020. The company was registered as a charity on 22 May 2002.

Signatories to the memorandum and articles are liable up to a maximum of £10 in the event of dissolution.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs Julia Gibbs

Mrs Tessa Munt

(Resigned 24 February 2025)

Mr Andrew Warner

Mrs Amanda Hannah

Mr Adam Bradley

Mrs Constance Lane

(Appointed 4 October 2023)

Dr Rebecca Stone

(Appointed 4 October 2023)

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

Recruitment and appointment of new trustees 2023-2024

Inaura's Trustees are all directors of the company limited by guarantee. In accordance with its articles of association two Trustees resign each year in rotation and for the last five years have been re-elected immediately. Inaura has benefited from a loyal and committed Trustee group. Trustees give their time voluntarily and no expenses were claimed during the year. The trustees have had due regard to the Charity Commission's guidance on public benefit.

The Trustees are all professionals with substantial experience in business, therapeutic, social and educational work. Trustees meet for a regular termly meeting, with a fourth optional meeting on a floating date to coincide with an annual Charity public event. This appears to be a successful model and will be continued.

Board of Governors

The board of governors are responsible for working with the school to ensure that it delivers the best possible education for present and future pupils. This includes best practice in appointing and managing staff as well as ensuring that child protection and safeguarding remain the school's first priority. Together with the Head Teacher, who is responsible for the day-to-day management, they set the school's aims, policies and the overall strategy. The board of governors are responsible for ensuring the efficient and effective monitoring of the school's finances. The board meets four times per year. Since October 2023 the board has appointed two new governors and no governors have resigned.

Organisational structure for 2023-2024

We appointed a new Headteacher who started on the 2 May 2023. The school's senior leadership team consists of the Headteacher, Deputy Headteacher, Designated Safeguarding Lead, SENDCo, School Business Manager and Curriculum Manager.

The school has four middle level manager/teachers, four administrators, a finance assistant, three specialist teachers, an Early Career Teacher (ECT), a literacy tutor, a music therapist, and twenty-four learning support workers and ancillary staff.

Trustees recognise that as the school develops, their responsibilities need to be fully understood and enacted and make use of the Charity Commission's extensive guide booklets and the Department for Education's Governance Handbook to reference the correct approach to any unfamiliar governance issues. The school is a member of The Key for Governors who provide information, advice, guidance, research and training for governing boards.

Auditor

In accordance with the company's articles, a resolution proposing that Lentells (Audit) Limited be reappointed as auditor of the company will be put at a General Meeting.

The trustees' report was approved by the Board of Trustees.

Mr Andrew Warner
Trustee

6 May 2025

INAURA SCHOOL

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2024

The trustees, who are also the directors of Inaura School for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF INAURA SCHOOL

Opinion

We have audited the financial statements of Inaura School (the 'charitable company') for the year ended 31 August 2024 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

As part of our audit planning we obtained an understanding of the legal and regulatory framework that is applicable to the entity and the industry/sector in which it operates to identify the key laws and regulations affecting the entity. As part of this assessment process we discussed with management the laws and regulations applicable to the company, review other communications and considered findings from previous audits.

The key laws and regulations we identified were the Health and Safety at Work, Data Protection and the Childrens' Act.

We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, primarily Companies Act 2006 and relevant UK tax law.

We discussed with management how the compliance with these laws and regulations is monitored and discussed policies and procedures in place.

We also identified the individuals who have responsibility for ensuring that the entity complies with laws and regulations and deal with reporting any issues if they arise.

As part of our planning procedures, we assessed the risk of any non-compliance with laws and regulations on the entity's ability to continue trading and the risk of material misstatement to the financial statements.

Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved the following:

- Enquiries of management regarding their knowledge of any non-compliance with laws and regulations that could affect the financial statements;
- Reviewed legal and professional costs to identify any possible non-compliance or legal costs in respect of non-compliance; and
- Review of board minutes

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

As part of our enquiries we discussed with management whether there have been any known instances, allegations or suspicions of fraud, of which management confirmed there had been none during or after the period.

We also evaluated the risk of fraud through management override. The key risks we identified were related to cut-off in respect of revenue recognition.

In response to the identified risk, as part of our audit work we:

- Review journal entries throughout the year, for accuracy and appropriateness;
- Reviewed estimates and judgements made in the financial statements for any indication of bias and challenged assumptions used by management in making the estimates;
- Undertook specific cut-off procedures in respect of revenue recognition.

Given the inherent limitations of an audit, the more remote the non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the greater the risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements, as we are less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2024

1 Accounting policies

Charity information

Inaura School is a private company limited by guarantee incorporated in England and Wales. The registered office is Moor View, Burrowbridge, Bridgwater, Somerset, TA7 0RB, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

1 Accounting policies

(Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	Over duration of lease
Plant and equipment	33% on straight line basis
Fixtures and fittings	25% on straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charitable company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charitable company's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

There are no significant areas of estimation or judgement within the financial statements, but standard accounting estimate areas such as prepayments, accruals and depreciation are included.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2023

The trustees present their annual report and financial statements for the year ended 31 August 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 4 to the financial statements and comply with the charitable company's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Inaura School is an independent, co-educational SEND school for pupils who have complex educational needs in addition to SEMH (social, emotional and mental health) needs.

The school has four education learning bases located in the county of Somerset. We provide student educational day placements for Somerset local authority and the surrounding local authorities including Bath and North East Somerset, Bristol, Dorset, North Somerset and Gloucestershire. Our Key Stage 2-3 learning centre is located in Wedmore while our Outdoor Learning Centre and Forest School are located nearby in the Westhay Moor Nature Reserve. Our Key Stage 3, 4 and 5 learning base is located in Burrowbridge and we have now acquired another Key Stage 3, 4 and 5 site in Street which opened on 13 March 2023.

All of our students have Education Health and Care Plans and are placed with us through their local authority SEND departments. We work with students who have encountered challenges in mainstream, pupil referral units and other special school settings. Many of our students have experienced failure in multiple educational settings. That is why we do things a little differently.

Our approach encompasses a relational and non-coercive philosophy for teaching and learning. This philosophy focuses on building trust and systematically removing the barriers that pupils encountered in their previous learning journeys.

Our Vision

Inaura School will be a safe, supportive, inclusive and aspirational community for everyone – with the students at the heart of a school that is continually evolving.

The aim of Inaura School is to:

- Re-engage our pupils in education
- Facilitate experiences of success
- Raise self-esteem
- Raise self-awareness
- Enable our young people to realise independence in their own life

Our philosophy is rooted in the belief that every individual will learn when presented with the right conditions. Our goal is to help students enjoy learning again. This 360-degree learner-centred approach focuses on the **Head, Heart, Hands and Home**.

Head - Promoting academic learning and the gaining of qualifications to enable choice and social mobility.

Heart - Promoting emotional resilience, relationship building, higher self-esteem and self-awareness to facilitate experiences of success.

Hands- Promoting hands on activities that are flexible, practical and proactive rather than teacher-centred, lecture style learning.

Home- Promoting quality home/school relationships through effective communication and collaboration with parent/carers that closes the loop between the expectations of home and school.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Our Ethos

The school ethos is based on compassion and we believe in being 'consistently kind'. Inaura's highest priority is to keep our students safe, healthy, happy and inspire them to overcome personal obstacles that prevent them from learning.

The vision, aims and ethos of the school have been underpinned by the following core values:

Integrity, Compassion, Kindness, Love and Family

And the following additional values:

Loyalty, Self-Respect, Courage, Friends, Freedom, Heritage, Respect, Fairness, Reliability and Authenticity

We believe all young people are able and genuinely want to learn. This will only occur if we remove the barriers that are holding them back from engaging with school and assist them in overcoming past, present and future challenges. We will empower students to learn the skills that will enable them to confront life's obstacles with confidence, poise and resilience.

In+aura - Our name means 'radiance piercing the darkness within'.

Charitable objectives

Inaura School's charitable objectives are:

- To advance the education of young people up to the age of 18.
- To safeguard and protect the psychological and physical health of young people by offering therapeutic emotional educational counselling support.
- To educate the public with particular reference to the emotional, physical and sexual relationships of young persons who are in conditions of need, hardship or distress and with a view to developing personal responsibilities and enriching personal and family life.

These objectives have been met in 2022-2023 by:

- Strengthening the school's strategy for students' attendance and having high expectations for every pupil's attendance at school.
- Strengthening systems for assessment across the curriculum to ensure that all students can make optimum progress in line with their starting points, ability and potential.
- Prioritising Mental Health and Well-being of staff and students through the appointment of three Mental Health First Aiders.
- Strengthening our therapeutic offer to students by introducing new therapeutic interventions of Draw and Talk Therapy and Sand Play Therapy.
- Implementing a PSHE (Personal, Social and Health Education) and RSE (Relationships, Sex and Health) curriculum which provides a framework for our planned core offer but which also has the flexibility to respond and address PSHE and RSE challenges that the students are experiencing in their own lives, at the time that they are experiencing them.
- Improving the reputation of the school as a leader in innovative teaching and learning for SEND/SEMH students

Future development towards the school's objectives include:

- Improve student engagements and reduce the total number of sessions with 'no engagement'
- Achieve consistency in the garnering and capture student engagement/feedback in each lesson delivered
- Establish the use of Personal Development and Thrive targets in sessions without a fixed SoW e.g. DT, PE, Art
- Extend capacity and range of complimentary therapies delivered across the school
- Improve whole school attendance – focus on <80%
- Progress the work on whole-school culture to further explore the range of factors that contribute to Inaura School's organisational culture and their impact on functionality and resilience
- Establish a whole-school strategy, policy and protocols to underpin the work of the Mental Health First Aiders (MHFAs)
- Whole School Culture - Coaching & Mentoring toolkit of management tools for use by SLT and LCMs to identify key staff in their teams and promote development of whole-culture
- Evaluate and improve 'Digital Safeguarding' at the Inaura School

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

The Relational Approach

When using the relational approach, we look for opportunities to create positive conditions allowing us to invite the student (without coercion or conditional statements) to do what we are asking them to do. The challenging situation provides a way to build stronger relationships through trust and understanding. We want students to be safe, have fun and engage in their learning. Sometimes we will not be able to give students what they want but we work very hard to ensure that we give them what they need.

How does Inaura School do this?

- Using non-coercive techniques
- Applying restorative justice approaches
- Building relationships that encourage change and enable personal empowerment
- Reiterating the mantra – Be safe; Have fun; Engage in your learning

We believe that this approach combined with our 1:1 student to teacher ratio and small group settings are what make Inaura unique amongst other schools working with SEND/SEMH young people who would otherwise be disengaged from the learning process.

Achievements and performance

Financial review

The school business is viable and independent professionals have approved our financial management plans.

The school has made a deficit this year of £16,992. During the previous year we had to decommission one of our Learning Centres and subsequently reduce the student intake for that year. This resulted in a small deficit for the academic year.

The school was recently subject to a full three-day Inspection by HM Ofsted, between the 6th and 8th February 2024. The overall judgement from this Inspection is that the school remains '2 -Good' in all judgement areas.

Principal funding sources

All income this year has come from local authority referrals to the school. Services have been provided to five local authorities this year, but the majority of referrals come from North Somerset, Somerset, Bristol, Swindon and Gloucester Councils. We will continue to promote our school to other local authorities.

Fundraising

We are seeking to apply for further funding for the Outdoor Learning Centre and Forest School provision in 2023 and 2024. We also received a donation from a stewarding team at Glastonbury Festival of £1,300. This money is being used to provide a sensory room at our new learning centre in Burrowbridge.

Investment and reserves policy

The school continues to be remunerated on a four-month cycle in advance, so there is a 'dynamic reserve', which reduces to a minimum every four months. We will need to continue to apply our risk management policy to our premises portfolio and staffing levels each year. The school has opened a business savings account with the Nationwide Building Society where all reserves are currently held.

Principal risks and uncertainties

The trustees have assessed the major risks to which the charitable company is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Structure, governance and management

Governing document

Inaura School is a company limited by guarantee and a registered charity number 1092152. It was incorporated on 12 February 2001 and its memorandum and articles of association have been amended by special resolutions dated 11 May 2002, 3 March 2007, 28 February 2009, 23 June 2020 and 8 October 2020. The company was registered as a charity on 22 May 2002.

Signatories to the memorandum and articles are liable up to a maximum of £10 in the event of dissolution.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs Julia Gibbs

Mrs Tessa Munt

Mr Andrew Warner

Mrs Amanda Hannah

Mr Adam Bradley

Mrs Constance Lane

(Appointed 4 October 2023)

Dr Rebecca Stone

(Appointed 4 October 2023)

Recruitment and appointment of new trustees 2022-2023

Inaura's Trustees are all directors of the company limited by guarantee. In accordance with its articles of association two Trustees resign each year in rotation and for the last five years have been re-elected immediately. Inaura has benefited from a loyal and committed Trustee group. Trustees give their time voluntarily and no expenses were claimed during the year. The trustees have had due regard to the Charity Commission's guidance on public benefit.

The Trustees are all professionals with substantial experience in business, therapeutic, social and educational work. Trustees meet for a regular termly meeting, with a fourth optional meeting on a floating date to coincide with an annual Charity public event. This appears to be a successful model and will be continued.

Board of Governors

The board of governors are responsible for working with the school to ensure that it delivers the best possible education for present and future pupils. This includes best practice in appointing and managing staff as well as ensuring that child protection and safeguarding remain the school's first priority. Together with the Head Teacher, who is responsible for the day-to-day management, they set the school's aims, policies and the overall strategy. The board of governors are responsible for ensuring the efficient and effective monitoring of the school's finances. The board meets four times per year. Since October 2023 the board has appointed two new governors and no governors have resigned.

Organisational structure for 2022-2023

The previous Headteacher stepped down from the role in September 2022. The Deputy Headteacher at that time took on the role of Acting Headteacher, reporting to the Board of Governors. We have now appointed a new Headteacher who started on the 2 May 2023. The school's senior leadership team consists of the Headteacher, Deputy Headteacher, Designated Safeguarding Lead, SENDCo, School Business Manager and Curriculum Manager.

The school has four middle level manager/teachers, four administrators, a finance assistant, three specialist teachers, an ECT, a literacy tutor, a music therapist, and twenty-four learning support workers and ancillary staff.

Trustees recognise that as the school develops, their responsibilities need to be fully understood and enacted and make use of the Charity Commission's extensive guide booklets and the Department for Education's Governance Handbook to reference the correct approach to any unfamiliar governance issues. The school is a member of The Key for Governors who provide information, advice, guidance, research and training for governing boards.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) *FOR THE YEAR ENDED 31 AUGUST 2023*

Auditor

In accordance with the company's articles, a resolution proposing that Lentells (Audit) Limited be reappointed as auditor of the company will be put at a General Meeting.

The trustees' report was approved by the Board of Trustees.

Mr Andrew Warner

Trustee

20 May 2024

INAURA SCHOOL

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2023

The trustees, who are also the directors of Inaura School for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF INAURA SCHOOL

Opinion

We have audited the financial statements of Inaura School (the 'charitable company') for the year ended 31 August 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

As part of our audit planning we obtained an understanding of the legal and regulatory framework that is applicable to the entity and the industry/sector in which it operates to identify the key laws and regulations affecting the entity. As part of this assessment process we discussed with management the laws and regulations applicable to the company, review other communications and considered findings from previous audits.

The key laws and regulations we identified were the Health and Safety at Work, Data Protection and the Children's Act.

We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, primarily Companies Act 2006 and relevant UK tax law.

We discussed with management how the compliance with these laws and regulations is monitored and discussed policies and procedures in place.

We also identified the individuals who have responsibility for ensuring that the entity complies with laws and regulations and deal with reporting any issues if they arise.

As part of our planning procedures, we assessed the risk of any non-compliance with laws and regulations on the entity's ability to continue trading and the risk of material misstatement to the financial statements.

Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved the following:

- Enquiries of management regarding their knowledge of any non-compliance with laws and regulations that could affect the financial statements;
- Reviewed legal and professional costs to identify any possible non-compliance or legal costs in respect of non-compliance; and
- Review of board minutes

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

As part of our enquiries we discussed with management whether there have been any known instances, allegations or suspicions of fraud, of which management confirmed there had been none during or after the period.

We also evaluated the risk of fraud through management override. The key risks we identified were related to cut-off in respect of revenue recognition.

In response to the identified risk, as part of our audit work we:

- Review journal entries throughout the year, for accuracy and appropriateness;
- Reviewed estimates and judgements made in the financial statements for any indication of bias and challenged assumptions used by management in making the estimates;
- Undertook specific cut-off procedures in respect of revenue recognition.

Given the inherent limitations of an audit, the more remote the non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the greater the risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements, as we are less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

STATEMENT OF CASH FLOWS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

1 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

4 Accounting policies

Charity information

Inaura School is a private company limited by guarantee incorporated in England and Wales. The registered office is Moor View, Burrowbridge, Bridgwater, Somerset, TA7 0RB, United Kingdom.

4.1 Accounting convention

The financial statements have been prepared in accordance with, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

4 Accounting policies

(Continued)

4.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

4.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

4.4 Income

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

4.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

4.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	Over duration of lease
Plant and equipment	33% on straight line basis and 20% on straight line basis
Fixtures and fittings	20% on straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

4.7 Impairment of fixed assets

At each reporting end date, the charitable company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

4 Accounting policies

(Continued)

4.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

4.9 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charitable company's contractual obligations expire or are discharged or cancelled.

4.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

4.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2022

The trustees present their annual report and financial statements for the year ended 31 August 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 3 to the financial statements and comply with the charitable company's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Inaura School is an independent, co-educational SEND school for pupils who have complex educational needs in addition to SEMH (social, emotional and mental health) needs.

The school has four education learning bases located in the county of Somerset. We provide student educational day placements for Somerset local authority and the surrounding local authorities including Bath and North East Somerset, Bristol, Dorset, North Somerset and Gloucestershire. Our Key Stage 2-3 learning centre is located in Wedmore while our Outdoor Learning Centre and Forest School are located nearby in the Westhay Moor Nature Reserve. Our Key Stage 3, 4 and 5 learning base is located in Burrowbridge and we have now acquired another Key Stage 3, 4 and 5 site in Street which opened on 13 March 2023.

All of our students have Education Health and Care Plans and are placed with us through their local authority SEND departments. We work with students who have encountered challenges in mainstream, pupil referral units and other special school settings. Many of our students have experienced failure in multiple educational settings. That is why we do things a little differently.

Our approach encompasses a relational and non-coercive philosophy for teaching and learning. This philosophy focuses on building trust and systematically removing the barriers that pupils encountered in their previous learning journeys.

Our Vision

Inaura School will be a safe, supportive, inclusive and aspirational community for everyone – with the students at the heart of a school that is continually evolving.

The aim of Inaura School is to:

- Re-engage our pupils in education
- Facilitate experiences of success
- Raise self-esteem
- Raise self-awareness
- Enable our young people to realise independence in their own life

Our philosophy is rooted in the belief that every individual will learn when presented with the right conditions. Our goal is to help students enjoy learning again. This 360-degree learner-centred approach focuses on the **Head, Heart, Hands** and **Home**.

Head - Promoting academic learning and the gaining of qualifications to enable choice and social mobility.

Heart - Promoting emotional resilience, relationship building, higher self-esteem and self-awareness to facilitate experiences of success.

Hands- Promoting hands on activities that are flexible, practical and proactive rather than teacher-centred, lecture style learning.

Home- Promoting quality home/school relationships through effective communication and collaboration with parent/carers that closes the loop between the expectations of home and school.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Our Ethos

The school ethos is based on compassion and we believe in being 'consistently kind'. Inaura's highest priority is to keep our students safe, healthy, happy and inspire them to overcome personal obstacles that prevent them from learning.

The vision, aims and ethos of the school have been underpinned by the following core values:

Integrity, Compassion, Kindness, Love and Family

And the following additional values:

Loyalty, Self-Respect, Courage, Friends, Freedom, Heritage, Respect, Fairness, Reliability and Authenticity

We believe all young people are able and genuinely want to learn. This will only occur if we remove the barriers that are holding them back from engaging with school and assist them in overcoming past, present and future challenges. We will empower students to learn the skills that will enable them to confront life's obstacles with confidence, poise and resilience.

In+aura - Our name means 'radiance piercing the darkness within'.

Charitable objectives

Inaura School's charitable objectives are:

- To advance the education of young people up to the age of 18.
- To safeguard and protect the psychological and physical health of young people by offering therapeutic emotional educational counselling support.
- To educate the public with particular reference to the emotional, physical and sexual relationships of young persons who are in conditions of need, hardship or distress and with a view to developing personal responsibilities and enriching personal and family life.

These objectives have been met in 2021-22 by:

- Strengthening the school's strategy for students' attendance and having high expectations for every pupil's attendance at school.
- Strengthening systems for assessment across the curriculum to ensure that all students can make optimum progress in line with their starting points, ability and potential.
- Prioritising Mental Health and Well-being of staff and students through the appointment of three Mental Health First Aiders.
- Strengthening our therapeutic offer to students by introducing new therapeutic interventions of Draw and Talk Therapy and Sand Play Therapy.
- Implementing a PSHE (Personal, Social and Health Education) and RSE (Relationships, Sex and Health) curriculum which provides a framework for our planned core offer but which also has the flexibility to respond and address PSHE and RSE challenges that the students are experiencing in their own lives, at the time that they are experiencing them.
- Improving the reputation of the school as a leader in innovative teaching and learning for SEND/SEMH students

Future development towards these objectives include:

- Establishing strong links with other small SEND Special Schools in order to share expertise, good practice and resources.
- Establishing the importance of the student voice in monitoring the quality of teaching and learning throughout the curriculum, through the use of pupil conferencing.
- Strengthening of our Outreach and Outdoor Learning offer to ensure that the provision and the physical Forest School site become an outstanding element of Inaura School's provision and can be used creatively to support the needs of a wider range of students with SEMH needs, in the south west.
- Strengthening our links with parents and carers by developing and embedding the Home element of Head, Heart, Hands and Home.
- Establishing a whole school Mental Health Strategy and a cohesive response to Mental Health and Wellbeing needs for students, staff and all other stakeholders.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

The Relational Approach

When using the relational approach, we look for opportunities to create positive conditions allowing us to invite the student (without coercion or conditional statements) to do what we are asking them to do. The challenging situation provides a way to build stronger relationships through trust and understanding. We want students to be safe, have fun and engage in their learning. Sometimes we will not be able to give students what they want but we work very hard to ensure that we give them what they need.

How does Inaura School do this?

- Using non-coercive techniques
- Applying restorative justice approaches
- Building relationships that encourage change and enable personal empowerment
- Reiterating the mantra – Be safe; Have fun; Engage in your learning

We believe that this approach combined with our 1:1 student to teacher ratio and small group settings are what make Inaura unique amongst other schools working with SEND/SEMH young people who would otherwise be disengaged from the learning process.

Achievements and performance

Financial review

The school business is viable and independent professionals have approved our financial management plans.

The school has made a surplus this year of £32,282 and has met all the annual budget figures.

The school has continued to take enormous steps to consolidate the overall performance registered on the 14th to 16th January 2020 Ofsted inspection where the school was rated as **Good**.

Principal funding sources

All income this year has come from local authority referrals to the school. Services have been provided to five local authorities this year, but the majority of referrals come from North Somerset, Somerset, Bristol, Swindon and Gloucester Councils. We will continue to promote our school to other local authorities.

Fundraising

The school was successful in receiving grant funding to assist with providing a disabled access toilet at our Outdoor Learning and Forest School site for £3,600. We are seeking to apply for further funding for the Outdoor Learning Centre and Forest School provision in 2023 and 2024. We also received a donation from a stewarding team at Glastonbury Festival of £1,300. This money is being used to provide a sensory room at our new learning centre in Street.

Investment and reserves policy

The school continues to be remunerated on a four-month cycle in advance, so there is a 'dynamic reserve', which reduces to a minimum every four months. We will need to continue to apply our risk management policy to our premises portfolio and staffing levels each year. The school has opened a business savings account with the Nationwide Building Society where all reserves are currently held.

Principal risks and uncertainties

The trustees have assessed the major risks to which the charitable company is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

Governing document

Inaura School is a company limited by guarantee and a registered charity number 1092152. It was incorporated on 12 February 2001 and its memorandum and articles of association have been amended by special resolutions dated 11 May 2002, 3 March 2007, 28 February 2009, 23 June 2020 and 8 October 2020. The company was registered as a charity on 22 May 2002.

Signatories to the memorandum and articles are liable up to a maximum of £10 in the event of dissolution.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs Sara Clay	(Resigned 19 May 2022)
Mrs Julia Gibbs	
Mrs Tessa Munt	
Mr Andrew Warner	
Mrs Amanda Hannah	(Appointed 1 November 2021)
Mr Adam Bradley	(Appointed 1 November 2021)

Recruitment and appointment of new trustees 2022-2023

Inaura's Trustees are all directors of the company limited by guarantee. In accordance with its articles of association two Trustees resign each year in rotation and for the last five years have been re-elected immediately. Inaura has benefited from a loyal and committed Trustee group. Trustees give their time voluntarily and no expenses were claimed during the year. The trustees have had due regard to the Charity Commission's guidance on public benefit.

The Trustees are all professionals with substantial experience in business, therapeutic, social and educational work. Trustees meet for a regular termly meeting, with a fourth optional meeting on a floating date to coincide with an annual Charity public event. This appears to be a successful model and will be continued.

Board of Governors

The board of governors are responsible for working with the school to ensure that it delivers the best possible education for present and future pupils. This includes best practice in appointing and managing staff as well as ensuring that child protection and safeguarding remain the school's first priority. Together with the Head Teacher, who is responsible for the day-to-day management, they set the school's aims, policies and the overall strategy. The board of governors are responsible for ensuring the efficient and effective monitoring of the school's finances. The board meets six times per year. Since 2017, the school has appointed six new governors and four governors have resigned.

Organisational structure for 2022-2023

The Head Teacher stepped down from the role in September 2022. The Deputy Head Teacher has taken on the role of Acting Head Teacher, and reports to the Board of Governors. We have now appointed a new Head Teacher who will start on 2 May 2023. The school's senior leadership team consists of the Acting Head Teacher, Designated Safeguarding Lead, SENDCo, Business Manager and Curriculum Lead.

The school has four middle level manager/teachers, four administrators, a finance assistant, three specialist teachers, a literacy tutor, a music therapist, and twenty-four learning support workers and ancillary staff.

Trustees recognise that as the school develops, their responsibilities need to be fully understood and enacted and make use of the Charity Commission's extensive guide booklets and the Department for Education's Governance Handbook to reference the correct approach to any unfamiliar governance issues. The school is a member of The Key for Governors who provide information, advice, guidance, research and training for governing boards.

Auditor

In accordance with the company's articles, a resolution proposing that Lentells Limited be reappointed as auditor of the company will be put at a General Meeting.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) *FOR THE YEAR ENDED 31 AUGUST 2022*

The trustees' report was approved by the Board of Trustees.

.....

Mr Andrew Warner

Trustee

Date:

INAURA SCHOOL

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2022

The trustees, who are also the directors of Inaura School for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF INAURA SCHOOL

Opinion

We have audited the financial statements of Inaura School (the 'charitable company') for the year ended 31 August 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

As part of our audit planning we obtained an understanding of the legal and regulatory framework that is applicable to the entity and the industry/sector in which it operates to identify the key laws and regulations affecting the entity. As part of this assessment process we discussed with management the laws and regulations applicable to the company, review other communications and considered findings from previous audits.

The key laws and regulations we identified were the Health and Safety at Work, Data Protection and the Children's Act.

We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, primarily Companies Act 2006 and relevant UK tax law.

We discussed with management how the compliance with these laws and regulations is monitored and discussed policies and procedures in place.

We also identified the individuals who have responsibility for ensuring that the entity complies with laws and regulations and deal with reporting any issues if they arise.

As part of our planning procedures, we assessed the risk of any non-compliance with laws and regulations on the entity's ability to continue trading and the risk of material misstatement to the financial statements.

Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved the following:

- Enquiries of management regarding their knowledge of any non-compliance with laws and regulations that could affect the financial statements;
- Reviewed legal and professional costs to identify any possible non-compliance or legal costs in respect of non-compliance; and
- Review of board minutes

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

As part of our enquiries we discussed with management whether there have been any known instances, allegations or suspicions of fraud, of which management confirmed there had been none during or after the period.

We also evaluated the risk of fraud through management override. The key risks we identified were related to cut-off in respect of revenue recognition.

In response to the identified risk, as part of our audit work we:

- Review journal entries throughout the year, for accuracy and appropriateness;
- Reviewed estimates and judgements made in the financial statements for any indication of bias and challenged assumptions used by management in making the estimates;
- Undertook specific cut-off procedures in respect of revenue recognition.

Given the inherent limitations of an audit, the more remote the non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the greater the risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements, as we are less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

INAURA SCHOOL

BALANCE SHEET (CONTINUED)

AS AT 31 AUGUST 2022

1 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

2 Donations and grants

	Total	Restricted funds
	2022	2021
	£	£
Grant income	-	31,240

3 Accounting policies

Charity information

Inaura School is a private company limited by guarantee incorporated in England and Wales. The registered office is Moor View, Burrowbridge, Bridgwater, Somerset, TA7 0RB, United Kingdom.

3.1 Accounting convention

The financial statements have been prepared in accordance with, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

3.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

3.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

3 Accounting policies

(Continued)

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

3.4 Income

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

3.5 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	5 years
----------	---------

3.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	Over duration of lease
Plant and equipment	33% on straight line basis and 20% on straight line basis
Fixtures and fittings	20% on straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

3.7 Impairment of fixed assets

At each reporting end date, the charitable company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

3 Accounting policies

(Continued)

3.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

3.9 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charitable company's contractual obligations expire or are discharged or cancelled.

3.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

3.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 AUGUST 2021

The trustees present their annual report and financial statements for the year ended 31 August 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the financial statements and comply with the charitable company's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Inaura School is an independent, co-educational SEND school for pupils who have complex educational, social, emotional and mental health needs.

The school has three education learning bases located in the county of Somerset. We provide student educational day placements for Somerset local authority and the surrounding local authorities including Bath and Northeast Somerset, Bristol, Dorset, North Somerset and Gloucestershire. Our Key Stage 2-3 learning centre is located in Wedmore while our Outdoor Learning Centre and Forest School are located nearby in the Westhay Moor Nature Reserve. Our Key Stage 3, 4 and 5 learning base is located in Burrowbridge and we are actively seeking to acquire another Key Stage 3, 4 and 5 site in the region.

All of our students have Education Health and Care Plans and are placed with us through their local authority SEND departments. We work with students who have encountered challenges in mainstream, pupil referral units and other special school settings. Many of our students have experienced failure in multiple educational settings. That is why we do things a little differently.

Our approach encompasses a relational and non-coercive philosophy for teaching and learning. This philosophy focuses on building trust and systematically removing the barriers that pupils encountered in their previous learning journeys.

The aim of Inaura School is to:

- Re-engage our pupils in education
- Facilitate experiences of success
- Raise self-esteem
- Raise self-awareness
- Enable our young people to realise independence in their own life

Our philosophy is rooted in the belief that every individual will learn when presented with the right conditions. Our goal is to help students enjoy learning again. This 360-degree learner-centred approach focuses on the **Head, Heart, Hands and Home**.

Head - Promoting academic learning and the gaining of qualifications to enable choice and social mobility.

Heart - Promoting emotional resilience, relationship building, higher self-esteem and self-awareness to facilitate experiences of success.

Hands- Promoting hands on activities that are flexible, practical and proactive rather than 'sit and get' lecture style learning.

Home- Promoting quality home/school relationships through effective communication and collaboration with parent/carers that closes the loop between the expectations of home and school.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Our Ethos

The school ethos is based on compassion, equality, openness and honesty. Inaura's highest priority is to keep our students safe, healthy, happy and inspire them to overcome personal obstacles that prevent them from learning.

What we believe at Inaura School

We believe all young people are able and genuinely want to learn. This will only occur if we remove the barriers that are holding them back from engaging with school and assist them in overcoming past, present and future challenges. We will never enable learnt helplessness. We will empower students to learn the skills that will enable them to confront life's obstacles with confidence, poise and resilience.

In+aura - Our name means 'radiance piercing the darkness within'.

The school's objectives are:

- Improve the reputation of the school as a leader in innovative teaching and learning for SEND/SEMH students
- Build partnerships with other SEND/SEMH schools in the region
- Improve the school's public profile while marketing the school's unique selling points
- Build partnerships with various philanthropical organizations and trusts willing to support the school's continued growth while providing additional financial stability

The Relational Approach

When using the relational approach, we look for opportunities to create positive conditions allowing us to invite the student (without coercion or conditional statements) to do what we are asking them to do. The challenging situation provides a way to build stronger relationships through trust and understanding. We want students to be safe, have fun and engage in their learning. Sometimes we will not be able to give students what they want but we work very hard to ensure that we give them what they need.

How does Inaura School do this?

- Using non-coercive techniques
- Applying restorative justice approaches
- Building relationships that encourage change and enable personal empowerment
- Reiterating the mantra – Be safe; Have fun; Engage in your learning

We believe that this approach combined with our 1:1 student to teacher ratio and small group settings are what make Inaura unique amongst other schools working with SEND/SEMH young people who would otherwise be disengaged from the learning process.

Achievements and performance

Financial review

The school business is viable and independent professionals have approved our financial management plans.

The school has made a surplus this year of £15,773 and has met all the annual budget figures. The school no longer needs to secure short-term loans to assist with the cash flow difficulties that occurred previously and has successfully mitigated those periods.

The school has continued to take enormous steps to consolidate the overall performance registered on the 14th to 16th January 2020 Ofsted inspection where the school was rated as **Good**.

We recently decommissioned our East Huntspill site and have been actively searching for a new location that would allow us to expand capacity while upgrading our facility and offerings to the students. We have placed a bid on a suitable location and await the results to see if we are successful.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) *FOR THE YEAR ENDED 31 AUGUST 2021*

Principal funding sources

All income this year has come from local authority referrals to the school. Services have been provided to five local authorities this year, but the majority of referrals come from Bath and North East Somerset, North Somerset, Somerset, Bristol and Gloucester Councils. We will continue to promote our school to other local authorities.

Fundraising

The school was successful in receiving grant funding to assist with moving and developing a new school premises in Wedmore to the sum of £25,000. We are seeking to apply for further funding for the Outdoor Learning Centre and Forest School provision in 2022 and 2023.

Investment and reserves policy

The school continues to be remunerated on a four-month cycle in advance, so there is a 'dynamic reserve', which reduces to a minimum every four months. We will need to continue to apply our risk management policy to our premises portfolio and staffing levels each year. The school has opened a business savings account with the Nationwide Building Society where all reserves will be held.

Principal risks and uncertainties

The trustees have assessed the major risks to which the charitable company is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

Governing document

Inaura School is a company limited by guarantee and a registered charity number 1092152. It was incorporated on 12 February 2001 and its memorandum and articles of association have been amended by special resolutions dated 11 May 2002, 3 March 2007, 28 February 2009, 23 June 2020 and 8 October 2020. The company was registered as a charity on 22 May 2002.

Signatories to the memorandum and articles are liable up to a maximum of £10 in the event of dissolution.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs Sara Clay

Mrs Julia Gibbs

Mrs Tessa Munt

Mr Andrew Warner

Mrs Amanda Hannah

Mr A Bradley

(Appointed 1 November 2021)

(Appointed 1 November 2021)

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Recruitment and appointment of new trustees 2021-2022

Inaura's Trustees are all directors of the company limited by guarantee. In accordance with its articles of association two Trustees resign each year in rotation and for the last five years have been re-elected immediately. Inaura has benefited from a loyal and committed Trustee group. Trustees give their time voluntarily and no expenses were claimed during the year. The trustees have had due regard to the Charity Commission's guidance on public benefit.

The Trustees are all professionals with substantial experience in business, therapeutic, social and educational work. Trustees meet for a regular termly meeting, with a fourth optional meeting on a floating date to coincide with an annual Charity public event. This appears to be a successful model and will be continued.

Board of Governors

The board of governors are responsible for working with the school to ensure that it delivers the best possible education for present and future pupils. This includes best practice in appointing and managing staff as well as ensuring that child protection and safeguarding remain the school's first priority. Together with the Head Teacher, who is responsible for the day-to-day management, they set the school's aims, policies and the overall strategy. The board of governors are responsible for ensuring the efficient and effective monitoring of the school's finances. The board meets six times per year. Since 2017, the school has appointed six new governors and four governors have resigned.

Organisational structure for 2021-2022

The school has a Head Teacher and Deputy Head Teacher who report to the Board of Governors. The school's senior leadership team consists of the Head Teacher, Deputy Head Teacher, Designated Safeguarding Lead, SENDCo, Business Manager and Curriculum Lead.

The school has four middle level manager/teachers, four administrators, a finance assistant, three specialist teachers, a literacy tutor, a music therapist, sensory integration therapist and twenty-four learning support workers and ancillary staff.

Trustees recognise that as the school develops, their responsibilities need to be fully understood and enacted and make use of the Charity Commission's extensive guide booklets and the Department for Education's Governance Handbook to reference the correct approach to any unfamiliar governance issues. The school is a member of the The Key for Governors who provide information, advice, guidance, research and training for governing boards.

Auditor

In accordance with the company's articles, a resolution proposing that Lentells Limited be reappointed as auditor of the company will be put at a General Meeting.

The trustees' report was approved by the Board of Trustees.

Andrew Warner
Signed on 18/05/22 @ 10:23

INAURA SCHOOL

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2021

The trustees, who are also the directors of Inaura School for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF INAURA SCHOOL

Opinion

We have audited the financial statements of Inaura School (the 'charitable company') for the year ended 31 August 2021 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

As part of our audit planning we obtained an understanding of the legal and regulatory framework that is applicable to the entity and the industry/sector in which it operates to identify the key laws and regulations affecting the entity. As part of this assessment process we discussed with management the laws and regulations applicable to the company, review other communications and considered findings from previous audits.

The key laws and regulations we identified were the Health and Safety at Work, Data Protection and the Childrens' Act.

We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, primarily Companies Act 2006 and relevant UK tax law.

We discussed with management how the compliance with these laws and regulations is monitored and discussed policies and procedures in place.

We also identified the individuals who have responsibility for ensuring that the entity complies with laws and regulations and deal with reporting any issues if they arise.

As part of our planning procedures, we assessed the risk of any non-compliance with laws and regulations on the entity's ability to continue trading and the risk of material misstatement to the financial statements.

Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved the following:

- Enquiries of management regarding their knowledge of any non-compliance with laws and regulations that could affect the financial statements;
- Reviewed legal and professional costs to identify any possible non-compliance or legal costs in respect of non-compliance; and
- Review of board minutes

As part of our enquiries we discussed with management whether there have been any known instances, allegations or suspicions of fraud, of which management confirmed there had been none during or after the period.

We also evaluated the risk of fraud through management override. They key risks we identified were related to cut-off in respect of revenue recognition.

In response to the identified risk, as part of our audit work we:

- Review journal entries throughout the year, for accuracy and appropriateness;
- Reviewed estimates and judgements made in the financial statements for any indication of bias and challenged assumptions used by management in making the estimates;
- Undertook specific cut-off procedures in respect of revenue recognition.

Given the inherent limitations of an audit, the more remote the non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the greater the risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements, as we are less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

INAURA SCHOOL

STATEMENT OF CASH FLOWS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

1 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

2 Accounting policies

Charity information

Inaura School is a private company limited by guarantee incorporated in England and Wales. The registered office is Moor View, Burrowbridge, Bridgwater, Somerset, TA7 0RB, United Kingdom.

2.1 Accounting convention

The financial statements have been prepared in accordance with, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

2.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

2.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

2.4 Income

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2021

2 Accounting policies

(Continued)

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

2.5 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	5 years
----------	---------

2.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	over period of lease
Plant and equipment	33% on straight line basis and 20% on straight line basis
Fixtures and fittings	20% on straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

2.7 Impairment of fixed assets

At each reporting end date, the charitable company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

2.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

2 Accounting policies

(Continued)

2.9 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charitable company's contractual obligations expire or are discharged or cancelled.

2.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2020

The trustees present their report and financial statements for the year ended 31 August 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charitable company's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Inaura School is an independent, co-educational SEND school for pupils who have complex educational, social, emotional and mental health needs.

The school has four education learning bases located in the county of Somerset. We provide student educational day placements for Somerset local authority and the surrounding local authorities including Bath and North East Somerset, Bristol, Devon, Dorset, North Somerset, Gloucestershire and Wiltshire. Our Key Stage 2-3 learning centre is located in Wedmore while our Forest School is located nearby in the Westhay Moor Nature Reserve. Our two Key Stage 3, 4 and 5 learning bases are located in Burrowbridge and East Huntspill.

All of our students have Education Health and Care Plans and are placed with us through their local authority SEND departments. We work with students who have encountered challenges in mainstream, pupil referral units and other special school settings. Many of our students have experienced failure in multiple educational settings. That is why we do things a little differently.

Our approach encompasses a relational and non-coercive philosophy for teaching and learning. This philosophy focuses on building trust and systematically removing the barriers that pupils encountered in their previous learning journeys.

The aim of Inaura School is to:

- Re-engage our pupils in education
- Facilitate experiences of success
- Raise self-esteem
- Raise self-awareness
- Enable our young people to realise independence in their own life

Our philosophy is rooted in the belief that every individual will learn when presented with the right conditions. Our goal is to help students enjoy learning again. This 360-degree learner-centred approach focuses on the **Head, Heart, Hands and Home**.

Head - Promoting academic learning and the gaining of qualifications to enable choice and social mobility.

Heart - Promoting emotional resilience, relationship building, higher self-esteem and self-awareness to facilitate experiences of success.

Hands- Promoting hands on activities that are flexible, practical and proactive rather than 'sit and get' lecture style learning.

Home- Promoting quality home/school relationships through effective communication and collaboration with parent/carers that closes the loop between the expectations of home and school.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

Our Ethos

The school ethos is based on compassion, equality, openness and honesty. Inaura's highest priority is to keep our students safe, healthy, happy and inspire them to overcome personal obstacles that prevent them from learning.

What we believe at Inaura School

We believe all young people are able and genuinely want to learn. This will only occur if we remove the barriers that are holding them back from engaging with school and assist them in overcoming past, present and future challenges. We will never enable learnt helplessness. We will empower students to learn the skills that will enable them to confront life's obstacles with confidence, poise and resilience.

In+aura - Our name means 'radiance piercing the darkness within'.

The school's objectives are:

- Improve the reputation of the school as a leader in innovative teaching and learning for SEND/SEMH students
- Build partnerships with other SEND/SEMH schools in the region
- Improve the school's public profile while marketing the school's unique selling points
- Build partnerships with various philanthropical organizations and trusts willing to support the school's continued growth while providing additional financial stability

The Relational Approach

When using the relational approach, we look for opportunities to create positive conditions allowing us to invite the student (without coercion or conditional statements) to do what we are asking them to do. The challenging situation provides a way to build stronger relationships through trust and understanding. We want students to be safe, have fun and engage in their learning. Sometimes we will not be able to give students what they want but we work very hard to ensure that we give them what they need.

How does Inaura School do this?

- Using non-coercive techniques
- Applying restorative justice approaches
- Building relationships that encourage change and enable personal empowerment
- Reiterating the mantra – Be safe; Have fun; Engage in your learning

We believe that this approach combined with our 1:1 student to teacher ratio and small group settings are what make Inaura unique amongst other schools working with SEND/SEMH young people who would otherwise be disengaged from the learning process.

Achievements and performance

Financial review

The school business is viable and independent professionals have approved our financial management plans.

The school has made a surplus this year of £106,000.00 and has met all the annual budget figures. The school no longer needs to secure short-term loans to assist with the cash flow difficulties that occurred previously and has successfully mitigated those periods. The cash flow position has strengthened for the next academic year 2020-2021.

The school has continued to take enormous steps to improve the overall performance and Ofsted Requires Improvement rating. The school was re-inspected on 14 to 16 January 2020 and was rated as a **Good** school.

We are no longer carrying a deficit and are now running at a projected yearly surplus of £20,000.

We upgraded our KS2-3 site by moving out of Godney at the end of October 2020 into the Poolbridge Learning Centre in Wedmore. The move has allowed us to modernise our facilities as well as increase additional student capacity while enabling the school to develop further.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

Principal funding sources

All income this year has come from local authority referrals to the school. Services have been provided to five local authorities this year, but the majority of referrals come from Bath and North East Somerset, North Somerset and Gloucester Councils. We will continue to promote our school to other local authorities.

We received a grant for £25,000 from Kensington Mortgage Company to renovate and secure a new school site which enabled us to relocate our KS2-3 site.

Investment and reserves policy

The school continues to be remunerated on a four-month cycle in advance, so there is a 'dynamic reserve', which reduces to a minimum every four months. We will need to continue to apply our risk management policy to our premises portfolio and staffing levels each year.

The trustees has assessed the major risks to which the charitable company is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

Governing document

Inaura School is a company limited by guarantee and a registered charity number 1092152. It was incorporated on 12 February 2001 and its memorandum and articles of association have been amended by special resolutions dated 11 May 2002, 3 March 2007, 28 February 2009, 23 June 2020 and 8 October 2020. The company was registered as a charity on 22 May 2002.

Signatories to the memorandum and articles are liable up to a maximum of £10 in the event of dissolution.

Mrs Sara Clay (Appointed 19 March 2020)

Mrs Julia Gibbs

Mrs Tessa Munt

Mr Andrew Warner

Mrs Amanda Hannah (Resigned 16 November 2020)

Recruitment and appointment of new trustees 2019-2020

Inaura's Trustees are all directors of the company limited by guarantee. In accordance with its articles of association two Trustees resign each year in rotation and for the last five years have been re-elected immediately. Inaura has benefited from a loyal and committed Trustee group. Trustees give their time voluntarily and no expenses were claimed during the year. The trustees have had due regard to the Charity Commission's guidance on public benefit.

The Trustees are all professionals with substantial experience in business, therapeutic, social and educational work. Trustees meet for a regular termly meeting, with a fourth optional meeting on a floating date to coincide with an annual Charity public event. This appears to be a successful model and will be continued.

Board of Governors

The board of governors are responsible for working with the school to ensure that it delivers the best possible education for present and future pupils. This includes best practice in appointing and managing staff as well as ensuring that child protection and safeguarding remain the school's first priority. Together with the Head Teacher, who is responsible for the day-to-day management, they set the school's aims, policies and the overall strategy. The board of governors are responsible for ensuring the efficient and effective monitoring of the school's finances. The board meets six times per year. Since 2017, the school has appointed three new governors and two governors have resigned.

INAURA SCHOOL

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) *FOR THE YEAR ENDED 31 AUGUST 2020*

Organisational structure for 2019-2020

The school has a Head Teacher and Deputy Head Teacher who report to the Board of Governors. The school's senior leadership team consists of the Head Teacher, Deputy Head Teacher, Designated Safeguarding Lead, Health & Safety Officer, SENDCo, Business Manager and Curriculum Lead.

The school has four middle level manager/teachers, three administrators, a finance assistant, three specialist teachers, a literacy tutor, a music therapist and twenty-four learning support workers and ancillary staff.

Trustees recognise that as the school develops, their responsibilities need to be fully understood and enacted and make use of the Charity Commission's extensive guide booklets and the Department for Education's Governance Handbook to reference the correct approach to any unfamiliar governance issues. The school is a member of the National Governance Association who provide information, advice, guidance, research and training for governing boards.

Auditor

The trustees' report was approved by the Board of Trustees.

Mr Andrew Warner

Trustee

Dated: 21 June 2021

INAURA SCHOOL

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2020

The trustees, who are also the directors of Inaura School for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF INAURA SCHOOL

Opinion

We have audited the financial statements of Inaura School (the 'charitable company') for the year ended 31 August 2020 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INAURA SCHOOL

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF INAURA SCHOOL

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

Charity information

Inaura School is a private company limited by guarantee incorporated in England and Wales. The registered office is Moor View, Burrowbridge, Bridgwater, Somerset, TA7 0RB, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

The trustees have in particular reviewed cashflow forecasts prepared by the management of Inaura School, and are satisfied that predicted cash deficits will be effectively managed as explained in note 18 to the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.5 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	5 years
----------	---------

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

(Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	over period of lease
Plant and equipment	33% on straight line basis and 20% on straight line basis
Fixtures and fittings	20% on straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charitable company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

INAURA SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charitable company's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
