TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their annual report together with the financial statements of the Company for the 1 January 2022 to 31 December 2022. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

One Sight Foundation is committed to eradicating the global vision care crisis that affects more than 1.1 billion people, many of whom could have their vision restored with an eye exam and a pair of glasses. Provision of an eye test and a pair of glasses can make a huge difference to the quality of life for these people.

The Foundation is affiliated to a global network of organizations supporting the same objectives.

After sponsoring the education and ultimate qualification of three optometrists to work in The Gambia, in 2020 the Foundation devolved the majority of its fund to OneSight (USA), the sister charity based in USA, that operates short-term and long-term sustainable eye care clinics on a global basis. The funding was used to support global sustainable vision centers in the Republic of Zambia and other countries where the need is great, but access to affordable, quality eye exam and glasses does not exist.

The Foundation and its Trustees in conjunction with their colleagues in other parts of the world are determined to continue to identify opportunities to provide sustainable eye care support to those communities most in need.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

b. Financial performance

The income for the Foundation in the year under review was £52,725 (2021: £3,246) and the expenditure in furtherance of the charitable objectives, as set out in note 4 to the financial statements was £1,549 (2021: £1,917). The Foundation's cash reserves at the end of the year were £119,872 (2021: £65,989).

The trustees have adopted a policy that, where possible a general funds cash reserve, covering twelve months administration running costs should be maintained. The unrestricted funds at 31 December 2022 were £116,428 (2021: £62,605) which is in excess of the running costs of the Foundation of £1,549 (2021: £1,917) for the year ended 31 December 2022.

The funds will be used to support philanthropic refractive error activities across UK and overseas.

In accordance with the Memorandum and Articles of Association the trustees have the power to invest in such assets as they see fit. The Foundation has a policy of keeping surplus liquid funds in short term deposits. This low risk investment policy provides the flexibility in making charitable grants and ensures the Foundation had adequate funds to meet ongoing grant commitments and administration costs in accordance with its reserves policy.

Structure, governance and management

The Foundation was incorporated as a company limited by guarantee on 29 April 2002, and on 24 May 2002 was registered with the Charity Commission for England and Wales. Its governing document is its Memorandum and Articles of Association.

The management committee, who are also the trustees and directors for the purpose of company law, who served during the period were:

S Melani
F Ferrante
S Cavaye
K Overbey

No trustee had any beneficial interest in any contract with the Foundation during the period.

Existing trustees brief new trustees on the Foundation's aims and objectives. They are given a copy of the Memorandum and Articles of Association along with the latest financial statements. They are also given literature about the Foundation and a copy of the Charity Commission's guidelines for trustees, which will help them fulfil their role in line with charity and company law.

Under the Memorandum and Articles of Association, at the first annual general meeting all the trustees shall retire from office and, at every subsequent annual general meeting, one third of the trustees shall retire annually and be eligible for reappointment.

The trustees review the strategic activities and financial position of the Foundation at its regular board meetings. They consider potential risks to which the Foundation is exposed. As part of this process, the trustees have implemented a risk management strategy which comprises an annual review of the risks which the Foundation may face and the establishment of systems and procedures to mitigate those risks identified in the plan and the implementation of procedures designed to minimise any potential impact on the Foundation should those risks materialise.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. - select suitable accounting policies and then apply them consistently;

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022**

**Independent examiner's report to the Trustees of Onesight Essilorluxottica Foundation
(Formerly known as One Sight Foundation) ('the Company')**

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. General information

One Sight Foundation is a private charitable company, limited by guarantee, incorporated in England and Wales. Company registered number: 04426377. Charity number 1092209.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Onesight Essilorluxottica Foundation (Formerly known as One Sight Foundation) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.5 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.6 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.7 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.
