## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 MAY 2024

As a result of the general guidance on public benefit, the Trustees have assessed the activities as follows:

- Arranging lectures and training courses for all age groups.

- Assisting the community members with their day to day problems in dealing with the local authorities.
- Counselling on various matters to community members.
- Hosting community celebrations, ceremonies and other related activities.

#### Achievements and performance

In order to meet the objectives, the Trustees carried out activities on a regular basis and are pleased to report the following activities:

- Providing a place for worship and a community centre for the community.
- Regular seminars, inviting scholars from different communities promoting good relations and understanding.
- Regular seminars on issues such as interfaith, religious and intellectual debates and current affairs.
- Providing services that bring the community together throughout the month of Ramadan Al-Kareem.
- Providing programs and Iftar 3 days a week throughout the month of Ramadan Al-Kareem.
- Live streams of recitations of the holy Qu'ran Juzu and Duas throughout the year and on a daily basis during the months of Ramadan Al-Kareem and Muharram

- Arranging and holding Living Quran classes for children on Sundays throughout term dates.

In recent years there have been noticeable improvements in education, health provision, environment and community cohesion in the area where the charity operates.

The Trustees would like to thank all unpaid volunteers for their contribution to the charity's services and activities.

#### Financial review

The charity's principal activity for generating funds continued to be through the collection of donations. Incoming resources from unrestricted funds is lower than last year due to a fall in donation towards mosque maintenance activities. The trustees are pleased with the financial management and staff support during the year. The results of the charity's operations are on page 6 to the financial statements.

The Statement of Financial Activities and related notes show how the charity's funds have been applied during the year. The gross receipts of the charity were £46,959 (2023: £138,497). A breakdown of income received in the current and comparative years can be found in the notes to the financial statements. The Trustees would like to thank donors for their continued support.

The charity has made an overall net deficit for the year of £50,957 compared to a deficit last year of £6,053, resulting in total income reserves of £3,940,101 (2023: £3,991,058) which are carried forward to forthcoming years. This is comprised of £36,963 (2023: £36,963) of restricted funds and £3,903,138 (2023: £3,954,093) of unrestricted funds. A breakdown of funds is shown in the notes to the accounts.

The assets of the charity are held in the names of the holding trustees. The Trust Deed authorises the trustees to make capital investment in furtherance of the charities objectives.

#### Reserves policy

The trustees consider that the charity's reserves are adequate to meet its day to day expenditure and any designated funds. Reserves are reviewed on regular basis and in the event of a shortfall the trustees have access to sufficient resources to meet any deficit. For this reason the trustees do not require a minimum level of reserves to be maintained.

The Trustees believe that it is important to develop and enhance the approach in risk management, to ensure it remains fit for purpose. The Charity has a risk register which is reviewed on regular basis. Appropriate processes are put in place as and when necessary that mitigate any identified risks to the health and safety of volunteers and those participating in the charity's activities. Regulatory guidelines are followed where applicable. The government guidance relating to the Covid-19 pandemic is followed to ensure safe provision of activities.

### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' report was approved by the Board of Trustees.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE LEBANESE WELFARE SHIA ITHNA ASHERI TRUST

---

I report to the Trustees on my examination of the financial statements of The Lebanese Welfare Shia Ithna Asheri Trust (the charity) for the year ended 31 May 2024.

#### **Responsibilities and basis of report**

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 MAY 2024

---

#### 1 Accounting policies

##### Charity information

The Lebanese Welfare Shia Ithna Asheri Trust is an unincorporated UK registered charity formed under a constitution under a Trust deed. The principal address of the charity is 35 Enbrook Street, London, W10 4SE. The charity's operations are disclosed within the Trustees' annual report.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's trust deed, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

##### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources and unrestricted funds to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

##### 1.4 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when received. Grants receivable are accounted for as income when the charity becomes entitled to the grant and all performance-related conditions have been met.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included as, in the opinion of the Trustees, the value of their contribution cannot be reliably estimated or quantified.

##### 1.5 Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MAY 2024

#### 1 Accounting policies

(Continued)

##### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their estimated residual values over their useful lives on the following bases:

Land and buildings	50 years straight line
--------------------	------------------------

##### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### 1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Other financial assets**

Financial assets classified as other financial assets are stated at fair value with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss includes any dividend or interest earned on the financial asset.

##### **Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MAY 2024

### 1 Accounting policies

(Continued)

#### ***Other financial liabilities***

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in or in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

#### ***Derecognition of financial liabilities***

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

### 1.9 Employee benefits

A defined contribution pension scheme is available for all qualifying employees subject to the employee's right to opt out of the scheme. The assets of the scheme are held separately from those of the charity in an independently administered fund. Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Land and buildings with a carrying amount of £800,000 were revalued at 31 May 2016 to £4,000,000 by independent valuers not connected with the charity on the basis of market value. The valuation conforms to International Valuation Standards and was based on recent market transactions on arm's length terms for similar properties. The Trustees have reviewed recent market transactions and, in the opinion of the Trustees, the market value of the charity's freehold property at the year end was not materially different from the revalued amount as shown in the financial statements.

At 31 May 2024, had the revalued assets been carried at historic cost less accumulated depreciation and accumulated impairment losses, their carrying amount would have been approximately £779,957 (2023: £788,498).
