TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

(a) to develop establish or secure in suitably equipped accommodation and establishment of a multifunctional community centre and to maintain and manage the same (whether alone or in cooperation with any local authority or other person or body) in furtherance of these objects.

(b) to promote the benefit of health, education and recreation of the inhabitants of Brynamman without distinction of age, sex, sexual orientation, race or of political religious or other opinions by associating together the said inhabitants and the local authorities voluntary and other organisations in a common effort to advance education and to provide facilities in the interest of health and social welfare for recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.

(c) to promote such other charitable purposes as may from time to time be determined.

The main activities undertaken in relation to the above purposes are noted throughout the report.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The main activities undertaken to further the charity's purposes for the public benefit are noted throughout the report.

Achievements and performance.

The expertise brought by new trustees enabled the Charity to develop its two 'core' income generating activities of the café and shop. The shop in particular has been the key driver with local products being sold which provided local producers with an outlet. This in turn has brought a significant increase in footfall to the centre.

The same increase in footfall has benefited the café with a demand for more freshly baked products. An interaction between the two businesses enabling 'end of shelf life products' being used and prepared as specials on the menu has been a great success. It is after all sustainability working at the local level with less food waste and less food miles.

Special events were also initiated during the year with bingo, quiz evenings and special themed events proving to be very popular. These in turn also contributed to the turnaround in the financial performance of the Charity.

All of this success requires the hard work of fellow trustees, the many volunteers we have and of course our staff. As your chairman for the year, a very sincere and big thank you for the effort.

The turnaround in our financial performance is to be celebrated but financial challenges remain. Energy costs are still high, nationally imposed wage settlements are outstripping what we can charge and our rental income has moved to be more piecemeal and less predictable.

Even with an increase in our income generating activities, we still require successful grant bids and financial support from the public purse. Pre pandemic, external financial support was in the order of £20k per annum. During this reporting period our business plan was showing this gap had grown to £50k. This proved to be accurate and without the legacy left to the Charity during the period our surplus would have been a lot less.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024

Finally, on behalf of us all involved with the daily running of the Charity, a very big thank you to 'our customers' who after all are the cornerstone of our success.

Financial review

The charity made an overall surplus of £15,239 for the year ended 31st March 2024 (2023: £56,827 Deficit). This can be seen to be split between an unrestricted deficit of £29,790 (2023: £22,460) and a restricted surplus of £45,029 (2023: deficit of £34,187).

Total reserves at the year-end were £1,000,879, (2023: £985,640), split between unrestricted general reserves of £120,343 (2023: £75,314), designated funds of £43,151 (2023: £43,151) and restricted funds of £837,385 (2023: £867,175).

Reserves policy

The trustees have adopted a policy in order to provide for the following designated reserves in addition to the general fund reserves:

1. The centre aims to build up a reserve to enable it to continue and expand the service that the organisation currently provides and to allow the development of new projects.
2. Unrestricted funds not committed to or invested in tangible fixed assets i.e. the free reserves held by the charity, are held in a general fund and a designated fund referred to as the future commitment reserve.

At this level the trustees would aim to continue the charity's current activities for several months in the event of a significant drop in income.

As at 31st March 2024 the free reserves of the charity totalled £120,343 (2023: £78,314).

Structure, governance and management

Governing document and structure

The charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association dated 15th December 2000.

It was registered as a charity with the Charity Commission on 6th June 2002.

Recruitment and appointment of trustees

Membership of the company is open to residents of Brynamman and the locality on payment of an admission fee of £3. Each member is committed to contribute £1 in the event of the charity winding up.

Organisational structure

The business of the charity is overseen by the board of trustees who may exercise all powers of the charity and by the Executive Committee which has delegated authority for operational matters.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 MARCH 2024

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 MARCH 2024

Independent Examiner's Report to the Trustees of Canolfan Y Mynydd Du The Black Mountain Centre ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2024.

Responsibilities and Basis of Report

As the Trustees of the Charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

1. General information

Canolfan Y Mynydd Du The Black Mountain Centre is a private company limited by guarantee incorporated in England and Wales. The registered office is:

Cwmgarw Road
Brynamman
Ammanford
Carmarthenshire
SA18 1BU

2. Accounting policies

2.1 Basis of preparation of financial statement

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Canolfan Y Mynydd Du The Black Mountain Centre meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

2.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Centre and post office income is accounted for when the service is provided.

Grants receivable are treated in different ways dependent upon their purposes and the terms of the grant.

Grants receivable for the specific purpose of purchasing fixed assets for the continued use of the charity are treated as restricted funds. The restricted fund is then reduced by amounts equivalent to the depreciation charges on the assets concerned and will continue to do so over the expected useful lives of the assets concerned.

Grants receivable for specific purposes are also treated as restricted funds so that any unused funds can be separately identified.

Grants receivable to facilitate the general running of the charity for example where the trustees can choose how the funds are expended, are treated as unrestricted funds.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.5 Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

At each reporting date the Charity assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following basis:

Freehold land and buildings	-	2% Straight line
Equipment	-	25% Reducing balance
Fixtures and fittings	-	25% Reducing balance

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Financial Activities.

2.7 Investments

Unlisted investments relate to 5,000 shares in Awel Coop gifted to the charity. These have been valued at £1 each. The value will be reviewed at each reporting date and adjusted where necessary.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

2. Accounting policies (continued)

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

2.13 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2.14 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The trustees makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.
