FRIENDS OF AMBERLEY MUSEUM AND HERITAGE CENTRE

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

Objectives and activities

The Association was established to support and assist the Museum and to promote its use and enjoyment by the public in co-operation with its Trustees and Director. It receives income from fund raising, donations, legacies and social events. All funds raised may only be used for making grants to the Museum and for the proper expenses of administering the Association.

The Trustees have had due regard to guidance issued by the Charity Commission in deciding what activities the Friends should undertake.

The fund-raising activity during the year returned to normal after the restrictions imposed by Covid. Income from the Emporium (net of fees on card sales) was £12,387.85 and commission received from Amberley Museum (Retail) Ltd for running Pepper Lane Stop amounted to £2,874.18.

Two Quiz Nights were held on 28 April and 3 November which raised a combined net profit of £471.85.

A final payment of £16,971.55 was received from the estate of late John Woolgar making the total amount received from his legacy as £166,971.55.

Achievements and performance

During the year 22 grants were made to the Museum totaling £26,353.23, comprising £15,180 for various essential tarmac resurfacing jobs down to £17.52 for paint and sundries to improve the Cycle shop. A full list of grants is shown in the notes to the 2022 accounts.

The Friends Emporium had another very good performance in 2022 thanks to a steady flow of very saleable donated items and some keen customers who recognised a good bargain when they saw one. The use of a card reader remains an efficient means of taking payment with a reasonable fee of 1.69% of the transaction value. The volunteer staff are very ably led by Sheila Tobin and Sue White who together with their team have worked tirelessly to make the Emporium an efficient funding raising resource for the Friends.

The Pepper Lane Stop (catering trailer) was open on special event days and other days when a good number of visitors was expected. All takings belong to Amberley Museum (Retail) Ltd but they have agreed to pay the Friends a commission for days when it is open and operated by the Friends. The volunteer sales team was led by Martin Piggott.

No donations of tax overpayments were received in the year.

Financial review

As at 31 December 2022 there were no ring-fenced amounts which represented grants approved in principle but unpaid.

The retained earnings carried forward to 2023 was £177,637.30 (£171,239.52 for year ended 31 December 2021). The funds at 31 December 2022 which were available for distribution to the Museum (Free Reserves) were £177,637.30.

The Executive Committee has determined that the free reserves should not fall below £5,000 to allow for any unexpected but urgent request for a grant(s) from the Museum.

It receives income from fund raising, donations, legacies and social events. All funds may only be used for making grants to the Museum and for the proper expenses of administering the Association.

The Trustees have had due regard to guidance issued by the Charity Commission in deciding what activities the Friends should undertake.

The fund-raising activities during the year were disrupted by the Covid restrictions up until May 2021 but income for the rest of the year from the sales in the Emporium and commission received for operating the Pepper Lane Stop (refreshment trailer at the far end of the Museum) on behalf of Amberley Museum (Retail) Ltd has exceeded expectations.

A Quiz Night was held on 9 November 2021 postponed from 5 October 2021. Over 50 people attended and a net profit of £291.31 was made.

Achievements and performance

During the year 15 grants were made to the Museum totaling £12,546.39, the largest being £6,600 for resurfacing the tarmac outside the TATHS building. The surface had become pitted and needed to be done for H & S reasons. A full list of grants is shown in the notes to the 2021 accounts.

When the Friends Emporium was able to be open it had numerous visitors who made a substantial number of purchases both by cash or card. The Sum Up card reader has proved to be a very worthwhile addition as the fee paid on each transaction is only 1.69%. The volunteer staff are led by Sheila Tobin and Sue White who together with their team have worked hard to make the Emporium an attractive place to browse for the not to be missed bargains.

The Pepper Lane Stop was open on special event days and other days when a good number of visitors was expected. All takings belong to Amberley Museum (Retail) Ltd but they have agreed to pay the Friends a commission for days when it is open. The volunteer sales team was led by Martin Piggott.

No donations of tax overpayments were received in the year.
