Mr A Bhanot

Mr S Syan

Mr H Pankhania Resigned 04.02.25

Mr Niraj Singh Appointed 23.10.24 and Resigned 16.12.24

Mr Kanthiraj Thiagarajah Appointed 06 February 2025

The parent charity the Ethnic Inclusion Foundation representatives are the members of the charity to protect the parent charity's investment in the property the Peepul Centre. All trustees retire every three years and if eligible are re-elected at the annual general meeting. All trustees including non-members have equal voting rights on the operations of the charity. The trustees are all individuals.

### **Objects and activities of the charity**

#### **The purposes of the charity as set out in its governing document.**

The main objectives of the Charity are to promote charitable purposes and in particular, to advance education and vocational training, protect health, relieve poverty, sickness and distress, relieving unemployment, providing recreation and leisure facilities and increasing performing arts participation in the interests of social welfare and development.

## **Peepul Centre**

Company Registration Number - 03964213

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **The main activities undertaken in relation to those purposes during the year.**

The Charity achieves its objectives described above in the Asian Arts and Culture and wellbeing, with the assistance of public bodies, like NHS and other Trusts, and with a limited success from ACE, and a grant also from the parent business charity EIF.

Peepul Centre's Health Department runs a Mental Health Neighbourhood Crisis Cafe, in partnership with the NHS, during the year which has been a success story of making a positive health and wellbeing impact on the local community.

In addition, the Peepul Centre charity provides space for various charitable groups like women's groups, coffee mornings for community groups, small fund-raising activities for other causes like cancer research and other groups for women empowerment.

#### **The main activities undertaken during the year to further the charity's purpose for the public benefit.**

The Trustees conduct a regular review of the stated objectives and are satisfied that all of these activities stated above are being delivered for the public benefit. As a result of these activities a number of community organisations have benefited from its meeting spaces, arts and music events, and conferences and training in partnership with public bodies and with Trustees' aim to provide benefit to the larger local and regional community.

The Trustees have had due regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

## **Peepul Centre**

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **The short term and longer term aims and objectives.**

Peepul Centre's short term and long term aims are to develop its Health programme in partnership with the NHS and its arts programmes in partnership with the Arts Council England (ACE).

As reported in the 2023 Accounts SORP the PC continues to be sidelined by ACE whilst ACE funds other mainstream theatres in Leicester by £mn's. Although during 2024 our ACE outreach Officer helped us against what we see as a discriminatory policy by the ACE East Midlands Nottingham Office under the lead director, that Outreach Officer also stopped communicating us in 2025. We have now filed a legal complaint against ACE for discriminating against the Peepul Centre and the socially deprived ethnic communities of the Belgrave area in Leicester the Centre serves.

The NHS partnership for health projects is working very positively and the Peepul Centre is set to be community hub for community health interventions in the medium term.

#### **The charity's strategies for achieving its aims and objectives in the future.**

Peepul Centre Health Department is developing a much greater network of some highly placed health professionals, the local Council's health officers, the Leicester Health partnership networks and now does two or three Health conferences a year at the Centre which are fully subscribed. There is an increasing activity for the community on health and wellbeing matters at the Centre.

With the South Asian Culture and Arts we are continuing to do our programmes to build evidence for our long desired ACE relationship. We believe only when ACE is on board with us we will be able to develop the British Asian arts with UK artists, an opportunity ACE continues to deny our Belgrave Leicester based ethnic communities.

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **How the activities undertaken during the year contributed to the achievement of the aims and objectives.**

On South Asian Arts we ran successful Ghazal and folk arts programmes, albeit with a shoe string budget due to ACE Nottingham Office being unkind to us on funding.

On Health the Mental Health Neighborhood Crisis cafe has gone from strength to strength and the NHS has earmarked funding for four years for its continuation.

Our community Mela on South Asian Arts and wellbeing was a resounding success, with large participation from local community businesses.

#### **Resources used in the activities undertaken during the year.**

The Ethnic Inclusion Foundation, the parent business Charity, continued to support the Peepul Centre activities.

NHS partnership with the Peepul Health have kindly provided funds to support those activities.

#### **The contribution of volunteers during the year.**

A number of volunteers were engaged by the Peepul Health division.

Large number of volunteers are engaged on community events like the Peepul Mela and our Enchanted Diwali Tree Play for children

#### **Grant making policies and how these contributed to the achievement of the charity's aims and objectives during the year.**

Peepul Centre Charity is a large community arts and leisure centre with substantial overheads. Concerted efforts are being made to apply for public funding for projects.

## **Peepul Centre**

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **The main achievements and performance of the charity during the year.**

The Peepul Mela for South Asian Arts and wellbeing was a resounding success with the community. It goes from strength to strength every year, in spite of ACE refusing funding in 2025 we had over 3,000 visitors on the day.

Our Enchanted Diwali Tree production goes from strength to strength every year.

The Crisis Cafe project with the NHS partnership is forming a solid health basis at the Peepul Centre.

#### **The difference the charity's performance during the year has made to the beneficiaries of the charity.**

Several community groups continued to benefit from the free use of the Centre. These groups are women's educational and empowerment groups, art-groups, disabled sports groups and other charity organisations who hire rooms at nominal rates.

Peepul Centre charity provides facilities for sports and fitness, children's nursery, performing arts and rental of space to other community based charities at very reasonable rates.

The Mental Health Crisis Cafe was successful in giving relief to several patients suffering at the edge of life and signposting them to get the right treatments.

#### **The degree to which the achievements and performance during the year have benefited wider society.**

All the services outlined above are for the benefit and resilience of the communities in the area and it is important to acknowledge that the Centre now is never short of a footfall, it has grown to be well used and widely. The constraint remains in the theatre under-utilisation for a lack of properly funded arts projects.

Peepul Health is growing stronger every year, thanks to the hard working staff and management with financial support from the parent business charity EIF and other funding from NHS and other small community Trusts.

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **The significant charitable activities undertaken in the year.**

Significant activities during the year was the Peepul Mela and the Mental Health Crisis Cafe impacting individuals at the edge of life.

Peepul Health runs professional mental health conferences usually oversubscribed by the community and professionals

#### **The performance of material fundraising activities during the year against the fundraising objectives set.**

The Charity relies on grant aid from the donors identified in the accounts, particularly from the parent charity the Ethnic Inclusion Foundation generally and the specific projects grants from various public bodies.

#### **Expenditure incurred in the year in order to raise income in the future.**

Expenditure is monitored closely due to cashflow pressures and decisions are made by the Board to prudently spend in order to keep the Charity future prospects healthy. The Charity seeks public funding now for various projects, particularly for the arts and wellbeing of the communities.

### **Structure, governance and management of the charity**

#### **The methods used to recruit and appoint new charity trustees.**

The directors of the company are also Trustees for the purpose of charity law. The Trustees of Peepul Centre are approved by the Charity's ultimate controlling parent undertaking, the Ethnic Inclusion Foundation (EIF).

The Charity is a social enterprise as is its parent EIF. The Chairman is a Trustee appointed as Managing Director to run the business of EIF which funds the deficits at the PC and its subsidiary arm of Peepul Enterprises Ltd (PEL). The group is run as a business in order to maximise surpluses for a charitable benefit to the public, and equally to minimise any trading risk for the directors who can be liable for any departures under company law. Whilst the Board meets quarterly the Chairman keeps the Board of Directors informed regularly of major issues. The Trustees oversee any surplus created to be spent for the maximum benefit of the public beneficiaries.

The Charity advertises first for new Trustees and then through a short list mechanism invites them for interview to assess their skill and input to the Charity before appointment.

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **The policies and procedures for the induction and training of trustees.**

The Trustees are generally senior skilled professionals who have experience of running other charities and the specialist business, legal and community relations skills needed to run this group. Governance induction is given at the start and any issues are discussed at Board meetings on an ongoing basis.

#### **The charity's organisational structure.**

The articles provide for a minimum of three Trustees with no maximum limit. The Trustees meet on a regular basis and are responsible for the overall policy for running the charity and advising on all matters relating to staffing, finance and development.

#### **How the charity makes decisions and how decisions are delegated.**

The Board has delegated the authority to run the Charity to its Director and Head of Health Dr Santosh Bhanot who is also a Trustee of EIF and thus knows the cashflow constraints to be managed well with alignment by the Chairman Anil Bhanot. All decision making is done in a team-work environment, first by the senior management team meetings at Head Office and then by a system of Staff Management Team (SMT) meetings regularly at the operating premises in Leicester, which are run by the Director and Head of Health, Dr Santosh Bhanot, covering PC and PEL business and charitable activities.

#### **The Chief Executive Officer and other senior management personnel to whom day to day management is delegated**

The CEO of PC and PEL is the Director and Head of Health Dr Santosh Bhanot who runs the social enterprise charity with the help of senior and middle management team of the charity and is in charge of directing and controlling, running and operating the charity on a day to day basis with overall alignment with the Chairman. All Trustees give their time freely and no Trustee receives remuneration in the year from the Charity Peepul Centre itself. The parent charity EIF funds the Charity and the management salaries.

Peepul Centre the Charity is for the South Asian Arts, Culture and Wellbeing.

Peepul Centre the Charity itself has business income too, for which the CEO with her Management Team and the Chairman work hard so as to reduce the deficits of running this large Centre.

Peepul Health division has seen a great success under the leadership of the Director and Head of Peepul Health, Dr Santosh Bhanot, who has single-handedly developed working relations with local consultants and the NHS professionals.

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **Setting pay and remuneration of key management personnel**

Key Management personnel are:

A. Peepul Centre (PC):

Trustees: Anil Bhanot (Chair), Surinder Syan, Kanthiraj Thiyagarajah  
Executive: Dr Santosh Bhanot the Director and Head of Peepul Health, Surveket Plaha Financial Controller. They are supported by two middle management staff, the Mental Health Crisis Cafe staff, the theatre staff for the Arts, the front of house staff, the restaurant staff, the operations staff and the Nursery staff all report to the CEO Dr Santosh Bhanot, but in alignment with the Chairman and Art Director Anil Bhanot. Other positions, like Manager of Cultural Programmer, of audience development cannot be funded from losses and ACE continues to discriminate against us to develop that Arts side. We all do double roles because of a lack of funding from public sources on arts.

Management salaries are approved and funded by EIF. Due to cashflow pressures and a lack of public body grants the Management and Staff work extra hard to make ends meet, and primarily because of the large overheads of the Centre we have to continue to be funded by EIF.

No Director/Trustee is remunerated from PC the Charity itself.

#### **How the subsidiary undertaking(s) is/are constituted and managed.**

Peepul Centre, the Charity, has a 100% subsidiary Social Enterprises Limited as its trading arm.

Peepul Enterprises Ltd runs various activities like Children's Nursery, Gyms and Fitness, Sports Hall, Dance Studio, Venue Hire, and Conferences and Restaurant party bookings.

Peepul Enterprises Ltd is funded by EIF the ultimate parent charity and its figures are consolidated in the EIF accounts.

## **Peepul Centre**

## **Trustees' Annual Report for the year ended 31 December 2024**

### **The charity as a part of a wider network.**

Peepul Centre Charity, for the South Asian Arts and Wellbeing, itself is 100% owned by the Ethnic Inclusion Foundation based in London, which is the ultimate holding charity and is a social enterprise business itself. Both Charities are registered with the Charity Commission and are also Companies Limited by Guarantee at the Companies House.

Thus EIF a social enterprise Charity raises its funds through its business activities and uses its surplus for charitable projects, where PC/PEL is one of its largest projects to help the Leicester communities. The EIF Board under the group Chair Anil Bhanot has so far and annually given a commitment to continue to support PC/PEL insofar it is able to. PC/PEL deficit puts additional pressures on the EIF staff and management to increase its surpluses to be able to support PC/PEL.

The three companies are related in ownership but with a different Board on each and thus the relationship can be constrained by each Board's independent decision process, but one where the Group Chair tries to keep the decisions complimentary.

### **The charity's relationships with related parties.**

Online Accountancy Services Ltd was owned by Anil Bhanot (Trustee of PC) until 1 March 2025, which provides accountancy services to PC and PEL, and its now owned 99% by Mani Thapa FCCA, a Director of Online Accountancy Services Ltd, and with its other staff they carry out the work on management accounts, payroll, book-keeping, HMRC, Companies House and Charity Commission Returns, providing timely information to the Chairman Anil Bhanot.

The Charity employs at a very reasonable salary as Director and Head of Peepul Health, Dr Santosh Bhanot, who is also a Trustee and non-Executive Director of the parent Charity EIF for Health matters and is a spouse of Anil Bhanot. Santosh secured the NHS partnership for a Mental Wellbeing Crisis Cafe at Peepul Centre, which she runs herself. Dr Bhanot spends 50% of her time at the Peepul Centre and 50% she works from home, thus hours worked well exceeding 40 hours a week.

The Charity employs a Financial Controller who is responsible for all bank transactions and reconciliations which segregates the accountancy duties with Online Accountancy Services Ltd and in particular the Financial Controller is responsible for the Bank. The Financial Controller works with Online Accountancy Services Ltd staff 50% of his time at the Head Office in London and the remainder 50% of his time is spent at the PC/PEL premises in Leicester for financial and other management responsibilities.

The Head Office for the Charity is shared with Online Accountancy premises in London owned by Anil Bhanot for which no rent is charged to the Charities group. The Trustees and the Management Teams meet at the Head Office as well as at the PC premises in Leicester. Mr Bhanot is based at the Head Office, largely, from where he chairs the group, through constant communications with staff, together with CCTV facilities and other electronic facilities, but conducts weekly face to face meetings with staff and other stakeholders at the Peepul Centre operating premises in Leicester.

### Trustees' Annual Report for the year ended 31 December 2024

#### Financial review

#### The charity's financial position at the end of the year ended 31 December 2024

The financial position of the charity at 31 December 2024 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2024	2023
	£	£
<b>Net income</b>	(11,300)	(647,039)
Unrestricted Revenue Funds available for the general purposes of the charity	3,395,657	3,410,329
Unrestricted revaluation reserve	806,000	806,000
<b>Total Unrestricted Funds</b>	<b>4,201,657</b>	<b>4,216,329</b>
Restricted Revenue Funds	22,721	19,348
<b>Total Funds</b>	<b>4,224,377</b>	<b>4,235,677</b>

#### Financial review of the position at the reporting date, 31 December 2024 .

The Financial Statement of Activities shows a net deficit for the year ended 31 December 2024 of £11,300; 2023 - £(647,039 after PYA).

Total Income for the year was £249,688, (2023 - £247,044). This included rents received for the year ended 31 December 2024 of £167,934 (2023 - £134,305), and a grant from EIF of £13,000 in the year 2024, 2023 £60,000).

Total expenditure for the year was £270,197 (2023 - £245,269).

## **Peepul Centre**

Company Registration Number - 03964213

## **Trustees' Annual Report for the year ended 31 December 2024**

### **Policies on reserves.**

As at 31 December 2024 the group had total reserves of £4,216,352 (2023 - £4,216,329), and £8,025 of which was held in restricted funds (2023 - £19,348).

Unrestricted funds includes £806,000 (2023 - £806,000) held in a fair value reserve which arose on the valuation of a proportion of the property which is used for investment purposes.

Whilst the policy on reserves is desirable to maintain a three month wages free cash reserve it has not been possible to maintain it due to the large overheads the Centre suffers, primarily because of the theatre space's under-utilisation due to lack of funding from ACE.

EIF has funded the Peepul Centre group's running costs deficits in the sum of £3,354,865 (2023 - £2,602,772), after acquiring it in 2012. Although EIF is burdened with funding large losses of the PC/PEL activities we have lodged a legal complaint against the ACE discrimination against on funding the Centre as until we are treated as equal to other mainstream theatres EIF cannot be reasonably expected to fund the Arts projects at PC/PEL.

### **Going Concern**

The Trustees are of the opinion that with the continued support of the group's ultimate parent charity, the Ethnic Inclusion Foundation (EIF), the group's foreseeable future is secure. The Trustees of EIF are committed to supporting Peepul Centre and Peepul Enterprises Ltd for a period of at least 12 months from the date of approval of these financial statements.

The freehold property comprising the Peepul Centre is free of any mortgage charge but the property was built in 2006 with the financial assistance of the Big Lottery, the Arts Council England and the Leicester City Council, who hold a covenant on the property.

The Trustees and management are working to build a partnership relationship with the Arts Council England (ACE) to help fund Peepul Centre's arts projects to create income generation activities and bring the Peepul Centre to be able to compete on an even playing field with other local theatre NPO's which are funded substantially by public money. The Trustees are saddened that ACE directors discriminate against the PC and the ethnic community it serves and have had to find a solution now through legal channels.

The Trustees expect the company to have adequate resources to continue operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing these financial statements.

### **Availability and adequacy of assets of each of the funds**

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

## **Peepul Centre**

Company Registration Number - 03964213

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **Significant events which have affected the financial performance and the financial position.**

All restricted funds are spent in line with the project as the NHS funding.

ACE project funding for the Peepul Mela is like wise spent in accordance with the budget and contributions paid by EIF grants.

Financially EIF has continued to underwrite the large overheads of the Centre.

#### **The major risks to which the Charity is exposed and reviews and systems to mitigate them.**

The primary risk the Charity faces is not being able to receive public funding for its arts projects as the theatre deficits are fast becoming unsustainable whilst other local theatre groups enjoy substantial public funds, which is right that they do, but Peepul Centre needs an even playing field to start working its arts programmes and utilise the large space of the theatre efficiently. It is a purpose built theatre of 314 tiered seats serving an ethnically diverse and marginalised population in the Belgrave area of Leicester

ACE Nottingham Office assessors as explained above - in our short terms note above - pose the greatest risk to the Centre's survival, in spite of other ACE officers and their panel's positive assessments after the Nottingham Office Assessors rejections for our projects. For instance one particular project rejected by the Nottingham office but approved by the panel was our 2024 Mela, a highly successful event, comprising an arts and culture show, a highly professional and successful mental health symposium, and a full fun day with community stalls, bollywood song and folk dances, sports, several food and juice stalls including specialist cuisine from our own restaurant.

Nottingham office ACE staff seem to favour certain organisations over and above the Peepul Centre and the reasons are we believe an external influence to undermine us. However, the ACE does need to review its diversity impact from the Nottingham office as we feel totally discriminated against by the Nottingham office assessors, as evidenced by one of our projects having been rejected by them but later got approved by a wider panel, as mentioned above. Their assessors pose now the greatest danger to the Peepul Centre survival.

In all our previous accounts we have recorded the history of ACE treatment, of lows and highs, but our 2024 projects application's outright rejection by the Nottingham Office assessors and their several rejections since 2009 have proved to us their discriminant policy towards us.

## **Peepul Centre**

Company Registration Number - 03964213

### **Trustees' Annual Report for the year ended 31 December 2024**

#### **Factors likely to affect future financial performance .**

Peepul Centre's aims and objectives are to develop the theatre and performing arts, whilst also care for the wellbeing of the communities.

The Peepul Health division under Dr Santosh Bhanot is developing fast with the NHS partnership and with Dr Bhanot's relationships with some highly qualified NHS professionals, consultants and doctors in the area, and now the Health organisations partnerships.

The South Asian Arts programmes are being developed in the theatre which require future funding to make any difference. The Chairman, a semiclassical music hobbyist, did his own his own cultural concerts in the year to keep developing this audience and during 2023 and 2024 we invited other established classical artists to perform classical cultural concerts, so as to help continue building a base for cultural events. We are grateful to ACE for funding our classical concert at the Peepul Arts & Wellbeing Mela in May 2023, which had a resounding success. As mentioned above the problem comes one corner in their Nottingham Office, which hopefully ACE will try and help us avoid for our assessments.

#### **Funds held as custodian trustees on behalf of others**

These are none.

#### **Other information about the charity and its activities**

Peepul Centre arts programmes remain undeveloped due to the very high risk posed by the ACE Nottingham office which now the Board has to periodically review that risk impacting the running of the Centre.

#### **Employment of disabled persons**

Peepul Centre employs differently abled persons as can be seen from current and past records, equally and with special care as needed.

### **Statement as to disclosure of information to auditors**

The trustees state that so far as each of the trustees at the time this report was approved are aware:-

- a) There is no relevant audit information (as defined by section 418(3) of the Companies Act 2006) of which the auditors are unaware, and
- b) The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and establish that the auditors are aware of that information.

### **Statement of the Directors Trustees' Responsibilities**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

### **Trustees' Annual Report for the year ended 31 December 2024**

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the auditor in relation to the Trustees' report is limited to examining the report and ensuring that, the report is consistent with the figures disclosed in the financial statements.

#### **Method of preparation of accounts - Small company provisions**

The financial statements are set out on pages 12 to 20.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102.

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on 10 September 2025.

Independent auditors' report  
to the members of Peepul Centre**

We have audited the financial statements of Peepul Centre for the year ending 31 December 2024 which comprise the Income Statement, the Statement of Financial Position, the Statement of Changes in Equity and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of directors and auditors**

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

**Scope of the audit of the accounts**

A description of the scope of an audit of financial statements is provided on the APB's website at [www.frc.org.uk/auditscopeukprivate](http://www.frc.org.uk/auditscopeukprivate)

**Opinion on the accounts**

In our opinion the accounts:

- give a true and fair view of the state of the company's affairs at 31 December 2024 and of its deficit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report and the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit;

## Notes to the Accounts for the year ended 31 December 2024

### 1 Accounting policies

#### *Policies relating to the production of the accounts.*

##### **Basis of preparation and accounting convention**

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

##### **Going Concern**

The financial statements are prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future.

The company has the financial support of the ultimate parent company, the Ethnic Inclusion Foundation (EIF) who have agreed to provide this support for at least 12 months from the date of approval of the financial statements. The financial statements do not include any adjustments that would result if the ultimate parent company's support was withdrawn or EIF was unable to continue to provide support. The directors firmly believe that it is appropriate for the financial statements to be prepared on the going concern basis.

#### *Policies relating to categories of income and income recognition.*

##### **Nature of income**

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

##### **Categories of Income**

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

**Income from exchange transactions** is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

**Income from a non-exchange transaction** is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

##### **Income recognition**

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Dividends are accrued when the shareholder's right to receive payment is established.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

## Notes to the Accounts for the year ended 31 December 2024

### Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

### Income from legacies

Income from legacies is recognised when the charity has sufficient evidence that a gift has been left to them, that where required, probate has been granted, the executor is satisfied that the property in question will not be required to satisfy claims in the estate, that it is probable that the amount will be received by the charity, and the amount to be received can be estimated with sufficient accuracy, and that any conditions attached to the legacy are either within the control of the charity or have been met.

Where a payment is received from an estate or is notified as receivable by the executors after the reporting date and before the accounts are authorised for issue but it is clear that the payment had been agreed by the executors prior to the end of the reporting period, then the amount concerned is treated as an adjusting event and accrued as income in the accounting period if receipt is probable.

Where the charity has established entitlement to a legacy but there is uncertainty as to the amount of the payment, details of the legacy are disclosed as a contingent asset until the criteria for income recognition are met. Where a legacy is subject to the interest of a life tenant, the legacy is not recognised as income until the death of the life tenant.

If it is doubtful that full settlement of a legacy debtor will be received, then an adjustment is made to reduce the amount of the legacy debtor and legacy income rather than charging the adjustment as expenditure in the Statement of Financial Activities

### Donated goods, facilities and services

**Donated fixed assets** are recognised at the current fair value. All such donations are recognised as donation income, and debited to fixed assets.

**Donated goods that are not fixed assets** are accounted for at a fair value, unless it is impractical to reliably measure the value of the donated items.

In the absence of any direct evidence of fair value of donated goods, then a value is derived from the cost of the item to the donor or, in the case of goods that are expected to be sold, the estimated resale value after deducting any anticipated costs of sales.

If it is impracticable to measure the fair value of goods donated for resale, or the costs of valuation outweigh the benefits, the donated goods are recognised as income when sold, with an equivalent amount being recognised as an expense.

The costs of goods donated for distribution to beneficiaries is deemed to be the fair value of those goods upon receipt. When the goods are distributed freely or for a nominal consideration, then the carrying amount is adjusted at the time of sale, to the value at the point of distribution and the adjustment is shown as a cost of donations made.

## Peepul Centre

### Notes to the Accounts for the year ended 31 December 2024

The carrying amount of any stock held for distribution is assessed for impairment at the reporting date. All donated goods are recognised as donation income, and debited to trading stock. When trading stock is subsequently sold, or appropriated to meet an expense, then the carrying value of the stock is recognised as an expense. In accordance with the SORP, goods donated for distribution to beneficiaries, or for consumption by the charity are included in '*legacies and donations*'. Goods donated for resale are included in '*Income from other trading activities*'

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt. If the goods held are to be distributed freely or for a nominal consideration, then the carrying amount is subsequently adjusted to reflect the lower of deemed cost adjusted for any loss of service potential and replacement cost. Replacement cost is the economic cost incurred if the charity was to replace the service potential of the donated goods at its own expense in the most economic manner.

**Donated services and facilities** (including seconded staff and use of property) are included in the accounts on the basis of the value of the gift to the charity.

All donated services and facilities are recognised as donation income when received, (provided the value of the gift can be measured reliably) and recognised as an expense with an equivalent value.

#### Membership subscriptions

The income and any associated Gift Aid or other tax refund from a membership subscription received by the charity in the nature of a gift, is accounted for on the same basis as a donation.

The income from a membership subscription received by the charity where the subscription purchases the right to services or benefits is recognised as income from charitable activities.

#### ***Policies relating to expenditure on goods and services provided to the charity.***

##### **Recognition of liabilities and expenditure**

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

##### **Allocating costs to activities**

Direct costs that are specifically related to an activity are allocated to that activity. Shared direct costs and support costs are apportioned between activities.

The basis for apportionment, which is consistently applied, and proportionate to the circumstances, is :-

**Staffing** - on the basis of time spent in connection with any particular activity.

**Staffing** - on a per capita basis, based on the number of people employed within any particular activity.

**Premises related costs** - on the proportion of floor area occupied by a particular activity.

**Non specific support costs** - on the basis of the usage of resources, in terms of time taken, capacity used, request made or other measures

**Estimation techniques** used in apportioning costs - give details

##### **Volunteers**

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 5.

## Peepul Centre

### Notes to the Accounts for the year ended 31 December 2024

#### *Policies relating to assets, liabilities and provisions and other matters.*

##### **Fixed Asset Investments**

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from charges in fair value is recognised in the Statement of Financial Activities.

Fixed asset investments in unlisted equities are shown at the balance sheet date at the best estimate of their market value, where practicable. Where valuation techniques are considered unreliable or where, in the opinion of the trustees, the costs outweigh the benefits to the users of the accounts, the investment is included at cost, and a review is undertaken at each year end as to whether the asset should be written down.

All gains on fixed asset investments, whether realised or unrealised, are included in row B4 of the Statement of Financial Activities.

##### **Social Investments**

Any realised gains or losses on any programme related investment assets are included in row A5 of the Statement of Financial Activities (The SOFA). All gains on other social investments, whether realised or unrealised, are included in row B4 of the Statement of Financial Activities

##### **Tangible fixed assets**

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 % straight line
Freehold property	2 % on cost and includes land not being depreciated
Fixtures and fittings	25 % on reducing balance and 20% on cost

##### **Accounting for capital grants and fixed asset funds.**

Gifts of tangible fixed assets or grants of a capital nature, given for the purposes of acquiring specific assets to be fully utilised in the furtherance of the objects of the charity, are credited to fixed asset funds after the donated asset has been received or sums have been properly expended on the restricted purpose.

Where the terms of the gift require the charity to hold the asset on an ongoing basis for a specific purpose, then the fixed asset fund so created is categorised as a restricted fixed asset fund, and the relevant restrictions are noted in the fixed asset note 7.

Where the terms of the gift are met once the asset is acquired, so allowing the charity to use the asset on an unrestricted basis, including the right to receive the proceeds of any future sale of the asset on an unrestricted basis, then the fixed asset fund so created is categorised as a designated fixed asset fund.

When assets are acquired for the furtherance of the charity's objects, utilising the charity's own unrestricted funds, a transfer is made from unrestricted funds to a designated fixed asset fund.

Whether acquired with unrestricted or restricted funds, the asset acquired is initially shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

The effect of this policy is that the aggregate of all fixed asset funds shall equate to the net book value of fixed assets.

In the first year that this policy was adopted, a transfer to fixed asset funds was made equivalent to the net book value of the assets.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Insofar as this policy relates to Government grants and to the extent that it may be a departure from the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), such departure is justified on the basis that it is in order to comply with the SORP.

### Notes to the Accounts for the year ended 31 December 2024

#### Stocks and work in progress

Stock is valued at the lower of cost and net realisable value.

#### Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

#### Financial instruments including cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

#### Leasing and hire purchase contracts and commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the charity, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

### 2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is recoverable by the charity, and is therefore not included in the relevant costs in the Statement of Financial Activities.

### 3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

#### 6 Remuneration and payments to Trustees and persons connected with them

No trustees received any remuneration from the charity but they did in relation to the connected parties and entity as follows:

Anil Bhanot as Managing Director of Peepul Enterprises Ltd (PEL) to 31 August 2024 received remuneration of £24,744 (2023- £35,689 and pension contributions of £617 (2023- £883); but £nil from Peepul Centre (PC) as its Trustee.

Dr Santosh Bhanot is a spouse of Anil Bhanot and from Peepul Centre as Head of Health, as an employee not a trustee, she received £21,241 (2023- £14,014), with pension contributions £450 (2023- £233) and from Peepul Enterprises Ltd as a Director, not trustee, up to 31 August 2024 received remuneration of £13,333 (2023- £5,839), with £nil Pension contributions. Dr Santosh Bhanot mileage claim was £4,492 (2023-£3,804) for weekly travel to run the mental health Crisis Cafe at Peepul Centre to develop the Health division as Head of Peepul Health and manage the Peepul Enterprises Ltd staff and their activities running several social enterprise activities of PEL.

Hashmukh Pankhania as a director of PEL earned £3,712 (2023- £7,694) from PEL and £nil from PC.

The parent charity the Ethnic Inclusion Foundation (EIF), a social enterprise charity, has funded the deficit gaps at PC and PEL to the sum of **£3,354,865** at 31 December 2024 since EIF acquired the PC/PEL group from 18 May 2012. Thus all management salaries of PC/PEL are funded by EIF and of course other staff wages and overheads of the Centre due to a lack of funding for projects by the National Lottery Arts Council England since EIF acquisition from 2012.
