REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST DECEMBER 2024

Structure, Governance and Management

Governance and constitution of the Charity is as detailed in the Memorandum and Articles of Association. Trustees are recruited and appointed for their understanding of and commitment to the aims and objectives of the Charity, and for the skills and expertise they bring. Trustees meet approximately every two months to discuss the affairs of the Charity and to take appropriate decisions, including remuneration of key management personnel, taking into account current cost of living benchmarks.

The Trustees of Lindisfarne Trust have a particular responsibility to manage the property and other facilities of the Community of Aidan and Hilda, including the regular maintenance and improvement of the Community's buildings and other assets, in keeping with the ethos of the Community, and so to offer spiritual renewal and refreshment to guests, pilgrims and visitors.

Day to day oversight of the Charity's properties is delegated to the Property Manager, major improvements being referred to the Trustees for agreement.

Charitable objects

The advancement of the Christian religion, in particular:

- (i) to assist in the establishment of a house of prayer at Lindisfarne
- (ii) to promote retreats and other spiritual events at Lindisfarne and elsewhere
- (iii) to promote the advancement of education by a study of the saints of Lindisfarne and elsewhere

Objectives and Activities

The Charity's aim is to establish and maintain places of retreat on Lindisfarne, offering spiritual renewal and refreshment, based upon the way of life of the Community of Aidan and Hilda. We offer our properties to guests, pilgrims and visitors as places of spiritual retreat, primarily on a self-catering basis.

During the year Trustees have continued to oversee the maintenance and upgrading of our properties.

Achievements and Performance

Bookings have been at an encouraging level during 2024 and positive feedback has been received from many guests following their stay. We continue to hear stories of lives significantly touched and changed following their time on Holy Island.

With the actual and projected level of bookings we are seeing, Trustees consider we now have a financially sustainable model to see us into the 2025 season and into the longer-term future.

Financial Review

We offer a Bursary Fund to support retreatants who might not otherwise be able to afford the full cost of their stay. Our policy is that finance should not be a bar for individuals

An agreed repayment plan is in place for the remaining personal loan.

Overall expenditure was £81,678 (including £8,441 fixed asset depreciation), compared with income of £103,096, resulting in a surplus of £21,418 in 2024.

Free reserves at 31st December 2024 stood at £13,986 as represented by unrestricted (excluding designated) net current assets.

**LINDISFARNE TRUST LIMITED
(A COMPANY LIMITED BY GUARANTEE)**

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST DECEMBER 2024**

Plans for future periods

Our strategic aim is the ongoing maintenance and upgrading of our properties, with a view to enhancing the experience of our guests, and to continue to build up our Property Reserve and Bursary Funds.

Trustees believe we can now be confident about our sustainability in the longer term, as we seek to continue to fulfil our charitable aim and objective of providing places of retreat, renewal and refreshment on Lindisfarne.

Risk Assessment

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

Reserves Policy

The Trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The Trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The Trustees will endeavour not to set aside funds unnecessarily.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or aims that are for the public benefit. Details of how the charity has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

Statement of Director's Responsibilities:

The Charities Act and the Companies Act require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The trustees are responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

I approve the attached statement of financial activities and balance sheet for the year ended 31 December 2024, and confirm that I have made available all information necessary for its preparation.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2024

Basis of preparation

The accounts have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime and in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)).

Advantage has been taken of Section 396(5) of The Companies Act 2006 to allow the format of the financial statements to be adapted to reflect the special nature of the charity's operation and in order to comply with the requirements of the SORP.

Lindisfarne Trust Limited meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Preparation of accounts on a going concern basis

The charity has opted to prepare its accounts using natural categories.

Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period.

Material prior period errors

No material prior year error have been identified in the reporting period.

1. ACCOUNTING POLICIES

The particular accounting policies adopted are set out below.

Recognition of Income

These are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the income;
- it is more likely than not that the Directors will receive the resources; and

**LINDISFARNE TRUST LIMITED
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED 31ST DECEMBER 2024**

ACCOUNTING POLICIES (continued)

Grants and Donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP).

Tax reclaims on Donations and Gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Gifts in Kind

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Legacies

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government Grants

The charity has not received any government grants in the reporting period.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Donated Services and Facilities

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Volunteer Help

The value of any voluntary help received is not included in the accounts but is described in the Directors' annual report.

Income from interest, royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Governance Costs

Support costs represent the cost of central functions, for example governance costs, payroll administration, information technology. Governance costs are those support costs which relate to public accountability of the charity and its compliance with regulation and good practice.

Employee benefits

Short term benefits including holiday pay are recognised as an expense in the period in which the service is received.

The charity has not made any redundancy payments in 2024 (2023: the charity made no redundancy payments).

No material item of deferred income has been included in the accounts.

NOTES TO THE FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED 31ST DECEMBER 2024

Assets

Tangible fixed assets for use by the charity:

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation is calculated at a rate to write off the cost of tangible fixed assets on a straight line basis over their estimated useful lives. The rates applied per annum are as follows:

Motor Vehicles	25%
Property Improvements	10%

No depreciation is charged to freehold property as the property is maintained to such a standard that the estimated residual value is not less than cost. Land and buildings are primarily used for charitable purposes.

In 2016, the Board of Directors carried out a revaluation of the properties held and based the fair value on current local market conditions. The effective date of revaluation is 31 December 2015.

An independent valuer was not involved, but the Trustees believe that internal personnel had sufficient knowledge of the local property market to make an informed valuation.

The value of the land element of the property is deemed to be one fifth of the total carrying value. For properties acquired after 1st January 2016 the cost of acquisition is taken.

The carrying amount that would have been recognised had the assets (those purchased before 1 January 2016) been carried at historical cost is as follows:

Open Gate Holy Island	331,599
Shalom Holy Island	220,000

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

I report to the trustees on my examination of the accounts of Lindisfarne Trust Limited for the year ended 31st December 2024.

Responsibilities and basis of report

As the charity's trustees (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the charity are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of The Association of Charity Independent Examiners, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
