THE EDNA LINNELL CHARITABLE TRUST

TRUSTEE REPORT

FOR THE YEAR ENDED 28 FEBRUARY 2025

The trustee representative ("The Trustee") presents their report and the unaudited financial statements of the charity for the year ended 28 February 2025. The Trustee has adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Trustee of the charity

The Trustee who served during the year and since the year end was as follows:

Brachers Trust Corporation Limited (Assigned director - Mr Christopher Eriksson-Lee)

Brachers Trust Corporation Limited remain the appointed trustee with Mr Christopher Eriksson-Lee taking an active role as assigned trustee representative in his capacity as director of Brachers Trust Corporation Limited. He is assisted by Angela Jarvis who is a Trust Manager of Brachers Trust Corporation Limited.

Objectives and activities

The Edna Linnell Charitable Trust's objectives are to apply the income and the whole or such part or parts of the capital as they in their discretion think fit, to or for the benefit of the Maharishi Foundation (GB) or to or for the benefit of such other exclusively charitable objects and purposes in the UK or in any other part of the world.

The policies adopted in furtherance of the Edna Linnell Charitable Trust's objectives are to recognise the importance of the Maharishi Foundation as the principal objective of the charity and to support other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals.

During the year, the Trustee continued with their programme of donations, continuing to assist the Maharishi Foundation.

The strategy is to maintain a conservative investment programme designed to achieve income along with capital growth in order to sustain a long-term grant-making programme.

On 16 September 2020, the charity provided the Maharishi Foundation with a third party legal mortgage of £130,000.

Ongoing grants are reviewed by the Trustee annually and the Trustee examines requests for funding from different parts of the Maharishi Foundation. The Trustee is also aware of other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals, and is able to award grants to such charities on a case by case basis.

THE EDNA LINNELL CHARITABLE TRUST

TRUSTEE REPORT (CONTINUED)

FOR THE YEAR ENDED 28 FEBRUARY 2025

Public benefit statement

The Trustee confirms that they have referred to the guidance contained in the Charity Commission's General Guidance on public benefit when reviewing the aims and objectives, planning future activities, and setting the grant-making policy for the year.

Achievements and performance

During the year ended 28 February 2025, the Trustee approved grants totalling £30,000 (2024 : £12,410). The Maharishi School received £30,000 donation to help fund a new hot water system.

Review of financial position and activities

The results for the year are set out on page 6.

Total income for the year amounted to £56,593 (2024: £34,097). Grants payable of £30,000 (2024 : £12,410) are set out in note 3. After accounting for investment management and related costs (£11,723) and other costs (£57,656) the fund incurred a net deficit of £42,786 before recognising net investment portfolio gains. Realised gains of £50,018 and unrealised gains of £43,529 on the investment portfolio were also recognised in the year giving a net movement of funds of £50,761.

Plans for the future periods

The Trustee will continue to review the trust investments, in consideration of current market conditions, after receiving and considering advice of stockbrokers, and in the context of grant applications received.

Reserves (including Reserves Policy)

The Trustee intends to build funds which should grow in real terms in order to provide funds for future charitable use. The value of the reserves at the year end was £2,512,182 (2024: £2,461,421). The Trustee believes this to be adequate to support the charity's continued operations and to provide a fund for exceptional grants when they arise from time to time.

It is the policy of the charity to ultimately maintain 'free reserves' (being that element on the unrestricted reserves which is not funding investments) of approximately one year's running costs.

As at 28 February 2025, the free reserves of the charity amounted to £342,347 (2024: £193,048). The Trustee considers the closing level as sufficient to support their anticipated grant making expenditure in the following twelve months, including any unforeseen urgent charitable applications.

ader

Designated funds at 28 February 2025 total £2,169,835 (2024: £2,268,373) - see note 11 for details.

Risk management

The Trustee has reviewed the major risks to which the charity is exposed and systems have been established to mitigate these risks. The funds invested and those held on deposit are subject to the compliance procedures of both the charity's investment advisors and Brachers LLP.

TO THE TRUSTEE OF THE EDNA LINNELL CHARITABLE TRUST

I report to the trustee representative on my examination of the accounts of The Edna Linnell Charitable Trust for the year ended 28 February 2025, which are set out on pages 6 to 14.

Responsibilities and basis of report

As the charity Trustee of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 'Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 28 FEBRUARY 2025

1 Accounting policies

1.1 General information and basis of preparation

The Edna Linnell Charitable Trust is a charity registered with the Charity Commission in England and Wales (registered number 1092476). The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to recognise the importance of the Maharishi Foundation and to support that charitable organisation and other charities with aims and objectives with which the original Settlor (the late Mrs Linnell) would have been in agreement based on her legacy wishes.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities Act 2011 and UK Generally Accepted Practice.

The charity has opted not to prepare a cash flow statement for the financial period, as permitted by the 2019 Statement of Recommended Practice.

The financial statements have been prepared to give a 'true and fair view' and have departed from the charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in 2019.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Funds

The funds held by the charity are unrestricted funds which can be used in accordance with the charitable objectives at the discretion of the Trustee.

Designated funds comprise funds which have been set aside at the discretion of the Trustee for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.3 Income recognition

Donations, legacies and other forms of voluntary income are recognised as income when receivable, except insofar as they are incapable of financial measurement.

Income from investments is recognised when receivable.

1.4 Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grant expenditure is recognised when awarded to the recipient. The expense is included on an accruals basis in the year in which a legal or constructive obligation to pay the grant arises.

Costs of raising funds are those investment management fees for both income generation and capital maintenance.

Charitable activities include expenditure associated with the making of grants and donations and include both the direct costs and indirect costs relating to these activities, on an accruals basis.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 28 FEBRUARY 2025

1.4 Expenditure recognition (continued)

Irrecoverable VAT is charged against the category of resource expended for which it was incurred.

1.5 Investment Properties

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date and changes in fair value recognised in 'net gains/(losses) on investments' in the Statement of Financial Activities (SoFA). A Trustee opinion of fair value is provided where it is believed that the benefit of obtaining an independent valuation would be exceeded by the time and/or cost of securing such a valuation.

1.6 Investments

Investments are recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains/losses on investments' in the SoFA if shares are publicly traded or their fair value can otherwise be measured reliably. Realised profits and losses arising on investment disposals are recognised in the SoFA when the proceeds are receivable.

Programme related investments are included at loan investment cost less planned repayments by the charitable beneficiary, less any provision for diminishing value, or impairment.

1.7 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.8 Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

1.9 Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.

1.10 Going Concern

The financial statements have been prepared on a going concern basis as the Trustee believes that no material uncertainties exist. The Trustee has considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. They believe the anticipated expenditure will be adequately funded given the existing level of reserves for the charity to be able to continue as a going concern.

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustee is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Historically areas of judgement have not had a material impact on the charity's financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Trustee of the charity

The Trustee who served during the year and since the year end was as follows:

Brachers Trust Corporation Limited (Assigned director - Mr Christopher Eriksson-Lee)

Brachers Trust Corporation Limited remain the appointed trustee with Mr Christopher Eriksson-Lee taking an active role as assigned trustee representative in his capacity as director of Brachers Trust Corporation Limited. He is assisted by Angela Jarvis who is a Trust Manager of Brachers Trust Corporation Limited.

Objectives and activities

The Edna Linnell Charitable Trust's objectives are to apply the income and the whole or such part or parts of the capital as they in their discretion think fit, to or for the benefit of the Maharishi Foundation (GB) or to or for the benefit of such other exclusively charitable objects and purposes in the UK or in any other part of the world.

The policies adopted in furtherance of the Edna Linnell Charitable Trust's objectives are to recognise the importance of the Maharishi Foundation as the principal objective of the charity and to support other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals.

The Edna Linnell Charitable Trust owned an 86.66% share of a property, 29 Abdale Road, Shepherds Bush, London, which was considered to be suitable for the programme of the Maharishi Foundation. The remaining share of the property is owned by The Surya Trust (Charity Registration No. 291854). The property was sold on 31 August 2023. The funds have been designated for use by the Maharishi Foundation for a new a property.

During the year, the Trustee continued with their programme of donations, continuing to assist the Maharishi Foundation.

The strategy is to maintain a conservative investment programme designed to achieve income along with capital growth in order to sustain a long-term grant-making programme.

On 16 September 2020, the charity provided the Maharishi Foundation with a third party legal mortgage of £130,000.

Ongoing grants are reviewed by the Trustee annually and the Trustee examines requests for funding from different parts of the Maharishi Foundation. The Trustee is also aware of other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals, and is able to award grants to such charities on a case by case basis.

TRUSTEE REPORT (CONTINUED)

FOR THE YEAR ENDED 29 FEBRUARY 2024

Public benefit statement

The Trustee confirms that they have referred to the guidance contained in the Charity Commission's General Guidance on public benefit when reviewing the aims and objectives, planning future activities, and setting the grant-making policy for the year.

Achievements and performance

During the year ended 29 February 2024, the Trustee approved grants totalling £12,410 (2023 : £14,855). The Maharishi School received £12,410 to fund Transcendental Meditation (TM) instruction for primary school and early year children.

Review of financial position and activities

The results for the year are set out on page 6.

Total income for the year amounted to £34,097 (2023: £27,253). Grants payable of £12,410 (2023 : £14,855) are set out in note 3. After accounting for investment management and related costs (£11,658) and other costs (£39,553) the fund incurred a net deficit of £29,524 before recognising net investment portfolio gains. Realised gains of £12,376 and unrealised gains of £16,604 on the investment portfolio were also recognised in the year. There was also a gain on the sale of Abdale Road of £16,018 before the deduction of conveyancing and estate agents fees.

Plans for the future periods

The Trustee will continue to review the trust investments, in consideration of current market conditions, after receiving and considering advice of stockbrokers, and in the context of grant applications received.

Reserves (including Reserves Policy)

The Trustee intends to build funds which should grow in real terms in order to provide funds for future charitable use. The value of the reserves at the year end was £2,461,421 (2023: £2,445,947). The Trustee believes this to be adequate to support the charity's continued operations and to provide a fund for exceptional grants when they arise from time to time.

It is the policy of the charity to ultimately maintain 'free reserves' (being that element on the unrestricted reserves which is not funding investments) of approximately one year's running costs.

As at 29 February 2024, the free reserves of the charity amounted to £193,048 (2023: £171,331). The Trustee considers the closing level as sufficient to support their anticipated grant making expenditure in the following twelve months, including any unforeseen urgent charitable applications.

Designated funds at 29 February 2024 total £2,268,373 (2023: £2,274,616) - see note 11 for details.

Risk management

The Trustee has reviewed the major risks to which the charity is exposed and systems have been established to mitigate these risks. The funds invested and those held on deposit are subject to the compliance procedures of both the charity's investment advisors and Brachers LLP.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 28 FEBRUARY 2024

1 Accounting policies

1.1 General information and basis of preparation

The Edna Linnell Charitable Trust is a charity registered with the Charity Commission in England and Wales (registered number 1092476). The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to recognise the importance of the Maharishi Foundation and to support that charitable organisation and other charities with aims and objectives with which the original Settlor (the late Mrs Linnell) would have been in agreement based on her legacy wishes.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities Act 2011 and UK Generally Accepted Practice.

The charity has opted not to prepare a cash flow statement for the financial period, as permitted by the 2019 Statement of Recommended Practice.

The financial statements have been prepared to give a 'true and fair view' and have departed from the charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in 2019.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Funds

The funds held by the charity are unrestricted funds which can be used in accordance with the charitable objectives at the discretion of the Trustee.

Designated funds comprise funds which have been set aside at the discretion of the Trustee for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.3 Income recognition

Donations, legacies and other forms of voluntary income are recognised as income when receivable, except insofar as they are incapable of financial measurement.

Income from investments is recognised when receivable.

1.4 Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grant expenditure is recognised when awarded to the recipient. The expense is included on an accruals basis in the year in which a legal or constructive obligation to pay the grant arises.

Costs of raising funds are those investment management fees for both income generation and capital maintenance.

Charitable activities include expenditure associated with the making of grants and donations and include both the direct costs and indirect costs relating to these activities, on an accruals basis.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 29 FEBRUARY 2024

1.4 Expenditure recognition (continued)

Irrecoverable VAT is charged against the category of resource expended for which it was incurred.

1.5 Investment Properties

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date and changes in fair value recognised in 'net gains/(losses) on investments' in the Statement of Financial Activities (SoFA). A Trustee opinion of fair value is provided where it is believed that the benefit of obtaining an independent valuation would be exceeded by the time and/or cost of securing such a valuation.

1.6 Investments

Investments are recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains/losses on investments' in the SoFA if shares are publicly traded or their fair value can otherwise be measured reliably. Realised profits and losses arising on investment disposals are recognised in the SoFA when the proceeds are receivable.

Programme related investments are included at loan investment cost less planned repayments by the charitable beneficiary, less any provision for diminishing value, or impairment.

1.7 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.8 Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

1.9 Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.

1.10 Going Concern

The financial statements have been prepared on a going concern basis as the Trustee believes that no material uncertainties exist. The Trustee has considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. They believe the anticipated expenditure will be adequately funded given the existing level of reserves for the charity to be able to continue as a going concern.

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustee is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Historically areas of judgement have not had a material impact on the charity's financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEE REPORT (CONTINUED)

FOR THE YEAR ENDED 28 FEBRUARY 2023

Public benefit statement

The Trustee confirms that they have referred to the guidance contained in the Charity Commission's General Guidance on public benefit when reviewing the aims and objectives, planning future activities, and setting the grant-making policy for the year.

Achievements and performance

During the year ended 28 February 2023, the Trustee approved grants totalling £14,855. The Maharishi School received £14,855 to fund Transcendental Meditation (TM) instruction for primary school and early year children.

Review of financial position and activities

The results for the year are set out on page 6.

Total income for the year amounted to £27,523 (2022: £27,461). Grants payable of £14,855 (2022 : £24,313) are set out in note 3. After accounting for investment management and related costs (£11,872) and other costs (£20,235) the fund incurred a net deficit of £19,439 before recognising net investment portfolio gains. Realised gains of £1,000 and unrealised losses of £62,108 on the investment portfolio were also recognised in the year.

Plans for the future periods

The Trustee will continue to review the trust investments, in consideration of current market conditions, after receiving and considering advice of stockbrokers, and in the context of grant applications received.

Reserves (Including Reserves Policy)

The Trustee intends to build funds which should grow in real terms in order to provide funds for future charitable use. The value of the reserves at the year end was £2,445,947 (2022: £2,526,494). The Trustee believes this to be adequate to support the charity's continued operations and to provide a fund for exceptional grants when they arise from time to time.

It is the policy of the charity to ultimately maintain 'free reserves' (being that element on the unrestricted reserves which is not funding investments) of approximately one year's running costs.

As at 28 February 2023, the free reserves of the charity amounted to £171,331 (2022: £185,400). The Trustee considers the closing level as sufficient to support their anticipated grant making expenditure in the following twelve months, including any unforeseen urgent charitable applications.

Designated funds at 28 February 2023 total £2,274,616 (2022: £2,341,094) - see note 11 for details.

Risk management

The Trustee has reviewed the major risks to which the charity is exposed and systems have been established to mitigate these risks. The funds invested and those held on deposit are subject to the compliance procedures of both the charity's investment advisors and Brachers LLP.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEE OF THE EDNA LINNELL CHARITABLE TRUST

I report to the trustee representative on my examination of the accounts of The Edna Linnell Charitable Trust for the year ended 28 February 2023, which are set out on pages 6 to 14.

Responsibilities and basis of report

As the charity Trustee of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 'Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 28 FEBRUARY 2023

1 Accounting policies

1.1 General information and basis of preparation

The Edna Linnell Charitable Trust is a charity registered with the Charity Commission in England and Wales (registered number 1092476). The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to recognise the importance of the Maharishi Foundation and to support that charitable organisation and other charities with aims and objectives with which the original Settlor (the late Mrs Linnell) would have been in agreement based on her legacy wishes.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities Act 2011 and UK Generally Accepted Practice.

The charity has opted not to prepare a cash flow statement for the financial period, as permitted by the 2019 Statement of Recommended Practice.

The financial statements have been prepared to give a 'true and fair view' and have departed from the charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in 2019.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Funds

The funds held by the charity are unrestricted funds which can be used in accordance with the charitable objectives at the discretion of the Trustee.

Designated funds comprise funds which have been set aside at the discretion of the Trustee for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.3 Income recognition

Donations, legacies and other forms of voluntary income are recognised as income when receivable, except insofar as they are incapable of financial measurement.

Income from investments is recognised when receivable.

1.4 Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grant expenditure is recognised when awarded to the recipient. The expense is included on an accruals basis in the year in which a legal or constructive obligation to pay the grant arises.

Costs of raising funds are those investment management fees for both income generation and capital maintenance.

Charitable activities include expenditure associated with the making of grants and donations and include both the direct costs and indirect costs relating to these activities, on an accruals basis.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 29 FEBRUARY 2023

1.4 Expenditure recognition (continued)

Irrecoverable VAT is charged against the category of resource expended for which it was incurred.

1.5 Investment Properties

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date and changes in fair value recognised in 'net gains/(losses) on investments' in the Statement of Financial Activities (SoFA). A Trustee opinion of fair value is provided where it is believed that the benefit of obtaining an independent valuation would be exceeded by the time and/or cost of securing such a valuation.

1.6 Investments

Investments are recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains/losses on investments' in the SoFA if shares are publicly traded or their fair value can otherwise be measured reliably. Realised profits and losses arising on investment disposals are recognised in the SoFA when the proceeds are receivable.

Programme related investments are included at loan investment cost less planned repayments by the charitable beneficiary, less any provision for diminishing value, or impairment.

1.7 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.8 Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

1.90 Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.

1.10 Going Concern

The financial statements have been prepared on a going concern basis as the Trustee believes that no material uncertainties exist. The Trustee has considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. They believe the anticipated expenditure will be adequately funded given the existing level of reserves for the charity to be able to continue as a going concern.

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustee is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Historically areas of judgement have not had a material impact on the charity's financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEE REPORT

FOR THE YEAR ENDED 28 FEBRUARY 2022

The trustee representative ("The Trustee") presents their report and the unaudited financial statements of the charity for the year ended 28 February 2022. The Trustee has adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Trustee of the charity

The Trustee who served during the year and since the year end was as follows:

Brachers Trust Corporation Limited (Assigned director - Mr Christopher Eriksson-Lee)

Brachers Trust Corporation Limited remain the appointed trustee with Mr Christopher Eriksson-Lee taking an active role as assigned trustee representative in his capacity as director of Brachers Trust Corporation Limited. He is assisted by Angela Jarvis who is a Trust Manager of Brachers Trust Corporation Limited.

Objectives and activities

The Edna Linnell Charitable Trust's objectives are to apply the income and the whole or such part or parts of the capital as they in their discretion think fit, to or for the benefit of the Maharishi Foundation (GB) or to or for the benefit of such other exclusively charitable objects and purposes in the UK or in any other part of the world.

The policies adopted in furtherance of the Edna Linnell Charitable Trust's objectives are to recognise the importance of the Maharishi Foundation as the principal objective of the charity and to support other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals.

The Edna Linnell Charitable Trust owns an 86.66% share of a property, 29 Abdale Road, Shepherds Bush, London, which is considered to be suitable for the programme of the Maharishi Foundation. The remaining share of the property is owned by The Surya Trust (Charity Registration No. 291854).

During the year, the Trustee continued with their programme of donations, continuing to assist the Maharishi Foundation.

The strategy is to maintain a conservative investment programme designed to achieve income along with capital growth in order to sustain a long-term grant-making programme.

On 16 September 2020, the charity provided the Maharishi Foundation with a third party legal mortgage of £130,000.

Ongoing grants are reviewed by the Trustee annually and the Trustee examines requests for funding from different parts of the Maharishi Foundation. The Trustee is also aware of other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals, and is able to award grants to such charities on a case by case basis.

THE EDNA LINNELL CHARITABLE TRUST

TRUSTEE REPORT (CONTINUED)

FOR THE YEAR ENDED 28 FEBRUARY 2022

Public benefit statement

The Trustee confirms that they have referred to the guidance contained in the Charity Commission's General Guidance on public benefit when reviewing the aims and objectives, planning future activities, and setting the grant-making policy for the year.

Achievements and performance

During the year ended 28 February 2022, the Trustee approved grants totalling £24,313. The Maharishi School received £24,313 to fund Transcendental Meditation (TM) instruction for primary school and early year children.

Review of financial position and activities

The results for the year are set out on page 6.

Total income for the year amounted to £27,481 (2021: £27,995). Grants payable of £24,313 (2021 : £15,313) are set out in note 3. After accounting for investment management and related costs (£12,599) and other costs (£26,983) the fund incurred a net deficit of £36,414 before recognising net investment portfolio gains. Realised gains of £10,149 and unrealised gains of £21,780 on the investment portfolio were also recognised in the year.

Going concern

The Trustee has considered the impact of the Covid Pandemic on the charity's funds and operations. He believes adequate steps have been taken to mitigate the extent of any adverse impact and has no reason to believe that committed grant funding obligations at 28 February 2022 will not be fulfilled.

Plans for the future periods

The Trustee will continue to review the trust investments, in consideration of current market conditions, after receiving and considering advice of stockbrokers, and in the context of grant applications received.

Reserves (including Reserves Policy)

The Trustee intends to build funds which should grow in real terms in order to provide funds for future charitable use. The value of the reserves at the year end was £2,526,494 (2021: £2,530,979). The Trustee believes this to be adequate to support the charity's continued operations and to provide a fund for exceptional grants when they arise from time to time.

It is the policy of the charity to ultimately maintain 'free reserves' (being that element on the unrestricted reserves which is not funding investments) of approximately one year's running costs.

As at 28 February 2022, the free reserves of the charity amounted to £185,400 (2021: £216,303). The Trustee considers the closing level as sufficient to support their anticipated grant making expenditure in the following twelve months, including any unforeseen urgent charitable applications.

Designated funds at 28 February 2022 total £2,341,094 (2021: £2,314,676) - see note 11 for details.

Risk management

The Trustee has reviewed the major risks to which the charity is exposed and systems have been established to mitigate these risks. The funds invested and those held on deposit are subject to the compliance procedures of both the charity's investment advisors and Brachers LLP.

TO THE TRUSTEE OF THE EDNA LINNELL CHARITABLE TRUST

I report to the trustee representative on my examination of the accounts of The Edna Linnell Charitable Trust for the year ended 28 February 2022, which are set out on pages 6 to 14.

Responsibilities and basis of report

As the charity Trustee of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 'Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 28 FEBRUARY 2022

1 Accounting policies

1.1 General information and basis of preparation

The Edna Linnell Charitable Trust is a charity registered with the Charity Commission in England and Wales (registered number 1092476). The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to recognise the importance of the Maharishi Foundation and to support that charitable organisation and other charities with aims and objectives with which the original Settlor (the late Mrs Linnell) would have been in agreement based on her legacy wishes.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities Act 2011 and UK Generally Accepted Practice.

The charity has opted not to prepare a cash flow statement for the financial period, as permitted by the 2019 Statement of Recommended Practice.

The financial statements have been prepared to give a 'true and fair view' and have departed from the charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in 2019.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Funds

The funds held by the charity are unrestricted funds which can be used in accordance with the charitable objectives at the discretion of the Trustee.

Designated funds comprise funds which have been set aside at the discretion of the Trustee for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.3 Income recognition

Donations, legacies and other forms of voluntary income are recognised as income when receivable, except insofar as they are incapable of financial measurement.

Income from investments is recognised when receivable.

1.4 Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grant expenditure is recognised when awarded to the recipient. The expense is included on an accruals basis in the year in which a legal or constructive obligation to pay the grant arises.

Costs of raising funds are those investment management fees for both income generation and capital maintenance.

Charitable activities include expenditure associated with the making of grants and donations and include both the direct costs and indirect costs relating to these activities, on an accruals basis.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 29 FEBRUARY 2022

1.4 Expenditure recognition (continued)

Irrecoverable VAT is charged against the category of resource expended for which it was incurred.

1.5 Investment Properties

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date and changes in fair value recognised in 'net gains/(losses) on investments' in the Statement of Financial Activities (SoFA). A Trustee opinion of fair value is provided where it is believed that the benefit of obtaining an independent valuation would be exceeded by the time and/or cost of securing such a valuation.

1.6 Investments

Investments are recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains/losses on investments' in the SoFA if shares are publicly traded or their fair value can otherwise be measured reliably. Realised profits and losses arising on investment disposals are recognised in the SoFA when the proceeds are receivable.

Programme related investments are included at loan investment cost less planned repayments by the charitable beneficiary, less any provision for diminishing value, or impairment.

1.7 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.8 Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

1.90 Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.

1.10 Going Concern

The financial statements have been prepared on a going concern basis as the Trustee believes that no material uncertainties exist. The Trustee has considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. They believe the anticipated expenditure will be adequately funded given the existing level of reserves for the charity to be able to continue as a going concern.

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustee is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Historically areas of judgement have not had a material impact on the charity's financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEE REPORT

FOR THE YEAR ENDED 28 FEBRUARY 2021

The trustee representative ("The Trustee") presents their report and the unaudited financial statements of the charity for the year ended 28 February 2021. The Trustee has adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Trustee of the charity

The Trustee who served during the year and since the year end was as follows:

Brachers Trust Corporation Limited (Assigned director - Mr Christopher Eriksson-Lee)

Brachers Trust Corporation Limited remain the appointed trustee with Mr Christopher Eriksson-Lee taking an active role as assigned trustee representative in his capacity as director of Brachers Trust Corporation Limited. He is assisted by Angela Jarvis who is a Trust Manager of Brachers Trust Corporation Limited.

Objectives and activities

The Edna Linnell Charitable Trust's objectives are to apply the income and the whole or such part or parts of the capital as they in their discretion think fit, to or for the benefit of the Maharishi Foundation (GB) or to or for the benefit of such other exclusively charitable objects and purposes in the UK or in any other part of the world.

The policies adopted in furtherance of the Edna Linnell Charitable Trust's objectives are to recognise the importance of the Maharishi Foundation as the principal objective of the charity and to support other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals.

The Edna Linnell Charitable Trust owns an 86.66% share of a property, 29 Abdale Road, Shepherds Bush, London, which is considered to be suitable for the programme of the Maharishi Foundation. The remaining share of the property is owned by The Surya Trust (Charity Registration No. 291854).

During the year, the Trustee continued with their programme of donations, continuing to assist the Maharishi Foundation, as well as making donations to other charitable organisations.

The strategy is to maintain a conservative investment programme designed to achieve income along with capital growth in order to sustain a long-term grant-making programme.

On 16 September 2020, the charity provided the Maharishi Foundation with a third party legal mortgage of £130,000.

Ongoing grants are reviewed by the Trustee annually and the Trustee examines requests for funding from different parts of the Maharishi Foundation. The Trustee is also aware of other charities to whom the late Mrs Linnell wished to provide grants, in particular to charities helping the relief of suffering of animals, and is able to award grants to such charities on a case by case basis.

THE EDNA LINNELL CHARITABLE TRUST

TRUSTEE REPORT (CONTINUED)

FOR THE YEAR ENDED 29 FEBRUARY 2021

Public benefit statement

The Trustee confirms that they have referred to the guidance contained in the Charity Commission's General Guidance on public benefit when reviewing the aims and objectives, planning future activities, and setting the grant-making policy for the year.

Achievements and performance

During the year ended 29 February 2021, the Trustee approved grants totalling £15,313. The Maharishi School received £14,313 to fund Transcendental Meditation (TM) instruction for primary school and early year children. Catching Lives received £1,000.

Review of financial position and activities

The results for the year are set out on page 6.

Total income for the year amounted to £27,995 (2020: £33,334). Grants payable of £15,313 (2020 : £10,685) are set out in note 3. After accounting for investment management and related costs (£10,700) and other costs (£26,842) the fund incurred a net deficit of £28,860 before recognising net investment portfolio gains. Realised gains of £150,070 and unrealised losses of £3,164 on the investment portfolio were also recognised in the year.

Going concern

The Trustee has considered the impact of the Covid Pandemic on the charity's funds and operations. He believes adequate steps have been taken to mitigate the extent of any adverse impact and has no reason to believe that committed grant funding obligations at 28 February 2021 will not be fulfilled.

Plans for the future periods

The Trustee will continue to review the trust investments, in consideration of current market conditions, after receiving and considering advice of stockbrokers, and in the context of grant applications received.

Reserves (including Reserves Policy)

The Trustee intends to build funds which should grow in real terms in order to provide funds for future charitable use. The value of the reserves at the year end was £2,530,979 (2020: £2,408,933). The Trustee believes this to be adequate to support the charity's continued operations and to provide a fund for exceptional grants when they arise from time to time.

It is the policy of the charity to ultimately maintain 'free reserves' (being that element on the unrestricted reserves which is not funding investments) of approximately one year's running costs.

As at 28 February 2021, the free reserves of the charity amounted to £216,303 (2020: £2,841). The Trustee considers the closing level as sufficient to support their anticipated grant making expenditure in the following twelve months, including any unforeseen urgent charitable applications.

Designated funds at 28 February 2021 total £2,314,676 (2020: £2,406,092) - see note 11 for details.

Risk management

The Trustee has reviewed the major risks to which the charity is exposed and systems have been established to mitigate these risks. The funds invested and those held on deposit are subject to the compliance procedures of both the charity's investment advisors and Brachers LLP.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 28 FEBRUARY 2021

1 Accounting policies

1.1 General information and basis of preparation

The Edna Linnell Charitable Trust is a charity registered with the Charity Commission in England and Wales (registered number 1092476). The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to recognise the importance of the Maharishi Foundation and to support that charitable organisation and other charities with aims and objectives with which the original Settlor (the late Mrs Linnell) would have been in agreement based on her legacy wishes.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities Act 2011 and UK Generally Accepted Practice.

The charity has opted not to prepare a cash flow statement for the financial period, as permitted by the 2019 Statement of Recommended Practice.

The financial statements have been prepared to give a 'true and fair view' and have departed from the charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in 2019.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Funds

The funds held by the charity are unrestricted funds which can be used in accordance with the charitable objectives at the discretion of the Trustee.

Designated funds comprise funds which have been set aside at the discretion of the Trustee for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.3 Income recognition

Donations, legacies and other forms of voluntary income are recognised as income when receivable, except insofar as they are incapable of financial measurement.

Income from investments is recognised when receivable.

1.4 Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grant expenditure is recognised when awarded to the recipient. The expense is included on an accruals basis in the year in which a legal or constructive obligation to pay the grant arises.

Costs of raising funds are those investment management fees for both income generation and capital maintenance

Charitable activities include expenditure associated with the making of grants and donations and include both the direct costs and indirect costs relating to these activities, on an accruals basis.

THE EDNA LINNELL CHARITABLE TRUST

NOTES TO THE ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 29 FEBRUARY 2021

1.4 Expenditure recognition (continued)

Irrecoverable VAT is charged against the category of resource expended for which it was incurred.

1.5 Investment Properties

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date and changes in fair value recognised in 'net gains/(losses) on investments' in the Statement of Financial Activities (SoFA). A Trustee opinion of fair value is provided where it is believed that the benefit of obtaining an independent valuation would be exceeded by the time and/or cost of securing such a valuation.

1.6 Investments

Investments are recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains/losses on investments' in the SoFA if shares are publicly traded or their fair value can otherwise be measured reliably. Realised profits and losses arising on investment disposals are recognised in the SoFA when the proceeds are receivable.

Programme related investments are included at loan investment cost less planned repayments by the charitable beneficiary, less any provision for diminishing value, or impairment.

1.7 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.8 Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

1.90 Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.

1.10 Going Concern

The financial statements have been prepared on a going concern basis as the Trustee believes that no material uncertainties exist. The Trustee has considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. They believe the anticipated expenditure will be adequately funded given the existing level of reserves for the charity to be able to continue as a going concern.

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustee is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Historically areas of judgement have not had a material impact on the charity's financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
