**REPORT OF THE TRUSTEES/DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2022**

The directors and trustees present their report and unaudited financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing documents, the Charities Act 2011 and 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standards applicable in the UK and Republic of Ireland', published in October 2019.

Trustees of the Charity

The directors of the charitable company are its trustees for the purposes of charity law. Details of the trustees who have served during the year and since the year end can be found on page 3.

OBJECTS AND ACTIVITIES

The charity's principal objects, as set down in its governing instrument, are:

1. To advance the Christian faith.
2. To relieve people in need, hardship or distress.
3. To educate and assist young people, through their leisure time activities, so as to develop their physical, mental and spiritual capacities.
4. To advance education in family life, marriage and family relationships.
5. To advance Christian religious education and training.

The trustees regularly review the objectives and activities of the charity and, as part of this review, have considered the Charity Commission's general guidance on public benefit and, in particular, its supplementary guidance on the advancement of religion for the public benefit.

ACHIEVEMENTS AND PERFORMANCE

The charity continues to operate and run a local church. The trustees consider that the activities, as summarised below, provide benefit both to active members of the church and the wider community within Selby and the surrounding area:

1. Arranging, assisting and supporting church members in attending conferences and training events.
2. Further development of the pastoral/care network involving individual church members on a voluntary basis.
3. Having sole occupancy of the Selby United Reform Church building situated in Selby town centre.
4. Operating preparation for marriage and marriage courses.
5. Supporting several infant/junior schools in the Selby area by providing resources and advice to enable them to follow the national curriculum in religious education.
6. Providing an educational experience for circa 400 key stage 1 and key stage 2 pupils from several local primary schools, consisting of a dramatic enactment of the nativity, through a walk-through set and a range of appropriate craft activities.
7. Providing individual support to primary children in a local school, in partnership with the charity TLG of Hope House, Bradford.
8. In addition to the above, providing regular Christian assemblies and occasional Religious Education lessons at a number of local primary schools.
9. Providing counselling and support to women and men who are facing pregnancy-related problems, including unplanned pregnancy, post-abortion, adoption, miscarriage and stillbirth. Offering impartial advice, information and support regarding pregnancy choices and pregnancy loss in conjunction with another local charity 'Reflect'.

10. Adapting to Lockdown - we hosted meetings on Zoom to avoid meeting in person. We also adapted our building so that government recommendations regarding meeting in public spaces and social distancing could be observed. We also moved to two meetings on Sunday morning to allow for more space for visiting the building.

The trustees are grateful for the efforts of volunteers and are pleased with the overall outcome of the above in terms of meeting the charity's stated objects. They hope to see further growth and development of the organisation within the foreseeable future.

FINANCIAL REVIEW

In the year under review, the charity made an overall deficit of £4,438 (2021: surplus £26,744) comprising a deficit of £983 (2021: surplus £947) on restricted projects, and a deficit on unrestricted activities for the year of £3,455 (2021: surplus £25,797).

The charity's total net assets had reduced from £102,923 at 31 March 2021 to £98,485 at 31 March 2022 including net liquid funds of £96,319 (31 March 2021: £100,610).

It is the aim of the trustees to maintain cash backed unrestricted funds, which are the free reserves of the charity, at the greater of £16,000 or three months average gross expenditure, excluding capital expenditure, across those funds. This objective was exceeded at both 31 March 2021 and 31 March 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

KC Outreach, Selby is a company limited by guarantee and not having a share capital, incorporated in England and Wales. It is governed by a Memorandum and Articles of Association dated 25 October 2001. It is also a charity registered with the Charity Commission. The members of the charitable company guarantee to contribute an amount not exceeding £10 to the assets of the company in the event of winding up during their period of membership and within one year of their ceasing to be a member.

Appointment of Trustees

New trustees are appointed from time to time at the discretion of the existing trustees, such that the number of trustees is not less than three.

Trustees' Induction and Training

Trustees are already familiar with the work of the charity as they are drawn from within the church membership/congregation or from other similar churches within the regional church network. The trustees have induction procedures to ensure that new trustees understand their roles and obligations. As part of these procedures, trustees are encouraged to attend appropriate internal/external training events to facilitate the understanding of their roles.

Organisation

The management and administration of the charity is under the control of the trustees who meet two to three times per year. Day to day operational matters are delegated to the church leader.

Related Parties

The church operates under the oversight/direction of Regions Beyond (a charitable organisation which oversees church formation and training initiatives). There are also close links with other churches in the region who are members of the Regions Beyond family of churches.

Risk Management

The trustees continue to consider and review the major financial, operational and compliance risks borne by the charity and have systems in place to monitor those risks and to take action where necessary to mitigate them.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

1. ACCOUNTING POLICIES

(a) General Information and Basis of Preparation

KC Outreach, Selby is a private company limited by guarantee registered in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The address of the registered office is given in the charity information on page 3 of these financial statements. The nature of the charity's operations and principal activities are the operation of a local church.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Income Recognition

All income is recognised once the charity has entitlement to income, there is sufficient certainty of receipt and it is probable that the income will be received, and the amount of income can be measured reliably.

Grants and Donations

- Where donors specify that grants or donations must be used in a future accounting period, the income is deferred until those periods;
- Where donors impose conditions which have to be fulfilled before the charity becomes entitled to use such income, the income is deferred until the period in which the pre-conditions are met.

Where donors specify that grants or donations are for a particular restricted purpose, which does not amount to pre-conditions regarding entitlement, the income is included in incoming reserves within restricted funds when received.

(c) Resources Expended

Resources expended are recognised in the Statement of Financial Activities on an accruals basis, inclusive of VAT. Individual costs are allocated between the various headings in the Statement of Financial Activities by reference to their underlying nature or reason for which those costs were incurred, on an estimated percentage basis.

(d) Unrestricted and Restricted Funds

Unrestricted funds comprise income received or generated by reference to the general objects of the charity without further specified purpose. Such funds may however be designated by the trustees for specific purposes from time to time.

Restricted funds are those donated for a specified purpose as laid down by the donor or as the result of a specific appeal or application. Such funds are kept separate from the unrestricted funds of the charity and only related expenditure is charged against them.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

1. ACCOUNTING POLICIES (Continued)

(e) Tangible Fixed Assets and Depreciation

Tangible fixed assets are capitalised and depreciated at the following rates, so as to write off each asset over its estimated useful life:

Fixtures and equipment - 25% reducing balance

(f) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(g) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

(h) Creditors and Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

(i) Pension Costs

Contributions, which are payable into the personal pension plans of individual members of staff, are charged to the Statement of Financial Activities in the period to which they relate.

(j) Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with levels of reserves for the charity to be able to continue as a going concern.
