Structure, governance and management

Governing document

Kidderminster Harriers F. C. Football in the Community is a charitable company limited by guarantee, incorporated on July 20, 2001 and registered as a charity on July 10, 2002. The company was established under a Memorandum of Association and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

Appointment of trustees

The trustees who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report, are set out on page 1. New trustees are appointed upon the recommendation of existing trustees. One third of the trustees must retire at each annual general meeting and offer themselves for re-election.

Risk management

The trustees have examined the major business and operational risks to which the charity is exposed and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen their risks.

Objectives and activities

The objects of the charity are to further and assist in the education (on a social and physical basis) of children attending schools within the Worcestershire and surrounding areas through the use of the game of football (including its history and rules) and other ancillary sporting activities as educational tools and in furtherance of that objective to provide in Worcestershire and its surrounding area facilities at Kidderminster Harrier's football ground for meetings, lectures and classes for the benefit of such children.

In shaping the objectives for the year and planning the activities, the trustees have considered the Charity Commission's guidance on public benefit,

The charity carries out these objects by providing a wide range of football related activities that promote all of the below objectives throughout all areas of engagement.

- Provide and promote a healthier lifestyle to all
- Ensure that an inclusive environment is developed
- Promote the benefits of football
- Ensure enjoyment and fun are constantly present

We provide sports activities throughout Worcestershire. We have a group of committed staff who are at least FA Level 2 qualified with some coaches being UEFA A/B qualified, many of the coaches are actually ex-professional players themselves. Each year we work with an average of 15,000 children across all of our programmes and desire to develop footballing talent alongside creating healthier community. In 2018/19 we were awarded Community Club of the Year by the National League Trust, for the second time.

Achievements and performance

School Engagement

Working with schools during curriculum time to deliver our "Healthkick" Programme is a major part of our school based provision as is our PPA Cover, After School and Lunch Clubs. Our school based provision is not just football specific and ranges from cricket to basketball, from netball to hockey plus many more sports and teambuilding activities. Each year 70 schools are a part of our school engagement across Worcestershire and new schools can also become involved. Another part of our school engagement programme is our "Penalty Shootout" competition where pupils face off against their peers to become their schools penalty king or queen. The winners from each school will showcase their talent on the Aggborough pitch in the grand finale

Man v Fat

Our Man v Fat Centre has been highly successful in engaging adult males helping them to lose weight and lead a healthier lifestyle. It has also had a positive effect on their Mental Health.

Half-Term Soccer Camps

Our holiday courses for 5-14 year olds are held during every holiday period in: Kidderminster, Droitwich, Bromsgrove, Worcester, Malvern, Cleobury Mortimer and Kinver. All courses run from 10am-3pm and all have emphasis on development through fun and enjoyment via skill based activities and small sided games. Plenty of prizes are on offer at each camp

Soccer Saturdays (3yrs - 12yrs)

Soccer Saturday is about football engagement and developing players from as early as 3yrs old through fun based activities, weekly competitions and small sided games. These sessions take place every Saturday morning at Baxter College (Kidderminster), DY11 5PQ between 10:30am-11:45am.

MiniKickers (5yrs - 9yrs)

MiniKickers offers weekly football sessions for children aged five to nine, with courses held throughout the school year. The courses are great introduction to football in a fun and friendly environment, with medals and trophies awarded

Premier League Primary Stars

As part of the National PLPS project we support teachers delivering PE in Primary Schools, provide interventions, educational visits and school tournaments.

Walking Football

For those who have always enjoyed playing or watching football and are 55yrs plus this is a great opportunity to stay active, keep playing football, meet new peers and ensure you stay healthy. Our Walking Football Sessions take place weekly and are growing each week as more people from the local community become involved.

HealthKick and HeartSave

The charity continues to work with sponsors and partners from business and local government on projects to promote healthy living and improve the educational and training outcomes of young people. During the year funding was received from the National League Trust and Worcestershire County Council Councillors for the HealthKick programme which involves exercise, healthy eating, smoking, dental care, emotional health and well being and road safety.

It also includes a coach dedicated to working with teenagers and adults using physical activity to improve mental health.

Kidderminster Harriers F.C. Football in the Community

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2021

Covid 19

During lockdown, March 20th to June, although the majority of our activities were forced to close, we were able to continue some contact with participants via social media. We paid particular attention to mental Health, our coaches kept in regular contact with vulnerable groups such as Walking Footballers and Man v Fat. As lockdown eased for June, we were able to restart adult and children's football adapting practices and limiting numbers to meet government guidelines on social distancing.

Financial review

The net expenditure for the year amounted to £1,255 (2020 £7,915 net income) leaving funds to be carried forward of £88,045 (2020 £89,300.)

Reserves

It is the policy of the trustees to maintain reserves at the level required to cover staff wages for the period of six months.

Plans for future periods

The charity plans to continue with its main programme of activities during the coming year and, following support from Sport England, football sessions are being launched for anyone with learning or physical disabilities.

The Trustees have established Mission and Vision statements as follows:

Future Mission:

Encourage more people, especially children to play and watch football for the good of the game and our community and to promote healthy lifestyles and positive activities for our community.

Our Vision:

To make sure that activities are available for all regardless of age, religion, ethnic background, ability and gender, ensuring that the scheme remains a "community scheme" and doesn't become a commercial operation as positively impacting the community is the main objective.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 12 January 2022 and signed on behalf of the board of trustees by:

J. Davies

Independent Examiner's Report to the Trustees of Kidderminster Harriers F.C. Football in the Community

Year ended 31 July 2021

I report to the trustees on my examination of the financial statements of Kidderminster Harriers F.C. Football in the Community ('the charity') for the year ended 31 July 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 July 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 12 January 2022, and are signed on behalf of the board by:

J. Davies
Trustee

The notes on pages 8 to 16 form part of these financial statements.

Kidderminster Harriers F.C. Football in the Community

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 July 2021

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 61 Macrae Road, Pill, Bristol, BS20 0DD.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. We confirm that there are no critical judgements or estimates to note.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Kidderminster Harriers F.C. Football in the Community

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2021

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.
- investment income is included when receivable
- income from charitable activity are accounted for when earned

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of a charity.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Kidderminster Harriers F.C. Football in the Community

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2021

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Motor vehicles	-	25% straight line
Equipment	-	25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
