The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Our aims are:

- To provide the advice people need for the problems they face;
- To improve the policies and practices that affect people's lives.

We provide free, confidential, independent advice to help people overcome their problems. We are a voice for our clients and consumers on the issues that matter to them. We value diversity, champion equality, and challenge discrimination and harassment

To meet these aims we deliver a range of advice and information services direct to the public across the city.

Preston & District Citizens Advice Bureau strives to provide individuals and communities with opportunities to achieve their full potential by providing accessible quality services, which alleviate poverty and inequality.

The Charity is committed to relieving injustice and creating an environment which values clients, staff and volunteers. Preston & Districts Citizens Advice Bureau aims to provide the advice people need for the problems they face and to improve the policies and practices that affect people's lives.

We are a local Charity and Company limited by guarantee serving the local communities of Preston & District. We belong to the largest multi-generic advice-giving network in the country. ACHIEVEMENT AND PERFORMANCE

Charitable activities

Paid and volunteer staff undertakes the Charity's work. The Advisers undertake a high quality-training programme. The generalist advice service provides individuals with information, advice and assistance in all areas including debt, housing, immigration and nationality, employment, welfare benefits, relationship breakdown, consumer, health, education and financial management. A case management system (CASEBOOK) and other software including QB Welfare Benefits calculation package support the Charity.

The Charity has again managed its resources with prudence to provide the community with a wide range of advice and information services at generalist and specialist levels and has secured external funding to enhance the core services. Bureau services are available five days per week.

This year the bureau generalist and specialist advice services have delivered telephone and webchat services and have taken the opportunities working with local partners to resume face to face services through outreach sessions held at host sites in community venues.

The Money Advice and Pensions Service, United Utilities Trust Fund and British Gas Energy Trust provide funding for debt advice and energy efficiency advice. The Money Advice and Fuel Poverty teams have been proactive in developing strong partnerships and links with the Lancashire Council, statutory and Voluntary organisations and the Council tax recovery Team and good working practices are in place to enable clients' problems to be dealt effectively and expediently.

The Charity's Business and Development Plan covers the period 2022 to 2025. The overriding principle of the plan is to ensure services are accessible to all. Partnership working is one of the main priorities and the Charity actively supports local working with partners, from community, statutory and voluntary sectors.

Volunteer recruitment is ongoing with training being another key priority. We work with our national organisation to answer out of area calls through the national helpline Adviceline, Help to Claim project and the Debt Helpline. Staff and volunteers have adapted quickly to continue giving advice. We maintain business continuity with a combination of office and home working

The challenges are opportunities; time to reflect and review how we respond to changing needs of our clients, services and staff.

FINANCIAL REVIEW

Principal funding sources

Details of income and expenditure for the period are shown in the Statement of Financial Activities. The Charity receives a contribution to its core activities and help in kind from Preston City Council, British Gas Trust Fund United Utilities Trust Fund, and receives restricted funding from the MaPS Mainstream Debt Advice to provide support for specialist face to face money advice.

Funds received from the MaPS Debt Advice Projects and the DWP Help to Claim Project are restricted for use in the staffing and running of the designated specialist services and are not used for any other purpose.

Funding from the British Gas Energy Trust Fund and United Utilities Trust fund, LCC (Fuel Support Fund) are restricted for the use in staffing and running costs to provide debt advice, complete Trust Fund applications and provide energy efficiency advice service and are not used for any other purpose.

The Project and Exit Fund's aim is to meet immediate operational needs and is invested to achieve the maximum return for an acceptable level of risk. As a registered charity the Bureau only makes authorised investments. As at the year-end date the Trustees considered that there were no funds available to invest. The Charity's investments are reviewed at least every twelve months

FINANCIAL REVIEW

Reserves policy

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to three month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Bureau's current activities while consideration is given to ways in which additional funds may be raised.

FUTURE DEVELOPMENT

The Charity is aware that it must continue to strengthen funding of its core services to be able to bid for external monies. The Charity is also aware that regional and national funding agencies view consortium bids more favourably.

Partnership work and consortium bids will be developed with Citizens Advice Bureaux in the Lancashire area as well as in partnership with other local organisations. Broadening the services, we offer and how we deliver these services is one of our prime objectives over the next year. To this end, it is recognised that our aim is to improve accessibility to the service using information technology including telephone provision and web chat and to develop different methods of access. The Charity is continually aiming to develop new projects to promote the concept of 'access for all'.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

It is registered as a charity under Charity Commission number 1092972. The Directors of the company are also charity trustees for the purposes of charity law and under the company's articles known as management committee members.

Recruitment and appointment of new trustees

The Board Members apart from one Trustee, who must be nominated by Preston City Council, appoint the Trustees, who are also all Directors of the company.

Re-appointment of Trustees is provided for under the normal Companies Act rules on an annual basis at the Charity's Annual General Meeting. The Trustee Board are mindful when appointing new Trustees of the skills and abilities required to run the Charity effectively. Following initial discussions with the Chair about the nature and purpose of the Charity potential new Trustees are nominated to the Trustee Board and duly elected to the board.

Induction and training of new trustees

At the time of their appointment new Trustees are provided with a pack of information including copies of the Charity's formal documents and latest financial information, together with copies of pertinent literature from the Charities Commission. The New Trustee Induction pack is provided by the Charity's national organisation.

Risk management

The Charity has an annual budget approved by the Trustees. There is a regular consideration of the financial results by the Trustees including the review of variances from budget and comparison with benchmarks. The appropriate segregation of duties and delegation of authority has been put into place and there is a regular consideration of new risks facing the charity and the steps needed to deal with these.

The Trustees have assessed the major risks, to which the charity is exposed, in particular those related to the operation and finance of the Charity, to ensure that systems are in place to mitigate exposure to those risks.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
PRESTON AND DISTRICT CITIZENS
ADVICE BUREAU**

Independent examiner's report to the trustees of Preston And District Citizens Advice Bureau ('the Company')
I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
