DIRECTORS' AND TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2025

The Trustees have pleasure in presenting their report along with the Financial Statements for the year ended 31st March 2025.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. We have also referred to the guidance contained in the Charity Commission's guidance on public benefit when reviewing our aims and objectives for the year.

Objectives and Activities

Objectives

The Charity's objectives are to advance the education, care, and wellbeing of children by providing safe, inclusive, and affordable early years education and childcare. These objectives are delivered through the operation of a preschool located on the site of the adjoining primary school, together with wraparound care (breakfast and after-school club) and a holiday club, supporting children and families within the village and surrounding community.

The Trustees have reviewed the Charity's aims, objectives, and activities during the year and confirm that these continue to align with the Charity's governing document.

Public Benefit

In setting its objectives and delivering its activities, the Trustees have had due regard to the Charity Commission's guidance on public benefit. The Charity's preschool provision is registered with and inspected by Ofsted and operates in accordance with the Early Years Foundation Stage (EYFS) statutory framework, meeting all regulatory and safeguarding requirements.

The Charity provides public benefit by:

- Delivering high-quality early education for children aged 2 to 4 years, supporting progress across the prime and specific areas of learning and preparing children for a smooth transition into statutory education, including progression to the adjoining primary school.
- Providing breakfast club, after-school club, and holiday club for children up to the age of 12, offering continuity of care that supports children's wellbeing, behaviour, and positive relationships outside the school day.
- Working in partnership with parents and carers to support children's learning and development, including, where possible, offering flexible attendance patterns to meet the needs of working families.
- Promoting inclusive practice, equality of opportunity, and a safe, nurturing environment where children feel secure, valued, and supported.

Through these activities, the Charity supports positive outcomes for children, enables parental employment and training, and contributes to a joined-up approach to early education and childcare within the local village community.

Achievements and Performance

During the financial year, the Charity delivered high-quality early years education and childcare through its Ofsted-registered preschool, wraparound care, and holiday club, serving children and families in the local village and surrounding community.

In June 2024, Ofsted inspected the preschool, with the following judgements:

- **Overall effectiveness:** Good
- **Quality of education:** Good
- **Behaviour and attitudes:** Good
- **Personal development:** Good
- **Leadership and management:** Good

Key inspection strengths included:

- Children thrive in a stimulating and exciting environment, arriving happy and eager to learn.
- Warm, caring staff support children to feel safe and secure.
- Learning activities, indoor and outdoor, develop independence, confidence, and key skills.
- Children demonstrate very good behaviour and make choices about their learning.

The positive inspection outcomes are particularly notable as the new manager had been in post for less than a month at the time of the inspection. The new manager has been very well received by staff, parents, and children, and is helping to further enhance the quality of provision, care, and learning opportunities.

The preschool, located on the adjoining primary school site, supported children aged 2 to 4 years, preparing them for smooth transitions into Reception. The provision operated in line with the Early Years Foundation Stage (EYFS) framework, delivering approximately 190 preschool full day sessions / 380 half-day sessions during term time.

The Charity also provided wraparound care (breakfast and after-school club) during term time, and a holiday club outside of term time. Holiday club operates throughout the school holidays in the year, apart from bank holidays, periods of low demand (December/January) and approximately 4 days for staff training days which are spread out over the year.

Collectively, these services helped to support approximately 107 families and carers, providing continuity of care, promoting wellbeing, and supporting families' work, study, and training commitments.

During the year, the charity rolled out a new collaborative system, enabling improved communication, session management, invoicing, and family updates. The system has been well received by parents and has helped streamline operations. It has also provided Trustees with greater confidence in debt recovery, enabling more effective discussions with families who may be struggling, and supporting timely and appropriate ways to meet payment commitments.

Efforts were also made during the year to recover old outstanding debts. While a good proportion of these debts were successfully recovered, the Charity regretfully wrote off £6,882 of debts for various reasons, ensuring the accounts fairly reflect the Charity's financial position.

DIRECTORS' AND TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2025 (CONTINUED)

The setting continues to work with the local authority in the City of York, and the adjoining primary school, Dunnington Church of England Primary School, to strengthen collaboration, align approaches to learning, behaviour, and wellbeing, and support children's development. The Charity also continues to offer assisted places, with 2 assisted places taken in the year, helping to ensure that its provision is accessible and inclusive to all families, and works closely with parents and carers, offering flexibility to meet family needs.

Overall, demand for services remained strong, reflecting the Charity's value in providing accessible, high-quality childcare. Trustees remain committed to maintaining high standards, developing partnerships, and supporting positive outcomes for children and families.

Overview and Future Plans

Overview

During the year, the Charity continued to provide high-quality early years education and childcare to children and families in the local village and surrounding community. The setting maintained strong partnerships with the adjoining primary school and the Local Authority, City of York, ensuring continuity of care, alignment of learning approaches, and support for families. Services offered included the preschool, wraparound care, and holiday club, collectively supporting approximately 107 families and carers.

Significant developments during the year included the appointment of a new manager, who has been very well received and is helping to enhance the quality of provision, and the implementation of a new collaborative system, improving communication with families, session management, invoicing, and Trustee oversight of debt recovery. The Charity continues to offer assisted places, ensuring its services remain accessible and inclusive to all families.

Future Plans

Looking forward, the Charity plans to:

- Make a strategic investment in resources and equipment, refreshing and purchasing new indoor and outdoor resources to further support children's development and staff practice.
- Enhance and expand outdoor learning opportunities, creating additional stimulating environments that promote physical development, creativity, and exploration.
- Continue to work co-operatively with the adjoining school, including the successful shared lunch provision allowing preschool children access to a hot lunchtime meal.
- Maintain active participation in the City of York Early Years Shared Foundation Partnership, a collective group of local schools and childcare providers, to strengthen collaboration and share best practice.
- Further focus on and utilise government initiatives, such as the Stronger Practice Hubs, to build on best practice, promote collaboration both within and outside the local area, and support staff development through training and visiting other settings.
- Monitor changing guidance and policy, ensuring robust and dynamic risk assessments are in place; the safety of children, parents, and staff remains the highest priority.
- Continue to develop staff skills and confidence to deliver high-quality early years education in line with EYFS requirements.
- Maintain the Charity's commitment to accessible, inclusive provision, supporting families with flexible and tailored childcare options.

These initiatives aim to ensure the Charity remains a trusted and valued provider of early years education and childcare, delivering positive outcomes for children, families, and the wider community.

The Trustees have designated funds of £42,183 which is allocated for the future investment in new indoor furniture, equipment and learning equipment, a story telling tree and an outdoor classroom. These will be used in the activities of the Charity.

Reserves Policy

The Trustees aim to maintain free reserves equivalent to 3–6 months of committed expenditure, including staff, premises, and essential operational costs. This level of reserves ensures the Charity can continue to meet its charitable objectives and maintain services to children and families in the event of short-term fluctuations in income or unforeseen costs.

The Trustees have designated £42,183 of reserves above the target for strategic investment. The funds have been invested post year in refreshing and purchasing indoor furniture and learning resources and installing a new outdoor classroom.

The level of reserves is reviewed annually by the Trustees as part of budgeting and financial planning. Drawdowns from reserves are only made in exceptional circumstances with Trustee approval, to ensure the charity remains financially sustainable.

Risk Management Policy

The Directors and Trustees have assessed the major risks to which the Charitable Company is exposed, in particular those related to the operations and finances of the Charity and are satisfied that systems are in place to mitigate the exposure to the major risks.

My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act;
or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

DUNNINGTON CHILDREN NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Dunnington Children meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The Charitable Company is a private company limited by guarantee, incorporated in England. The address of the registered office is: Church Lane, Dunnington, YORK, North Yorkshire, YO19 5QG.

b) Preparation of the accounts on a going concern basis

The Charitable Company has cash resources and has no requirement for external funding. The directors and trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. They continue to believe that the going concern basis of accounting is appropriate in preparing the annual financial statements.

c) Tangible fixed assets

All assets costing more than £500 are capitalised at cost.

Depreciation is provided on all tangible fixed assets in use at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment – Straight line over 5 and 10 years

**DUNNINGTON CHILDREN
NOTES TO THE ACCOUNTS - CONTINUED
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES - continued

d) Income

Charges for childcare services are accounted for in the year in which the service is provided.

Gifts and donations are accounted for when received.

Investment income is accounted for in the year on a receivable basis.

e) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

Expenditure on charitable activities relates to activities undertaken to further the purposes of the charity and includes their associated support costs.

Governance costs include those costs associated with meeting the constitutional requirements of the charity and include the independent examiner's fees and costs linked to the strategic management of the charity.

Certain expenditure is directly attributable to specific activities and has been included in those categories. Certain other costs, which are attributable to more than one activity, are apportioned across cost categories on the basis of an estimate of the proportion of time spent by staff on those activities.

All expenditure is accounted for on an accruals basis and includes the irrecoverable element of Value Added Tax.

f) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**DUNNINGTON CHILDREN
NOTES TO THE ACCOUNTS - CONTINUED
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES - continued

g) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

h) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

i) Fund Accounting

Unrestricted funds are funds which can be used in accordance with the charitable objects at the discretion of the directors/trustees. Designations of unrestricted funds are made at the directors'/trustees' discretion in order to make allocations for anticipated future expenditure.

Designated funds comprise unrestricted funds that have been set aside by the trustees for a particular purpose.

Restricted funds are funds which are subject to specific trusts, either declared by the donor when making the donation or grant conditions, or accepted by the donor in responding to a specific appeal.

j) Financial instruments

The Charitable Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

k) Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.
