Review of the Year

The PTA was able to put on a full programme of events this year with many new events targeted directly at the children. With times still being tough with the cost-of-living crisis, we were unable to get all events fully sponsored, but a large proportion were, which helped the PTA raise the largest amount ever raised in one year by Clore Shalom PTA for our school - £20,957. This was a huge increase on the year before where we raised £13,549.

Due to the continued enthusiasm of our dedicated group of parent volunteers and generous contributions from some core donors and the wider school community, the PTA was able to make a significant impact. The PTA bank account started in a very healthy position and has ended in an extremely healthy way with double the funds of Sept 2024. Not only this, but the PTA were able to contribute to many school initiatives this year.

Income

Our most profitable event was the Summer Fair where we made a profit of £6,585 - the largest profit ever raised at the Clore Summer Fair. Our second biggest fundraiser and new initiative for 2025, was Clore-a-thon where children were encouraged to use the PTA just giving page to do their own sponsorship events and a huge £5,723 was raised. Another headline event was an evening with Ashley Blaker and Rob Rinder which was a resounding success and with very few outgoings over £2,500 was raised! Our Chanukah disco was enjoyed by all the children and sales of Chanukah bags made a combined profit of over £2,000. Our smaller events of Movie night, Own Clothes Days, Frozen Fridays, Opal visit day and Fantasy Football raised £767, £258, £80, £281 and £295 respectively. Our lovely classes also did class fundraisers which raised £537. Furthermore, two students also did independent fundraisers and raised £1663!

Additional funds continued to be received from payments from Easy Fundraising/2nd hand clothes sale.

Expenses

On the expense side the PTA were able to support the school in several of their ongoing initiatives including many items for the Opal project:

- Lego Trays
- Grit bins for outdoor storage
- Den frames
- Scooter packs
- Outdoor beanbags
- PA system
- Toy cars
- Small world people
- Outdoor chalk
- Toy Dinosaurs
- Wigwam Fencing
- Digging trowels
- Outside storage shed
- Chopping knives

In addition, the PTA paid for new handwriting tools for the whole school and a number of other smaller items making the total amount that the PTA spent on school resources in 2024/25 over £9500!

Other smaller PTA expenses included:

Welcome bags for Reception parents

A small contribution to the Y6 leavers events

Storage unit for PTA

Valentines cards and lollies for all children

Cakes for staff following a successful Ofsted visit

A new Coolbox

Installation of new light fitting in PTA cupboard

Various licenses and insurances

Support for the PTA remains good and events have been well supported by many parents, teachers/staff and pupils alike. We start this academic year again with a very strong bank balance and the ability to offer contribution to the school from a very early stage of the year.

This coming year

The PTA is excited to have a full programme of events this year with the hope of raising more money than ever before to help our school and offer our children the best opportunities and experience they can.

The PTA is committed to coming up with fresh imaginative ideas to continue the push to raise vital funds for the school. However, as always, the PTA is keen for fresh ideas and new contributions from new and existing parents and hope the load will be spread further rather than by the same people who are always first to put their hands up to organise and run these events. If anybody requires any further information on how they can help they should feel free to contact the PTA or current trustees directly.

Details of the results of the activities of the Association are given in the attached accounts. The Committee considers that the Association's affairs are satisfactory.

The PTA Committee is grateful for the help provided by parents and teachers in support of its activities throughout the year.

Committee's Obligations

The Committee is responsible for ensuring safe custody of the Association's assets and for expending funds received in accordance with the objectives of the PTA.

They are also responsible for the preparation of accounts annually in accordance with the Charities Act 1993.

Signed on behalf of the Committee by

Review of the Year

The PTA was able to put on a full programme of events this year. However, yet again, it was another challenging year for the PTA due to the cost-of-living crisis. Again, this presented a somewhat unique challenge of how to achieve the best results possible in fundraising for the school. Due to the continued enthusiasm of a small but dedicated group of parent volunteers and generous contributions from some core donors and the wider school community, the PTA was still able to make a significant impact. The PTA bank account started in a very healthy position and has ended in an equally positive way.

Sadly, not all events were able to be fully sponsored this year, meaning some funds held had to be used in the cost of the events.

Income

Our most profitable event was the Chanukah – Festival of Lights party where we made a profit just shy of £4,000. Our Clore Carnival was also successful and even with an increase in costs to hold the event and a reduced amount of sponsorship, the PTA was still able to make a profit of £2,300. Smaller events including our ever popular, Movie Night and Bingo brought in a combined profit of £2,700. Our other smaller events of Fruit Pastilles Challenge and Psychic Night raised £663 and £630 respectively.

Additional funds continued to be received from payments from Amazon/Easy Fundraising/2nd hand clothes sale.

Furthermore, the school were able to obtain grants through the PTA from Jewish Childs Day and the Childwick Trust.

Expenses

On the expense side the PTA was given a grant from Jewish Childs day of £50,000 and Childwick Trust for £9,500 both of which went straight to the school in full and is being used to fund the Israeli garden project. Furthermore, the PTA helped fund £10,500 worth of learning resources for the school. There remain funds available to the school upon request.

Support for the PTA remains good and whilst the challenges presented over the year, events have been well supported by many parents, teachers/staff and pupils alike. We start this academic year again with a strong bank balance and the ability to offer significant contribution to the school from a very early stage of the year.

The PTA are excited to have a full programme of in person live events this year with the hope of raising more money than ever before to help our school and offer our children the best opportunities and experience they can.

The PTA are sad to say a goodbye to our trustees, Jo Graham and Ronit Raman and want to thank them for all their exceptionally hard work. Therefore, this AGM we will be looking for new trustees made up of existing and new volunteers for our PTA. The PTA is committed to coming up with fresh imaginative ideas to continue the push to raise vital funds for the school. However, as always, the PTA is keen for fresh ideas and new contributions from new and existing parents and hope the load will be spread further rather than by the few people who are always first to put their hands up to organise and run these events. If anybody requires any further information on how they can help they should feel free to contact the PTA or current trustees directly.

Details of the results of the activities of the Association are given in the attached accounts. The Committee considers that the Association's affairs are satisfactory.

The PTA Committee is grateful for the help provided by parents and teachers in support of its activities throughout the year.

Committee's Obligations

The Committee is responsible for ensuring safe custody of the Association's assets and for expending funds received in accordance with the objectives of the PTA.

They are also responsible for the preparation of accounts annually in accordance with the Charities Act 1993.

Signed on behalf of the Committee by

Review of the Year

This was another challenging year for the PTA as for obvious reasons, relating to the ongoing effects of the pandemic, the PTA were not able to put on the full programme of events it would like to do in any "ordinary" year. Again this presented a somewhat unique challenge in how to achieve the best results possible in fundraising for the school. Due to the continued enthusiasm of a small but dedicated group of parent volunteers and generous contributions from some core donors and the wider school community the PTA was still able to make a significant impact. The PTA bank account started in a very healthy position following two previous good years and this has only improved in the year due to the events that were able to go ahead.

Any and all events that did go ahead were fully sponsored meaning no funds held had to be used in the cost of any events, leading to all money taken from ticket sales etc going towards profit.

After 2 years away Clore Carnival came back as our headline summer fundraiser for the year making over £6k in profit. Our unique 2's day event which managed to raise over £2,000 without any in-person attendance required. Other smaller events, including the return of Psychic night, also contributed throughout the year. The PTA was able to secure significant grants from Arnold Clark and Tesco with the school obtaining a grant through the PTA from Jewish Childs Day.

On the expense side the PTA was given a grant from Jewish Childs day of £5,000 which went straight to the school in full and funded £5,500 of new Learning resources within the school. There remain funds available to the school upon request.

Support for the PTA remains good and whilst the challenges presented over the year, events have been well supported by many parents, teachers/staff and pupils alike. We start this academic year again with a strong bank balance and the ability to offer significant contribution to the school from a very early stage of the year.

The PTA are excited to hopefully have a full programme of in person live events this year with the hope of raising more money than ever before to help our school and offer our children the best opportunities and experience they can.

The trustees, if re-elected, are committed to coming up with fresh imaginative ideas to continue the push to raise vital funds for the school. However, as always, we are keen for fresh ideas and new contributions from new and existing parents and hope the load will be spread further rather than the few people who always first to put their hands up to organise and run these events. If anybody requires any further information on how they can help they should feel free to contact the PTA or current trustees directly.

Details of the results of the activities of the Association are given in the attached accounts. The Committee considers that the Association's affairs are satisfactory.

The PTA Committee is grateful for the help provided by parents and teachers in support of its activities throughout the year.

Committee's Obligations

The Committee is responsible for ensuring safe custody of the Association's assets and for expending funds received in accordance with the objectives of the PTA.

They are also responsible for the preparation of accounts annually in accordance with the Charities Act 1993.
