Trustees' Annual Report for the period

From August 1st 2021 to July 31st 2022

Charity name: St Luke's Parents & Friends Association

Charity registration number: 1093284

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>St Luke's Parents & Friends Association ("St Luke's PFA") is registered with the Charity Commission (No. 1093284) and adopted the National Confederation of Parent Teacher Associations ("NCPTA") model constitution on 9 July 2002, amended November 2016.</p> <p>The object of St Luke's PFA is to advance the education of pupils in St Luke's Church of England Primary School ("the School"), in particular by developing effective relationships between the staff, parents, and others associated with the School, and by engaging in activities or providing facilities or equipment which support the School and advance the education of the pupils.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The St Luke's Parents and Friends Association (St Luke's PFA) exist to raise money to support the school experience for all pupils at St Luke's C of E Primary school. We do not raise money for any other entity or body, and the only donations we make are for improvement works to St Luke's C of E Primary School.</p> <p>The funds we raise go towards a range of projects initiated at the discretion of the Headteacher. These include projects to materially improve the school environment for the benefit of the children who attend the school; for example the PFA contributed significant funds towards a project to provide a new astroturf surface for an old playground.</p>

		<p>Recently we also contributed money towards friendship benches in the school playground, to enable children who are feeling lonely at school to have somewhere they can sit and talk to friends.</p> <p>We also contribute funds towards hoodies for children leaving the school, and pay for every child in the school to have a festive Christmas lunch together at Xmas.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>We, the former and current Trustees of the St Luke's Parents And Friends Association, confirm that we have followed the guidance issued by the Charity Commission and have operated the charity entirely for the benefit of St Luke's C of E Primary School – thus fulfilling the wider definition of "public benefit".</p>

Policy on grant making	Para 1.38	<p>The Trustees only make grants to St Luke's C of E Primary School. The Headteacher makes requests for funds at one of our thrice yearly meetings, with all the trustees and class representatives in attendance.</p> <p>The Trustees and Class Reps debate the merits of each request for funding and have an opportunity to question the Headteacher about the costs and benefits of requests for funds. After this, an open vote is held on whether or not to support the request for funding.</p> <p>In addition to this, the PFA supports a few events throughout the year. We fund Christmas lunch for all children at the school, so that the entire school community can eat a special Christmas meal together without regard to cost.</p> <p>The charity also contributes towards the cost of a year-book for children in Year 6 who are graduating from Primary School, and towards the cost of a hoodie for each Year 6 child commemorating their time at St Luke's.</p>

Policy on social investment including program related investment	Para 1.38	n/a
Contribution made by volunteers	Para 1.38	<p>The Charity is run entirely by volunteers, none of whom are paid in any way (either by way of cash payments nor by payments in kind).</p> <p>The PFA currently has six members, three of whom are designated as Trustees of the Charity. Together with the other three PFA committee members, we plan events, delegate tasks to class reps, liaise with the school and work as a team to make our events happen.</p> <p>Class reps (also parent volunteers) then liaise with parents and guardians in the individual classes across the school and recruit more volunteers for different events.</p> <p>The numbers of volunteers at the events varies. For our regular Friday afternoon cake and ice cream sales, we would usually have between 5 and 6 volunteers to sell the cakes. Cakes are donated or made by the parents in each class on a rota, so each class does one cake sale per term.</p> <p>Across the year we run a number of events, which are organised by individual classes, coordinated by the reps.</p> <p>For our larger events like our Summer and Christmas fair, the events are coordinated centrally by the PFA committee and we ask for help from all the reps and as many parents who can spare time to volunteer as possible.</p>
Other		<p>We are totally reliant on the goodwill, time and effort put in by our amazing school community and want to acknowledge the incredible efforts and generosity of our volunteers. Without people's time and energy we wouldn't be able to run the events in the way that we do and we are very grateful to our wonderful helpers for everything they do for the charity.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>In the year 1st August 2021 to 31st July 2022 the PFA made an annual donation to the School of £2500. Most of this was allocated as discretionary spending for the Head Teacher to decide how to allocate (i.e. to help families in need with the cost of school trips, uniforms etc.). £500 of this donation went to fund a special Christmas Dinner before the holidays so every child in the school could eat a traditional Christmas Dinner together, regardless of family income.</p> <p>The PFA also made a donation to the School of £15,000 which went towards the cost of resurfacing the lower playground. Previously, the playground was aging asphalt in poor condition. After the work was done at Easter time, the playground is now covered in a brand new all-weather artificial surface, meaning children can play basketball, football and other games in PE all year round, regardless of the weather.</p>

Achievements against objectives set	Para 1.41	Each year we aim to raise as much money as possible for the school to put towards its varying priorities. We are aware that our fundraising is contingent on the wider economic circumstances and factors outside of our control (such as the longer term impact of covid). Given that we are entirely run by volunteers organising events in their spare time, we don't set objectives as such, but strive to do our best given the wider economic circumstances each year.
Performance of fundraising activities against objectives set	Para 1.41	This year we broke all records in terms of monies raised, mainly due to the ticket receipts from the biannual Ball which was held in Pembroke Lodge. Actual revenue after expenses was broadly in line with previous years, bouncing back again to levels of revenue we saw before the Covid pandemic hit.

Investment performance against objectives	Para 1.41	The Charity has no investments.

A description of the principal risks facing the charity	Para 1.46	<p>The Charity does not face any immediate risks to its future. As the financial year draws to a close, the outgoing committee have handed over to new volunteers who will take the work of the charity forward. We have a fantastic network of parent volunteers in all year-groups through the school, and we are encouraged to see lots of volunteers from the younger class groups (reception and Year 1) helping out at events. This makes us believe that the future of the PFA is safe, as parents joining the school get involved in our events, contributing ideas and time. In time, we anticipate that this is the cohort where our next committee members will come from in the future.</p>
Other		<p>As this year draws to a close, the Charity has handed over to a new generation of Trustees who are all parents at the school. We are confident they will continue the work of the Charity and we stand by to assist them moving forwards as required.</p>

Treasurers' Report

As ever the St Luke's PFA has worked hard and the year ended 31 July 2022 has raised a significant amount of money. We would like to thank everyone who has supported our events and helped to raise funds to donate to the School.

Results for the Year

The income from fundraising events (before donations to the School) was £28,567 (2021: £11,894). This is an increase of £16,673 compared to the prior year.

Fundraising Activities

The main fundraising events in the year are the Christmas and Summer fairs. Both events were well supported and included a number of new stalls (internal and external stall holders) for both parents and children to enjoy. Particular thanks are due to the Class Reps and St Luke's Staff for their help with these large events, as they require a lot of organisation and work during the preceding weeks.

The annual Comedy Night, Pub Quiz and Pembroke Lodge Ball took place during the year and were enjoyed by all. There were a number of other events as well and all the details can be found in note 2.

Donations

St Luke's PFA agreed donations to the School of £17,500 (2021: £11,642) (see note 3). St Luke's PFA agrees two standard contributions each year; one for the Parentmail system and a second to cover the costs of the Christmas Lunch, the KS1 & KS2 disco and small ad hoc costs.
