Objectives and Activities

	SORP ref	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The trustees shall hold the trust fund and its income upon trust and apply them towards the following objects: (a) the relief of poverty, particularly among the destitute; and (b) the advancement of the Christian religion.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The Community's main activities are the relief of poverty and the advancement of the Christian faith.</p> <p>The Community works primarily with the vulnerable, including children and young people, the poor and the destitute. The wider public also benefits from the Community's religious activities.</p> <p>The Community seeks to relieve poverty by providing practical help to the poor and destitute, particularly in the form of food, clothing, temporary shelter, showers and transport. On occasion financial assistance is given for home utilities.</p> <p>Many of those who seek assistance from the Community have difficulty manoeuvring through the governmental social services. Help is, thus, regularly offered to fill out forms, offer references, provide a mailing address and advocate on behalf of the less fortunate.</p> <p>The members of the Community also seek to serve the poor and the wider public through prayer ministry, providing spiritual instruction and encouragement.</p> <p>The Community does not charge for any of its practical or spiritual services. However, in return for the provision of some spiritual services, beneficiaries often make a "free will" contribution towards the Community's expenses.</p>

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In determining the charity's activities, the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Contribution made by volunteers	Para 1.38	The Charity's foundations rely heavily upon the assistance of volunteers for the running of the apostolates and their work with the poor. St. Pio Friary (Bradford) and St. Fidelis Friary (London) maintain soup kitchens, showers and clothing distribution possible only through the generous participation of volunteers. St. Columba Friary (Derry) operates a drop-in centre/café with which the friars are assisted by volunteers.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>As the United Kingdom completely lifted its Covid restrictions, the London foundation was able to fully re-establish its "sit down/in house" lunch program. Also, the numbers of individuals receiving clothing and using showers were also now back to the pre-covid levels.</p> <p>With the onset of the war in Eastern Europe and its negative economic impact, attendance at the lunch program in London increased by 50%. In addition, many more requests were made for financial assistance to cover utilities and other essential miscellaneous items.</p> <p>The friars continued to provide spiritual care and encouragement to the poor and the wider public via home visits, telephone conversation and street ministry. Every other month teams of friars and volunteers would go out onto the streets of central London and minister to those sleeping "rough" through the distribution of food, clothing and at times, sleeping bags.</p>

		<p>Monthly spiritual conferences which include prayer, spiritual presentation and charitable works were held in the London Friary. Similar gatherings were held in Bradford and Derry. Since the end of the covid restrictions, retreats, parish missions and lecture series were reinstated on a regular basis.</p> <p>The Bradford community was able to develop its celebration of Mass and adoration in the St. Patrick's Mission Church. In addition, to the facility being a place of peace and prayer, the friars were able to offer spiritual counsel and guidance. Similar to the facility in London, the Bradford facility was able to offer monthly gatherings for Christian formation, retreats and periodic pilgrimages.</p> <p>The brothers in Derry were able to further develop the Padre Pio Café, a drop-in centre/ café where those in need or simply feeling alone could find a "safe place" for fellowship and possible assistance. As the program has become known in the neighbourhood, the attendance has increased during the year.</p> <p>In addition, the friars in Derry help to facilitate a 12-Step recovery program for those suffering from various forms of addiction. Other brothers have an extensive home visitation program reaching out to those marginalized in society. Further, a couple of the friars are involved with a local secondary school chaplaincy.</p> <p>The Derry brothers offer a considerable amount of time for prayer, spiritual direction/guidance, confession and just a "listening ear". Once a month, a Healing Service is offered at a local parish. Once a week, people also gather at the friary for a discipleship training program—prayer, teaching and socializing.</p> <p>All of the ministries both temporal and spiritual in all three locations (London, Bradford and Derry) have experienced an increase in those seeking assistance. Through the gracious assistance of many volunteers and the continued support of the public, the friars have been able to maintain the various ministries as well as meet the increased needs as they arise.</p>

**Responsibilities and
basis of report**

I report to the trustees on my examination of the accounts of the above charity ('the Trust') for the year ended 31 December 2022.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's
statement**

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008, other than any requirement that the accounts give a 'true and fair view', which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
