REPORT OF THE BOARD OF TRUSTEES

The Trustees are pleased to present their annual directors' report together with the financial statements of the Charity for the year ending 31 December 2022 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2021).

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is a company limited by guarantee and was incorporated on 21 August 2002, registration number 4515844.

The Board has the power to appoint additional trustees as it considers fit to do so, and delegates the responsibility for the day-to-day operations to the administrator.

The Board of Trustees meets as a body six times a year with additional meetings as required.

At the Board meetings the Service and Development Director's report is tabled, as well as the latest financial information. The reports are discussed within the trustees, and questions asked where necessary.

Two sub-committees, Finance & General Purpose Committee and Operational Management Committee, support the Board. These meet on a monthly basis, in between the Board meetings. Each committee prepares a report which is presented to the Board.

New Trustees join the Board at invitation and are chosen with a view to ensuring an appropriate balance of individuals whose skills can make a valid contribution to the operation of the charity. All directors of the company are also trustees of the charity and there are no other trustees.

Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

PUBLIC BENEFIT

The Trustees acknowledge their duty under the Charities Act 2011 to have due regard to the Charity Commission's published general and sub-sector guidance on public benefit when reviewing our aims and strategy and in planning our future activities. Our links with the community have continued to be developed throughout the year. Activities and events promoting awareness and availability of assistance amongst various social groups continue to be developed throughout the year. The review of activities referred to below highlights the achievements made and plans for the future.

OBJECTS AND ACTIVITIES

The objects of the charity as defined by the Memorandum of Association are for the relief of adult patients who have been diagnosed as terminally ill with a defined condition or newly diagnosed as having cancer, by the provision of care services to such persons and to carers and relatives, primarily but not necessarily within the London Borough of Enfield, establishing, maintaining and conducting a day centre, day hospice or residential hospice services, including but not limited to the provision of home support, drop in, counselling, complementary therapies during and after the term of illness.

ACHIEVEMENTS AND PERFORMANCE

The core mission of The Nightingale Cancer Support Centre is to improve the quality of life of cancer sufferers, their families and carers and help them cope, whatever their circumstances.

We do this by providing practical, emotional and physical support throughout their journey, right from the point of diagnosis.

In an effort to reach as many people as possible, we continued to promote the work of the charity with the overall aim of ensuring that the general public became aware of our work and that individuals affected by cancer know who they can contact for support should they need it. Information was distributed to local hospitals, GP surgeries, pharmacies and church groups. In addition, information events were held at key venues throughout The Borough via the charity's social media sites.

Our services are provided through a programme which encompasses information, individual therapies, counselling and advice sessions as well as our groups and classes. Through this programme we provide telephone support, face-to-face drop-in support and initial assessment appointments, general information and advice, individual counselling and complementary therapies and social events.

During 2022 we provide more services than ever before and received more referrals due to the COVID backlog.

- 6,403 (2021: 3,233) individual interventions
- 14 ((2021: 78) clients referred to other agencies
- 876 (2021: 824) individual 1-2-1s with clients
- 699 (2021: 412) counselling hours
- 606 (2021: 321) individual attendances at Fitsteps, Mindfulness and exercise classes
- 886 individual attendances at coffee clubs (started this year)
- 1,627 (2021: 1,165) telephone calls to support clients

As one of our clients put it, "Thank you for all the amazing support you've given me throughout my cancer journey. It's been priceless."

PLANS FOR THE FUTURE

The trustees are aware that although we go into a new financial year with healthy reserves, we still need to work very hard at fundraising. The cost of running the centre is increasing, disposable income is falling and the trustees would still like to be able to deliver our services free of charge. It is their firm belief that money should not be a barrier to anyone in receiving the support that they need. The impact of Covid-19 meant that many cancer diagnostic and treatment services were reduced or shut down completely and medical staff diverted to manage the coronavirus crisis. Although NHS services have resumed we are aware that with such a backlog there will be a much higher demand for our services. Our Centre will deliver face-to-face support at pre-pandemic levels and introduce information events targeted directly at those who were diagnosed during lockdown. The events will allow cancer patients to share their experiences and understand how The Nightingale can help them to come to terms with their diagnosis and help them move forward.

FINANCIAL REVIEW

The charity fully reopened from April 2022 and although overall income decreased from £409k to £383k, the previous year had benefitted from £61k of insurance and furlough claims. The three charity shops were fully open throughout the year and raised £71k of this (2021: £85k but this again had benefitted from £50k of Covid grants and furlough claims). Fundraising events income increased from £91k to £130k; over half of this was raised from our Night Hike which last took place in 2019. Expenses increased from £336k to £370k reflecting the increased activity in the year. The charity made a deficit of £7k for the year.

RESERVES POLICY

The trustees have considered the level of reserves required that will allow the charity to continue operating and providing the capacity to explore new sources of funding should any of its funding streams be withdrawn or come to an end with no immediate replacement and more importantly to enable the charity to develop new services for the future. A minimum of 12 month's forecast expenditure will be held as unrestricted reserves.

DONATIONS

There were no charitable donations during the year.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The trustees are responsible for keeping proper accounting records disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

ACCOUNTANTS

A resolution for the re-appointment of Moore Northern Home Counties Limited was passed at the Annual General Meeting held on 15 August 2022.

This report has been prepared in accordance with the provisions applicable to companies subject to the small companies' regime and was approved and signed on 25/9/ 2023.

By order of the board of trustees

Sam Seth

Chair of trustees

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE NIGHTINGALE
CANCER SUPPORT CENTRE ('THE COMPANY')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants of England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records;
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination'; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ended 31 December 2022 the company was entitled to exemption from audit under S477 of the Companies Act 2006 (the Act) relating to small companies. The members have not required the company to obtain an audit of its accounts for the year under S476. The directors acknowledge their responsibility for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The trustees have prepared accounts in accordance with section 398 of the Companies Act 2006 and section 138 of the Charities Act 2011. These accounts are prepared in accordance with the special provisions of Part 15 of the Companies Act relating to small companies and constitute the annual accounts required by the Companies Act 2006 and are for circulation to members of the company.

The notes on pages 11 to 19 form part of these accounts.

The financial statements were approved and authorised for issue by the board and were signed on its behalf on 26/9/2023.

Sam Seth
Chair of Trustees

NOTES TO THE FINANCIAL STATEMENTS

STATUS OF COMPANY

The company is registered under the Companies Act 2006 as a company limited by guarantee and not having a share capital. The company is a registered charity (number 1084435). Each member of the company, in the event of the company being wound up, has limited liability of up to £10.

1 ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) BASIS OF PREPARATION

The financial statements are prepared in accordance with Financial Reporting Standard 102 as issued by the Financial Reporting Council, the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2021) (Charities SORP (FRS102)) and the Charities Act 2011. They are prepared on the historical cost basis.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b) INCOME

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of Income have been met, it is probable that the income will be received and the amount can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Gift Aid income is recognised when entitled, receipt is probable and when the amount can be recognised with reasonable accuracy.

In accordance with the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the accounts. We are very grateful to the contributions made by our volunteers in providing various support services and counselling.

c) INTEREST RECEIVABLE

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable.

NOTES TO THE FINANCIAL STATEMENTS

d) DEBTORS

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

e) CREDITORS AND PROVISIONS

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

f) FINANCIAL INSTRUMENTS

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

g) FUND ACCOUNTING

Unrestricted funds are available to spend on activities that further any of the purposes of the charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are amounts which have been specified for use for particular areas of the charity's work or for specific projects being undertaken by the charity.

The nature and purpose of each fund is explained in note 10 to the financial statements.

h) EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of commercial trading and associated support costs.
- Expenditure on charitable activities includes the costs of all activities undertaken to further the purposes of the charity and their associated support costs.

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include office costs, finance, personnel, payroll and governance costs which support the charity's programmes and activities. These costs have been allocated between costs of raising funds and expenditure on charitable activities as set out in note 4.

i) TANGIBLE FIXED ASSETS

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the costs of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Improvements to leasehold property – over the life of the lease

Assets greater than £1,000 are capitalized.

NOTES TO THE FINANCIAL STATEMENTS

i) INVESTMENTS

Investments are stated at cost at the balance sheet date.

j) OPERATING LEASES

Rental charges are charged on a straight-line basis over the term of the lease.

k) GOING CONCERN

The Directors assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The Directors make this assessment in respect of period of one year from the date of approval of the financial statements. The Trustees have considered the impact of Covid-19 pandemic on the Charity and do not believe there to be any change in the going concern of the Charity. The Directors conclude that there are no material uncertainties about the Charity's ability to continue and accordingly the financial statements are prepared on a going concern basis.

l) CRITICAL JUDGEMENTS AND ESTIMATES

There are no significant areas of judgement or key assumptions and uncertainty that effect items in the financial statements with respect to the next reporting period for the year ended 31 December 2022.

2a DONATIONS AND LEGACIES

	Unrestricted £	Restricted £	2022 Total £	2021 Total £
