FOR THE YEAR ENDED 31 MARCH 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Meltham Sports and Community Group's objective as stated in the Memorandum and Articles is;- 'to promote the benefit of the inhabitants of Meltham and Neighbourhood without distinction of sex, sexual orientation, race or political, religious or other opinions, by associating, together the said inhabitants and the Local Authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants: establish, or secure the establishment of, community facilities ('the centres') and to maintain and manage the same (whether alone or in co-operation with any local authority or other person or body) in furtherance of these objects: promote such charitable purposes as may from time to time be determined. The company shall be non-party in politics and non-sectarian in religion.'

The principal activity of the charity has been to construct a sports and community centre on a site acquired on a long lease from the Meltham Cricket and Bowling Clubs. This was completed in January 2004 at a cost of around £1.2 million, with external works and games areas completed in April 2004. The centre is a multi-purpose building with changing rooms, sports hall, function room, committee and education space and storage for a wide range of community and sporting activities.

The centre is the home for five of the Town's sports clubs; Meltham Cricket Club, Meltham Subscription Bowling Club, Meltham Athletic Club, Meltham Athletic Football Club and Meltham All Blacks Rugby League Club. Each of the clubs runs their own affairs and has developed their own sports development plans that satisfy the needs of their respective associations. A key intention in the design of the new facility was to enable major development plans for all the five clubs.

Capital funding for the development projects was received from a number of sources. The largest was a grant of £893,000 from Sport England which followed from a successful bid. This was match funded from a grant from Meltham Town Council of £60,000; Kirklees Metropolitan Council with two grants totalling £92,000 and Yorkshire Forward with a grant of £25,000. The remainder of the funds were received from a mix of private donations, company sponsorships and general fundraising in the community, and totalled in excess of £50,000.

Since completing the construction works the main activity of the charity has been the management and maintenance of the facility for the benefit of the community.

OBJECTIVES AND ACTIVITIES

Significant activities

As was mentioned in our previous report the country had just entered the first national lockdown in response to the Covid 19 pandemic. This was a very anxious time for everyone and in particular for the trustees, as we were concerned how we might keep the facility running with no income. Of course, fortunately several Government grants became available to us as the year progressed. In general, our objectives for this year have been much the same as previous years:-

- To manage the facility for the benefit of the residents of Meltham
- To raise sufficient funding to pay the costs of running the centre
- To seek additional funding to develop additional facilities and improve the centre and adjoining grounds
- To employ staff/volunteers to manage the centre and in particular run an effective function room and bar, and to clean and maintain the whole facility
- To ensure that the facility is appropriately insured, compliant and safe for all users
- To support existing and new sports and community groups to develop and in so doing improve the health and wellbeing of Meltham residents
- To consider the feasibility and development of additional facilities, extensions, and sports ground improvements

Since opening the main source of income to pay for the running costs of the centre is the net receipts from the bar. As the bar was unable to open until late July and was then closed from the end of November receipts from the bar have been severely down compared with previous years. We were also unable to open for many events because of the covid rules on reduced numbers and social distancing guidelines.

We have continued with the employment of a senior bar steward on full weekly hours under the direction of one of the Directors, Michael Pogson, who also volunteers to cover much of the management responsibilities and additional bar work for which we are extremely grateful.

The five founding sports clubs continue to provide a wide range of sporting activity for the community, but again this was severely restricted only taking place between July and November and most of the national sporting bodies advising players and teams to not meet indoors or use changing facilities.

Many of our other community activities were also cancelled and there was limited opportunities for events with much reduced numbers able to attend even when we were able to open.

Our objectives will be much the same in the following year, whilst seeking ways to recover from the pandemic and a hope to attract more events we will ensure our costs are kept to manageable levels.

FINANCIAL REVIEW

Financial position and going concern

The income for the year is lower at £89,004 (2020: £122,833). The expenditure was £71,457 (2020: £165,254).

Our financial performance this year has been very unusual compared with the previous years. Our normal main source of income from the bar was only £14,721, a drop from the previous year's figure of £113,835. As well as this much of our stock had to be written off twice during the year because of being beyond sell by dates.

Many of our costs during this year have been substantially lower because the building was closed for much of the year. Our light and heat bills half of the previous years and business rates were nil because of the Government's decision to cancel collection of business rates to businesses like ours. We also spent much less on maintenance and renewals, although we intend to step this up once we are back open with several jobs outstanding from before the pandemic. In total our expenditure on the centre was £41,078 compared with a figure of £66,103 the previous year.

The most pleasing situation this year was our ability to apply for Government grants. These were in two distinct parts; furlough payments to support our continued employment of a senior bar steward and the business support grants for the hospitality industry paid through Kirklees Council. In total we received just short of £62,000. Whilst we are showing a net income of £17,547, the overall picture is better as we have a figure of £29,700 for depreciation in our statement.

On a positive note, our balance sheet continues to be healthy and our cash and reserves at the bank is over £82,000, better than at any previous year. We continue to be in a healthy financial position, despite the difficult trading environment.

As we came to the end of the financial year the centre was closed again as a response to the national lockdown caused by the Covid 19 pandemic. This continues to be a concern for the trustees as we remain keen to honour our founding objectives and is a particularly worrying time as it means all income has stopped and there is an unknown as to when we will be able to reopen.

Reserves policy

The Board aim to build a cash reserve of around £75,000 to £100,000, to ensure they can cover major repairs and have sufficient working capital. The cash reserve at the year end was £84,931. The building and grounds are currently maintained to a high standard and this cash balance is considered sufficient to continue operations for the foreseeable future.

FUTURE PLANS

A key project for us in the next year will be the refurbishment/ replacement of the outdoor ball court, working with Kirklees Council in securing investment from local housing developers s 106 contributions.

Our objectives will be much the same in the following year, whilst seeking ways to attract more events we will ensure our costs are kept to manageable levels.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Organisational structure and decision making

We have retained the same governance structure that we commenced with, as this has served us well. We have nine Trustee/directors, five of whom are selected by each of the main sports clubs: Meltham Subscription bowling Club, Meltham Cricket Club, Meltham Athletic Football Club, Meltham All Blacks Rugby League Club and Meltham Athletics Club. The remaining four trustees are selected from key areas of the wider community representing early years, youth, civic, and elderly residents.

The trustees met monthly when the building was open and received a report on the management of the centre and a financial report at each meeting. Decisions are made on any works at the centre, any major expenditure, and staffing issues. Each of the sports clubs can send additional representatives should there be a need to address any concerns. This works well and there continues to be a very good spirit of co-operation between all the users in the centre.

One of the trustees, Michael Pogson, has continued as the volunteer Centre Manager ensuring that the facility is well-managed and dealing with any daily issues. We continued with the employment of a senior bar worker under Michael's supervision and employ temporary and volunteer bar staff at busy events and a part time cleaner. Other trustees have volunteered to undertake governance and other tasks, such as procuring the new lift, additional cleaning, minute taking, catering etc.

Moving forward we will continue with the same structure with an eye on recruiting new board members and we will continue to regularly review both our business arrangements as well as the condition and repair of the centre to ensure that both remain fit for purpose.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
