FOR THE YEAR ENDED 31 MARCH 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Meltham Sports and Community Group's objective as stated in the Memorandum and Articles is;- 'to promote the benefit of the inhabitants of Meltham and Neighbourhood without distinction of sex, sexual orientation, race or political, religious or other opinions, by associating, together the said inhabitants and the Local Authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants: establish, or secure the establishment of, community facilities ('the centres') and to maintain and manage the same (whether alone or in co-operation with any local authority or other person or body) in furtherance of these objects: promote such charitable purposes as may from time to time be determined. The company shall be non-party in politics and non-sectarian in religion.'

The principal activity of the charity has been to construct a sports and community centre on a site acquired on a long lease from the Meltham Cricket and Bowling Clubs. This was completed in January 2004 at a cost of around £1.2 million, with external works and games areas completed in April 2004. The centre is a multi-purpose building with changing rooms, sports hall, function room, committee and education space and storage for a wide range of community and sporting activities.

The centre is the home for five of the Town's sports clubs; Meltham Cricket Club, Meltham Subscription Bowling Club, Meltham Athletic Club, Meltham Athletic Football Club and Meltham All Blacks Rugby League Club. Each of the clubs runs their own affairs and has developed their own sports development plans that satisfy the needs of their respective associations. A key intention in the design of the new facility was to enable major development plans for all the five clubs.

Capital funding for the development projects was received from a number of sources. The largest was a grant of £893,000 from Sport England which followed from a successful bid. This was match funded from a grant from Meltham Town Council of £60,000; Kirklees Metropolitan Council with two grants totalling £92,000 and Yorkshire Forward with a grant of £25,000. The remainder of the funds were received from a mix of private donations, company sponsorships and general fundraising in the community, and totalled in excess of £50,000.

Since completing the construction works the main activity of the charity has been the management and maintenance of the facility for the benefit of the community.

OBJECTIVES AND ACTIVITIES

Significant activities

This was our first full year without any restrictions and closures from the covid pandemic and a return to something close to normal. This has meant that there was no Government grants to support us and the rent for the car park as a covid testing centre ended also. In general, our objectives for this year have been much the same as previous years

- To manage the facility for the benefit of the residents of Meltham
- To raise sufficient funding to pay the costs of running the centre
- To seek additional funding to develop additional facilities and improve the centre and adjoining grounds
- To employ staff/volunteers to manage the centre and in particular run an effective function room and bar and to clean and maintain the whole facility
- To ensure that the facility is appropriately insured, compliant and safe for all users
- To support existing and new sports and community groups to develop and in so doing improve the health and wellbeing of Meltham residents
- To consider the feasibility and development of additional facilities, extensions, and sports ground improvements

Since opening the main source of income to pay for the running costs of the centre is the net receipts from the bar. Bar sales have returned to a similar pattern to those before the pandemic.

We have continued with the employment of a senior bar steward on full weekly hours under the direction of one of the Directors, Michael Pogson, who also volunteers to cover much of the management responsibilities and additional bar work for which we are extremely grateful.

The five founding sports clubs continue to provide a wide range of sporting activity for the community as most of their programmes have returned to normal. It is disappointing that the Rugby Club have been unable to field sides, but we remain hopeful that some of their activities will return.

Many of our other community activities have returned and there has been an increase in the use of the sports hall which is very pleasing. Bookings for the bar and event space are back to pre-pandemic patterns also. There does appear to be a reduction in sales of alcohol at events which we believe is common in most licensed premises.

Our objectives will be much the same in the following year, whilst seeking ways to continue to attract more events we will ensure our costs are kept to manageable levels.

FINANCIAL REVIEW

Financial position and going concern

A cursory view of this year's accounts would suggest a problematic year, as the bottom line indicates a deficit of £18,806, which compares with a surplus of £20,847 the year before. However, there are a number of reasons for this and the underlying picture is much more positive.

Firstly, the previous year we had received over £18,000 in covid grants and £13,000 in rent for hosting the covid testing station. This year we have had much longer opening hours and weeks, hence higher running costs (as well as higher electricity tariffs). Our stock levels are much higher and we have continued to invest in improvements and repairs in the centre than would be the case in a normal year. The centre has been completely redecorated internally and over the last two years we have reupholstered the chairs, renewed the curtains, replaced the CCTV system, fire security system, new energy efficient lighting and replaced various pieces of equipment. Property and grounds maintenance expenditure as a consequence is over £27,000 for this year, which compares to pre-pandemic levels of often well below £10,000 per year. Our expenditure includes high levels of depreciation after the deferred grant release, which shows as a net loss of over £10,000.

On a positive note, our balance sheet continues to be healthy and our bank balance is over £103,000, significantly better than at any pre pandemic year. We continue to be in a healthy financial position, despite the difficult trading environment.

Reserves policy

The Board aim to build a cash reserve of around £100,000, to ensure they can cover major repairs and have sufficient working capital. The cash reserve at the year end was £105,039. The building and grounds are currently maintained to a high standard and this cash balance is considered sufficient to continue operations for the foreseeable future.

FUTURE PLANS

Our objectives will be much the same in the following year, whilst seeking ways to attract more events we will ensure our costs are kept to manageable levels.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure and decision making

We have retained the same governance structure that we commenced with, as this has served us well. We have nine Trustee/directors, five of whom are selected by each of the main sports clubs: Meltham Subscription bowling Club, Meltham Cricket Club, Meltham Athletic Football Club, Meltham All Blacks Rugby League Club and Meltham Athletics Club. The remaining four trustees are selected from key areas of the wider community representing early years, youth, civic, and elderly residents.

The trustees met monthly when the building was open and received a report on the management of the centre and a financial report at each meeting. Decisions are made on any works at the centre, any major expenditure, and staffing issues. Each of the sports clubs can send additional representatives should there be a need to address any concerns. This works well and there continues to be a very good spirit of co-operation between all the users in the centre.

One of the trustees, Michael Pogson, has continued as the volunteer Centre Manager ensuring that the facility is well-managed and dealing with any daily issues. We continued with the employment of a senior bar worker under Michael's supervision and employ temporary and volunteer bar staff at busy events and a part time cleaner. Other trustees have volunteered to undertake governance and other tasks, such as procuring the new lift, additional cleaning, minute taking, catering etc.

Moving forward we will continue with the same structure with an eye on recruiting new board members and we will continue to regularly review both our business arrangements as well as the condition and repair of the centre to ensure that both remain fit for purpose.
