The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objects of Bury Gateway are the relief of people with learning disabilities by providing help and support for them and for their families, dependants and carers and to prevent learning disabilities for the public benefit. To provide or assist in Lancashire and Greater Manchester in the provision of facilities for recreation or other leisure time occupation for people who have need thereof by reason of mental handicap and with the object of improving their conditions of life.

The charity's activities are run by the full-time project leader with the assistance of approximately 7 volunteers who participate in the running of the drop-in centre, the social club and sports training and also support beneficiaries by providing friendship and assist in daily tasks such as household shopping and budgeting. The trustees recognize the invaluable support given by the volunteers, who give between 1 and 8 hours per week, which can total from 30 to 50 hours in an average week.

Significant activities

The objectives of the charity are achieved by running the drop-in centre. The regular daily attendance varies from 5 to 8 attendees.

Social evenings were held up waiting for Bury Bridge WMC. the average attendance is between 23 and 34. Once the Volunteers are included, plus carers the venue looks full, almost to maximum capacity.

The regular activities including drop in have been supported during the year by encouraging them to maintain contact by telephone, text messaging etc. and by providing emotional support where necessary.

These activities have furthered the objectives of the charity and as a result beneficiaries have gained in confidence and self-esteem through major personal achievements not previously considered possible.

Independent Examiner's Report to the Trustees of
Bury Gateway

Independent examiner's report to the trustees of Bury Gateway ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Bury Gateway

Report of the Trustees for the Year Ended 31 March 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objects of Bury Gateway are the relief of people with learning disabilities by providing help and support for them and for their families, dependants and carers and to prevent learning disabilities for the public benefit. To provide or assist in Lancashire and Greater Manchester in the provision of facilities for recreation or other leisure time occupation for people who have need thereof by reason of mental handicap and with the object of improving their conditions of life.

The charity's activities are run by the full-time project leader with the assistance of approximately 7 volunteers who participate in the running of the drop-in centre, the social club and sports training and also support beneficiaries by providing friendship and assist in daily tasks such as household shopping and budgeting. The trustees recognize the invaluable support given by the volunteers, who give between 1 and 8 hours per week, which can total from 30 to 50 hours in an average week.

Significant activities

The objectives of the charity are achieved by running the drop-in centre. It has been severely affected due to Covid but now seems to have settled down with regular daily attendance varying from 5 to 8 attendees.

Social evenings were held up waiting for Bury Bridge WMC to reopen with adequate bar staff and looking for an alternative venue failed. On 5th November there were 10 Members and by the end of the year this number had increased to 23. The good news is it has now increased to average attendance of 34. Once the Volunteers are included, plus carers the venue looks full, almost to maximum capacity.

The regular activities including drop in have been supported during the year by encouraging them to maintain contact by telephone, text messaging etc. and by providing emotional support where necessary.

These activities have furthered the objectives of the charity and as a result beneficiaries have gained in confidence and self-esteem through major personal achievements not previously considered possible.

FINANCIAL REVIEW

The attached financial statements show the current state of the charity's finances, which the trustees consider to be sound. Grants of £3,000, were received from Zachonis and £10,000 from Bailey Thomas during this year.

Restricted Reserves at 31 March 2023 of £408 and Unrestricted Reserves of £2,557 are all represented by bank balances and the trustees consider the reserves at the current level are both adequate and necessary for the furtherance of the charities objectives.

Monies not immediately required are held on deposit, and the trustees have the power to invest in such assets as they see fit. These funds are held in accounts at the National Westminster bank and the Yorkshire Building Society.

Bury Gateway

Report of the Trustees for the Year Ended 31 March 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objects of Bury Gateway are the relief of people with learning disabilities by providing help and support for them and for their families, dependants and carers and to prevent learning disabilities for the public benefit. To provide or assist in Lancashire and Greater Manchester in the provision of facilities for recreation or other leisure time occupation for people who have need thereof by reason of mental handicap and with the object of improving their conditions of life.

The charity's activities are run by the full-time project leader with the assistance of approximately 7 volunteers who participate in the running of the drop-in centre, the social club and sports training and also support beneficiaries by providing friendship and assist in daily tasks such as household shopping and budgeting. The trustees recognize the invaluable support given by the volunteers, who give between 1 and 8 hours per week, which can total from 30 to 50 hours in an average week.

Significant activities

The objectives of the charity are achieved by running the drop-in centre. It has been severely affected due to Covid but now seems to have settled down with regular daily attendance varying from 5 to 8 attendees.

Social evenings were held up waiting for Bury Bridge WMC to reopen with adequate bar staff and looking for an alternative venue failed. On 5th November there were 10 Members and by the end of the year this number had increased to 23. The good news is it has now increased to average attendance of 34. Once the Volunteers are included, plus carers the venue looks full, almost to maximum capacity.

The regular activities including drop in have been supported during the year by encouraging them to maintain contact by telephone, text messaging etc. and by providing emotional support where necessary.

These activities have furthered the objectives of the charity and as a result beneficiaries have gained in confidence and self-esteem through major personal achievements not previously considered possible.

FINANCIAL REVIEW

The attached financial statements show the current state of the charity's finances, which the trustees consider to be sound. Grants of £3,000, were received from Zachonis and £14,425 from Bury MBC Covid Grant support during this year.

Restricted Reserves at 31 March 2022 of £1,506 and Unrestricted Reserves of £6,401 are all represented by bank balances and the trustees consider the reserves at the current level are both adequate and necessary for the furtherance of the charities objectives.

Monies not immediately required are held on deposit, and the trustees have the power to invest in such assets as they see fit. These funds are held in accounts at the National Westminster bank and the Yorkshire Building Society.

Bury Gateway

Report of the Trustees for the Year Ended 31 March 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objects of Bury Gateway are the relief of people with learning disabilities by providing help and support for them and for their families, dependants and carers and to prevent learning disabilities for the public benefit. To provide or assist in Lancashire and Greater Manchester in the provision of facilities for recreation or other leisure time occupation for people who have need thereof by reason of mental handicap and with the object of improving their conditions of life.

The charity's activities are run by the full-time project leader with the assistance of approximately 7 volunteers who participate in the running of the drop-in centre, the social club and sports training and also support beneficiaries by providing friendship and assist in daily tasks such as household shopping and budgeting. The trustees recognize the invaluable support given by the volunteers, who give between 1 and 8 hours per week, totalling 30 to 50 hours in an average week.

Significant activities

The objectives of the charity are achieved by running the drop-in centre on Monday to Friday mornings, a Thursday evening social club, afternoon sports and educational sessions and individual support and advocacy facilities.

The activities of the charity have been significantly affected by the pandemic lockdown during the year. Individuals have been supported in daily living through supportive advocacy.

Thursday social evening club nights have not been able to continue, due to Government restrictions. The average attendance at the morning drop-in was 6/7 per session, due to safe spacing. Additional sessions have been cancelled, due to the Covid Pandemic.

The regular activities including drop in have been supported during the year by encouraging them to maintain contact by telephone, text messaging etc. and by providing emotional support where necessary.

These activities have furthered the objectives of the charity and as a result beneficiaries have gained in confidence and self-esteem through major personal achievements not previously considered possible.

Planned activities for the coming year in furtherance of the charity's objectives, due to Covid restrictions the service being provided has had to adapt to the extent of including daily visits for one of the members. Until restrictions are lifted to enable a normal service to resume, other activities that include a range of fund raising projects and challenges including a Christmas draw are proving difficult.

FINANCIAL REVIEW

The attached financial statements show the current state of the charity's finances, which the trustees consider to be sound. Grants of £10,000, were received from Bailey Thomas and £10,000 from Bury MBC Covid Grant during this year.

Restricted Reserves at 31 March 2021 of £1,968 and Unrestricted Reserves of £17,189 are all represented by bank balances and the trustees consider the reserves at the current level are both adequate and necessary for the furtherance of the charities objectives.

Monies not immediately required are held on deposit, and the trustees have the power to invest in such assets as they see fit. These funds are held in accounts at the National Westminster bank and the Yorkshire Building Society.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Bury Gateway is a company limited by guarantee, incorporated on 18 February 2002, and a registered charity governed by its Memorandum and Articles of Association. Charity number 1094663. Company number 4376237.

Induction and training is by invitation to observe Trustees meetings and activities of the charity. New trustees are encouraged to read the explanatory literature provided by both Company's House and the Charity Commission. All trustees are invited to attend the periodic staff and volunteer training meetings.

Independent Examiner's Report to the Trustees of
Bury Gateway

Independent examiner's report to the trustees of Bury Gateway ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
