8. We confirm that there had been no events since the balance sheet date which require disclosure or which would materially affect the amounts in the financial statements, other than those already disclosed or included in the financial statements.
9. We confirm that we are not aware of any such transactions.

14. We acknowledge our responsibility for the design and implementation of internal controls to prevent and detect fraud. We confirm that we have disclosed to you the results of our own risk assessment that the financial statements may be misstated as a result of fraud.
15. We confirm that there have been no actual or suspected instances of fraud involving trustees, management or employees who have a significant role in internal control or that could have a material effect on the financial statements. We also confirm that we are not aware of any allegations of fraud by former trustees, employees, regulators or others.
16. We confirm that, having considered our expectations and intentions for the next 12 months and the availability of unrestricted reserves, the charity is a going concern.
17. We confirm that all grants, donations and other income, including those subject to special terms or conditions or received for restricted purposes, have been notified to you. There have been no breaches of terms or conditions during the period regarding the application of such income.

18. We confirm that we are not aware of any matters of material significance that should be reported to the Charity Commission.
19. We acknowledge our legal responsibilities regarding disclosure of information to you as independent examiners and confirm that:
- so far as each trustee is aware, there is no relevant independent examination information of which you as independent examiners are unaware; and
  - each trustee has taken all the steps that they ought to have taken as a trustee to make themselves aware of any relevant independent examination information and to establish that you are aware of that information.

We confirm that the above representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate of supporting documentation) sufficient to satisfy us that we can properly make each of the above representations to you and that to the best of our knowledge and belief they accurately reflect the representations made to you by the trustees during the course of your independent examination.

### **GOVERNANCE**

#### **INCORPORATION/GOVERNING DOCUMENT**

Incorporated on 6 August 2002, the company - limited by guarantee and not having a share capital - is governed by its Memorandum and Articles of Association.

#### **PRINCIPAL ACTIVITY**

The principal activity of the company in the period under review was meeting the objectives of the charity as shown below.

#### **TRUSTEES' RECRUITMENT, INDUCTION AND TRAINING**

The method of appointment or removal of trustees is governed by the company's Memorandum and Articles of Association which states that no person other than a trustee retiring by rotation shall be appointed or reappointed a trustee at any general meeting unless recommended by the trustees. At each annual general meeting one third of the trustees, who are subject to retire by rotation, shall retire. Suitable candidates are selected by the existing trustees and invited to become trustees. The selection criteria used are based on knowledge of horticulture, experience of operating and understanding the needs of the various social events, ability to contribute to the scope and activities of social events and their experience and wisdom in guiding the future direction of the Cornwall Garden Society. The induction and training of new trustees is on-going and developed from their established knowledge and experience.

#### **TRUSTEES RESPONSIBILITIES**

The trustees (who are also the directors of The Cornwall Garden Society for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **ORGANISATIONAL STRUCTURE**

The members of the company elect the trustees, from whose number is formed a Managing Committee consisting of the Chairman, Secretary, Treasurer and other such trustees as required. Operational control is delegated through Executive members, who take responsibility for their own individual activities sometimes with a small team of helpers, made up of Treasury, Membership, Lectures, Outings, Garden Visits, The Spring Show, The Journal, and Publicity.

The President, Chairman, Vice Chairman, Treasurer and Secretary frequently become involved in assisting in the operation of the various activities. The Trustees meet twice a year while the Managing Committee meet four times a year (including the AGM). All the activities are formally discussed accompanied by agendas and minutes. There are other meetings but these are event specific.

#### **RISK MITIGATION**

The major risks to which the charity is exposed, as identified by the trustees, continue to be reviewed. The trustees seek to mitigate those risks.

## **THE CORNWALL GARDEN SOCIETY**

**Report of the Trustees (incorporating the Directors Report)  
for the year ended 31 May 2022**

### **CHARITY BACKGROUND**

The Society which has over 800 members started in 1879 with the first Flower Show in Cornwall. It has traded as an incorporated charitable company since 1 January 2003. The original aim was for garden owners in the county to display and compete with each other's gardens and plants. Since then its activities have diversified to take in a wide spectrum of interest under its "garden" umbrella. This includes a programme of lectures, the publication of a Journal, and arranging a wide range of garden visits and outings and other activities. The Cornwall Garden Society is the only county based garden society in the country and is affiliated to the Royal Horticultural Society.

### **OBJECTIVES AND ACTIVITIES**

#### **CHARITY OBJECTIVES**

The charity's objectives for the public benefit are:

- 1 the encouragement and improvement of the science, art and practice of horticulture in all its branches;
- 2 the promotion of knowledge and education in good gardening principles and in the national heritage of gardens in Cornwall; and
- 3 to promote, conserve and protect the natural environment in Cornwall.

The trustees confirm that they have referred to the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting grant making policies for the year.

The charity runs a programme of lectures, which are open to the general public. The lectures, which are publicised on the Society's website, are held at easily found venues around the county. In the year there were lectures on topics covering a wide variety of matters of horticultural interest. The society invites lecturers with a national or international eminence on the subject to deliver the lectures.

The charity has also introduced a scheme designed to help young gardeners in Cornwall further their knowledge. Initially this is being achieved through a series of workshops, which, subject to availability, are open to the general public. In order to achieve this objective, the society is working closely with the Cornwall Head Gardeners Group, an organization representing many Cornish Gardens.

#### **VOLUNTEERS**

The major personal contributions from the society's trustees, executives and volunteers involved in all of the Cornwall Garden Society's activities are enormous and much appreciated. Without this we would not exist.

### **ACHIEVEMENTS AND PERFORMANCE**

#### **REVIEW OF THE YEAR**

After losing the Spring Flower Show, the major event of our horticultural year, to the pandemic in both 2020 and 2021, we were to our great relief able to mount a very successful show at the Showground at Wadebridge in April 2022. We were also able to resume 'normal service' to our members with a full programme of events, lectures, self drive garden visits and more distant trips. During this financial year we provided support for mainly young men and women, either undergoing training or embarking on their careers in horticulture, under the Wells Bursary Scheme. In addition to our regular activities we also added to our support for the encouragement of gardening in primary schools by a contribution to the construction of a very successful nature garden at Mawnan School.

## THE CORNWALL GARDEN SOCIETY

Report of the Trustees (incorporating the Directors Report)  
for the year ended 31 May 2022

### FINANCIAL REVIEW OF THE YEAR

In the year ended 31 May 2022 the company had a surplus of £10,685 (2021: deficit of £7,688) as shown in the Statement of Financial Activities (Page 6).

At 31 May 2022 the company had reserves of £57,159 (2021: £46,474).

The Society's funds are raised through subscriptions and social activities. There are two primary sources of funding - members' subscriptions and the annual Spring Flower Show and any other activities that show a surplus. The income supports the lecture programme, the Journal and horticultural training grants. The social activities of outings and self drive visits aim to be self-financing. All of the activities promote our charitable objectives.

### INVESTMENT POWERS

The trustees have the power to invest the monies of the society not immediately required for its purposes, in or upon such investments, securities or property as may be thought fit, by the trustees.

### LEVEL OF RESERVES

The trustees believe that about £100,000 is an adequate level of reserves. This should be retained to provide the stability and security necessary for the Society to run its affairs prudently at current levels of activity. This includes underwriting the annual Spring Flower Show, which is not wholly under cover, and has at times made large losses. The future level of those losses could be as much as £50,000 in any one year.

Restricted funds consist of monies donated by the Wells family in connection with the Wells Bursary Scheme.

Designated funds have been allocated for grants for training individuals or otherwise to directly help gardeners in Cornwall reach their full potential.

### SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the special provisions for small companies under part 15 of the Companies Act 2006.

## THE CORNWALL GARDEN SOCIETY

### Independent Examiner's Report to the Members on the Unaudited Accounts of The Cornwall Garden Society

I report on the accounts for the year ended 31 May 2022 set out on pages 6 to 10.

#### Respective responsibilities of trustees and reporting accountants

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under Part 16 of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

- 1 examine the accounts under section 145 of the 2011 Act;
- 1 to follow procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- 1 to state whether particular matters have come to my attention.

#### Basis of independent examiner's report

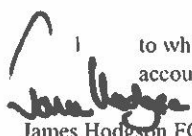

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in audit and, consequently, no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material aspect, the requirements  
(a) to keep accounting records in accordance with section 386 of the Companies Act 2006; and  
(b) to prepare accounts which accord with the accounting records, comply with the accounting requirements of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) have not been met; or

- 1 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
