The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2025

Structure, governance and management

The Trustees (all of whom are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of The St Michael Steiner School (the charity) for the year ended 31 July 2025. The Trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities".

Constitution

The St Michael Steiner School Limited was incorporated as a company limited by guarantee on 31 January 2002, and is governed by its Memorandum and Articles of Association. The school is also a registered educational charity in accordance with the provisions of the Charities Act 2011.

The principal object of the charity is to provide education for children, based on indications given by Rudolf Steiner.

There has been no change in the principal activity since the prior year.

Method of appointment or election of trustees

The Board may, from time to time appoint any person as a member of the Board either to fill a vacancy, or by way of addition to the Board, subject to the provisions of the Articles of Association.

Any member so appointed shall retain office only until the next Annual General Meeting, but they shall remain eligible for re-election at the Annual General Meeting. Each year, one third of the members of the Board retire by rotation but are eligible for re-election.

Trustees are appointed at a meeting of the School Association on the basis of nominations received from Association members according to the procedure for nominations. The school, as a registered charity, is required to have at least three trustees who are legally responsible to ensure that the school operates in accordance with its Articles of Association, charity law, employment law, financial obligations and the guidelines of the Steiner Waldorf Schools Fellowship (SWSF) and the Independent Schools Association (ISA). In addition, trustees must have an understanding of and an interest in Steiner education and, in particular, a willingness to support our school in its present and future development.

Policies adopted for the induction and training of trustees

New Trustees are given copies of our Articles of Association, the Charity Commission's 'Responsibilities of Trustees', the Independent Schools Standards (ISS), the school's most recent Ofsted/Independent Schools Inspectorate (ISI) report, Staff and Parent Handbooks, the school prospectus and a selection of past and current school newsletters. In addition, new trustees are inducted into the workings of the school through meetings with the College and School Association. The school's Trustees are covered by the Trustee Liability Insurance.

Organisational structure and decision making

We aim to have a balance of men and women among our Trustees and seek those who are mature in life experience and who have skills that would complement those of the existing Trustees. Our trustees are kept informed of the decisions made by the College and attend College meetings from time to time. We entrust that they hold the school and its vision in their hearts during the time they are

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2025

in service as Trustees.

The Trustees meet regularly with members of College and have oversight of significant decisions and events, such as school development and financial matters. All Trustees give their time freely and no remuneration or expenses were paid for this role in the year. No Trustee or person connected with a Trustee received any benefit from either means tested bursaries or scholarships awarded to our pupils.

As the legal employers of the school, a quorum of Trustees must also be involved in any employment matters. Where a Trustee or his/her close relative is an employee of the school in another capacity, s/he must not be involved in any discussions or decisions regarding the employment or remuneration of that employee.

A quorum of Trustees is also kept informed of staff and/or parent grievances. At least three Trustees are not involved in any one grievance so that there is always a quorum who may be called upon to mediate in these cases if necessary.

A quorum of Trustees is three.

School policy is proposed by the College of Teachers and ratified by the board of Trustees; the day to day management of the school is exercised by the College of teachers and the school administrators.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and activities

Policies and objectives

In setting objectives and planning for activities, the Trustees have had due regard to the general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance on advancing education, on fee-charging and setting the donation acceptance policy for the year.

The mission of the school is to promote and provide for the advancement of education of the public in accordance with the teachings of Dr Rudolf Steiner and in particular, to conduct a school or schools for the education of children.

Strategies for achieving objectives

Steiner education in general, and our school in particular, is about the protection of childhood and an education for the future, for freedom of the individual to be master of himself or herself and be able to work socially for others. The education arises from a study and understanding of the human being in body, soul and spirit to meet the academic, social and spiritual needs of developing young people.

The cosmopolitan nature of life in London brings our school's children into daily contact with people of many different backgrounds and nationalities. This makes for a vibrant and exciting school experience; the deep respect toward all human beings that is the foundation of all Waldorf education, encouraging enthusiasm for life, and an active interest in the world. We aim to help our children orientate themselves towards whatever comes to meet them in life whilst they are still growing, as well as when they become adults. We need to respond within our education to the constantly changing needs of the world, in order to create flexible, socially aware creative thinkers who are able to act in that world.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2025

Activities for achieving objectives

Since opening in September 2001, the school has become well established. The school moved into its premises in Hanworth Park in July 2012.

Our pupil numbers during the past year were on average 134 children in 2 kindergartens and 10 classes, catering to children from 3 to 18 years old. We continue to provide subject lessons in Spanish, Music, Art, Crafts, Gardening, Games, P.E. Eurythmy, German, Handwork and Religion. Pupils have benefitted during this period from educational trips within the UK and Europe.

Most teaching staff are fully trained Steiner Waldorf teachers. We had one child with an Education Health and Care Plan in the year under consideration. There are a number of other children who require some support, but we are able to meet their needs within the normal classes and curriculum.

Realising that growth in the early years is essential for the future stability of the school, the school continues to run four well attended 'Parent & Child' groups each week.

During this accounting period the school has continued to invest in its bursary and fee support schemes, allowing those on lower incomes to access the education that the school provides. We offer discounts to people whose children would have to leave the school if they had to pay the full fee. Financially, this makes sense as the classes are not full and subsidised places still bring in some revenue. We would like to further develop this fee assistance in order to maintain a diverse school community, but at the moment we are not able to support all families as much as we would like to.

Parents continued actively fundraising, organising school fairs in the summer and at Advent, as well as giving freely of their time for bake sales, car boot sales, some maintenance of the building, gardening, marketing and outreach work in the community.

The school has not only provided the accommodation but also the organisational and educational inputs for an eighth annual summer teachers' conference for Waldorf teachers, as well as a number of CPD courses during this period. Participants were practising and trainee teachers from across the UK and beyond, members of the school's parent body, and local residents.

Bursary policy

This year the value of means tested bursaries totalled £69,428 (£71,182 in 2024) and represented 5.3% (6.0% in 2024) of our gross fees. They provided assistance to 11 (10 in 2024) of our pupils. We are aiming to bring our accounts to surplus by increasing pupil numbers which would also allow a higher bursary fund to serve families of any backgrounds.

The Trustees view our bursary awards as important to help children from families who would otherwise not be able to afford the fees to access the education we offer. All families in our school are considered for our bursary awards, which are made solely on the basis of parental means or to relieve hardship where a pupil's education and future prospects would otherwise be at risk, for example in the case of redundancy. In assessing means we take a number of factors into consideration including family income, investments and savings and family circumstances, for example dependent relatives and the number of siblings. However, our school does not have a large endowment and in funding our awards we have to be mindful that we must ensure a balance between fee-paying parents, many of whom make considerable personal sacrifices to fund their child's education, and those benefiting from the awards.

Information about fee assistance through bursaries is provided to all pupils of the school.

To underline the value, we place on continuity for families, we offer discounts where parents have

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2025

more than one child at the school.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the school plans to have, as a minimum, a balanced budget for the 2025-26 year and continue to seek early payment of school fees and additional donations where possible.

Financial review

The statement of financial activities set out on page 14 of these financial statements show how the School's incoming resources have been expended in the year ended 31 July 2025.

Incoming resources amounted to £1,437,276 (2025: £1,326,723). The majority of income was made up of fees and donations. Resources expended amounted to £1,402,792 (2024: £1,350,499), which, save for costs incurred in the management and administration of the School, were utilised in pursuance of the principal activity referred to above. An analysis of resources expended is provided in notes 10 to 18 of these financial statements.

The net profit for the period was £34,484 (2024: loss of £23,776).

The balance sheet set out on page 15 of these financial statements show the financial position of the School as at 31 July 2025, and as at this date, there were total net assets of £90,951 (2024: £56,467).

Current assets are represented by debtors of £103,593 (2024: £167,185). Cash at bank and in hand amounted to £207,048 (2024: £414,422).

Reserves policy

The Charity aims to keep reserves at a level that can cover at least three months' expenditure. The Trustees are aware that this policy is not currently being satisfied.

Principal funding

The Charity's principal funding remains to be that of school fees.

Future developments

1) The school's aim continues to be the increase of Early Years (Age 3-6 years) schooling and pupil numbers in the classrooms (Ages 7-18 years). We offer the Certificate of Steiner Education (CSE) in our Upper School in order to provide a broad and innovative Steiner education to our pupils from age 15 and access to universities. Our Class 12 pupils have successfully applied to and been offered places by universities on the basis of their CSE results.

2) We have been at Hanworth Park for 11 years and have developed some parts of the site: six years ago, we invested in the redevelopment of our cottage which houses one of our kindergartens; we also invested in a wooden building for the Parent and Child groups and we bought three portacabins for storage, a library and a staff room. This increased the number of classrooms inside the main building to accommodate single stream classes from Class 1 to Class 8 for the first time in the school's history. Our advertising and Open days are aimed at filling the classes at the lower end of the school, since this is the healthiest way to increase pupil numbers in the longer term.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2025

3) We strive to provide this education for all by working out financial models to support our plans. We offer substantial sibling discounts so that large families can more easily afford to come to the school. We aim to continue to provide financial help for those who are in need of it and we continue to inspire more fortunate families to support us according to their means.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Independent Auditor's Report to the Members of The St Michael Steiner School Limited

Year ended 31 July 2025

Opinion

We have audited the financial statements of The St Michael Steiner School Limited (the 'charity') for the year ended 31 July 2025 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2025

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2025

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we have considered; the nature of the industry, control environment.

We also consider the results of our enquiries of management, relating to their own identification and assessment of the risks of irregularities and possible related fraud. This includes reviewing available documentation on their policies and procedures and performing tests of controls to evidence their effectiveness.

Throughout the audit testing we are considering the incentives that may exist within the organisation for fraud. Key areas include timing of recognising income around the year end, posting of unusual journals. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We ensure we have an understanding of the relevant laws and regulations and remain alert to possible non-compliance throughout the audit.

Despite proper planning and audit work in accordance with auditing standards there are inherent limitations and unavoidable risk that we may not detect some irregularities and material misstatements in the financial statements. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2025

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2025

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 July 2025

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Park Road, Feltham, England, TW13 6PN.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the school plans to have, as a minimum, a balanced budget for the 2025-26 year and continue to seek early payment of school fees and additional donations where possible.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2025

3. Accounting policies *(continued)*

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designed for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income is allocated to the appropriate fund.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income tax recoverable in relation to donations received under gift aid or deeds of covenant is recognised at the time of the donation.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2025

3. Accounting policies *(continued)*

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvements	-	over the lease term
Fixtures and fittings	-	3 year straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2025

4. Limited by guarantee

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

	<u>45,970</u>	<u>45,970</u>	<u>140,733</u>

14. Taxation

The St Michael Steiner School is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within the categories covered by Chapter 3 Part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

15. Net income/(expenditure)

Net income/(expenditure) is stated after charging/(crediting):

	2025 £	2024 £
Depreciation of tangible fixed assets	3,143	14,383
Operating lease rentals	<u>168,840</u>	<u>189,000</u>

16. Auditors remuneration

	2025 £	2024 £
Fees payable for the audit of the financial statements	<u>7,250</u>	<u>4,850</u>

The St Michael Steiner School pays fees of £2,000 (2024: £2,000) for non audit services.

17. Staff costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

	2025 £	2024 £
Wages and salaries	771,231	734,942
Social security costs	78,474	57,051
Employer contributions to pension plans	16,422	15,129

Dear Sirs

This representation letter is provided in connection with your audit of the financial statements of The St Michael Steiner School for the year ending 31 July 2024 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view of the results and financial position of The St Michael Steiner School in accordance with The Companies Act 2006 and the United Kingdom's Generally Accepted Accounting Practices.

We confirm to the best of our knowledge and belief that the representations below are made on the basis of enquiries of management and staff with relevant knowledge and experience and, where appropriate, of inspection of supporting documentation sufficient to satisfy ourselves that we can properly make each of the above representations to you.

We acknowledge our legal responsibilities regarding disclosure of information to you as auditors and confirm that so far as we are aware, there is no relevant audit information needed by you in connection with preparing your audit report of which you are unaware. Each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that you are aware of that information.

Financial statements

1. We have fulfilled our responsibilities as Directors, as set out in the terms of your engagement dated November 2017 for preparing financial statements in accordance with The Companies Act 2006 and the United Kingdom's Generally Accepted Accounting Practices, which you have drafted on our behalf, which give a true and fair view of the financial position of the company as of 31 July 2024 and of the results of its operations and cash flows for the year then ended and for making accurate representations to you.
2. Significant assumptions used by us in making accounting estimates, such as prepayments and accruals, are reasonable.
3. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
4. We have disclosed all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements and these have been disclosed in accordance with the requirements of accounting standards.
5. Related party relationships and transactions, as defined by the accounting standards and Companies Act 2006, have been appropriately accounted for and disclosed in accordance with the requirements of accounting standards.

6. All events since the balance sheet date which require disclosure or which would materially affect the amounts in the financial statements have been adjusted or disclosed in the financial statements.
7. We confirm the financial statements are free of material misstatements, including omissions. We believe that those uncorrected misstatements identified during the audit are immaterial both individually and in aggregate to the financial statements as a whole. A list of these items is attached to the management report, together with our reasons for not correcting them.
8. We confirm that, having considered our expectations and intentions for the next twelve months, and the availability of working capital, the company is a going concern. We confirm that the disclosures in the accounting policies are an accurate reflection of the reasons for our consideration that the financial statements should be drawn up on a going concern basis.
9. We confirm that there is no restatement necessary in prior period's financial statements that affect the comparative information.

Information provided

10. All accounting records and relevant information have been made available to you for the purpose of your audit. We have provided to you all other information requested and given unrestricted access to persons within the entity from whom you have deemed it necessary to obtain audit evidence or request information. All other records and related information [including minutes of all management and trustees meetings] have been made available to you.
11. All transactions undertaken by the company have been properly reflected in the accounting records and are reflected in the financial statements.
12. We acknowledge our responsibility for the design, implementation and maintenance of controls to prevent and detect fraud. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
13. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the entity and involves, management, employees who have significant roles in internal control, or others, where fraud could have a material effect on the financial statements.
14. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud affecting the entity's financial statements communicated by employees, former employees, analysts, regulators or others.
15. We confirm that we are not aware of any possible or actual instance of noncompliance with those laws, regulations and contractual agreements which provide a legal framework within which the company conducts its business and which could affect the financial statements. The company has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of noncompliance.
16. We confirm that we have disclosed to you the identity of the entity's related parties and all related party relationships and transactions relevant to the company that we are aware of.

Attached is a schedule confirming all related parties as previously disclosed to you.

17. The company has satisfactory title to all assets, and there are no liens or encumbrances on the assets except for those disclosed in the financial statements.
18. There are no liabilities, contingent liabilities or guarantees to third parties other than those disclosed in the financial statements. As part of this we do not believe a provision is required for dilapidation costs.
19. The company has at no time during the year entered into any arrangement, transaction or agreement to provide credit facilities (including loans, quasi loans or credit transactions) for directors, nor to guarantee or provide security for such matters, except as disclosed in the financial statements.
20. We confirm that we believe the school is a going concern and will continue in operational existence for the foreseeable future. We believe parents will pay for their children's 2024-25 school fees in advance to help with cash flow, and that we will obtain a balanced budget for 24-25.

Yours faithfully

Signed on behalf of the board of directors by:

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2024

Structure, governance and management

The Trustees (all of whom are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of The St Michael Steiner School (the charity) for the year ended 31 July 2024. The Trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities".

Constitution

The St Michael Steiner School Limited was incorporated as a company limited by guarantee on 31 January 2002, and is governed by its Memorandum and Articles of Association. The school is also a registered educational charity in accordance with the provisions of the Charities Act 2011.

The principal object of the charity is to provide education for children, based on indications given by Rudolf Steiner.

There has been no change in the principal activity since the prior year.

Method of appointment or election of trustees

The Board may, from time to time appoint any person as a member of the Board either to fill a vacancy, or by way of addition to the Board, subject to the provisions of the Articles of Association.

Any member so appointed shall retain office only until the next Annual General Meeting, but they shall remain eligible for re-election at the Annual General Meeting. Each year, one third of the members of the Board retire by rotation but are eligible for re-election.

Trustees are appointed at a meeting of the School Association on the basis of nominations received from Association members according to the procedure for nominations. The school, as a registered charity, is required to have at least three trustees who are legally responsible to ensure that the school operates in accordance with its Articles of Association, charity law, employment law, financial obligations and the guidelines of the Steiner Waldorf Schools Fellowship (SWSF) and the Independent Schools Association (ISA). In addition, trustees must have an understanding of and an interest in Steiner education and, in particular, a willingness to support our school in its present and future development.

Policies adopted for the induction and training of trustees

New Trustees are given copies of our Articles of Association, the Charity Commission's 'Responsibilities of Trustees', the Independent Schools Standards (ISS), the school's most recent Ofsted/Independent Schools Inspectorate (ISI) report, Staff and Parent Handbooks, the school prospectus and a selection of past and current school newsletters. In addition, new trustees are inducted into the workings of the school through meetings with the College and School Association. The school's Trustees are covered by the Trustee Liability Insurance.

Organisational structure and decision making

We aim to have a balance of men and women among our Trustees and seek those who are mature in life experience and who have skills that would complement those of the existing Trustees. Our trustees are kept informed of the decisions made by the College and attend College meetings from time to time. We entrust that they hold the school and its vision in their hearts during the time they are

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2024

in service as Trustees.

The Trustees meet regularly with members of College and have oversight of significant decisions and events, such as school development and financial matters. All Trustees give their time freely and no remuneration or expenses were paid for this role in the year. No Trustee or person connected with a Trustee received any benefit from either means tested bursaries or scholarships awarded to our pupils.

As the legal employers of the school, a quorum of Trustees must also be involved in any employment matters. Where a Trustee or his/her close relative is an employee of the school in another capacity, s/he must not be involved in any discussions or decisions regarding the employment or remuneration of that employee.

A quorum of Trustees is also kept informed of staff and/or parent grievances. At least three Trustees are not involved in any one grievance so that there is always a quorum who may be called upon to mediate in these cases if necessary.

A quorum of Trustees is three.

School policy is proposed by the College of Teachers and ratified by the board of Trustees; the day to day management of the school is exercised by the College of teachers and the school administrators.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and activities

Policies and objectives

In setting objectives and planning for activities, the Trustees have had due regard to the general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance on advancing education, on fee-charging and setting the donation acceptance policy for the year.

The mission of the school is to promote and provide for the advancement of education of the public in accordance with the teachings of Dr Rudolf Steiner and in particular, to conduct a school or schools for the education of children.

Strategies for achieving objectives

Steiner education in general, and our school in particular, is about the protection of childhood and an education for the future, for freedom of the individual to be master of himself or herself and be able to work socially for others. The education arises from a study and understanding of the human being in body, soul and spirit to meet the academic, social and spiritual needs of developing young people.

The cosmopolitan nature of life in London brings our school's children into daily contact with people of many different backgrounds and nationalities. This makes for a vibrant and exciting school experience; the deep respect toward all human beings that is the foundation of all Waldorf education, encouraging enthusiasm for life, and an active interest in the world. We aim to help our children orientate themselves towards whatever comes to meet them in life whilst they are still growing, as well as when they become adults. We need to respond within our education to the constantly changing needs of the world, in order to create flexible, socially aware creative thinkers who are able to act in that world.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2024

Activities for achieving objectives

Since opening in September 2001, the school has become well established. The school moved into its premises in Hanworth Park in July 2012.

Our pupil numbers during the past year were on average 132 children in 2 kindergartens and 12 classes, catering to children from 3 to 18 years old. We continue to provide subject lessons in Spanish, Music, Art, Crafts, Gardening, Games, Eurythmy, German, Handwork, Religion and Global Issues. Most teaching staff are fully trained Steiner Waldorf teachers. We had one child with an Education Health and Care Plan in the year under consideration. There are some other children who require extra support, but we are able to meet their needs within the normal classes and curriculum.

We offer discounts to people whose children would have to leave the school if they were expected to pay the full fee. Financially, this makes sense as the classes are not full and subsidised places still bring in some revenue. We would like to further develop and grow this grant but at the moment we are not able to support all families in financial need.

Realising that growth in the early years is essential for the future stability of the school, the school continues to run three to four 'Parent & Child' groups each week, which were very well attended.

Parents continued actively fundraising and supporting the school in other ways mentioned, as well as giving freely of their time for some maintenance of the building, gardening, marketing and outreach work in the community.

During this accounting period the school has continued to invest in its bursary and fees support schemes, allowing those on low incomes to access the education, support and training that the school provides to children, parents and carers. The school has not only provided the accommodation but also the organizational and educational inputs for a number of training and CPD courses during this period. Participants have come from not only the school's parent body, but from local residents and from trainee teachers from the UK and beyond.

The school continued to invest into improving and adding to its accommodation, permitting expansion in facilities for learning, sport and dedicated Parent and Child Group activities, as well as a new classroom for the High School. The school's pupils have benefitted during this period from the school investing in school educational trips within the UK.

Bursary policy

This year the value of means tested bursaries totalled £71,182 (£65,944 in 2023) and represented 6.0% (5.6% in 2023) of our gross fees. They provided assistance to 10 (10 in 2023) of our pupils. We are aiming to bring our accounts to surplus by increasing pupil numbers which would also allow a higher bursary fund to serve families of any backgrounds.

The Trustees view our bursary awards as important to help children from families who would otherwise not be able to afford the fees to access the education we offer. All families in our school are considered for our bursary awards, which are made solely on the basis of parental means or to relieve hardship where a pupil's education and future prospects would otherwise be at risk, for example in the case of redundancy. In assessing means we take a number of factors into consideration including family income, investments and savings and family circumstances, for example dependent relatives and the number of siblings. However, our school does not have a large endowment and in funding our awards we have to be mindful that we must ensure a balance between fee-paying parents, many of

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2024

whom make considerable personal sacrifices to fund their child's education, and those benefiting from the awards.

Information about fee assistance through bursaries is provided to all pupils of the school.

To underline the value, we place on continuity for families, we offer discounts where parents have more than one child at the school.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the school plans to have, as a minimum, a balanced budget for the 2024-25 year and continue to seek early payment of school fees and additional donations where possible.

Financial review

The statement of financial activities set out on page 14 of these financial statements show how the School's incoming resources have been expended in the year ended 31 July 2024.

Incoming resources amounted to £1,326,723 (2023: £1,283,909). The majority of income was made up of fees and donations. Resources expended amounted to £1,350,499 (2023: £1,332,975), which, save for costs incurred in the management and administration of the School, were utilised in pursuance of the principal activity referred to above. An analysis of resources expended is provided in notes 10 to 18 of these financial statements.

The net loss for the period was £23,776 (2023: £49,066).

The balance sheet set out on page 15 of these financial statements show the financial position of the School as at 31 July 2024, and as at this date, there were total net assets of £56,467 (2023: £80,243).

Current assets are represented by debtors of £167,185 (2023: £45,109). Cash at bank and in hand amounted to £414,422 (2023: £232,999).

Reserves policy

The Charity aims to keep reserves at a level that can cover at least three months' expenditure. The Trustees are aware that this policy is not currently being satisfied.

Principal funding

The Charity's principal funding remains to be that of school fees.

Future developments

1) The school's aim continues to be the increase of Early Years (Age 3-6 years) schooling and pupil numbers in the classrooms (Ages 7-18 years). We offer the Certificate of Steiner Education (CSE) in our Upper School in order to provide a broad and innovative Steiner education to our pupils from age 15 and access to universities. Our Class 12 pupils have successfully applied to and been offered places by universities on the basis of their CSE results.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2024

2) We have been at Hanworth Park for 11 years and have developed some parts of the site: six years ago, we invested in the redevelopment of our cottage which houses one of our kindergartens; we also invested in a wooden building for the Parent and Child groups and we bought three portacabins for storage, a library and a staff room. This increased the number of classrooms inside the main building to accommodate single stream classes from Class 1 to Class 8 for the first time in the school's history. Our advertising and Open days are aimed at filling the classes at the lower end of the school, since this is the healthiest way to increase pupil numbers in the longer term.

3) We strive to provide this education for all by working out financial models to support our plans. We offer substantial sibling discounts so that large families can more easily afford to come to the school. We aim to continue to provide financial help for those who are in need of it and we continue to inspire more fortunate families to support us according to their means.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Independent Auditor's Report to the Members of The St Michael Steiner School Limited

Year ended 31 July 2024

Opinion

We have audited the financial statements of The St Michael Steiner School Limited (the 'charity') for the year ended 31 July 2024 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2024

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited (continued)

Year ended 31 July 2024

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we have considered; the nature of the industry, control environment.

We also consider the results of our enquiries of management, relating to their own identification and assessment of the risks of irregularities and possible related fraud. This includes reviewing available documentation on their policies and procedures and performing tests of controls to evidence their effectiveness.

Throughout the audit testing we are considering the incentives that may exist within the organisation for fraud. Key areas include timing of recognising income around the year end, posting of unusual journals. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We ensure we have an understanding of the relevant laws and regulations and remain alert to possible non-compliance throughout the audit.

Despite proper planning and audit work in accordance with auditing standards there are inherent limitations and unavoidable risk that we may not detect some irregularities and material misstatements in the financial statements. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2024

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2024

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 July 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Park Road, Feltham, England, TW13 6PN.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the school plans to have, as a minimum, a balanced budget for the 2024-25 year and continue to seek early payment of school fees and additional donations where possible.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2024

3. Accounting policies *(continued)*

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designed for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income is allocated to the appropriate fund.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income tax recoverable in relation to donations received under gift aid or deeds of covenant is recognised at the time of the donation.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2024

3. Accounting policies *(continued)*

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvements	-	over the lease term
Fixtures and fittings	-	3 year straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2024

4. Limited by guarantee

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

13. Taxation

The St Michael Steiner School is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within the categories covered by Chapter 3 Part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

14. Net expenditure

Net expenditure is stated after charging/(crediting):

	2024 £	2023 £
Depreciation of tangible fixed assets	14,383	32,558
Operating lease rentals	189,000	<u>189,000</u>

15. Auditors remuneration

	2024 £	2023 £
Fees payable for the audit of the financial statements	8,000	<u>7,500</u>

The St Michael Steiner School pays fees of £4,500 (2023: £4,420) for non audit services.

16. Staff costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

	2024 £	2023 £
Wages and salaries	734,942	714,038
Social security costs	57,051	55,914
Employer contributions to pension plans	15,129	<u>14,252</u>
	<u>807,122</u>	<u>784,204</u>

The St Michael Steiner School Limited

Dear Sirs

This representation letter is provided in connection with your audit of the financial statements of The St Michael Steiner School for the year ending 31 July 2024 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view of the results and financial position of The St Michael Steiner School in accordance with The Companies Act 2006 and the United Kingdom's Generally Accepted Accounting Practices.

We confirm to the best of our knowledge and belief that the representations below are made on the basis of enquiries of management and staff with relevant knowledge and experience and, where appropriate, of inspection of supporting documentation sufficient to satisfy ourselves that we can properly make each of the above representations to you.

We acknowledge our legal responsibilities regarding disclosure of information to you as auditors and confirm that so far as we are aware, there is no relevant audit information needed by you in connection with preparing your audit report of which you are unaware. Each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that you are aware of that information.

Financial statements

1. We have fulfilled our responsibilities as Directors, as set out in the terms of your engagement dated November 2017 for preparing financial statements in accordance with The Companies Act 2006 and the United Kingdom's Generally Accepted Accounting Practices, which you have drafted on our behalf, which give a true and fair view of the financial position of the company as of 31 July 2024 and of the results of its operations and cash flows for the year then ended and for making accurate representations to you.
2. Significant assumptions used by us in making accounting estimates, such as prepayments and accruals, are reasonable.
3. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
4. We have disclosed all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements and these have been disclosed in accordance with the requirements of accounting standards.
5. Related party relationships and transactions, as defined by the accounting standards and Companies Act 2006, have been appropriately accounted for and disclosed in accordance with the requirements of accounting standards.

6. All events since the balance sheet date which require disclosure or which would materially affect the amounts in the financial statements have been adjusted or disclosed in the financial statements.
7. We confirm the financial statements are free of material misstatements, including omissions. We believe that those uncorrected misstatements identified during the audit are immaterial both individually and in aggregate to the financial statements as a whole. A list of these items is attached to the management report, together with our reasons for not correcting them.
8. We confirm that, having considered our expectations and intentions for the next twelve months, and the availability of working capital, the company is a going concern. We confirm that the disclosures in the accounting policies are an accurate reflection of the reasons for our consideration that the financial statements should be drawn up on a going concern basis.
9. We confirm that there is no restatement necessary in prior period's financial statements that affect the comparative information.

Information provided

10. All accounting records and relevant information have been made available to you for the purpose of your audit. We have provided to you all other information requested and given unrestricted access to persons within the entity from whom you have deemed it necessary to obtain audit evidence or request information. All other records and related information [including minutes of all management and trustees meetings] have been made available to you.
11. All transactions undertaken by the company have been properly reflected in the accounting records and are reflected in the financial statements.
12. We acknowledge our responsibility for the design, implementation and maintenance of controls to prevent and detect fraud. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
13. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the entity and involves, management, employees who have significant roles in internal control, or others, where fraud could have a material effect on the financial statements.
14. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud affecting the entity's financial statements communicated by employees, former employees, analysts, regulators or others.
15. We confirm that we are not aware of any possible or actual instance of noncompliance with those laws, regulations and contractual agreements which provide a legal framework within which the company conducts its business and which could affect the financial statements. The company has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of noncompliance.
16. We confirm that we have disclosed to you the identity of the entity's related parties and all related party relationships and transactions relevant to the company that we are aware of.

Attached is a schedule confirming all related parties as previously disclosed to you.

17. The company has satisfactory title to all assets, and there are no liens or encumbrances on the assets except for those disclosed in the financial statements.
18. There are no liabilities, contingent liabilities or guarantees to third parties other than those disclosed in the financial statements. As part of this we do not believe a provision is required for dilapidation costs.
19. The company has at no time during the year entered into any arrangement, transaction or agreement to provide credit facilities (including loans, quasi loans or credit transactions) for directors, nor to guarantee or provide security for such matters, except as disclosed in the financial statements.
20. We confirm that we believe the school is a going concern and will continue in operational existence for the foreseeable future. We believe parents will pay for their children's 2024-25 school fees in advance to help with cash flow, and that we will obtain a balanced budget for 24-25.

Yours faithfully

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2023

Structure, governance and management

The Trustees (all of whom are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of The St Michael Steiner School (the charity) for the year ended 31 July 2023. The Trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities".

Constitution

The St Michael Steiner School Limited was incorporated as a company limited by guarantee on 31 January 2002, and is governed by its Memorandum and Articles of Association. The school is also a registered educational charity in accordance with the provisions of the Charities Act 2011.

The principal object of the charity is to provide education for children, based on indications given by Rudolf Steiner.

There has been no change in the principal activity since the prior year.

Method of appointment or election of trustees

The Board may, from time to time appoint any person as a member of the Board either to fill a vacancy, or by way of addition to the Board, subject to the provisions of the Articles of Association.

Any member so appointed shall retain office only until the next Annual General Meeting, but they shall remain eligible for re-election at the Annual General Meeting. Each year, one third of the members of the Board retire by rotation but are eligible for re-election.

Trustees are appointed at a meeting of the School Association on the basis of nominations received from Association members according to the procedure for nominations. The school, as a registered charity, is required to have at least three trustees who are legally responsible to ensure that the school operates in accordance with its Articles of Association, charity law, employment law, financial obligations and the guidelines of the Steiner Waldorf Schools Fellowship (SWSF) and the Independent Schools Association (ISA). In addition, trustees must have an understanding of and an interest in Steiner education and, in particular, a willingness to support our school in its present and future development.

Policies adopted for the induction and training of trustees

New Trustees are given copies of our Articles of Association, the Charity Commission's 'Responsibilities of Trustees', the Independent Schools Standards (ISS), the school's most recent Ofsted/Independent Schools Inspectorate (ISI) report, Staff and Parent Handbooks, the school prospectus and a selection of past and current school newsletters. In addition, new trustees are inducted into the workings of the school through meetings with the College and School Association. The school's Trustees are covered by the Trustee Liability Insurance.

Organisational structure and decision making

We aim to have a balance of men and women among our Trustees and seek those who are mature in life experience and who have skills that would complement those of the existing Trustees. Our trustees are kept informed of the decisions made by the College and attend College meetings from time to time. We entrust that they hold the school and its vision in their hearts during the time they are

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2023

in service as Trustees.

The Trustees meet regularly with members of College and have oversight of significant decisions and events, such as school development and financial matters. All Trustees give their time freely and no remuneration or expenses were paid for this role in the year. No Trustee or person connected with a Trustee received any benefit from either means tested bursaries or scholarships awarded to our pupils.

As the legal employers of the school, a quorum of Trustees must also be involved in any employment matters. Where a Trustee or his/her close relative is an employee of the school in another capacity, s/he must not be involved in any discussions or decisions regarding the employment or remuneration of that employee.

A quorum of Trustees is also kept informed of staff and/or parent grievances. At least three Trustees are not involved in any one grievance so that there is always a quorum who may be called upon to mediate in these cases if necessary.

A quorum of Trustees is three.

School policy is proposed by the College of Teachers and ratified by the board of Trustees; the day to day management of the school is exercised by the College of teachers and the school administrators.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and activities

Policies and objectives

In setting objectives and planning for activities, the Trustees have had due regard to the general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance on advancing education, on fee-charging and setting the donation acceptance policy for the year.

The mission of the school is to promote and provide for the advancement of education of the public in accordance with the teachings of Dr Rudolf Steiner and in particular, to conduct a school or schools for the education of children.

Strategies for achieving objectives

Steiner education in general, and our school in particular, is about the protection of childhood and an education for the future, for freedom of the individual to be master of himself or herself and be able to work socially for others. The education arises from a study and understanding of the human being in body, soul and spirit to meet the academic, social and spiritual needs of developing young people.

The cosmopolitan nature of life in London brings our school's children into daily contact with people of many different backgrounds and nationalities. This makes for a vibrant and exciting school experience; the deep respect toward all human beings that is the foundation of all Waldorf education, encouraging enthusiasm for life, and an active interest in the world. We aim to help our children orientate themselves towards whatever comes to meet them in life whilst they are still growing, as well as when they become adults. We need to respond within our education to the constantly changing needs of the world, in order to create flexible, socially aware creative thinkers who are able to act in that world.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2023

Activities for achieving objectives

Since opening in September 2001, the school has become well established. The school moved into its premises in Hanworth Park in July 2012.

Our pupil numbers during the past year were on average 132 children in 2 kindergartens and 12 classes, catering to children from 3 to 18 years old. We continue to provide subject lessons in Spanish, Music, Art, Crafts, Gardening, Games, Eurythmy, German, Handwork, Religion and Global Issues. Most teaching staff are fully trained Steiner Waldorf teachers. We had one child with an Education Health and Care Plan in the year under consideration. There are some other children who require extra support, but we are able to meet their needs within the normal classes and curriculum.

We offer discounts to people whose children would have to leave the school if they were expected to pay the full fee. Financially, this makes sense as the classes are not full and subsidised places still bring in some revenue. We would like to further develop and grow this grant but at the moment we are not able to support all families in financial need.

Realising that growth in the early years is essential for the future stability of the school, the school continues to run three to four 'Parent & Child' groups each week, which were very well attended.

Parents continued actively fundraising and supporting the school in other ways mentioned, as well as giving freely of their time for some maintenance of the building, gardening, marketing and outreach work in the community.

During this accounting period the school has continued to invest in its bursary and fees support schemes, allowing those on low incomes to access the education, support and training that the school provides to children, parents and carers. The school has not only provided the accommodation but also the organizational and educational inputs for a number of training and CPD courses during this period. Participants have come from not only the school's parent body, but from local residents and from trainee teachers from the UK and beyond.

The school continued to invest into improving and adding to its accommodation, permitting expansion in facilities for learning, sport and dedicated Parent and Child Group activities, as well as a new classroom for the High School. The school's pupils have benefitted during this period from the school investing in school educational trips within the UK.

Bursary policy

This year the value of means tested bursaries totalled £65,944 (£33,500 in 2022) and represented 5.6% (2.4% in 2022) of our gross fees. They provided assistance to 10 (15 in 2022) of our pupils. We are aiming to bring our accounts to surplus by increasing pupil numbers which would also allow a higher bursary fund to serve families of any backgrounds.

The Trustees view our bursary awards as important to help children from families who would otherwise not be able to afford the fees to access the education we offer. All families in our school are considered for our bursary awards, which are made solely on the basis of parental means or to relieve hardship where a pupil's education and future prospects would otherwise be at risk, for example in the case of redundancy. In assessing means we take a number of factors into consideration including family income, investments and savings and family circumstances, for example dependent relatives and the number of siblings. However, our school does not have a large endowment and in funding our awards we have to be mindful that we must ensure a balance between fee-paying parents, many of whom make considerable personal sacrifices to fund their child's education, and those benefiting from the awards.

Information about fee assistance through bursaries is provided to all pupils of the school.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2023

To underline the value, we place on continuity for families, we offer discounts where parents have more than one child at the school.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the lenders of Loan 1 £7,000 and Loan 2 £8,900 have advised that the loan is being repaid at £1,500 and £700 per month respectively. The school also plans to have, as a minimum, a balanced budget for the 2023-24 year and continue to seek for additional donations where possible.

Financial review

The statement of financial activities set out on page 12 of these financial statements show how the School's incoming resources have been expended in the year ended 31 July 2023.

Incoming resources amounted to £1,283,909 (2022: £1,409,133). The majority of income was made up of fees and donations. Resources expended amounted to £1,332,975 (2022: £1,322,233), which, save for costs incurred in the management and administration of the School, were utilised in pursuance of the principal activity referred to above. An analysis of resources expended is provided in notes 10 to 18 of these financial statements.

The net loss for the period was £49,066 (2022: surplus of £86,900).

The balance sheet set out on page 13 of these financial statements show the financial position of the School as at 31 July 2023, and as at this date, there were total net assets of £80,243 (2022: £129,309).

Current assets are represented by debtors of £45,109 (2022: £29,225). Cash at bank and in hand amounted to £232,999 (2022: £304,335).

Reserves policy

The Charity aims to keep reserves at a level that can cover at least three months' expenditure. The Trustees are aware that this policy is not currently being satisfied.

Principal funding

The Charity's principal funding remains to be that of school fees.

Future developments

1) The school's aim continues to be the increase of Early Years (Age 3-6 years) schooling and pupil numbers in the classrooms (Ages 7-18 years). We offer the Certificate of Steiner Education (CSE) in our Upper School in order to provide a broad and innovative Steiner education to our pupils from age 15 and access to universities. Our Class 12 pupils have successfully applied to and been offered places by universities on the basis of their CSE results.

2) We have been at Hanworth Park for 10 years and have developed some parts of the site: five years ago, we invested in the redevelopment of our cottage which houses one of our kindergartens; we also invested in a wooden building for the Parent and Child groups and we bought three portacabins for storage, a library and a staff room. This increased the number of classrooms inside the main building to accommodate single stream classes from Class 1 to Class 8 for the first time in the school's history. Our advertising and Open days are aimed at filling the classes at the lower end of the

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2023

school, since this is the healthiest way to increase pupil numbers in the longer term.

3) We strive to provide this education for all by working out financial models to support our plans. We offer substantial sibling discounts so that large families can more easily afford to come to the school. We aim to continue to provide financial help for those who are in need of it and we continue to inspire more fortunate families to support us according to their means.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The St Michael Steiner School Limited

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2023

The trustees' annual report was approved on 06/03/2024 and signed on behalf of the board of trustees by:

Mr A L M Norsworthy
Trustee

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2023

Opinion

We have audited the financial statements of The St Michael Steiner School Limited (the 'charity') for the year ended 31 July 2023 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2023

material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2023

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we have considered; the nature of the industry, control environment.

We also consider the results of our enquiries of management, relating to their own identification and assessment of the risks of irregularities and possible related fraud. This includes reviewing available documentation on their policies and procedures and performing tests of controls to evidence their effectiveness.

Throughout the audit testing we are considering the incentives that may exist within the organisation for fraud. Key areas include timing of recognising income around the year end, posting of unusual journals. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We ensure we have an understanding of the relevant laws and regulations and remain alert to possible non-compliance throughout the audit.

Despite proper planning and audit work in accordance with auditing standards there are inherent limitations and unavoidable risk that we may not detect some irregularities and material misstatements in the financial statements. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited *(continued)*

Year ended 31 July 2023

our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 July 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Park Road, Feltham, England, TW13 6PN.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the lenders of Loan 1 £7,000 and Loan 2 £8,900 have advised that the loan is being repaid at £1,500 and £700 per month respectively. The school also plans to have, as a minimum, a balanced budget for the 2023-24 year and continue to seek for additional donations where possible.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2023

3. Accounting policies *(continued)*

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designed for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income is allocated to the appropriate fund.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income tax recoverable in relation to donations received under gift aid or deeds of covenant is recognised at the time of the donation.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2023

3. Accounting policies *(continued)*

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvements	-	over the lease term
Fixtures and fittings	-	3 year straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2023

4. Limited by guarantee

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2022

Structure, governance and management

The Trustees (all of whom are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of The St Michael Steiner School (the charity) for the year ended 31 July 2022. The Trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities".

Constitution

The St Michael Steiner School Limited was incorporated as a company limited by guarantee on 31 January 2002, and is governed by its Memorandum and Articles of Association. The school is also a registered educational charity in accordance with the provisions of the Charities Act 2011.

The principal object of the charity is to provide education for children, based on indications given by Rudolf Steiner.

There has been no change in the principal activity since the prior year.

Method of appointment or election of trustees

The Board may, from time to time appoint any person as a member of the Board either to fill a vacancy, or by way of addition to the Board, subject to the provisions of the Articles of Association.

Any member so appointed shall retain office only until the next Annual General Meeting, but they shall remain eligible for re-election at the Annual General Meeting. Each year, one third of the members of the Board retire by rotation but are eligible for re-election.

Trustees are appointed at a meeting of the School Association on the basis of nominations received from Association members according to the procedure for nominations. The school, as a registered charity, is required to have at least three trustees who are legally responsible to ensure that the school operates in accordance with its Articles of Association, charity law, employment law, financial obligations and the guidelines of the Steiner Waldorf Schools Fellowship (SWSF) and the Independent Schools Association (ISA). In addition, trustees must have an understanding of and an interest in Steiner education and, in particular, a willingness to support our school in its present and future development.

Policies adopted for the induction and training of trustees

New Trustees are given copies of our Articles of Association, the Charity Commission's 'Responsibilities of Trustees', the Independent Schools Standards (ISS), the school's most recent Ofsted/Independent Schools Inspectorate (ISI) report, Staff and Parent Handbooks, the school prospectus and a selection of past and current school newsletters. In addition, new trustees are inducted into the workings of the school through meetings with the College and School Association. The school's Trustees are covered by the Trustee Liability Insurance.

Organisational structure and decision making

We aim to have a balance of men and women among our Trustees and seek those who are mature in life experience and who have skills that would complement those of the existing Trustees. Our trustees are kept informed of the decisions made by the College and attend College meetings from time to time. We entrust that they hold the school and its vision in their hearts during the time they are

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2022

in service as Trustees.

The Trustees meet regularly with members of College and have oversight of significant decisions and events, such as school development and financial matters. All Trustees give their time freely and no remuneration or expenses were paid for this role in the year. No Trustee or person connected with a Trustee received any benefit from either means tested bursaries or scholarships awarded to our pupils.

As the legal employers of the school, a quorum of Trustees must also be involved in any employment matters. Where a Trustee or his/her close relative is an employee of the school in another capacity, s/he must not be involved in any discussions or decisions regarding the employment or remuneration of that employee.

A quorum of Trustees is also kept informed of staff and/or parent grievances. At least three Trustees are not involved in any one grievance so that there is always a quorum who may be called upon to mediate in these cases if necessary.

A quorum of Trustees is three.

School policy is proposed by the College of Teachers and ratified by the board of Trustees; the day to day management of the school is exercised by the College of teachers and the school administrators.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and activities

Policies and objectives

In setting objectives and planning for activities, the Trustees have had due regard to the general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance on advancing education, on fee-charging and setting the donation acceptance policy for the year.

The mission of the school is to promote and provide for the advancement of education of the public in accordance with the teachings of Dr Rudolf Steiner and in particular, to conduct a school or schools for the education of children.

Strategies for achieving objectives

Steiner education in general, and our school in particular, is about the protection of childhood and an education for the future, for freedom of the individual to be master of himself or herself and be able to work socially for others. The education arises from a study and understanding of the human being in body, soul and spirit to meet the academic, social and spiritual needs of developing young people.

The cosmopolitan nature of life in London brings our school's children into daily contact with people of many different backgrounds and nationalities. This makes for a vibrant and exciting school experience; the deep respect toward all human beings that is the foundation of all Waldorf education, encouraging enthusiasm for life, and an active interest in the world. We aim to help our children orientate themselves towards whatever comes to meet them in life whilst they are still growing, as well as when they become adults. We need to respond within our education to the constantly changing needs of the world, in order to create flexible, socially aware creative thinkers who are able to act in that world.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2022

Activities for achieving objectives

Since opening in September 2001, the school has become well established. The school moved into its premises in Hanworth Park in July 2012.

Our pupil numbers during the past year were on average 155 children in 2 kindergartens and 12 classes, catering to children from 3 to 18 years old. We continue to provide subject lessons in Spanish, Music, Art, Crafts, Gardening, Games, Eurythmy, German, Handwork, Religion and Global Issues. Most teaching staff are fully trained Steiner Waldorf teachers. We had one child with an Education Health and Care Plan in the year under consideration. There are some other children who require extra support, but we are able to meet their needs within the normal classes and curriculum.

We offer discounts to people whose children would have to leave the school if they were expected to pay the full fee. Financially, this makes sense as the classes are not full and subsidised places still bring in some revenue. We would like to further develop and grow this grant but at the moment we are not able to support all families in financial need. During the third lockdown between 6 January and 8 March the school was only open to vulnerable children and those of critical workers. To provide extra help for families affected by the lockdown the school continued to offer a special Coronavirus Bursary Fund. In this way, none of our pupils had to be withdrawn because of the pandemic during the financial year under consideration. The Coronavirus Job Retention Scheme (CJRS) provided by the government enabled us to retain all our staff and those who were not furloughed continued to teach both remotely and in person and maintain regular contact with students and parents.

Although these things have had to stop during the Covid-19 pandemic, we have always provided workshops and talks on Steiner Education and related topics and activities to parents and friends of the school, a weekly study group and a eurythmy class for parents. We were able to resume some of these activities when the restrictions were lifted.

Realising that growth in the early years is essential for the future stability of the school, the school invested in staff to run three to four 'Parent & Child' groups each week, which were very well attended.

Parents continued actively fundraising and supporting the school in other ways mentioned, as well as giving freely of their time for some maintenance of the building, gardening, marketing and outreach work in the community, although, again, this has been affected by the restrictions of the pandemic.

During this accounting period the school has continued to invest in its bursary and fees support schemes, allowing those on low incomes to access the education, support and training that the school provides to children, parents and carers. The school has not only provided the accommodation but also the organizational and educational inputs for a number of training and CPD courses during this period, although the opportunities for these ventures have been restricted because of the pandemic. Participants have come from not only the school's parent body, but from local residents and from trainee teachers from the UK and beyond.

The school continued to invest into improving and adding to its accommodation, permitting expansion in facilities for learning, sport and dedicated Parent and Child Group activities, as well as a new classroom for the High School. The school's pupils have benefitted during this period from the school investing in school educational trips within the UK.

Bursary policy

This year the value of means tested bursaries totalled £33,500 (£32,500 in 2021) and represented

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2022

2.4% (2.8% in 2021) of our gross fees. They provided assistance to 15 (14 in 2021) of our pupils. We are aiming to bring our accounts to surplus by increasing pupil numbers which would also allow a higher bursary fund to serve families of any backgrounds.

The Trustees view our bursary awards as important to help children from families who would otherwise not be able to afford the fees to access the education we offer. All families in our school are considered for our bursary awards, which are made solely on the basis of parental means or to relieve hardship where a pupil's education and future prospects would otherwise be at risk, for example in the case of redundancy. In assessing means we take a number of factors into consideration including family income, investments and savings and family circumstances, for example dependent relatives and the number of siblings. However, our school does not have a large endowment and in funding our awards we have to be mindful that we must ensure a balance between fee-paying parents, many of whom make considerable personal sacrifices to fund their child's education, and those benefiting from the awards.

Information about fee assistance through bursaries is provided to all pupils of the school.

To underline the value, we place on continuity for families, we offer discounts where parents have more than one child at the school.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the lenders of Loan 1 £25,000 and Loan 2 £17,300 have advised that the loan is being repaid at £1,500 and £700 per month respectively. The school also plans to have, as a minimum, a balanced budget for the 2022-23 year and continue to seek for additional donations where possible.

Financial review

The statement of financial activities set out on page 13 of these financial statements show how the School's incoming resources have been expended in the year ended 31 July 2022.

Incoming resources amounted to £1,409,133 (2021: £1,182,523). The majority of income was made up of fees and donations. Resources expended amounted to £1,322,233 (2021: £1,149,410), which, save for costs incurred in the management and administration of the School, were utilised in pursuance of the principal activity referred to above. An analysis of resources expended is provided in notes 10 to 18 of these financial statements.

The net surplus for the period was £86,900 (2021: £33,113).

The balance sheet set out on page 14 of these financial statements show the financial position of the School as at 31 July 2021, and as at this date, there were total net assets of £129,309 (2021: £42,409).

Current assets are represented by debtors of £29,225 (2021: £19,254). Cash at bank and in hand amounted to £304,335 (2021: £204,810).

Reserves policy

The Charity aims to keep reserves at a level that can cover at least three months' expenditure. The Trustees are aware that this policy is not currently being satisfied.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2022

Principal funding

The Charity's principal funding remains to be that of school fees.

Future developments

1) The school's aim continues to be the increase of Early Years (Age 3-6 years) schooling and pupil numbers in the classrooms (Ages 7-18 years). We offer the Certificate of Steiner Education (CSE) in our Upper School in order to provide a broad and innovative Steiner education to our pupils from age 15 and access to universities. Our Class 12 pupils have successfully applied to and been offered places by universities on the basis of their CSE results.

2) We have been at Hanworth Park for 10 years and have developed some parts of the site: five years ago, we invested in the redevelopment of our cottage which houses one of our kindergartens; we also invested in a wooden building for the Parent and Child groups and we bought three portacabins for storage, a library and a staff room. This increased the number of classrooms inside the main building to accommodate single stream classes from Class 1 to Class 8 for the first time in the school's history. Our advertising and Open days are aimed at filling the classes at the lower end of the school, since this is the healthiest way to increase pupil numbers in the longer term.

3) We strive to provide this education for all by working out financial models to support our plans. We offer substantial sibling discounts so that large families can more easily afford to come to the school. We aim to continue to provide financial help for those who are in need of it and we continue to inspire more fortunate families to support us according to their means.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2022

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 04/03/2023 and signed on behalf of the board of trustees by:

Mr A L M Norsworthy

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited

Year ended 31 July 2022

Opinion

We have audited the financial statements of The St Michael Steiner School Limited (the 'charity') for the year ended 31 July 2022 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited (continued)

Year ended 31 July 2022

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited (continued)

Year ended 31 July 2022

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we have considered; the nature of the industry, control environment.

We also consider the results of our enquiries of management, relating to their own identification and assessment of the risks of irregularities and possible related fraud. This includes reviewing available documentation on their policies and procedures and performing tests of controls to evidence their effectiveness.

Throughout the audit testing we are considering the incentives that may exist within the organisation for fraud. Key areas include timing of recognising income around the year end, posting of unusual journals. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We ensure we have an understanding of the relevant laws and regulations and remain alert to possible non-compliance throughout the audit.

Despite proper planning and audit work in accordance with auditing standards there are inherent limitations and unavoidable risk that we may not detect some irregularities and material misstatements in the financial statements. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited (continued)

Year ended 31 July 2022

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 July 2022

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Park Road, Feltham, England, TW13 6PN.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the lenders of Loan 1 £25,000 and Loan 2 £17,300 have advised that the loan is being repaid at £1,500 and £700 per month respectively. The school also plans to have, as a minimum, a balanced budget for the 2022-23 year and continue to seek for additional donations where possible.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2022

3. Accounting policies *(continued)*

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designed for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income is allocated to the appropriate fund.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income tax recoverable in relation to donations received under gift aid or deeds of covenant is recognised at the time of the donation.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2022

3. Accounting policies *(continued)*

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvements	-	over the lease term
Fixtures and fittings	-	3 year straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Government grants

Government grants are recognised using the accrual model and the performance model. Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2022

3. Accounting policies *(continued)*

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

5. Donations and legacies

13. Taxation

The St Michael Steiner School is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within the categories covered by Chapter 3 Part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2022

14. Net income

Net income is stated after charging/(crediting):

	2022	2021
	£	£
Depreciation of tangible fixed assets	42,946	35,349
Operating lease rentals	<u>187,833</u>	<u>175,000</u>

15. Auditors remuneration

	2022	2021
	£	£
Fees payable for the audit of the financial statements	<u>4,200</u>	<u>4,080</u>

The St Michael Steiner School pays fees of £4,066 (2021: £4,249) for non audit services.

16. Staff costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

	2022	2021
	£	£
Wages and salaries	719,994	652,993
Social security costs	57,933	50,988
Employer contributions to pension plans	<u>14,439</u>	<u>12,877</u>
	<u>792,366</u>	<u>716,858</u>

The average head count of employees during the year was 27 (2021: 30). The average number of full-time equivalent employees during the year is analysed as follows:

	2022	2021
	No.	No.
Teachers	25	24
Administration	<u>2</u>	<u>2</u>
	<u>27</u>	<u>26</u>

No employee received employee benefits of more than £60,000 during the year (2021: Nil).

17. Trustee remuneration and expenses

No trustee received remuneration or other benefits from employment with the charity or related entity during the year. No trustee expenses have been incurred.

A director received remuneration of £25,414 (2021: £26,775) during the year.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2021

Structure, governance and management

The Trustees (all of whom are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of The St Michael Steiner School (the charity) for the year ended 31 July 2021. The Trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities".

Constitution

The St Michael Steiner School Limited was incorporated as a company limited by guarantee on 31 January 2002, and is governed by its Memorandum and Articles of Association. The school is also a registered educational charity in accordance with the provisions of the Charities Act 2011.

The principal object of the charity is to provide education for children, based on indications given by Rudolf Steiner.

There has been no change in the principal activity since the prior year.

Method of appointment or election of trustees

The Board may, from time to time appoint any person as a member of the Board either to fill a vacancy, or by way of addition to the Board, subject to the provisions of the Articles of Association.

Any member so appointed shall retain office only until the next Annual General Meeting, but they shall remain eligible for re-election at the Annual General Meeting. Each year, one third of the members of the Board retire by rotation but are eligible for re-election.

Trustees are appointed at a meeting of the School Association on the basis of nominations received from Association members according to the procedure for nominations. The school, as a registered charity, is required to have at least three trustees who are legally responsible to ensure that the school operates in accordance with its Articles of Association, charity law, employment law, financial obligations and the guidelines of the Steiner Waldorf Schools Fellowship (SWSF) and the Independent Schools Association (ISA). In addition, trustees must have an understanding of and an interest in Steiner education and, in particular, a willingness to support our school in its present and future development.

Policies adopted for the induction and training of trustees

New Trustees are given copies of our Articles of Association, the Charity Commission's 'Responsibilities of Trustees', the Independent Schools Standards (ISS), the school's most recent Ofsted/Independent Schools Inspectorate (ISI) report, Staff and Parent Handbooks, the school prospectus and a selection of past and current school newsletters. In addition, new trustees are inducted into the workings of the school through meetings with the College and School Association. The school's Trustees are covered by the Trustee Liability Insurance.

Organisational structure and decision making

We aim to have a balance of men and women among our Trustees and seek those who are mature in life experience and who have skills that would complement those of the existing Trustees. Our trustees are kept informed of the decisions made by the College and attend College meetings from time to time. We entrust that they hold the school and its vision in their hearts during the time they are

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2021

in service as Trustees.

The Trustees meet regularly with members of College and have oversight of significant decisions and events, such as school development and financial matters. All Trustees give their time freely and no remuneration or expenses were paid for this role in the year. No Trustee or person connected with a Trustee received any benefit from either means tested bursaries or scholarships awarded to our pupils.

As the legal employers of the school, a quorum of Trustees must also be involved in any employment matters. Where a Trustee or his/her close relative is an employee of the school in another capacity, s/he must not be involved in any discussions or decisions regarding the employment or remuneration of that employee.

A quorum of Trustees is also kept informed of staff and/or parent grievances. At least three Trustees are not involved in any one grievance so that there is always a quorum who may be called upon to mediate in these cases if necessary.

A quorum of Trustees is three.

School policy is proposed by the College of Teachers and ratified by the board of Trustees; the day to day management of the school is exercised by the College of teachers and the school administrators.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and activities

Policies and objectives

In setting objectives and planning for activities, the Trustees have had due regard to the general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance on advancing education, on fee-charging and setting the donation acceptance policy for the year.

The mission of the school is to promote and provide for the advancement of education of the public in accordance with the teachings of Dr Rudolf Steiner and in particular, to conduct a school or schools for the education of children.

Strategies for achieving objectives

Steiner education in general, and our school in particular, is about the protection of childhood and an education for the future, for freedom of the individual to be master of himself or herself and be able to work socially for others. The education arises from a study and understanding of the human being in body, soul and spirit to meet the academic, social and spiritual needs of developing young people.

The cosmopolitan nature of life in London brings our school's children into daily contact with people of many different backgrounds and nationalities. This makes for a vibrant and exciting school experience; the deep respect toward all human beings that is the foundation of all Waldorf education, encouraging enthusiasm for life, and an active interest in the world. We aim to help our children orientate themselves towards whatever comes to meet them in life whilst they are still growing, as well as when they become adults. We need to respond within our education to the constantly changing needs of the world, in order to create flexible, socially aware creative thinkers who are able to act in that world.

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2021

Activities for achieving objectives

Since opening in September 2001, the school has become well established. The school moved into its premises in Hanworth Park in July 2012.

Our pupil numbers during the past year were on average 137 children in 2 kindergartens and 11 classes, catering to children from 3 to 18 years old. We continue to provide subject lessons in Spanish, Music, Art, Crafts, Gardening, Games, Eurythmy, German, Handwork, Religion and Global Issues. All teaching staff are fully trained Steiner Waldorf teachers. We had one child with an Education Health and Care Plan in the year under consideration. There are some other children who require extra support, but we are able to meet their needs within the normal classes and curriculum.

We offer discounts to people whose children would have to leave the school if they were expected to pay the full fee. Financially, this makes sense as the classes are not full and subsidised places still bring in some revenue. We would like to further develop and grow this grant but at the moment we are not able to support all families in financial need. During the third lockdown between 6 January and 8 March the school was only open to vulnerable children and those of critical workers. To provide extra help for families affected by the lockdown the school continued to offer a special Coronavirus Bursary Fund. In this way, none of our pupils had to be withdrawn because of the pandemic during the financial year under consideration. The Coronavirus Job Retention Scheme (CJRS) provided by the government enabled us to retain all our staff and those who were not furloughed continued to teach both remotely and in person and maintain regular contact with students and parents.

Although these things have had to stop during the Covid-19 pandemic, we have always provided workshops and talks on Steiner Education and related topics and activities to parents and friends of the school, a weekly study group and a eurythmy class for parents. We were able to resume some of these activities when the restrictions were lifted.

Realising that growth in the early years is essential for the future stability of the school, the school invested in staff to run three to four 'Parent & Child' groups each week, which were very well attended.

Parents continued actively fundraising and supporting the school in other ways mentioned, as well as giving freely of their time for some maintenance of the building, gardening, marketing and outreach work in the community, although, again, this has been affected by the restrictions of the pandemic.

During this accounting period the school has continued to invest in its bursary and fees support schemes, allowing those on low incomes to access the education, support and training that the school provides to children, parents and carers. The school has not only provided the accommodation but also the organizational and educational inputs for a number of training and CPD courses during this period, although the opportunities for these ventures have been restricted because of the pandemic. Participants have come from not only the school's parent body, but from local residents and from trainee teachers from the UK and beyond.

The school continued to invest into improving and adding to its accommodation, permitting expansion in facilities for learning, sport and dedicated Parent and Child Group activities, as well as a new classroom for the High School. The school's pupils have benefitted during this period from the school investing in school educational trips within the UK.

Bursary policy

This year the value of means tested bursaries totalled £32,500 (£35,600 in 2020) and represented

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2021

2.8% (3.1% in 2020) of our gross fees. They provided assistance to 14 (17 in 2020) of our pupils. We are aiming to bring our accounts to surplus by increasing pupil numbers which would also allow a higher bursary fund to serve families of any backgrounds.

The Trustees view our bursary awards as important to help children from families who would otherwise not be able to afford the fees to access the education we offer. All families in our school are considered for our bursary awards, which are made solely on the basis of parental means or to relieve hardship where a pupil's education and future prospects would otherwise be at risk, for example in the case of redundancy. In assessing means we take a number of factors into consideration including family income, investments and savings and family circumstances, for example dependent relatives and the number of siblings. However, our school does not have a large endowment and in funding our awards we have to be mindful that we must ensure a balance between fee-paying parents, many of whom make considerable personal sacrifices to fund their child's education, and those benefiting from the awards.

Information about fee assistance through bursaries is provided to all pupils of the school.

To underline the value, we place on continuity for families, we offer discounts where parents have more than one child at the school.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the lenders of Loan 1 £43,000 and Loan 2 £25,000 have advised that the loan is being repaid at £1,500 and £700 per month respectively. The school also plans to have, as a minimum, a balanced budget for the 2021-22 year and continue to seek for additional donations where possible.

Financial review

The statement of financial activities set out on page 13 of these financial statements show how the School's incoming resources have been expended in the year ended 31 July 2021.

Incoming resources amounted to £1,182,523 (2020: £1,224,487). The majority of income was made up of fees and donations. Resources expended amounted to £1,149,410 (2020: £1,144,721), which, save for costs incurred in the management and administration of the School, were utilised in pursuance of the principal activity referred to above. An analysis of resources expended is provided in notes 10 to 18 of these financial statements.

The school awarded £16,268 of financial assistance from the specially created Coronavirus Bursary Fund to the parents of 10 students who had been financially affected by the lockdown. The school received £20,500 of donations from other parents towards the creation of this fund. Further funds have been earmarked to continue helping parents and the school during the pandemic.

The net surplus for the period was £33,113 (2020: £79,766).

The balance sheet set out on page 14 of these financial statements show the financial position of the School as at 31 July 2021, and as at this date, there were total net assets of £42,409 (2019: net assets of £9,296).

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2021

Current assets are represented by debtors of £19,254 (2020: £20,939). Cash at bank and in hand amounted to £204,810 (2020: £258,117).

Reserves policy

The Charity aims to keep reserves at a level that can cover at least three months' expenditure. The Trustees are aware that this policy is not currently being satisfied.

Principal funding

The Charity's principal funding remains to be that of school fees.

Future developments

1) The school's aim continues to be the increase of Early Years (Age 3-6 years) schooling and pupil numbers in the classrooms (Ages 7-18 years). We offer the Certificate of Steiner Education (CSE) in our Upper School in order to provide a broad and innovative Steiner education to our pupils from age 15 and access to universities. Our Class 12 pupils have successfully applied to and been offered places by universities on the basis of their CSE results.

2) We have been at Hanworth Park for 9 years and have developed some parts of the site: four years ago, we invested in the redevelopment of our cottage which houses one of our kindergartens; we also invested in a wooden building for the Parent and Child groups and we bought three portacabins for storage, a library and a staff room. This increased the number of classrooms inside the main building to accommodate single stream classes from Class 1 to Class 8 for the first time in the school's history. Our advertising and Open days are aimed at filling the classes at the lower end of the school, since this is the healthiest way to increase pupil numbers in the longer term.

3) We strive to provide this education for all by working out financial models to support our plans. We offer substantial sibling discounts so that large families can more easily afford to come to the school. We aim to continue to provide financial help for those who are in need of it and we continue to inspire more fortunate families to support us according to their means.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business

The St Michael Steiner School Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 July 2021

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial

position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 05/03/22 and signed on behalf of the board of trustees by:

Mr A L M Norsworthy
Trustee

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited

Year ended 31 July 2021

Opinion

We have audited the financial statements of The St Michael Steiner School Limited (the 'charity') for the year ended 31 July 2021 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited (continued)

Year ended 31 July 2021

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited (continued)

Year ended 31 July 2021

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we have considered; the nature of the industry, control environment.

We also consider the results of our enquiries of management, relating to their own identification and assessment of the risks of irregularities and possible related fraud. This includes reviewing available documentation on their policies and procedures and performing tests of controls to evidence their effectiveness.

Throughout the audit testing we are considering the incentives that may exist within the organisation for fraud. Key areas include timing of recognising income around the year end, posting of unusual journals. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We ensure we have an understanding of the relevant laws and regulations and remain alert to possible non-compliance throughout the audit.

Despite proper planning and audit work in accordance with auditing standards there are inherent limitations and unavoidable risk that we may not detect some irregularities and material misstatements in the financial statements. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

The St Michael Steiner School Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of The St Michael Steiner School Limited (continued)

Year ended 31 July 2021

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 July 2021

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Park Road, Feltham, England, TW13 6PN.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

The basis for the assumption is that the lender of the £43,000 has confirmed that the loan is repayable at £1,500 each month, and so the majority of the balance will not be repayable within 12 months. The school will be asking parents to pay the 2021-22 school fees in advance to help with any potential cash flow issues. The school also plan to have a positive fund movement for the 2021-22 year, as they have done in the previous few years, and continue to seek for additional donations where possible.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2021

3. Accounting policies *(continued)*

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designed for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income is allocated to the appropriate fund.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income tax recoverable in relation to donations received under gift aid or deeds of covenant is recognised at the time of the donation.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2021

3. Accounting policies *(continued)*

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvements	-	over the lease term
Fixtures and fittings	-	3 year straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Government grants

Government grants are recognised using the accrual model and the performance model. Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2021

3. Accounting policies *(continued)*

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

14. Taxation

The St Michael Steiner School is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within the categories covered by Chapter 3 Part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

The St Michael Steiner School Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2021

15. Net income

Net income is stated after charging/(crediting):

	2021	2020
	£	£
Depreciation of tangible fixed assets	35,349	27,352
Operating lease rentals	175,000	175,000

16. Auditors remuneration

	2021	2020
	£	£
Fees payable for the audit of the financial statements	4,080	4,020

The St Michael Steiner School pays fees of £4,249 (2020: £4,177) for non audit services.

17. Staff costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

	2021	2020
	£	£
Wages and salaries	652,993	659,938
Social security costs	50,988	51,452
Employer contributions to pension plans	12,877	12,600
	716,858	723,990

The average head count of employees during the year was 30 (2020: 29). The average number of full-time equivalent employees during the year is analysed as follows:

	2021	2020
	No.	No.
Teachers	24	24
Administration	2	2
	26	26

No employee received employee benefits of more than £60,000 during the year (2020: Nil).

18. Trustee remuneration and expenses

No trustee received remuneration or other benefits from employment with the charity or related entity during the year. No trustee expenses have been incurred.

A director received remuneration of £26,775 (2020: £27,460) during the year.
