TRUSTEES' REPORT
FOR THE YEAR ENDED 30TH JUNE 2024

The Trustees present their annual report together with the financial statements of the Waterbeach & Landbeach Action for Youth for the 1st July 2023 to 30th June 2024. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The charity's objects are to help and educate young people in the civil parishes of Waterbeach and Landbeach, Cambridgeshire through their leisure time activities by the employment of a Youth Worker or Youth Workers, so as to develop their physical, mental and spiritual capacities that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved. These objects are fulfilled through the continuing employment of our team of Youth Workers.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Main achievements of the Charity

The principal achievement of the charity has been the success of its Youth Workers in positively engaging with so many of the young people in the area that the Charity serves. This has public benefit not only for the young but to the community as a whole, which is fortunate in experiencing lower levels of youth crime and antisocial behaviours than would otherwise be expected.

Due to the loss of some key funding and a reduction in the funding from the local Parish council we were anticipating a significant loss in this financial year, however due to the dedicated fund raising of our administrator we were able to access some new funding sources including a Cost of Living Fund from UK Youth which has led us to almost breaking even this year. As almost all funding is provided on a short term basis, searching for funding for the youth club is an ongoing activity and remains a challenge.

We have had a year of stability in terms of staffing which is helpful for the consistent running of the youth club. Our lead youth worker Elaine stepped up after the departure of our previous lead youth worker and has led the team brilliantly this year, ensuring there are a range of activities available to cater to the different interests and needs of our young people.

Our traineeship program for young volunteers providing interested young people training and support to gain new skills and experiences has progressed well with our second trainee completing the programme and becoming a paid youth worker in the team. Whilst we do not currently have a new trainee we are very keen to continue this programme and will look to take on a new trainee in the new academic year should there be a suitable candidate available.

FOR THE YEAR ENDED 30TH JUNE 2024

Achievements and performance (continued)

b. Review of activities

The principal focus of the Charity's activity is the youth club, which continues to attract considerable numbers of young people on each session. A wide range of regular activities are offered alongside a planned programme of special projects, including activity days at external venues. The programme benefits young people by developing their self-confidence and social skills alongside practical and life skills.

Alongside these activities the club has offered HAF (Holiday, Activity and Food) sessions during summer, Christmas and Easter holidays, providing hot meals for members who received free school meals during term times. Whilst this scheme presents additional administrative challenges, it has been welcomed by the young people and we look forward to continuing to offer additional sessions through this scheme over the coming year.

We were pleased to welcome a new trustee this year, however we also saw the resignation of two other trustees and so recruitment of additional trustees will be important to enable the trustees to continue to oversee the activities of the youth club.

c. Factors relevant to achieve objectives

In October 2018 we took the decision to remove the need for our members to make a small monetary donation each time they visited a youth club session. We also took the decision to run the club on two nights rather than three. Happily, this has resulted in more members attending at each session.

Our relationship with external agencies such as the local authority services for young people and schools ensures that members facing difficulties in their personal lives are appropriately supported and guided.

Financial review

a. Going concern

After making appropriate enquiries, including a three-year business continuity plan which was developed by the Administrator and approved by the Trustees, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

Reserves should provide the charity with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future. Due to the unsecured nature of our funding streams, the Trustees aim to maintain the charity's reserves at a level between twelve and eighteen month's operational expenditure. The level of reserves and appropriateness of the policy are reviewed at each Trustee meeting.

Structure, governance and management

a. Constitution

Waterbeach and Landbeach Action for Youth is a company limited by guarantee and a registered charity governed by its Memorandum and Articles of Association. It was incorporated on 23 September 2002.

b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

Members' liability

The Members of the Charity guarantee to contribute an amount not exceeding £10 to the assets of the Charity in the event of winding up.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 30TH JUNE 2024**

Independent examiner's report to the Trustees of Waterbeach and Landbeach Action for Youth ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 30th June 2024.

Responsibilities and basis of report

As the Trustees of the Charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

WATERBEACH AND LANDBEACH ACTION FOR YOUTH
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2024

1. General information

The charity is limited by guarantee, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation

The address of the registered office is:

Varsity Farm
School Lane
Chittering
Cambridge
CB25 9PW

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Waterbeach and Landbeach Action for Youth meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern nor any significant area of uncertainty that effect the carrying value of assets held by the Charity.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2024

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2024**

2. Accounting policies (continued)

2.9 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
