Governing Document

Crayford Arrows Sport Club Limited is a company Limited by Guarantee (Company Number 3682831) and a Registered Charity (Charity Number 1095591). The company's Memorandum of Association established the objects and powers of the charity and it is governed under its Articles of Association.

Appointment of Members of the Board

A new Trustee may be appointed by a majority of the existing Trustees.

Members of the Board

The Members of the Board of Management who have held office throughout the period to 30th April 2021 are listed on the Legal & Administrative Information on page 1.

Objects of the Charity

In setting our objectives and planning our activities the Trustees have given careful consideration to the Charity Commission's guidance on public benefit.

The charity's objective is to provide low cost sports and recreational facilities to members of the local community paying careful regard to those participating from those areas of deprivation in the borough and mindful of those also without the ability to pay full membership.

Organisational Structure

The charity's Board is currently made up of 3 members who meet regularly and are responsible for deciding the strategic policy and direction of the charity.

Review of the Activities and Future Developments

The Club policy of providing high quality facilities for the enjoyment of football for young people of all ages and abilities at a small cost in a safe and friendly environment continues to prove popular as is reflected by the number of teams playing week in, week out under the name of Crayford Arrows.

Over the past season a particular focus was placed on the growth of girls football. From an initial single side we are now fielding three teams each weekend, to which at least one more team will be added next year.

We continue to share the use of our club facilities with other local charities, such as MENCAP.

We are also seeking to raise our profile within the local community of Crayford as we believe we offer a resource of which the town should be proud.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 30 APRIL 2021

Statement of the Board's Responsibilities

Company Law requires the Members of the Board to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the company and for the profits or loss of the company for that period. In preparing these Financial Statements, they are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;

By Order of the Trustees:

Mr P Oliver

NOTES TO THE ACCOUNTS**FOR THE YEAR ENDED 30 APRIL 2021****1. Accounting Policies****1.1 Accounting Convention**

The Financial Statements are prepared under the Historical Cost Convention and in accordance with applicable accounting standards, and the Charities SORP (FRS102)

1.2 Incoming Resources

Subscriptions and membership income that provides core funding or are of general nature are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Income from trading activities includes bar income which is recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. All other income is recognised when it is practicable and prudent to do so and the conditions for receipt have been met.

1.3 Resources Expended

Expenditure is recognised when a liability is incurred. Contractual arrangements and performance related costs are recognised as goods or services are supplied.

- Charitable activities include expenditure associated with the maintenance and general running of the sports club and include both the direct costs and support costs relating to these activities.
- Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

1.4 Financial Instruments

The sports club only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.5 Debtors

Debtors are initially recorded at fair value and are assessed for impairment at each reporting date. If any impairments exist the debtors are remeasured to the present value of the expected future cash inflows.

1.6 Creditors

Creditors are initially recorded at fair value and are then remeasured to the present value of the expected future cash outflows.

1.7 Government Grants Policy

The government grants received by the company were in relation to the coronavirus job retention scheme.

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised using the accrual model and the performance model.

Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.
