## **Report of the Trustees**

### **Objectives and Activities**

#### **Our objectives:**

The advancement in the Unitary Authority area known as Southampton and the surrounding area ("the area of benefit") of public education in matters concerning interpersonal relationship and life skills and strengthening and enriching family life marriage parenting and relationships and the doing of all such things being charitable in law as are incidental or conducive to the attainment of these Objects and without prejudice to the generality of the foregoing.
2. By developing long term cultural changes to raise public awareness of the importance of life skills and thus promoting better relationships in the community generally.
3. By offering every couple contemplating marriage or committed relationship, preparation and short courses that give them help with such issues as communication conflict resolution agreeing personal values and budgeting.
4. By giving on-going support for marriage and relationships generally including (but not exclusively) mentoring, step-family support and specialist sources of help when needed.
5. By conducting dialogue with local schools and those involved with post-16 education to help children and adults to learn life skills and values to empower them to make better relationship decisions.

7. By creating a directory of support services for couples in difficulty and families in crisis so that people are enabled to know where they can go to obtain help with their relationship.

**Public Benefit**

Southampton Family Trust continues to meet the public benefit requirement and has regard to the Charities Commission guidance on public benefit where relevant.

Southampton Family Trust continues to grow in terms of influence and activity. A significant proportion of work remains in the areas of couple support and parenting. The trust continues to build up its work in other relationship areas, including domestic abuse awareness and the impact of mental health and trauma. Over the year Southampton Family Trust's work has reached over 400 Southampton residents, with additional indirect benefit to their extended families.

**Summary and Main Achievements 2023/24**

Southampton Family Trust has continued to deliver parenting courses and couple support throughout 2023/24.

Southampton Family Trust continues to provide services to Southampton families largely online. Online courses have been very popular, numbers attending have increased significantly and the attendee retention rate is excellent. Some parents with social anxiety/mental health issues, who would not have considered face to face, have felt able to attend online. An additional benefit is that online courses are less resource intensive than face to face courses, so we are able to deliver more support at less cost. We plan to deliver a mixture of face to face and online courses going forward.

The charity is very thankful for continued support from its funders. Regular giving has been sustained this year, and larger funders have generously continued to fund our work.

Couple support has continued and is being delivered face to face or online (depending on the couple's wishes). We continue to see a high number of referrals. In order to relieve pressure on the waiting list, we continue to run a series of group couple support online modules called "Building Relationships".

Children in Need continue to fund the Strengthening Families course. We delivered three of these courses this year. The courses were online but there was a face to face meet up at the end of each course when all the families and facilitators went bowling. Again, these have been successful. They are popular and well attended.

Here is some feedback from the parents who did the Strengthening Families course this year.

What was the best thing about the course?

*"I can't thank SFT enough, the course myself and E attended was fun and informative and everyone was friendly and welcoming."*

*"The best thing has been realising that I am not on my own. All the kids are in a similar situation and I am not alone."*

*"I am not alone"*

*"The same, I am not alone. Also I've had some good information about ways to approach behaviour."*

(A company limited by guarantee)

**Charity number: 1095732**

*"I was excited that I am not the only one. I am not on my own."*

*"Really good fun, great atmosphere. I have done other courses which can be a bit boring. This one had great games. My daughter looked forward to it. It was very friendly."*

*"Knowing you are not alone. It can feel that it is just you going through it. Having people to share knowledge with has been good. I learnt a lot which I did not know before. I loved both the parents and the kids sessions."*

Yellow Door (Southampton based charity providing support to anyone at risk from or affected by domestic abuse and/or sexual violence) and Southampton Family Trust (in partnership), continue to receive funding from the Office of the Police and Crime Commissioner to co-deliver Building Respectful Families. This is a course designed to support families where there is child or adolescent to parent violence. We have delivered two courses this year.

We have continued to run courses for parents of children with neurodivergence. These courses are highly oversubscribed which reflects the needs of parents. This year we ran three x 8 week courses for parents of children with ADHD. Here is some feedback from the parents on one of the ADHD courses.

What was the best thing about the course?

*"Thank you for running this course, it's been invaluable... You've all been amazing."*

*"It's been great hearing others experiences and knowing you're not alone in the issues faced. It's been lovely, insightful and very helpful, thank you."*

*"It was good to know you're not on your own. Everyone is experiencing the same things, exchanging ideas & suggestions, what works well and what doesn't."*

*"Helpful listening to other people, getting tips, and I'm not alone."*

*"I've learnt a lot about ADHD & helpful tips. It's been good to hear from others – everyone is very friendly."*

*"I've really enjoyed the course. It's nice to know I'm not the only one who's in this position. It's been nice to hear everyone else and how they have ways to cope with children. Also I would like to thank you both [facilitators]."*

Southampton Family Trust has continued to benefit from being a member of PIPPA (Prevention and Intervention and Public Protection Alliance) and receives referrals onto parenting courses from domestic abuse agencies.

All courses at Princess Anne Maternity Hospital continue not to take place due to hospital COVID restrictions.

### **Financial Review**

Southampton Family Trust raised £60,519.12 (2023: £28,531.38) and spent £50,854.37 (2023: £59,613.79). We have continued to be able to meet all our financial commitments throughout the year and we are very grateful for the regular and faithful giving of our donors, our funders and the agencies which commission our services. Our reserves are sufficient to meet liabilities.

Funding was received this year from:

- Children in Need
- Office Police and Crime Commissioner
- National Lottery

### **Serious Incidents**

There were no serious incidents to report. Discussion by the trustees has been built into our annual calendar and will also be addressed on an as needs basis. There is a Serious Incident Policy.

### **Reserves Policy**

SFT's level of reserves was agreed upon by the Trustees after examining the charity's requirements for reserves in the light of the main risks to the organisation. This amount is set on the basis that SFT wishes to have 3 months "running costs" in reserve. In the event of an unexpected significant drop in unrestricted income, we can run the office for a further 3 months, make redundancy payments and finish off all courses which have already started in order to provide continuity of support for parents. Restricted income in respect of courses not yet started will be returned to the funder if the charity cannot continue

SFT's Reserves Policy provides that SFT will maintain reserves of £12,000 (unrestricted funds).

The Trustees declare that they have approved the Report and Financial Statements above.

## **1) BASIS OF PREPARATION**

### **a) Basis of Accounting**

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006.

The financial statements have also been prepared in accordance with the Statement of Recommended Practice (SORP) : Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### **b) Fund Accounting**

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
- Designated funds are unrestricted funds earmarked by the trustees for particular purposes (There are no such funds to date)
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor

### **c) Public benefit**

The charity constitutes a public benefit entity as defined by FRS 102

### **d) Going Concern**

The Trustees regularly review the financial position of the organisation, and based on the level of reserves, the continuing levels of funding and capacity to manage expenditure, they consider that Southampton Family Trust is a going concern.

## **2) ACCOUNTING POLICIES**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

### **a) INCOME**

#### **Recognition of Income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources:
- it is more likely than not that the trustees will receive the resources
- the monetary value can be measured with sufficient reliability

#### **Offsetting**

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

#### **Grants and Donations**

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP)

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP)

#### **Tax reclaims on donations and gifts**

Gift Aid recoverable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

#### **Contractual income and performance related grants**

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

**Support Costs**

The charity has incurred expenditure on support costs.

**b) EXPENDITURE AND LIABILITIES**

#

**Liability Recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

**Support Costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

**Grants with performance conditions**

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions**

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

**Redundancy cost**

The charity made no redundancy payments during the reporting period.

**Deferred income**

No material item of deferred income has been included in the accounts

**Creditors**

The charity has creditors which are measured at settlement amounts less any trade discounts.

**c) ASSETS**

**Tangible Fixed Assets**

Assets that can be used by the charity for more than one year and costing above £500 are capitalised. Assets are valued at cost less depreciation

Computer Equipment is depreciated on a straight line basis over 4 years.

**Stocks and work in progress**

Stock of inventories used for charitable activities is valued at the lower of cost and net realisable value.
