The Millennium Awards Trust (MAT) was endowed by the Millennium Commission with a National Lottery grant of £100 million as a permanent source of grants for individuals throughout the United Kingdom to develop their own skills and talents and to contribute to the community.

The Millennium Commission was set up in 1993 to distribute National Lottery funds as grants to fund initiatives to mark the year 2000 and the beginning of the third millennium. In doing so it changed the face of the United Kingdom for generations to come. The Commission's £100 million grant to MAT will ensure that Millennium Commission funds will continue to benefit individuals and communities in perpetuity.

**Descriptions**

MAT is a charity established by Trust Deed. The Foundation for Social Entrepreneurs (UnLtd) is the corporate trustee of MAT.

TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

## **2. STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **a. Nature of governing document**

MAT is governed by its Trust Deed, made on 27 January 2003 between the Millennium Commission and UnLtd.

### **b. Organisational structure and how decisions are made**

#### **Role of UnLtd in the operation of MAT**

The Charity operates through its Trustee, UnLtd.

The Trustee holds the Endowment on Trust, and shall apply the income arising from the Endowment in furtherance of the Objects.

The Trustee may reimburse itself from the income of the Trust in respect of amounts required for the administration of the Trust.

#### **The Protector of MAT**

The Protector's fiduciary duty is to ensure the integrity of the administration of the Trust and the propriety of its procedures, and if necessary report matters of serious concern to the Big Lottery Fund, the Charity Commission and, where the Protector considers it appropriate, the Secretary of State.

The Protector of the Millennium Awards Trust is Lady Justice Carr DBE, who was appointed on 27 January 2021 by the Secretary of State for Digital, Culture, Media, and Sport. The Protector's term ended on 26 January 2024. A new Protector Alison Paines has been appointed thereafter.

The Protector is entitled to receive from the Trust:

- Reasonable out-of-pocket expenses incurred in carrying out his or her role as Protector
- Reasonable remuneration at a level to be fixed by the Secretary of State from time to time

During the year the Protector received the Agenda and papers for all meetings of UnLtd, MAT and Scotland UnLtd. Executive staff held regular meetings with the Protector to advise them on activities, financial performance and future plans. The Chair of UnLtd also met and corresponded with the Protector during the year. They were also informed of complaints and their resolution. Face to face meetings were held with the Protector during the year. Where required, the Protector's permission to make changes to the Memorandum and Articles of Association of UnLtd and the policies of the Awards scheme was sought and received.

During the period the Protector claimed no out-of-pocket expenses.

The remuneration for the Protector has been set at £5,000 per annum.

## **3. OBJECTIVES AND ACTIVITIES**

**MILLENNIUM AWARDS TRUST  
TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

**a. Objects of the Charity**

The Objects of the MAT are to relieve poverty, advance education and training and promote other charitable purposes beneficial to the community.

The Objects are to be carried out only by awarding grants of money to, and providing services, facilities and other forms of assistance for, individuals resident in any country or territory within the United Kingdom of Great Britain and Northern Ireland and the Isle of Man.

In pursuing these Objects, UnLtd as Trustee has had regard to the Charity Commission's general guidance on public benefit. Significant activities have been undertaken to further the mission and objects.

**b. Main Policies and procedures**

**Grant Making Policy**

UnLtd Millennium Awards are for people:

- Aged 16 years and over
- Resident in the approved territories (England, Scotland, Wales and Northern Ireland)
- Who are applying as an individual or as an informal group
- Who have an idea that:
  - Benefits the individual, the public and a community in the UK
  - Needs an UnLtd Award to ensure success
  - Offers a learning opportunity for the applicant(s)
  - Is a new initiative (4 years or less)

The Awards Scheme has 2 levels of Awards which people can apply for, these are called Starting up and Scaling up, and 1 flexible support award to support those who are most marginalised, This is called a Continuous Support Award.

- Starting up: Millennium Award of up to £8,000, aimed at people who have an idea or have started to make a difference to people's lives, their community, or have ambitions to create change at a national level.
- Scaling up: Millennium Award of up to £18,000, for social entrepreneurs already running a social venture for at least 1 year, and if incorporated this must be less than 4 years. They must also be making a positive difference, have compelling evidence of their impact and have a turnover of less than £250,000 in their last financial year.
- Continuous Support Award can be recommended by a Support Manager to support a current award winner who with additional financial support would enable growth. These awards are primarily for those who are most marginalised and face additional barriers. Total value of a Continuous Support Award is £12,000.

All awards are approved by the Millennium Awards Trust Committee.

.

**Reserves policy**

Unrestricted reserves are the accumulation of unspent unrestricted income. MAT unrestricted reserves can only be used on MAT activities.

Trustees of UnLtd have set the following reserves policy for MAT and for UnLtd.

1. UnLtd is the sole Trustee of MAT, and in addition is developing activities to support social entrepreneurship, which cannot be funded by income from MAT either because they fall outside of the Trust's criteria or simply because of limits on available funds.
2. The founding donor of MAT, the Millennium Commission, established the Endowment to generate income to further the Objects of the Trust into perpetuity. The Trustee is required to apply at least 75% of the income arising from the Endowment in furtherance of the Objects.

**MILLENNIUM AWARDS TRUST  
TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

3. The Trustee needs to balance this need to generate income with the need to seek to obtain the maximum return, consistent with a policy of seeking to maintain the Real Value of the original £100m Endowment.

Trustees of UnLtd have set the following reserves policy for the MAT in the light of the factors noted above and the investment strategy, and a separate reserves policy for UnLtd which is detailed in the consolidated annual report and accounts of the UnLtd Group.

Income from Millennium Awards Trust endowment, from dividends and interest, is used to further the Objects of the MAT. The returns from financial markets, and therefore income available to run the Millennium Awards scheme, tend to fluctuate from year to year and on occasions these fluctuations could be significant.

An income reserve has been established in order to provide a buffer between market fluctuations and spending level for MAT. The Trustee aims to maintain an income reserve that would sustain the spending level of the Millennium Awards scheme when likely future income is also taken into account.

### **Investment Strategy**

MAT is an endowment (valued at £100 million when it was established). The Board of UnLtd, in its capacity as Trustee of MAT, is responsible for the investment of the endowment. The Trust Deed for MAT stipulates that we must seek to maintain initial real value in managing the endowment. Initial real value (IRV) is calculated by applying CPI to the initial £100 million since the inception of the fund.

The Trustee may exercise the power of investment provided it has first taken proper investment advice. We delegate to the UnLtd Investment Committee (IC) the tasks of advising us on the full range of investment issues including policy, strategy, the appointment and monitoring of professional advisers, and the monitoring of performance. The expertise, engagement and generosity of our IC members enables us to manage our endowment well at low cost.

The UnLtd Board establishes and agrees the principles and policies for our investment management, which the IC then puts into practice. We are conscious of our responsibilities as an asset owner. The requirements of the Trust Deed have an overriding influence on investment decisions.

Consistent with our beliefs, we have been a signatory to the UN-sponsored Principles for Responsible Investment (see below) since February 2013, outlined below:

1. To incorporate Environmental, Social and Corporate Governance (ESG) issues into our investment analysis and decision-making processes;
2. To be an active owner and to incorporate ESG issues into our ownership policies and practices;
3. To seek appropriate disclosure on ESG issues by the entities in which we invest;
4. To promote acceptance and implementation of the Principles within the investment industry;
5. To work with the PRI Secretariat and other signatories to enhance their effectiveness in implementing the Principles;
6. To report on our activities and progress towards implementing the Principles.

The Board of UnLtd has a duty to act in the best long-term interests of our beneficiaries. We believe that environmental, social and governance (ESG) issues can and do affect the performance of investment portfolios (to varying degrees across companies, sectors, regions, asset classes and through time). We also believe that investment portfolios can and do affect our beneficiaries.

We will therefore seek to advance ESG goals, seek positive impact, and avoid negative impact, through our investment management, subject to the obligations of the Trust Deed and in accordance with trust law.

As part of this, we will continue to educate and challenge ourselves, our advisors and our investment managers to be aware of opportunities and risks related to maintaining real value, UnLtd's income needs and ESG factors.

**MILLENNIUM AWARDS TRUST  
TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

**Asset Allocation**

We invest so as to meet the various different objectives of the Trust Deed. In practice this involves investing across a number of different broad asset classes (eg, equities vs bonds vs cash), balancing expected return, risk, volatility, income, impact and operational considerations.

We review strategic asset allocation formally every five years, as part of an overall Investment Review. Our asset allocation aims to provide an optimum balance between stable income – necessary to meet MAT's operational needs - and maintaining real value.

**Selection and Management of Investment Managers**

The IC actively seeks out, selects and manages a focused group of external investment managers whom we believe will best achieve our overall goal (to maintain real value) while also being true to MAT's mission and our values.

When selecting investment managers, we will prioritise those whom we are confident, based on evidence and appropriate due diligence, will meet the obligations of the trust deed (including seeking to maintain initial real value), that will meet the operational needs of MAT and that will generate net positive ESG outcomes and impact.

We expect our investment managers to act as responsible investors. In appointing them, we consider whether they might behave in ways that conflict with our charity's aims, alienate our benefactors, or make our beneficiaries unwilling to accept our support. In managing our assets, they are asked to take account of ESG factors, and to disclose how their engagement with the companies they invest in is helping to meet our goals, including our ESG goals.

Where our investment managers knowingly act against our goals, mission, principles and values, we will consider what action to take.

The IC will report back to the UnLtd Board annually on how investment managers have advanced our goals, including our ESG goals. The IC will also report on its selection of investment managers, and how ESG factors were considered in the process.

**External Advisors**

We use external advisers to assist us in carrying out Investment Reviews. We may also use advisers on an ad hoc basis when the need arises e.g. to assist in the selection of managers in particular asset classes.

The performances of the whole portfolio, and of individual components within it, are monitored against their respective benchmarks on a quarterly basis. Managers are asked to attend IC meetings periodically. Managers with any significant performance or organisational changes or challenges are subject to intensive review.

**Direct Social Investment**

Direct programme- or mission-related investments through MAT are not permitted by the Trust Deed. Achieving the best returns across the full range of MAT investments allows UnLtd to best support social entrepreneurs.

**Financial instruments and associated risks**

UnLtd's Investment Committee, through investment in various funds as determined by its investment strategy, maintains positions in a variety of derivative and non-derivative financial instruments from time to time. UnLtd's investing activities expose it to various types of market risks that are associated with the financial instruments and markets it invests in.

Market risk includes currency risk, interest rate risk and price risk. The market risk management strategies of the funds UnLtd invests in are driven by the funds' investment objectives. The investment managers employed by UnLtd are instructed to manage risks in accordance with agreed policies and procedures.

Other than for its management of the Endowment, UnLtd does not use financial instruments.

TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

## **Fundraising**

There has been no outsourced fund raising via professional fundraisers or other third parties. As a result, the charity is not registered with the fundraising regulator and received no fundraising complaints in the year.

## **4. STRATEGIC REPORT**

### **a. Performance for the year**

Last year we launched our new strategy, Breaking Down Barriers, focused on:

- Working alongside social entrepreneurs
- Supporting social entrepreneurs with the greatest potential for impact
- Providing support that's market leading
- Campaigning for a just world – creating equitable access to funding and support

Based on this new strategy, we've been able to support social entrepreneurs in 2023-24 with 199 awards (99 Start Up, 51 Scale Up and 49 Continuous Support awards), distributing £1,879,488 in flexible grant funding. 68% of our awardees identify as Black Asian, minority ethnic and/or disabled (against a benchmark of 50%).

*"UnLtd is one of organisations where I felt really comfortable at all times, and I felt that they really do prioritise EDI. All the workshops I attend, I see such a diverse group of social entrepreneurs and like-minded people."* **Juan Lopez, Founder of Callisuem**

- We held 143 workshops, networking events and learning events for social entrepreneurs
- We facilitated 222 connections between UnLtd Award Winners and our volunteer mentors and pro bono partners. 78% of these connections were with Award Winners from our inclusion groups
- 98% of awardees reported "I am confident that I can contribute to social change"
- 84% reported "I have the ability to grow and sustain my business"
- 79% increased their turnover

*"It's so cheesy, but the motivation of having the support from UnLtd did a lot for my confidence as an entrepreneur."* **Georgia Wright, Founder of Maestro and Hunter**

*"I think the amazing thing about UnLtd is there's so many different types of support that you can get, and people who specialise in so many different subjects."* **Ellie Bishop Williams, Founder of Project Female**

On average, each venture we supported:

- benefited 1,226 individuals
- created 1.3 job opportunities and helped 9.4 people to find a job elsewhere
- delivered 15.4 training opportunities

This means that an estimated 2,252,616 individuals were positively impacted by our award winners in 2023/24.

## MILLENNIUM AWARDS TRUST TRUSTEE'S REPORT YEAR ENDED 31 MARCH 2024

### What are they?

A support tool enabling SEs to access up to £12,000, in tranches, at any point during an AWs support period.

### Who are they for?

Available to current award winners who have received either a Starting Up or Scaling award.

Prioritisation should be given to those social entrepreneurs who meet our inclusion ambitions, for whom it might take longer to reach their growth potential.

### What is their purpose?

CSA awards are used to further the ambitions of social entrepreneurs to; take advantage of tangible opportunities which have the potential to further their financial sustainability and impact, and/or to address the barriers they face as an individual in a flexible and responsive way.

### In 23/24 we made;

- 49 CSA Awards totalling £277,762
- 45% Awards went to White SEs, 50% to Black, Asian and Minority Ethnic SEs, 4% Unknown.

*In 24/25 we will look to deepen our understanding of the impact of CSAs to understand whether and how they enable SEs to grow their revenue and deepen their impact.*

## b. Financial review

MAT had one main source of funding during the year. The Endowment was established by a grant of £100,000,000 from the Millennium Commission. UnLtd, as sole corporate Trustee, holds the Endowment on Trust. The income generated from the Endowment was sufficient to fund Millennium Awards Trust activities and no additional external funding was sought.

At 31 March 2024, the Real Value of the Endowment was £176.7 million (2023: £167.3 million) against a total market value of the investments of £170.4 million (2023: £159.3 million) of which £15.6 million (2023: £15.6 million) is being held in income reserves. Within the income reserves, after netting off all creditors, the free reserves stood at £11.0 million (2023: £9.9 million).

MAT has substantial assets in the form of an endowment. The majority of the endowment is invested in funds with high liquidity. The trustee considers that there are no material uncertainties about the charity's ability to continue as a going concern.

## c. Plan for future periods

### Key objectives for the future

The Trustee has considered plans and objectives for the coming year and believes they are the best way to pursue the Trust's mission and objects to deliver benefit to the public:

- The Awards Scheme will be continued across the UK from several office locations, with staff increasingly working in their area of responsibility and assigned to an office as a hub base. Awards will be made monthly, except for August and December.
- For 2024 - 2025, the Starting Up Awards budget available from the Trust is £883,500. Based on the average Awards size of £8,000 it is expected that about 110 awards will be taken up in full. In addition, further funds will be raised to increase the number Awards available.
- For 2024 – 2025, the Scaling Up Awards budget available from the Trust is £1,000,000. Based on an average Award size of £18,000 It is expected that about 55 awards will be taken up in full.

**MILLENNIUM AWARDS TRUST  
TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

MAT creates public benefit by inspiring and supporting people to become social leaders, developing their skills and confidence to create social or environmental benefit and encouraging others to follow their example. We help people to create new social ventures and social innovations, some of which we support to achieve large scale social and economic impact, and we help other organisations to deliver similar benefits. The Trust also offers volunteering opportunities which help people gain work related skills.

**d. Principal risks and uncertainties**

MAT has a structured approach to risk management, supported by a Risk Management Strategy which:

- focuses on high risk areas of the operations, not just financial risks
- helps managers to find improved ways of working and of achieving the Charity's objectives
- focuses on current operations, identifying future actions and management responses to identified risks
- cuts across departmental boundaries, looking at charity-wide issues
- develops knowledge of controls among managers to manage identified risks and eliminate pointless procedures

The Chief Executive of UnLtd is responsible for conducting a comprehensive risk analysis from which the Risk Management Strategy is produced. The Finance & Audit Committee of UnLtd first considers this and makes recommendations thereon to the Board.

TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

## **5. STATEMENT OF TRUSTEE'S RESPONSIBILITIES**

### **Statement of Trustee's responsibilities**

The Trustee is responsible for preparing the Trustee's annual report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustee to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the Trustee must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustee is responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Disclosure of information to Auditor**

The members of the Board of UnLtd, on behalf of the Trustee, have confirmed that:

- So far as they are aware, there is no relevant audit information of which the charity's auditors are not aware; and
- They have taken all the steps that they ought to have taken as a member of the Board in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Approved by the Trustee on 17 September 2024 and signed on its behalf by:

**MILLENNIUM AWARDS TRUST  
TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

**REPORT OF THE INDEPENDENT AUDITOR TO THE TRUSTEE OF THE MILLENNIUM AWARDS TRUST**

**Opinion**

We have audited the financial statements of The Millennium Awards Trust (the 'charity') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustee with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Report of the Trustee, other than the financial statements and our auditor's report thereon. The trustee is responsible for the other information contained within the Report of the Trustee. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**MILLENNIUM AWARDS TRUST  
TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Report of the Trustee; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

**Opinion on other matters as required by the Reporting Direction**

In all material respects the income, expenditure and resources during the year ended 31 March 2024 have been applied in furtherance of the objects of the Millennium Awards Trust pursuant to the powers of UnLtd as set out in the Trust Deed dated 27 January 2003, and in accordance with the Conditions of Grant set by the Millennium Commission in Schedule 7 of the Trust Deed.

**Responsibilities of the Trustee**

As explained more fully in the Statement of Trustee's Responsibilities, the Trustee is responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee is responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the charity and the sector in which it operates to identify laws and regulations that could reasonably be expected to have a direct effect on the financial statements. We obtained our understanding in this regard through discussions with management, sector research and application of cumulative audit knowledge and experience.

**MILLENNIUM AWARDS TRUST  
TRUSTEE'S REPORT  
YEAR ENDED 31 MARCH 2024**

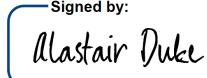

- We determined the principal laws and regulations relevant to the charity in this regard to be those arising from the Reporting Direction, Charities Act 2011, Financial Reporting Standard 102, and relevant employee legislation.
- We designed our audit procedures to ensure the audit team considered whether there were any indications of non-compliance by the company with those laws and regulations. These procedures included, but were not limited to enquiries of management, review of minutes and review of legal and regulatory correspondence.
- We also identified the risks of material misstatement of the financial statements due to fraud. We considered, in addition to the non-rebuttable presumption of a risk of fraud arising from management override of controls, that there was potential for management bias in the valuation of investments. We addressed this through review of the valuation reports.
- We also identified potential for management bias in the allocation of support costs against charitable activity categories. We addressed this through reviewing the method used for reasonableness, and re-performing the calculation to ensure it had been performed accurately in line with the stated method.
- As in all of our audits, we addressed the risk of fraud arising from management override of controls by performing audit procedures which included, but were not limited to: the testing of journals; reviewing accounting estimates for evidence of bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the Trustee, as a corporate body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's Trustee as a body, for our audit work, for this report, or for the opinions we have formed.

**YEAR ENDED 31 MARCH 2024**

## **1 PRINCIPAL ACCOUNTING POLICIES**

### **(a) General information and basis of preparation**

MAT is a charity. It is governed by its Trust Deed and operates through its Trustee, UnLtd. The address of the registered office is given in the charity information on page 1 of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 1 January 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice. The financial statements have been prepared to give a true and fair view, and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to give a true and fair view. This departure has involved following the Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005, which has since been withdrawn.

MAT has substantial assets in the form of an endowment. The majority of the endowment is invested in funds with high liquidity. The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern and therefore the financial statements are prepared on that basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

### **(b) Going Concern**

The Board of Trustees has adopted the going concern basis in the preparation of these financial statements. In reaching this decision, the Board of Trustees has given consideration to MAT's forecast and cash flow projections covering a period of at least 12 months from the date of signing of the financial statements.

Though the scenario is considered to be very unlikely, as part of the going concern assessment a cash flow forecast is prepared on an ongoing cash outflows and projected investment income assuming no new source of external funding beyond those already confirmed. Based on this analysis, no risk of going concern is foreseen for the 12 month period up to September 2025.

MAT will also monitor its funding position and its liquidity risk throughout the year to ensure it has access to sufficient funds to meet forecast cash requirements and make adjustments in its operational expenditure as required. MAT also has the ability to flex the timing and/or volume of MAT awards outflows in order to manage any risks. Having due regard to these matters and after making appropriate enquiries, the Directors have a reasonable expectation that MAT have adequate resources to remain in operation until at least 12 months after the approval of these Financial Statements. The Board of Trustees have therefore continued to adopt the going concern basis in preparing the Financial Statements.

**MILLENNIUM AWARDS TRUST  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2024**

**(c) Funds**

Unrestricted funds are available for use at the discretion of the Trustee in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity. Income arising on the endowment funds can be used in accordance with the objects of the Millennium Awards Trust and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund.

**(d) Income recognition**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income, after any performance conditions have been met, when the amount can be measured reliably and when it is probable that the income will be received.

Investment income is earned through holding assets for investment purposes such as shares. It includes dividends and interest earned. Interest income and dividends are recognised when receivable.

**(e) Expenditure recognition**

All expenditure is accounted for on an accruals basis. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are included in expenditure on charitable activities. Where unconditional grants are made, these amounts are recognised when a constructive obligation is created, typically when the grant is approved. Where grants are conditional on performance, then the grant is only recognised once any unfulfilled conditions are outside of the control of the charity.

**(f) Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold land	n/a
Freehold buildings	25 years
Fixtures and fittings	4 years
Computers	3 years

**MILLENNIUM AWARDS TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 MARCH 2024**

**(g) Investments**

Publicly traded investments, or those where fair value can otherwise be measured reliably, are measured at fair value at each balance sheet date, with changes in fair value recognised in 'net gains / (losses) on investments' in the SoFA. Other investments are measured at cost less impairment.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

**(h) Debtors and creditors receivable / payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

**(i) Loans and borrowings**

Loans and borrowings are initially recognised at the transaction price including transaction costs. Subsequently, they are measured at amortised cost using the effective interest rate method.

**(j) Derivatives**

Derivative financial instruments are initially measured at fair value at the date on which a derivative contract is entered into and subsequently at each balance sheet date. Changes in fair value are recognised in the relevant expenditure heading in the SoFA.

The loan is repayable in 204 equal monthly instalments from November 2006. The loan bears interest at 0.85% above the bank base rate and interest is payable as it is charged. The loan is secured over the freehold property of MAT and certain securities.

**8 Endowment**

MAT was endowed by the Millennium Commission with a National Lottery grant of £100 million as a permanent source of grants for individuals throughout the United Kingdom to develop their own skills and talents and to contribute to the community.

**MILLENNIUM AWARDS TRUST  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2024**

The Trustee is under a duty to obtain the maximum return consistent with a policy of seeking to maintain the "Real Value". Any excess above this value can be regarded as income funds and used to make awards and meet running costs.

All of the income of the fund is available to make awards and pay for the administration of the awards scheme.

**9 Staff number and costs**

The Trust does not employ any staff as it operates through its Trustee (UnLtd) and therefore has no key management personnel.

UnLtd is the sole trustee of the Trust. The Trust activities are carried out through the trustee. Expenses reimbursed to the trustees of UnLtd to operate the Trust amounted to £2,308 (2023 - £187).

**10 Control**

Millennium Awards Trust considers UnLtd to be its controlling party and ultimate parent on the basis that it is the sole Trustee and The Trust activities are carried out through the Trustee. Transactions and balances with UnLtd and other group entities are disclosed within the notes to the financial statements.

**11 Related party transaction**

There have been no related party transactions in the year other than those between the charity and its parent undertaking. No disclosure has been made within these financial statements of such transactions in accordance with the exemptions allowed by FRS102.

**12 Financial instruments and associated risks**

The charity holds a number of financial assets (for example investments, debtors and cash) which meet the definition of basic financial instruments under the FRS 102 SORP.

The charity also holds a number of derivative financial instruments give details eg interest rate swaps, options and forward contracts. AQR values Portfolio Securities using market-based valuations when they are readily available. When market-based valuation is not available for a Portfolio Security, the Portfolio Security may be fair valued by (i) the Valuation Committee or (ii) a relevant Pricing Service. The Investment Manager has established a Valuation Committee to oversee the day-to-day valuation of the Funds' Portfolio Securities in accordance with this Valuation Policy.

UnLtd, through investment in various funds as determined by its investment strategy, maintained positions in a variety of derivative and non-derivative financial instruments. UnLtd's investing activities expose it to various types of market risks that are associated with the financial instruments and markets it invests in.

Market risk includes currency risk, interest rate risk and price risk. The market risk management strategies of the funds UnLtd invests in are driven by the funds' investment objectives. The investment managers employed by UnLtd are instructed to manage risks in accordance with agreed policies and procedures.

Other than for its management of the Endowment, UnLtd does not use financial instruments.
