## Devon Christian Youths Camps Trust

### Report of the Trustees for the Year Ended 31 October 2022

---

The trustees present their report with the financial statements of the charity for the year ended 31 October 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The principal activity of the Trust is to seek to advance the Christian Faith by providing and running a series of Youth and Family camps during the summer holidays and other related activities. The Trust draws young people mainly, but not exclusively from Devon, Somerset and Dorset. It is widely supported by the wider Christian community in these areas.

##### **Significant activities**

After the disappointment of 2020 and 2021 being unable to operate with the overnight camps, we were delighted to return to a normal summer programme.

Whilst there was some pent up demand from campers who had missed out on the previous two years, we had the challenge of the volunteer camp leaders and managers changing for some camps during the hiatus, leading to new teams having to be put in place.

Junior Mixed and Boys Camp were both in this situation with a new management team stepping in and building a new team, but with a lot of hard work and God's provision all camps ran extremely successfully.

In all there were nearly 200 young campers across the four camps aged between 10 and 17. The family camp which tends to run across the August bank holiday, again attracted over 100 people and the funds gained from this weekend camp help to keep costs charged lower for the four week long youth camps.

We remain indebted to the huge number of volunteers who help to set up, maintain and take down site. The equipment team has a number of faithful stalwarts who year after year help to keep the site safe and operational.

There were also training events put on prior to camp focussing on safeguarding so that each leader at camp was able to attend some form of training either in person or virtually.

The website including online booking portal continues to evolve and reduce the administrative burden in a number of areas. The managers of each camp as the main users of the system are encouraged to identify areas for improvement so that it can continue to improve the pre-camp experience.

##### **Public benefit**

As part of the spiritual teaching at the camps, the young people are encouraged to lead morally upright lives and to have a proactive social conscience.

DCYC continues to run its' bursary fund, administered by our treasurer. Each manager engages with those who contact us for support, and we accurately ascertain the level of support we offer. Where possible we ask the local church to help meet some of the cost rather than the bursary fully funding the fee. If someone is not connected to a local church, or the church themselves can't afford to contribute the bursary is fully utilised.

The trustees have read PB3 Public Benefit: reporting.

#### **FINANCIAL REVIEW**

##### **Principal funding sources**

The principal funding income of the trust is from the fees paid by camp attendees and gifts from the leaders. We are also in receipt of gifts from local churches and from time to time gifts from other Christian Trusts and Legacies.

##### **Investment policy and objectives**

Given the above, the trust has no long-term trend requiring action by the Trustees.

##### **Nominated/Designated funds and Reserves policy**

At our 2020 October meeting we fully reviewed the position of our designated funds and reserves policy. It was agreed, to have a minimum of £30,000 in the bank. Any Capital Expenditure would not erode these funds.

#### **FUTURE PLANS**

The Equipment Committee regularly review and consider the infrastructure and future requirements. There are a number of possible capital investments that are considered to improve the site and enhance our capabilities however there was none such made in 2022 with various options under review.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The Trust was formed in 1946 under the name of "The Exeter Assemblies' Boys' Camp" and changed its name to the present form when it was combined with the "Devon Assemblies' Boys' Camp" and a new Deed of Trust date 7 April 1982 was drawn up.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Organisational structure**

Trustees have the ultimate responsibility for the Trust and meet formally at least twice a year. Several members have roles across the various management committees and activities of the trust throughout the year. Detailed administration is undertaken by the five sets of appointed Camp Managers and their teams, reporting into the Management Committee who meet three times per year. All matters of recruitment, catering, safeguarding, equipment, transport and activities are organised through the management committee, sharing in best practice and resource within the oversight and policies created and updated by the trustees.

Independent Examiner's Report to the Trustees of  
Devon Christian Youths Camps Trust

---

**Independent examiner's report to the trustees of Devon Christian Youths Camps Trust**

I report to the charity trustees on my examination of the accounts of Devon Christian Youths Camps Trust (the Trust) for the year ended 31 October 2022.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

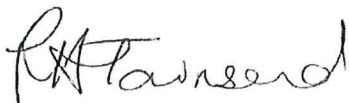

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
