THE ERNEST HECHT CHARITABLE FOUNDATION

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

The trustees present their annual report and financial statements for the year ended 31 December 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011 and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published in July 2014.

Objectives and activities

The charity's objects are to raise and distribute funds for the following purposes;

The advancement of education, the relief of poverty and the advancement of religion with the primary object of providing help to a variety of disadvantaged people in need of support, including the mentally and physically disabled and the aged, to help them live a full and satisfying life in the community.

The charity carries out these objectives by making grants to charities in the sectors of advancement of education, sports, the arts, and towards the relief of poverty and advancement of religion throughout England and Wales, and there has been no change in these policies during the year.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The trustees have continued to support a wide range of charities by awarding grants that benefit the disadvantaged and promote the advancement of the arts and education.

Achievements and performance

The trustees are confident that their activities as detailed above in 2025 have "made a difference" to the vulnerable, young and elderly.

Financial review

The transactions and financial position of the Charity are as set out in the attached financial statements and reflect the fact that, having distributed its reserves in full by way of grants, the charity is now to be wound up.

No reserves are now held.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity was established by a charitable trust deed dated 18 November 2002.

The trustees who served during the year were:

Ms B Jungr

Mr R Ward

Mr B Barkow CBE

Trustees are appointed in accordance with the Charity's trust deed, A new trustee may be appointed by a resolution of the trustees recorded in the minutes and signed by a trustee.

Applications are made to the Charity using an application form available on its website. The applications are summarised and circulated to the trustees monthly. The trustees meet quarterly to agree which grants should be made.

THE ERNEST HECHT CHARITABLE FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2025

There are no connected charities.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE ERNEST HECHT CHARITABLE FOUNDATION

I report to the trustees on my examination of the financial statements of The Ernest Hecht Charitable Foundation (the charity) for the year ended 31 December 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE ERNEST HECHT CHARITABLE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2025

1 Accounting policies

Charity information

The Ernest Hecht Charitable Foundation is an unincorporated charity, established by a charitable trust dated 18 November 2002, and with a principal address of 843 Finchley Road, London NW11 8NA.

1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

The charity's remaining reserves were distributed in full by way of grants during December 2025 and the charity is now to be wound up. The financial statements are therefore not prepared on a going concern basis.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

THE ERNEST HECHT CHARITABLE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2025

1 Accounting policies

(Continued)

1.5 Expenditure

Resources expended are accounted for on an accruals basis.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
