**Report of the Trustees
for the Year Ended 31 December 2023**

The Trustees present their annual report and accounts for the year ended 31 December 2023.

The board of trustees are pleased with the overall performance of the Charity during the year, the position at 31 December 2023 and consider that the Charity is in a stable position to continue its activities during the coming year, and that the Charity's assets are adequate to fulfil its obligations.

OBJECTIVES AND ACTIVITIES

Objectives and aims

-To advance the Christian faith in our City, the UK and around the world as we are able. To help bring relief to those who are needy.

-Through the provision of Sunday Services and other mid-week services including children's club and youth events, Destiny aims to strengthen peoples Christian faith and extend the Christian faith to the local community.

-To give relief to people in hardship in the UK and overseas by giving financial support and arranging mission trips to help in community projects.

-To help serve the needs of our local community by providing a variety of community initiatives which are available to all.

The Charity's Strategies

- Sunday services are made friendly and relevant to enable visitors to engage in and become committed to the church. Outreach programmes continue to evangelise the local community to reach out to all ages. Many other activities give us opportunity to connect with the local community.

- Sunday School, Kids and Youth Clubs for young people are provided for both members of the church and giving invitation to the wider local community.

- Sunday and midweek teaching on Christianity continues to increase member's faith and we hold evangelistic meetings to advance the Christian faith into the city of Wakefield.

- Destiny Christian Church - Wakefield continues to help in church projects in the UK and around the world.

Grantmaking

The Trustees carefully consider the help that they might give to support other churches in their mission, be that in the UK or abroad. All such organisations would have similar aims and objectives to Destiny Christian Church - Wakefield. Generally, most donations are made to organisations with whom we have a long term relationship and we remain involved in the overseeing of those donations being used for the purpose for which they are given. Such donations arise because of the decision of the Trustees of Destiny Christian Church and not from requests and applications.

Volunteers

The Church relies on, and greatly appreciates, the very considerable input of volunteers who help to make most of the activities of this busy church happen.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

- The Church provides Sunday Services, also smaller groups mid-week for existing regular attendees and to help attract new people to the church. The services are accessible online as well as in person.
- The Church has people accessing the online services alongside the in-person services. The numbers of people attending services has been stable during the year.
- The Church has regular activities for children and youth during Sunday Services and also mid-week with a regular Kids club and Youth club and these have been well attended throughout 2023.
- Sticky Fingers is the weekly Parents and Toddlers Group at Destiny Church, and has been full each week and is a very popular community group for both church attendees and the local community. This group provides the local community with a safe play space for young children and a warm and comfortable supportive environment to chat and make friends for parents and carers.
- The Church has a number of 'Focus Groups' and CAST (Care and Support Team) to provide the support and outreach all who have needed it; these groups and the support that's needed has been organised by church leaders and the small groups continue to give support that's needed.
- The Church community Café Connect is a great way of connecting with the local community and provides further opportunity for fellowship. It has been well attended each week in 2023 and continues to raise funds for the church mission outreach and provides a warm space for all people to meet up.
- The Church is engaged in 'missionary work' to help local churches and community projects which are similar in style and belief in the UK and overseas.
- Zion Christian Centre Stanley Wakefield (a branch Church) continues to go well and is serving the community through Sunday Services and other community programmes. The church attendance is stable and the church continues to plan for future growth and continues to provide community projects for the local area.
- Destiny Church Wakefield continues to serve and support churches around the world through the family of churches known as Destiny Connections International (DCI).

FINANCIAL REVIEW

Reserves policy

The directors have considered the level of reserves they wish to retain, appropriate to the Charity's needs. This is based on the Charity's size and the level of financial commitments held. The Directors aim to ensure the Charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The Directors will endeavour not to set aside funds unnecessarily.

The Trustees of Destiny Christian Church have decided to keep some funds in reserve to help pay ongoing costs of running the Church - especially the loan, should the Church experience any loss or dip in incoming donations. We endeavour to keep 3 months of the cost of the building loan repayments in savings.

FINANCIAL REVIEW

Transactions and Financial position

The financial statements are set out on pages 7 to 18. The financial statements have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102), Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

As stated in the introduction to this report, the Trustees consider the financial performance by the Charity during the year to have been satisfactory.

The Statement of Financial Activities show net outgoing resources for the year of £24,807 (2022: net outgoing resources £25,598).

The total reserves at the year end stand at £349,575 (2022: £374,382).

Share Capital

The company is limited by guarantee and therefore has no share capital.

FUTURE PLANS

We plan to continue our support in Malawi, especially for the Lunchbox feeding programme and school for disadvantaged children as well as continuing to support churches in India, Poland and Zambia.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is constituted as a company limited by guarantee and is therefore governed by a Memorandum and Articles of Association. The Directors of the Company are also Trustees of the Charity.

Recruitment and appointment of new trustees

A new trustee may be appointed, having given the statutory notice, by a resolution of the Trustees passed by the majority of the Trustees, the resolution should be recorded in the minutes, signed by the new trustee and by the Chairman of the meeting.

Organisational structure

The Trustees meet regularly to discuss and decide on all matters of church business.

Induction and training of new trustees

There has been the required training and induction of new trustees. There is ongoing training for current trustees including updates on our Safeguarding Policy.

Wider network

The Charity has no responsibility for, nor is it answerable to, any other organisation.

Related parties

The related party disclosure is shown in note 16 of the financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The Trustees meet regularly to discuss the wellbeing and progress of the Charity. No major risks have been identified. Careful planning has been done this year to adapt the church activities and to ensure that church finances are adequate to cover the costs. However, the Trustees continue to manage all aspects of the Church's life, including the following:

- Financial

- The Trustees meet monthly to analyse, manage and review all financial matters.

- We have decided to keep some funds in reserve to help pay ongoing costs of running the Church - especially the loan. We have considered that the stipend to the ministers is less significant in our reserves policy since they have stated that they would be prepared to forego their support should the need arise.

- An adequate insurance policy is in place to cover any potential problems arising from a claim, either to do with building or public liability.

- Health and Safety

We have in place a schedule and a Safety officer to manage the risks to do with fire safety, food safety, first aid, child protection and the general safety of the building.

- Child Protection

The Church has a Child Protection Policy based on the guidance and managed by 'Thirty one eight' (formerly CCPAS - Churches Child Protection Advisory Service).

- Vulnerable Adults Policy

The Church has a Vulnerable Adults Policy which has been adopted by all Leaders and groups associated with the Organisation.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

Investment Income

Bank interest received is included on an actual receipts basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

In particular the policy for including items within costs of generating funds and charitable activities costs is:

Charitable activities

This includes the cost of goods and services and ancillary costs that have been incurred in charitable activities. The ministers are involved with such activities and therefore the relevant stipend costs are treated as direct charitable expenditure.

Allocation and apportionment of costs

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:

The Charity's operating costs including staff costs, rent and other related costs. Such costs are allocated between types of resources expended and between charitable expenditure and management and administration on the basis of estimates made by the directors.

The bases of the estimates used were a common sense assessment of the nature of the costs involved.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost
Fixtures and fittings	- at varying rates on cost

A regular annual review of the likelihood of asset impairment is undertaken. The basis of this review is to examine the assets in their current use and establish that they are fit for purpose.

1. ACCOUNTING POLICIES - continued

Capital Grants - Tangible fixed assets

Gifts of tangible fixed assets or grants of a capital nature given for the specific purposes and fully utilised in the furtherance of the objects of the Charity should be credited to the relevant fixed asset fund after the sums have been properly expended on the restricted purpose. The related asset is shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

If the related assets are subject to restriction by the grant making organisation or individuals on their use and disposal, then this restriction is noted in the fixed asset section of these accounts. In such circumstances, the fixed asset fund created is treated as a restricted fixed asset fund. As the related assets are depreciated, then a transfer is made from restricted fixed asset funds to unrestricted revenue reserves to reflect the diminution in the asset subject to the restriction.

If the related assets are not subject to restrictions by the grant making organisation on their use and disposal, then the fixed asset fund created is treated as a designated fixed asset fund. As the related assets are depreciated, then a transfer is made from designated fixed asset funds to unrestricted revenue reserves to reflect the diminution in the asset. In this year a sum of £nil (2022: £Nil) was transferred from designated fixed asset funds to unrestricted revenue reserves.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Taxation

As a registered Charity, the Company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statement of Financial Activities.

Fund accounting

The Charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the Charity. Such funds may be held in order to finance both working capital and capital investment.

Restricted funds have been provided to the Charity for the particular purposes, and it is the policy of the Board of Trustees to carefully monitor the application of these fund in accordance with the restriction placed upon them.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered in the particular circumstances.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts are capitalised in the balance sheet and depreciated over their useful lives. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Finance and operating leases

Rentals payable in respect of operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.

Winding up or dissolution of the charity

If upon winding up or dissolution of the Charity there remain any assets, after the satisfaction of all the debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the Charity.
