MANCHESTER ENVIRONMENTAL EDUCATION NETWORK

Objectives and activities

The purposes of the charity are to advance the education of the public in all aspects of sustainable development.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities, and setting the policies for the year.

The charity furthers its charitable purposes for the public's benefit through supporting teachers, organisations and individuals working to promote environmental education and Education for Sustainability by providing networking opportunities, delivering innovative projects and through influence.

Structure, governance and management

Manchester Environmental Education Network is a company limited by guarantee governed by its Memorandum and Articles of Association dated 2nd December 2003. It is registered as a charity with the Charity Commission (dated 10th February 2003).

Appointment of trustees

As set out in the Articles of Association trustees are elected annually by the members of the charitable company attending the Annual General meeting, with the officers being elected from the Board. The number of trustees shall not be less than three. Each year one third of the trustees shall retire by rotation and if they wish to can make themselves available for re-election.

Trustee induction and training

New trustees are given a formal induction from the Manager that includes an overview of the charity's activities and funding as well as copies of all the relevant written policies.

Organisation

The board of trustees administers the charity. The board normally meets every 3 months. A Manager is appointed by the trustees to manage the day-to-day operations of the charity.

Related parties and co-operation with other organisations

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee or senior manager with any service providers must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year such related party transactions are reported in Note 8.

A review of our achievements and performance

The main achievements during the year were:

The network

The network has continued to support schools through our termly newsletters, one to one meetings and network events. Our Spring twilight was hosted by Dial Park Primary who shared their carbon reduction story with the eco team presenting on the benefits of forest bathing.

MANCHESTER ENVIRONMENTAL EDUCATION NETWORK

MEEN's AGM raised the question What is a Green Career? bringing pupil contributions from Levenshulme and Cedar Mount High Schools, together with the Environment Agency ecologist Karen Rogers, Patricia Spray from Treestation and Ric Frankland from Wudl who kindly shared their experiences having green careers.

We also engaged in a variety of other projects such as delivering climate change activities in Manchester libraries; supporting the Schools' Climate Assemblies project; a tree project at Rodney Fields, Lancashire's Eco Schools event and Manchester's Carbon Literate City project.

Project funding

The Nourish with Rubbish programme was completed with eco teams from St Augustine's and Claremont Primary schools being keynote speakers at the MMU Sustainability Fair. The Claremont team were also visited by M.P. Afzal Khan so they could discuss their concerns about plastic waste and climate change.

Our 'Treemarkable' project was funded to work with St Peter's, Levenshulme and Cedar Mount High schools with pupils exploring trees from scientific, practical, creative and affective perspectives. We also worked with Stockport schools on climate change during which St Winifred's Primary presented at the Stockport CAN conference and supported the MEEN stall at the Mayor's Green Summit alongside a team from Heald Place Primary.

MEEN continues to support food growing at Heald Place, but we also facilitated a visit of MA students from the University of Manchester who engaged with pupils on climate change activities and were given a tour of the garden.

We also began our Sustaining Soils project with Plymouth Grove and St Augustine's primaries who learnt about soils and how to nurture them, with the school teams enjoying visits to the soil laboratory at the University of Salford.

Overall, MEEN's projects engaged with 250 young people directly and delivered 110 school workshop sessions. Indirectly we reached over 1,000 young people in assemblies and at events. We worked directly with over 270 adults across the year including school staff and a range of organisations. We also had some wonderful volunteers including Nhi Nguyen, Kelsey Schowengerdt, Bella Moore, and would like to thank them for their support.

Financial review

Total income for the year was £40,017 and expenditure of £21,866 leaving a surplus of £18,151 (2024 deficit of £2,629).

The trustees have reviewed the accounts and are confident that MEEN can move forward with funding for 2025/26 and with a healthy balance of £60,559 in unrestricted reserves.

Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the charity, have kept available funds in an interest bearing current account.

MANCHESTER ENVIRONMENTAL EDUCATION NETWORK

Reserves policy and going concern

The balance held in unrestricted reserves at 31st March 2025 was £60,559 of which £60,558 is free reserves, after allowing for funds tied up in tangible fixed assets.

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately six months of running costs (estimated at £11,000) plus an employment contingency of £10,990. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

The trustees consider that the charity is a going concern. Any reliance on grant funding is managed through a flexible approach to staffing and options will be considered such as employing freelancers to deliver specific projects.

Risk management

The trustees have conducted a review of the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Plans for Future Periods

The trustees are keen to source core funding for MEEN. Although this is proving challenging, efforts continue to be made.

Trustees responsibilities in relation to the financial statements

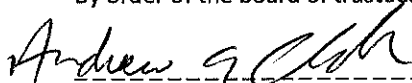

The charity trustees (who are also the directors of Manchester Environmental Education Network for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board of trustees

Chair Andy Clark

Date: 8TH October 2025

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF MANCHESTER
ENVIRONMENTAL EDUCATION NETWORK**

I report on the accounts of the company for the year ended 31st March 2025, which are set out on pages 6 to 15.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of The Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act ;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, ; and
- which are consistent with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Cash and cash equivalents carried forward	88,158	57,691

1. ACCOUNTING POLICIES**(a) Basis of preparation and assessment of going concern**

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

(b) Funds structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There are 10 restricted funds at the year end.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion have created a fund for a specific purpose.

Further details of each fund are disclosed in note 14.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period. Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

(d) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

(e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on staff time and facilities used in each activity.

The allocation of support and governance costs is analysed in note 7.

(g) Charitable Activities

Costs of charitable activities include governance costs and an apportionment of support costs as shown in Note 6.

(h) Tangible fixed assets and depreciation

Fixed assets are included in the accounts at net book value. Additions of a single item or a group of similar assets exceeding £500, are capitalised at cost (valuation for donated assets).

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets over their estimated useful lives as follows:-

Computer Equipment 33 1/3% on cost

(i) Taxation

The organisation is exempt from income tax by reason of its charitable status. Income tax suffered on investment income is reclaimed in full. The Charity is not registered for VAT.

(j) Pensions

The charity currently makes contributions to defined contribution pension scheme that is also an auto enrolment pension scheme. The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions.

(k) Contingent liabilities

A contingent liability is identified and disclosed for those transactions resulting from a possible obligation which will only be confirmed by the occurrence of one or more uncertain future events not wholly within the trustees' control.

(l) Debtors

Trade and other debtors are recognised at settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(m) Creditors and Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

15

18 CAPITAL COMMITMENTS

	2025	2024
Contracted but not provided for	<u>£ nil</u>	<u>£ nil</u>

19 GOING CONCERN

The company's main source of income is grant funding and education. With reference to reserves the Trustees consider that it is appropriate to prepare the accounts on a going concern basis and consequently the accounts do not include any adjustments that would be necessary if regular funding sources should cease.

20 POST BALANCE SHEET EVENTS

The trustees consider that there are no significant post balance sheet events that impact on the financial statements as presented.

21 ULTIMATE CONTROLLING PARTY

The company is under the shared control of the Trustees named on Page 1.
