ANNUAL REPORT & ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2021

Charity Registration Number. 1096207

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF CONGRESBURY YOUTH PARTNERSHIP

I report on the accounts of the charity for the year ended 31 December 2021, which are set out on pages 2 to 8.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Partnership's main risks relate to the volunteers and the activities it provides. These are mitigated by:

- Public Liability Insurance and building & contents cover is in place
- The Partnership has a child protection policy and all its main volunteers are DBS checked.
- Risk assessments are completed on an ongoing basis for the activities we provide.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

- To provide or assist in the provision of facilities for recreation and other leisure time activities for children and young people resident in Congresbury North Somerset.
- To develop their physical, mental and spiritual wellbeing and assist them in growing to full maturity as individuals and members of society.
- To develop and support adult and young people volunteering in the community.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Congresbury Youth Partnership continues to deliver a varied range of positive activities at affordable cost for children and young people aged 8-19 in Congresbury.

While we make our services as cheap as possible, we do not want cost to be a barrier to young people enjoying them and so will look to subsidise young people who cannot afford to take part.

Details of these activities are given in section D below.

A period of uncertainty for all including the Youth Club and Young People, as a Youth Team we were able to be responsive to the offer that we would normally provide young people, by adapting our normal methods of open access Youth Work to virtual contact with young people throughout the National Pandemic. However taking the opportunities to open our doors to young people at each point that the restrictions were lifted.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

We have approx. 11 adult volunteers who assist with

- sessions at the Youth Club,
- the drop in activity sessions,
- design and keep our website updated;
- support our holiday activities and
- help with fundraising events.

We would not be able to run the Partnership without a team of committed and willing volunteers and huge thank you goes out to them.

We also have approx. 2 young volunteers who support at the above sessions and holiday activities.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Overview of sessions; activities and events provided by the Youth Partnership:-

- On Mondays from 3.30 until 6pm we host a Code Club, run entirely by volunteers, for young people interested in learning computer coding in Scratch and Python.
- Drop in sessions with multiple activities take place at the Youth Club on Tuesdays and Wednesdays after school, during term time from 3pm until 5pm for children and young people aged 8-11 years – cost per session £2. (when restrictions allowed)
- Youth Club – Wednesday evenings for 40 weeks of the year from 6.30pm-8.30pm for young people 11-19 – cost per session £1.50.(When restrictions allowed)
- Holiday activities during most school holidays. During most half term breaks we provide two full days activities from 10am-4pm cost approximately per day £15.
- Over periods of National Lockdown online video calling was used to maintain contact and provide a number of activities, including online cooking workshops, quizzes and fun competitions.
- As a response to anti-social behaviour reports outreach and detached work was delivered supported by Avon and Somerset Police and local PSCO's
- Volunteering opportunities – we provide volunteering opportunities for adults and young people in the village who want to contribute towards their community. Often our young volunteers have gone on to become paid staff for the partnership holiday activities and we have also been able to help them with job applications, references and C.V's. We support young people taking part in the Duke of Edinburgh's award scheme by providing safe, monitored volunteering.

The youth workers used by the charity are employed through a service organisation who deal with the employment, insurance, absence cover etc.

This service is provided by Foreal Youth Work Provider who have provided our Youth Workers since 2015.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The majority of the charity's income comes from Congresbury Parish Council in the form of grants to provide youth workers. We are extremely grateful for this funding and without it we could not continue to provide our services.

This year we received Covid support from North Somerset Council to help with additional costs, loss of revenue from our lettings etc.

We are always trying to find new ways to fund raise and attract donations and this year our fundraising events have included the St Andrew's Christmas Fete and the Broad Street Christmas fair where we had stalls selling a range of items made by the young people. We rent out the Youth Club building whenever possible, which provides valuable additional funding towards the costs of maintaining the building.

We also hold pub quizzes and organise the 100 club.
