Accountants' Report to
Science of Spirituality Charitable Trust
(United Kingdom)

I report on the accounts of Science of Spirituality Charitable Trust for the year ended 31 March 2025 set out on pages three to nine.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

It is my responsibility to:

- Examine the accounts under Section 145 of the 2011 Act
- To follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees, concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

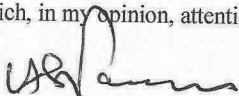

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities,

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Activities Undertaken

1. Regular openings of the Meditation Centre

We continue to offer weekly gatherings each Sunday morning, opening our doors to regulars as well as newcomers. The session includes inspiring reading and video presentations relating to ethical values and leading a spiritual life, followed by a short meditation sitting with instructions. This is followed by a complimentary vegetarian meal prepared by volunteers. Attendees can borrow books or media from the library and mingle with one another after the session. All in all, we are offering people of all backgrounds to come together and enjoy an opportunity to learn about the daily meditation practice, so that they can bring about calm in their day-to-day life.

2. 10-Day Meditation Retreat with Dr Richard Scotti

This long and focused meditation retreat ran for 9 days, from 5-14th April 2024, and was hosted by Dr Richard Scotti, a renowned meditation workshop facilitator for Science of Spirituality. Between 25-40 individuals participated each day from the local area as well as members who travelled from Europe. The retreats offer individuals an opportunity to spend ample time away from their regular routines and experience deeper relaxation through longer meditation sessions. The days also include workshops, walks in nature at the nearby reservoir, delicious meals, and inspiring video showings. This was a highly successful programme which was very well received by all participants, particularly as we were unable to hold this annual retreat for some years during the covid period.

3. Public Talk at the Meditation Centre

On Friday 17th May 2024 we welcomed a guest speaker from India who gives talks and workshops that unravel the power of meditation and spirituality in everyday life.

The talk was held at the Meditation Centre and was promoted within the city. Her talk entitled 'Mastering your mind and emotions through Meditation' was well received, as she was very engaging and motivational.

4. International Tour of Sant Rajinder Singh Ji

We were honoured to welcome the head of Science of Spirituality, Sant Rajinder Singh Ji for a UK tour. Public talk events took place at prestigious venues in the cities of Birmingham and London. Our local volunteers worked extensively with the venues and many service providers for several weeks, in order to host hundreds of attendees and cater for their comfortable stay.

*a Spiritual

Sant Rajinder Singh Ji Maharaj teaches a simple and timeless form of meditation that leads to personal transformation. He offers a blueprint for happiness and fulfilment and has helped millions worldwide embark on the inner spiritual journey to discover the peace and joy within.

The UK tour was followed by four weekly introductory sessions about meditation at our local Centre, aimed at those who wanted to develop their meditation practice further.

5. One day meditation Retreats

The one-day meditation retreats offer attendees an opportunity to dedicate a whole day towards nurturing their spiritual practices and enjoy meditation sittings, readings and video throughout the day.

This year the retreats were held on 19th August 2023 and 3rd February 2024, with several individuals travelling from outside Birmingham to enjoy the opportunity.

6. In reach activities and celebrations

Throughout the year we marked various occasions such as celebrating the birth anniversaries of our spiritual Masters (21st September 2024) as well as a Christmas Party (15th December 2024) that involved decorating the centre, organising party games with the children and enjoying lots of festive food.

These events encourage bonding among volunteers, regular attendees and newcomers.

7. Sports Session for all ages

Fun session of Basketball and badminton session for at a local sports hall

8. Food bank Collection

During the year our Meditation Centre has donated non-perishable and long dated food items for those in need. The items have been collected and delivered to the local Spearhead Trust in Druids Heath.

9. Ruhani Post Magazine

The Ruhani Post Magazine, that features articles from the great Masters of Science of Spirituality, continues to be produced in both English and Hindi/Punjabi and is distributed free of charge. The magazine is disseminated largely via email with only a few hard copies, in order to reduce printing and postage costs and for environmental reasons.

10. Financial Information

We continue to use a professional accountant to produce annual accounts for our charity.

11. Maintenance & Insurance

In August 2024 all the ceiling lights and emergency lights were replaced. The Building Insurance and Public Liability Insurance are all up to date at the Meditation Centre.

Update from London Group

We are pleased to present the annual report for the Science of Spirituality London group, summarising our activities and achievements from April 2024 to March 2025. This past year has been marked by renewed energy and significant progress, particularly in our efforts to establish a Centre in London dedicated to promoting inner peace and self-realization through meditation.

Sant Rajinder Singh Ji UK Tour at the Intercontinental London – The O2

A major highlight of the past year was the August 2024 UK Tour, during which Sant Rajinder Singh Ji visited London for four days and delivered a series of uplifting public talks. These sessions were very well attended, drawing audiences from across the UK and beyond.

The event was successfully promoted through Facebook, Eventbrite, WhatsApp, radio, television, newspaper features, and leaflet distribution, demonstrating excellent teamwork and coordination by the UK volunteers and leadership team. The response from attendees reflected a deep appreciation and growing interest in the teachings of meditation, love, and service.

Regular Programmes in London

Regular programmes continue to bring meditation and spiritual guidance to the wider community. Monthly meditation sessions are held in Langley, while fortnightly sessions take place in Central London, providing opportunities for both in-person and online participation.

Alongside this, special programmes such as one-day retreats help members deepen their meditation practice and reconnect with the teachings in a supportive, reflective environment, they also make meditation accessible to both newcomers and long-standing members.

Centre Developments

Work has progressed steadily on the London Centre project, with appropriate applications and consultations made to establish a permanent base in London. This represents a significant milestone in expanding accessibility for the community and creating a lasting spiritual hub for future generations.

Planning for the Langley Centre refurbishment continues to advance. Trustees' consultations with Sant Rajinder Singh Ji, the leadership team and the members ensure that all steps remain aligned with spiritual principles, sound financial management, and the shared goal of serving the members effectively.

Children's Programme

The Children's Programme continues to grow, providing structured activities to teach children the values of love, peace, kindness, and meditation. Dedicated, trained volunteers lead these sessions while also offering facilities for parents to attend the main programmes

Looking Ahead

In the coming year, the focus will be on progressing both the Langley and London Centre projects, expanding meditation programmes, and continuing to offer regular online and in-person Satsangs. The goal remains to share the universal message of love, peace, and spiritual growth through meditation.
