Achievements and Performance

a) Review of Activities

The charity is consolidating the gains of previous development and has successfully ministered to the needs of various social groups within and outside the church. The charity provides forum for manpower development for its members to be equipped, educationally, socially and spiritually. It offers various counselling sessions to the needy, unemployed, and educational and makes referral whenever the need arises.

The charity provides counselling services to members of the community. We have also embarked on various training programmes to equip more church volunteers with the relevant counselling skills that will help them serve the community better. We continue to support and encourage young people by providing a Youth Church where teenagers meet on Sunday afternoon under a caring, supportive and encouraging atmosphere.

The charity still continues to fulfil its main objectives, by creating facilities to help develop the whole man, spiritually, mentally and physically. We have invested time, energy and money into activities and programmes that has helped prevent youth crimes, depressions in people, child abuse and such social vices that are eating deep into our society.

Financial Review

a) Reserves Policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

b) Principal Funding

This is provided mainly through voluntary offerings and tithes by church members and through gift aid scheme. Pledges are also taken for specific projects.

**The Redeemed Christian Church of God
Overcomers Assembly**

Plans for the Future

a) Future Developments

The charity aims as part of fulfilling its main objectives, to continue to explore various ways of spreading the gospel of Christ in an effective manner. The charity is also looking to grow in membership and continue to develop its members to make life-changing impact in society.

Company law requires the Trustees to prepare financial statements for each financial year. Under the law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing these financial statements, the trustees are requested to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;

Achievements and Performance

a) Review of Activities

The charity is consolidating the gains of previous development and has successfully ministered to the needs of various social groups within and outside the church. The charity provides forum for manpower development for its members to be equipped, educationally, socially and spiritually. It offers various counselling sessions to the needy, unemployed, and educational and makes referral whenever the need arises.

The charity provides counselling services to members of the community. We have also embarked on various training programmes to equip more church volunteers with the relevant counselling skills that will help them serve the community better. We continue to support and encourage young people by providing a Youth Church where teenagers meet on Sunday afternoon under a caring, supportive and encouraging atmosphere.

The charity still continues to fulfil its main objectives, by creating facilities to help develop the whole man, spiritually, mentally and physically. We have invested time, energy and money into activities and programmes that has helped prevent youth crimes, depressions in people, child abuse and such social vices that are eating deep into our society.

Financial Review

a) Reserves Policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

b) Principal Funding

This is provided mainly through voluntary offerings and tithes by church members and through gift aid scheme. Pledges are also taken for specific projects.
