THE SUSSEX SNOWDROP TRUST

CHAIRMAN'S REPORT

FOR THE YEAR ENDED 31 MARCH 2021

As a charity, the past year has been challenging in every possible way, however, we have continually found ways to engage with our supporters and organise various fundraising events. Our priority is to ensure that we can continue to fund the care provided by the Snowdrop Trust and the Care at Home Team, and that its future is secure.

We owe a considerable debt of gratitude to all our supporters who donate so generously to The Sussex Snowdrop Trust; to our Volunteers who give time and empathy for the children who are on the Snowdrop Pathway, children who have been diagnosed with a life-threatening illness and who benefit from the support that they, and their family, are so grateful to receive from Snowdrop. Our dedicated Snowdrop Care at Home Team of Nurses, Counsellors, Health Care Assistants and the Walberton Office staff, consistently go that extra mile to help the families through the most difficult time of their lives. We are extremely grateful to them and proud of what they have collectively achieved for our charity.

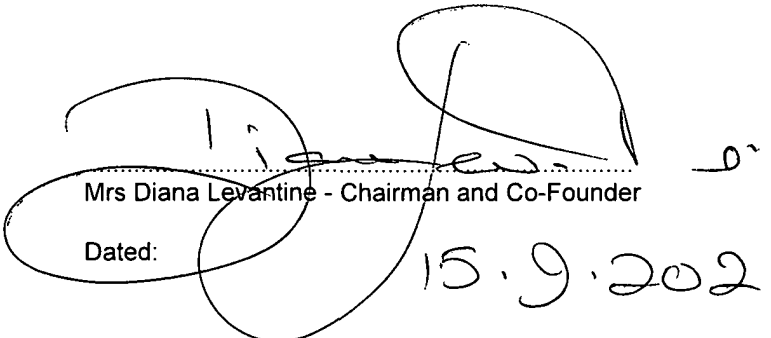

Two Health Care Assistants, Lisa and Zara, joined the Snowdrop Care at Home Team in the middle of the pandemic. They were unable to meet up with the children and had to work virtually by communicating via computers and iPads. Snowdrop provided cake mixes, arts and crafts and various other items, which were sent out to the children so that they could work and play with the HCA's virtually. As the year has progressed, they have slowly but surely been able to meet up with the children and their families, so that they could build up a relationship with them. It is very important for the HCAs to earn the trust of a parent or carer, so that they are comfortable having them in their home, playing or even cooking with the children, and to gain the confidence to allow their child to be taken out.

The commitment shown by the Snowdrop Care at Home Team, throughout the past 28 years since we founded Snowdrop, has been exceptional. Parents need this help, guidance, kindness and understanding because it is as vital now as it was then.

To make sure that we continue to raise the funds necessary to provide this service, we have needed to turn to new and innovative ways to engage with our community. Supporters are now able to make donations via our updated website, directly with the Walberton office on the 'card' machine and to keep in touch via meetings and AGMs on Zoom and enjoy special talks which we have organised on a Webinar. The fund-raising challenges set for supporters during these strange times have included: 64 miles in a month challenge, a photograph and painting competition, 70,000 step challenge set by a Snowdrop child.

We do not receive any government funding and with the loss of value from our investment portfolio, Covid has had a negative effect on the level of income we have received. We must therefore continue to encourage donations from our community and reach out to inform them of the work of the charity.

One Snowdrop mother whose son had been diagnosed with a brain tumour and had previously donated to Snowdrop at several school events, said, "I knew of 'Snowdrop' and that it is a children's charity, but until I needed it, I didn't know what it did". We hear this so often and we will be exploring more ways of promoting the Trust.

Mrs Diana Levantine - Chairman and Co-Founder

15.9.2021

THE SUSSEX SNOWDROP TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report and financial statements for the year ended 31 March 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Trust's Memorandum and Articles of Association, the Companies Act 2006 and the Charities Commission "Accounting and Reporting by Charities: Statement of Recommended Practice (FRS 102)", issued in March 2005 and revised January 2016. For accounting periods commencing on or after 1 April 2008, there is also a requirement for the Trust to report on how it satisfies the Public Benefit test introduced by the Charities Act 2006.

Objectives and activities

The objects of the charitable company are set out in its Memorandum and Articles of Association, and may be summarised as follows:

- To alleviate the conditions of life amongst people who are caring or who have cared for children or young people aged from 0 – 19 years with life threatening illnesses and who are already in needy circumstances; and of dependents of carers, being dependents who are themselves in needy circumstances; and, for that purpose, to promote the material welfare of such carers as aforesaid.
- To support, emotionally and financially, families where there has been an unexpected bereavement of a child or young person from 0 – 19 years.
- To relieve and alleviate, and to advance, promote, encourage and assist in the relief or alleviation of all kinds of mental, physical infirmity, sickness, disablement or handicap including mental illness, attributable to caring, amongst carers, and those persons for whom they are caring and have cared and the dependents of such carers.
- To advance education concerning caring of such carers and the general public.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting policies for the year.

The Trust carried out these objectives by providing funding to individuals to support caring and equipment for the advancement of education.

Achievements and performance

Financial review

The charitable company continued to successfully operate the Trust's various activities, and to raise sufficient funds to enable it to carry forward its work at the level of activity anticipated by the trustees. All investments held by the Trust were acquired in accordance with the powers available to the trustees.

At 31st March 2021, and at the time of writing, the charitable company's financial position was satisfactory.

The trustees have appointed Sanlam Private Investments (UK) Ltd to manage its investment portfolio. The management of the portfolio is at the discretion of the investment advisors but with a moderate risk level set by the trustees.

The net surplus in the Statement of Financial Activities for the year is £218,706 (2020: deficit £328,094). Total income for the year is £312,162 (2020: £390,934). Total expenditure is £484,175 (2020: £494,142). A gain on investments in the year is £390,719 (2020: Loss £223,866). Total funds at the end of the year were £2,404,400 of which £5,015 are restricted funds. Free reserves at the year end are £2,398,109.

THE SUSSEX SNOWDROP TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Reserves Policy

As can be seen from the accounts, the Trust had a healthy balance on reserves due to the on-going efforts of our supporters. The trustees have considered the level of reserves, taking into account the following matters:

- Money should only be kept in reserve for specific reasons - it is clear that sensible planning for annual expenditure and responsibility for other (including employees) is important;
- A need to cover the NHS salaries for the Care at Home Team for the term of the Service Level Agreement;
- In addition to also cover the Walberton staff based on the terms of their contracts;
- There was a general wish to be able to maintain the current level of assistance to Snowdrop families.

It is the policy of the Trust to hold in reserves the equivalent of one year's general running costs and an additional amount to cover the NHS contracted period and a further amount to cover the employees of the Trust, as per the terms of their employment contracts. This policy will be reviewed annually.

Taking all of the above into consideration, the trustees consider that the level of free reserves at 31st March 2021 of £2,398,109 is in line with its policy on reserves.

Investment policy

The Charity seeks to produce the best financial return within an acceptable level of risk. The investment objective is to generate income from the investments to support the Charity's running costs and capital growth over the long term so that special projects can be funded as and when they arise.

The assets can be invested widely and should be diversified across asset classes and geographies. Asset classes could include cash, bonds, equities, property, hedge funds, structured products, private equity, commodities and any other asset that is deemed suitable by the Charity, with a balanced (4 of 7) risk mandate, but the trustees preclude investing in companies associated with Tobacco, armaments (non-UK listed companies), Pornography, and Gambling. The Charity's Policy is to review the appointment of the Investment Management Firm on a five-year cycle.

Risk Management

The trustees have examined the major strategic, business and operational risks which the charitable company faces, and confirm that systems have been established to mitigate such risks.

Structure, governance and management

The governing body of the charitable company is the Board of Directors, who are also trustees. The board meet once a month. The board elects the Chairman. All members give their time on a voluntary basis.

New trustees are made familiar with their legal obligations under charity and company law, the contents of the Memorandum and Articles of Association, the committee and decision making process and the recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

THE SUSSEX SNOWDROP TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

The trustees, who are also the directors of The Sussex Snowdrop Trust for the purpose of company law, are responsible for preparing the trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

THE SUSSEX SNOWDROP TRUST

INDEPENDENT EXAMINERS' REPORT

TO THE TRUSTEES OF THE SUSSEX SNOWDROP TRUST

I report to the trustees on my examination of the accounts of the above charitable company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charitable company's accounts carried out under section 145 of the 2011 Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charitable company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination which gives me cause to believe:

- accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charity is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2021. No member of the charity has deposited a notice, pursuant to section 476, requiring an audit of these accounts.

The trustees acknowledge their responsibilities for:

- ensuring that the charity keeps accounting records which comply with sections 386 and 387 of the Companies Act 2006 and
- preparing accounts which give a true and fair view of the state of affairs of the charity as at the end of the financial period and of its incoming resources and application of resources, including its income and expenditure, for the financial period in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The accounts were approved by the Board on 15.9.2021

THE SUSSEX SNOWDROP TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Charity information

The Sussex Snowdrop Trust is a private company limited by guarantee incorporated in England and Wales. The registered office is No. 3 William Booker Yard, The Street, Walberton, Arundel, West Sussex, BN18 0PF.

1.1 Accounting convention

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) – Charities SORP (FRS102) and the Companies Act 2006.

The Sussex Snowdrop Trust meets the definition of a public benefit entity under FRS102. Assets and Liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

There are no material uncertainties about The Sussex Snowdrop Trust's ability as a going concern.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- Any performance conditions attached to the income have been met or are fully within the control of the charity;
- There is sufficient certainty that receipt of the income is considered probable; and
- The amount can be measured reliably.

THE SUSSEX SNOWDROP TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (continued)

For legacies, entitlement is taken as the earlier of:

- The date on which the charity is aware that probate has been granted;
- The estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made; or
- When distribution is received from the estate.

Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

1.5 Expenditure

Expenditure is recognised on an accruals basis when a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is included within the item of expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the Trust in pursuit of its charitable objectives. It includes both direct costs and support costs relating to such activities.

Governance costs include those costs associated with meeting the statutory requirements of the Trust and include its audit fees and costs linked to strategic management of the Trust. These costs are now included in support costs under the Charities SORP (FRS 102).

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Office equipment	25% straight line
Motor vehicles	25% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

1.9 Stocks

Stocks of goods for resale are recorded at the lower of cost or net realisable value.

THE SUSSEX SNOWDROP TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (continued)

1.10 Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount.

1.11 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.12 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

1.13 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.14 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

THE SUSSEX SNOWDROP TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (continued)

1.15 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.16 Leasing and hire purchase commitments

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The trustees do not consider that there are any critical estimates or areas of judgement that need to be brought to the attention of the readers of the financial statements.

THE SUSSEX SNOWDROP TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

22 Restricted funds

The income funds of the charity include restricted funds comprising the following unexpended balances of donations and grants held on trust for specific purposes:

	Balance at 1 April 2020 £	Movement in funds			Balance at 31 March 2021 £
		Income £	Expenditure £	Transfers £	
Sam's song	9,564	349	(9,564)	-	349
Mr Nigel Fund	8,569	2,500	(6,403)	-	4,666
	<u>18,133</u>	<u>2,849</u>	<u>(15,967)</u>	<u>-</u>	<u>5,015</u>

Sam's song is money raised by Sarah Wakely in memory of her husband Sam who died in July 2018. This money is ring-fenced and is used to provide music therapy for children with life threatening illnesses. The music therapist invoices Snowdrop after she has had a session with the children. All her expenses and musical instruments are funded from this ring-fenced money.

Mr Nigel Fund is money ring-fenced for running events for children.
