Trustees' report (continued) for the year ended 31 March 2022

Objectives and activities

The charity's objects

For the benefit of the elderly living in the area of benefit to relieve poverty, sickness or distress and provide or assist in the provision of facilities for general welfare, recreation and leisure time activities with the object of improving the condition of life of the said persons. The area of benefit shall be within East Leeds.

The charity's main activities

HOPE enables and supports older people in the Halton Moor, Osmondthorpe and Sutton Park areas of Leeds to retain their independence by providing practical help, advice and support. We work to address the isolation, poverty, fear of crime and poor health which impact negatively on their lives. We provide outreach, advocacy, medical appointment support and group sessions to relieve isolation and loneliness.

Public benefit statement

In setting our objectives and planning our activities our trustees have given serious consideration to the Charity Commission's general guidance on public benefit.

HOPE enables and supports people 60 plus who live in the Halton Moor, Osmondthorpe and Sutton Park areas of Leeds. Our aims are to deliver services to meet individual and community needs; keeping safe/warm, peer support groups/sessions, shopping, debt/benefit advice, and activities to develop skills and reduce isolation. We are service user led and value the contribution of both service users and volunteers.

Achievements and performance

I am writing this report on what has been an incredibly difficult time for both HOPE, its service users, its team, and the rest of the world with the Covid-19 Pandemic affecting us all. The services we provide and how we deliver them had to be modified to ensure staff and volunteers could work safely and within guidelines as outlined by the government.

Having already worked incredibly hard during the first year of the pandemic, HOPE along with the rest of the country was hoping for a scientific breakthrough in terms of research and development of a vaccination. And then it happened, in December 2020 we saw the start of the vaccination programme roll out. Just before the start of this financial year in March 2021, half of UK adults had had one dose of a Covid vaccination, and this gave us hope that we were moving forward towards getting back to reopening of all services.

I am incredibly proud of HOPE, that when things got tough, we stepped up and worked tirelessly to support our service users as well as running a COVID Community Care Hub for Leeds City Council in the Temple Newsam Ward.

Our staff, trustees and volunteers have worked together as a united front to deliver high quality services even during a pandemic. Our focus has been about recovery, trying to get back to normal, yet following government guidelines as to protect staff, volunteers, and service users.

On the 21 February 2022 restrictions were lifted as the Prime Minister unveiled plans to live with Covid. And just before the end of the financial year on the 9 March 2022 the government announced that 4.9 million people were fully vaccinated in the UK, 73% of the population. This news means we can now start planning for a return of full face to face services for the next financial year as well as developing new ones as a direct result of the pandemic.

In closing, I would like to thank all of you for your support over the last year, it has been appreciated and valued.

Janette Nixon – Chair

Independent examiner's report to the trustees of H.O.P.E. Halton Moor
and Osmondthorpe Project for Elders

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2022, which are set out on pages 6 to 9.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2 the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

H.O.P.E. Halton Moor and Osmondthorpe Project for Elders

Trustees' report (continued) for the year ended 31 March 2021

Objectives and activities

The charity's objects

For the benefit of the elderly living in the area of benefit to relieve poverty, sickness or distress and provide or assist in the provision of facilities for general welfare, recreation and leisure time activities with the object of improving the condition of life of the said persons. The area of benefit shall be within East Leeds.

The charity's main activities

HOPE enables and supports older people in the Halton Moor, Osmondthorpe and Sutton Park areas of Leeds to retain their independence by providing practical help, advice and support. We work to address the isolation, poverty, fear of crime and poor health which impact negatively on their lives. We provide outreach, advocacy, medical appointment support and group sessions to relieve isolation and loneliness.

Public benefit statement

In setting our objectives and planning our activities our trustees have given serious consideration to the Charity Commission's general guidance on public benefit. HOPE enables and supports people 60 plus who live in the Halton Moor, Osmondthorpe and Sutton Park areas of Leeds. Our aims are to deliver services to meet individual and community needs; keeping safe/warm, peer support groups/sessions, shopping, debt/benefit advice, and activities to develop skills and reduce isolation. We are service user led and value the contribution of both service users and volunteers.

Achievements and performance

In March 2020 we had started to see the impact of the emerging global pandemic. Our centre was closed by Leeds City Council, and we set up offices remotely from home and made plans to visit our services user at home, in their gardens, through open windows etc. Not being able to run 'physical' groups we set up remote group sessions and delivered hundreds of hot meals, fish and chips, afternoon tea's, activity packs plus lots more.

We were also asked by our local ward councillors in Temple Newsam and Leeds City Council to support one of the 27 COVID-19 Hubs that were set up by Leeds City Council and Voluntary Action Leeds to support people affected by the pandemic. This support included collecting prescriptions, dog walking, food parcel distribution to people having to shield or affected by the pandemic.

Volunteers – Our volunteers have supported every aspect of service delivery and provided 1000's of support calls to people shielding, the most isolated and vulnerable of service users. Their dedication and support, never wavered and they have ensured all those in need have received help.

As a small charity we stepped up to the request from Leeds City Council at the start of the pandemic to operate a COVID Hub for people in the Temple Newsam Ward. As a result, we were able to secure significant funding to run this work. We were also successful in a number of other funding bids and as a result have financial security and see no risk for the next financial year plus.

Financial review

The net receipts for the year were £78,793, including net receipts of £17,569 on unrestricted funds and net receipts of £61,224 on restricted funds.
