STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document - the Trust is a charitable company limited by guarantee, incorporated on 9 August 2001, and registered as a charity on 3 April 2003. The affairs of the charitable company are governed by its Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. Members guarantee to contribute an amount not exceeding £10 to the assets of the charitable company in the event of winding up.

Directors and Trustees - the directors of the company are its trustees for the purpose of charity law and throughout this report are collectively referred to as the Trustees. The membership of the Board of Trustees is listed above.

Risk Management policy - the Trustees have a risk management strategy which comprises an annual review of the risks the charity may face, systems and procedures to mitigate those risks identified in the plan, and procedures designed to minimise any potential impact on the charity should those risks materialise. The Trustees have examined the major strategic, business and operational risks that the Trust faces and are satisfied that systems are in place to mitigate these risks.

Public Benefit- the Trustees have reviewed the Charity Commission's guidance on the requirement to report on public benefit. They are satisfied that the work of the charity, as described below, accords with its stated objects and provides tangible public benefit to an appropriate section of those who reside within the charity's area of benefit; they believe that the criteria used to assess those who may benefit are not unreasonably restrictive.

ACHIEVEMENTS DURING THE YEAR

DIRECTOR'S REPORT YE NOV 30 2023

2023 felt like a full return to normality after 3 years of uncertainty, and people seemed keener than ever to want to get out and attend events. Streets maintained its funding support from The Roper Family Trust (£17,000) and The Cobalt Trust (£10,000.)

Our mission is to promote education and lifelong learning in contemporary and popular artforms, including street arts, drama, music, new circus, site-specific and outdoor events, which further public appreciation and participation in the arts. In line with this, in 2023, funding raised by Streets Ltd went to support the core funding, marketing and promotion of Bath Fringe. The Festival encompasses as wide a range of performing and visual arts as possible, but with the emphasis on cutting edge quality. In 2023 we were pleased to support the return of Bath Fringe Children's Festival, after a few years' hiatus. The six-day event took place over spring half-term in a city park. It featured circus and theatre performances and workshops along with other activities such as the talent show. This is a family event that aims to be inclusive and accessible to all by providing free and low ticket-priced shows and workshops.

The total raised towards funding activities in the year to 30 November 2023 was £27,000. As in previous years we have no overheads due to the continuing generosity of the owner of office space and associated resources allowing Streets Ltd use of these free of charge, so the whole of income raised in the year was used to fund the activities outlined above.

At the end of the year, the charitable company held funds of £1,573.

STATEMENT OF TRUSTEE RESPONSIBILITIES

The trustees (who are also directors of Streets Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
