### NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2022

#### Accounting policies & convention.

##### (a) Basis of accounting

The financial statements have been prepared under the historical cost convention and are in accordance with the applicable accounting standards.

##### (b) Donations, Legacies and other similar incoming resources

Donations, legacies and similar incoming resources are included in the year in which they are receivable, which is when the charity becomes entitled to the resources.

It has been the policy of the charity, not to take any interest for the money deposited into the bank account as it is not permissible by the Islamic religion. It had already been agreed with the bank.

c. All expenditure is included on an accruals basis and is recognised where there is a legal or constructive obligation to pay for expenditure. All costs have been directly attributed to one of the functional categories of resources expended in the SOFA. The charity is not registered for VAT and accordingly expenditure is shown gross of irrecoverable VAT.
