**REPORT OF THE TRUSTEES FOR THE YEAR ENDING**

**31st MARCH 2025**

The Trustees present their annual report and financial statements of the charity for the year ended 31 March 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statement and comply with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)" (effective 1 January 2019).

**1. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT**

The primary objective of the charity, as set out in its governing document, is to advance the Islamic faith and provide religious education in accordance with the teachings of Islam for the public benefit. This is achieved through the holding of congregational prayers, religious gatherings, study circles, lectures, public celebration of Islamic festivals, and the provision of literature and educational resources to promote a better understanding of Islam. The Centre also seeks to promote community cohesion through inter-faith dialogue, educational workshops, youth engagement activities, and programmes designed to support the spiritual, social and personal development of individuals and families within the community.

The charity is committed to enabling as many members of the local community as possible to access its facilities and participate in acts of worship, learning and community development. Regular prayers, religious teachings, Qur'anic studies, and community programmes are held at the Centre, alongside initiatives aimed at supporting young people, families, the elderly and vulnerable members of society. Through these activities, the Centre strives to foster inclusion, mutual respect, and the overall wellbeing of the wider community.

**2. ACHIEVEMENT AND PERFORMANCE**

The Centre has continued to regain momentum following the disruption caused by the Covid-19 pandemic and has now largely returned to normal levels of activity. Attendance at congregational prayers and community programmes has steadily increased, with worshippers gradually returning to regular participation. In keeping with its charitable objectives, the Centre has resumed and expanded its religious, educational and community support services.

As in previous years, the Centre has remained committed to supporting vulnerable members of the local community. The Centre continues to be highly valued by the local community, especially elderly attendees, who regard it as a safe and welcoming space for prayer, reflection and social interaction. The involvement of new and younger volunteers has strengthened the Centre's administrative capacity and enhanced its ability to deliver services effectively, contributing positively to the spiritual and social wellbeing of the congregation.

Regular activities held at the Centre include:

- Daily congregational prayers
- Jumu'ah (Friday) prayers and weekly sermons
- Qur'an classes for children and adults
- Islamic studies circles and educational workshops
- Youth engagement sessions
- Community advice and support initiatives

Special religious events and significant dates in the Islamic calendar were observed throughout the year, including:

- Ramadan (including nightly Tarawih prayers and community Iftar gatherings)
- Eid al-Fitr
- Eid al-Adha

These events continue to attract strong participation and foster a sense of unity and shared purpose within the community.

The Centre also continues to collaborate with other charitable organisations and community groups to promote inter-faith dialogue, community cohesion and joint initiatives that benefit the wider public.

The Trustees wish to acknowledge and express their sincere appreciation for the dedication and commitment of the volunteers whose continued support remains essential to the day-to-day management and ongoing success of the Centre.

### **3. STRUCTURE, GOVERNANCE AND MANAGEMENT**

Nimra Muslim Community Centre is a registered charity governed by a Constitution adopted on 25 December 2002, as subsequently amended, most recently on 1 October 2022. The charity is not a company limited by guarantee and does not have share capital. It operates in accordance with its governing document and the relevant provisions of charity law in England and Wales.

The accounts have been prepared in accordance with the charity's governing document, applicable statutory requirements, and the Charities Statement of Recommended Practice (SORP) (FRS 102), together with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

#### **a. Trustees**

The charity is administered by a Board of Trustees who are responsible for the overall governance, strategic direction and financial oversight of the organisation. The Trustees during the year were:

- Mr Akhtar Zaman (Chair)
- Mr Mohammad Riasat
- Mr Haider Zaman
- Mr Mohammad Shafiq

Trustees are appointed in accordance with the provisions of the Constitution. They serve on a voluntary basis and receive no remuneration for their services. The Trustees collectively ensure that the charity operates in furtherance of its objects and in compliance with legal and regulatory obligations.

Individual Trustees take responsibility for overseeing specific operational areas of the Centre, working closely with volunteers to ensure effective delivery of religious, educational and community services.

#### **b. Management of the Charity**

The Trustees meet regularly to review the charity's activities, finances, compliance matters and future planning. Additional meetings are convened where necessary to address urgent or strategic matters.

The day-to-day running of the Centre is supported by volunteers who assist with administration, programme delivery, maintenance of the premises and community engagement activities. The

Trustees maintain appropriate financial controls and governance procedures to safeguard the charity's assets and ensure transparency and accountability in all operations.

#### **4. FINANCIAL REVIEW**

The Trustees consider the financial performance by the charity during the year to have been satisfactory. Donations received during the year were £55,531 up from £49,365 in the previous year. Expenditure amounted to £54,870 up from £24,896 in the previous year. The trustees feel that the charity has sufficient reserves to cover its operating costs for approximately 12 months.

#### **5. PUBLIC BENEFIT**

The Trustees have paid due regard to the Charity Commission's guidance on public benefit. The Trustees have referred to this guidance when reviewing the Centre's aims and objectives and when planning its activities for the year and the future.

The charity carries out a broad range of activities in furtherance of its charitable purposes, including the advancement of the Islamic faith, the promotion of education, and the provision of community support initiatives. The Trustees consider that these activities provide benefit both to those who attend congregational prayers, religious classes and community events, and to the wider local community.

The facilities and services provided by the Centre are made available to members of the Muslim community and are accessible to the wider public. Through its educational programmes, inter-faith engagement and community initiatives, the Centre also promotes greater understanding of Islam and fosters community cohesion among people of different backgrounds and faiths.

#### **6. RISK POLICY**

The major risks to which the Charity is exposed are reviewed on a regular basis and appropriate systems and procedures are established to mitigate those risks. The Trustees actively assess operational, financial and compliance risks as part of their ongoing governance responsibilities.

The Trustees maintain appropriate internal controls and procedures, including those relating to financial management, budgeting, safeguarding, data protection, and health and safety regulations. The Trustees are satisfied that adequate systems and arrangements are in place to manage the risks identified and to safeguard the charity's assets, beneficiaries and volunteers.

In addition, the following key policies are implemented by the Charity and are reviewed annually:

- Health and Safety Policy
- Safeguarding Policy (Children and Vulnerable Adults)
- Equality and Diversity Policy
- Financial Controls, Donations and Cash Handling Policy
- Data Protection and Confidentiality Policy

These policies support good governance, regulatory compliance and the effective delivery of the Centre's charitable objectives.

#### **7. VOLUNTEERS' CONTRIBUTIONS IN ACHIEVING THE OBJECTIVES OF THE CHARITY**

The Centre continues to depend significantly on the dedication and commitment of its volunteers in delivering its charitable objectives. Their invaluable support plays a vital role in the effective functioning and continued development of the Charity.

NIMRA MUSLIM COMMUNITY CENTRE  
UK Charity No: 1097216

The Trustees would like to express their sincere appreciation to all volunteers for their time, effort and ongoing dedication. Particular thanks are extended to those involved in the organisation of congregational prayers and religious events, Ramadan and Eid arrangements, food distribution initiatives, educational classes, youth activities, administrative and IT support, premises maintenance, cleaning, and general operational assistance.

The continued enthusiasm and generosity of the volunteers greatly contribute to the spiritual, educational and community services provided by the Centre and remain central to its ongoing success.

## **8. PLANS FOR THE FUTURE**

Regular attendance and participation from members of the local community continue to increase steadily. In order to deliver its charitable objectives in a more structured, effective and efficient manner, the Charity intends to strengthen its organisational capacity and enhance community engagement. The Trustees are exploring the appointment of a dedicated Operations Coordinator who will act as a key liaison between the Centre and the wider community, with particular focus on community services, welfare support initiatives, and structured educational and youth programmes.

Utility expenditure, particularly gas and electricity, has risen significantly during the year. The Trustees are therefore considering energy-efficiency measures, including the potential installation of solar panels and improvements or upgrades to heating and electrical systems in the coming year. The Charity also plans to seek external funding and grants to support sustainability initiatives and the expansion of community-based activities.

In addition, the Charity plans to:

- Maintain and improve existing prayer and communal facilities
- Expand educational programmes and youth engagement initiatives
- Organise outreach visits and strengthen relationships with local mosques, faith groups and community organisations
- Continue to fulfil and review statutory obligations, including health and safety compliance
- Increase participation in charitable and community initiatives aligned with the Charity's objectives
- 

The Trustees remain committed to ensuring the long-term sustainability of the Centre and to enhancing the spiritual, educational and social services provided for the benefit of the local community.

## **10. STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period.

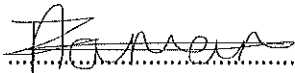

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities Statement of Recommended Practice (SORP) (FRS 102);
- Make judgments and accounting estimates that are reasonable and prudent;
- State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue to operate.

**INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF NIMRA MUSLIM COMMUNITY CENTRE**

I report on the accounts of Nimra Muslim Community Centre for the year ended 31st March 2025

**Respective responsibilities of trustees and examiner**

The charity's Trustees are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under Section 144 of the Charities Act 2011 and that an independent examination is required.

It is my responsibility to:

- Examine the accounts under Section 145 of the Charities Act 2011;
- Follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act);
- State whether particular matters have come to my attention.

**Basis of the independent examiner's report**

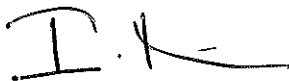

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view". The report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention: which gives me reasonable causes to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 130 of the 2011 Act; and
- to prepare accounts which accordance with the accounting records and to comply with the accounting requirements of the 2011 Act
- Have not been met for; or to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
