Achievements and performance

We have been able to continue with our family events having had a visit to the Yellow Sub in this year. Our monthly speech therapy sessions are ongoing and many of our families benefit from these sessions.

The parent and toddler support group continues to grow, and it has been lovely to welcome several new families.

Our annual summer trip was yet another highlight in this year

Our Christmas parties were fabulous as always. Over 300 parents and children enjoyed an afternoon of fun at the Titanic hotel, whilst 120 of our older members and their families had their own event with live entertainment and disco. The trustees and some of our members continue to raise awareness and have had the opportunity to speak at schools, universities and hospitals. We also attended information days at both the Palm House & Liverpool University

Our next big fundraising event will be our 21st Birthday Ball in June 2024. This is a big fund raiser

The trustees continue to meet on a regular basis dealing with the running of the charity and planning future events and also continue to use every opportunity to raise awareness.

In May we held a Family fun Day to help raise funds, which was well attended by our members and their friends and families. Without this support and the support of members raising funds doing all sorts of wonderful things we would not be able to do the things we do.

Achievements and performance

After having to postpone or cancel many events in the previous year by July 2021 things were beginning to get a little better and we were slowly able to start face to face events again. In August we were delighted to hold the first ever DSL Prom Night. This was a celebration for our older young people who had missed out on significant events due the pandemic. We continued with speech therapy on line until later in the year when once gain we were able to do this face to face. We were delighted to offer not one but two Christmas parties. Our over 16s had a great time at the Reader in Calderstones Park whilst our younger families enjoyed a wonderful time at the Titanic hotel.

We also saw the return of our parent and toddler support group and it was lovely to meet the lovely babies (and their parents) who had been born during lockdown.

In March 2022 we were finally able to hold our "This is Me" photo exhibition at the World Museum, which was open to the public, allowing us to raise awareness and show people with Down Syndrome are very much part of the communities in which they live

We welcomed the news that we could at last proceed with our twice postponed Blossom Ball, which would take place on the 4th June 2022. This is a big fundraiser for us so we were relieved that at last we could go ahead with our plans.

The support we have from our membership is fantastic and we are very grateful, for without the support of family friends we would not be able to do the things we do.

The trustees continue to meet on a regular basis dealing with the running of the charity and planning future events and

also continue to use every opportunity to raise awareness.
