INDEPENDENT EXAMINERS' REPORT

Independent examiner's report to the trustees on the unaudited financial statements of Down Syndrome Liverpool

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 May 2023, which are set out on pages 5 to 7.

Respective responsibilities of trustees and examiner.

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect: 1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or 2. the financial statements do not accord with those records; or 3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Structure Governance & management

Governing Document

The governing document is the Constitution adopted 14 January 2003.

Down Syndrome Liverpool (DSL) is a registered charity based in the City of Liverpool, (Reg.Charity no.1097276) with almost 200 members, run by parent and carer Trustees of people with Down syndrome. The trustees are selected from members willing to serve.

Objectives & Activities

Objects of the charity

The relief of the needs of people with Down syndrome, by the provision for such people of facilities, services and opportunities that will maximise their participation in society, and any other charitable purposes connected with Down syndrome within the area of benefit, (Liverpool).

Achievements and performance

We have been able to continue with our family events having had two visits to the Yellow Sub in this year. Our monthly speech therapy sessions are ongoing and many of our families benefit from these sessions.

The parent and toddler support group continues to grow and it has been lovely to welcome several new families.

We also managed a summer trip to Alton Towers this year, all be it in the pouring rain.

Our Christmas parties were fabulous as always. Over 300 parents and children enjoyed an afternoon of fun at the Titanic hotel, whilst 120 of our older members and their families had their own event with live entertainment and disco.

The trustees and some of our members continue to raise awareness and have had the opportunity to speak at schools, universities and hospitals. One of our trustees spoke at the European Congress of ENT specialist about communication and how this can be improved.

In May we held a Family fun Day to help raise funds, which was well attended by our members and their friends and families. Without this support and the support of members raising funds doing all sorts of wonderful things we would not be able to do the things we do.

Our next big fundraising event will be our 21st Birthday Ball in June 2024. This is a big fund raiser

The trustees continue to meet on a regular basis dealing with the running of the charity and planning future events and also continue to use every opportunity to raise awareness.
