The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2025**

The trustees present their report with the financial statements of the charity for the year ended 5th April 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Objectives and aims

The objectives of the Trust are to benefit any purposes, objects and institutions that are charitable in law.

The objectives for the year are shaped by these strategic aims with a view to distributing grants and donations to help support other charitable organisations.

The Gledswood Charitable Trust

Report of the Trustees for the year ended 5th April 2025

Achievements and performance

Charitable activities

The main source of income for the Trust is from investments held.

Income raised during the year from investments and interest amounted to £89,337 (2024 - £84,917). The Trust donated a total of £117,500 (2024 - £46,800) to charitable organisations, which is very commendable, and it is hoped that this level of grant aid can be maintained in the future. A previous year donation of £1,000 was never cashed by the recipient, and as a result was written off against the 2024 donations to leave £45,800 in the accounts.

Financial review

Review of the period

The net deficit of unrestricted income over unrestricted expenditure for the charity for the year, after deducting grants paid out of income of £117,500, was £30,709 (2024 - surplus of income over expenditure of £36,969) and this is deducted from the unrestricted income fund from which future grants can be paid. The total of the unrestricted income fund at 5th April 2025 was £38,287 (2024 - £68,996).

Unrealised capital gains totalled £1,067,590 at 5th April 2025 (2024: £1,061,261).

Investment policy and objectives

The trustees' investment policy is to maximise long term total return, taking income and capital gains together without undue risk.

Reserves policy

The trustees aim to maintain reserves in unrestricted funds at a level which adequately covers charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds to cover support and governance costs.

Future plans

The trustees intend to continue providing grants in a similar way to the recent past while retaining flexibility as to the timing and scale of grants.

Structure, governance and management

Governing document

The charity was established under a Deed of Trust dated 2nd April 2003, which it is governed by, with the principal objectives and purposes as are exclusively charitable under the law of England and Wales. The trustees must use the income and may use the capital of the trust in promoting these objectives.

The Trust Deed provides for a minimum of three and a maximum of five trustees. Trustees may be appointed for life or such terms of office as may be decided by the trustees. During the lifetime of Lady Portarlington the power of appointing new trustees is vested in her.

Risk management

The trustees have reviewed the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2025**

Statement of trustees' responsibilities - continued

Charity law requires the trustees to prepare financial statements for each financial year. Under that law, the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under charity law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and The Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 19th January 2026 and signed on its behalf by:

Marina Dawson-Damer

Lady M D Dawson-Damer - Trustee

**Independent Examiner's Report to the Trustees of
The Gledswood Charitable Trust**

Independent examiner's report to the trustees of The Gledswood Charitable Trust

I report to the charity trustees on my examination of the accounts of The Gledswood Charitable Trust (the Trust) for the year ended 5th April 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Gledswood Charitable Trust

Notes to the Financial Statements **for the year ended 5th April 2025**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Investment income is recorded when receivable.

Expenditure

Expenditure on grants is recorded once the Trust has made an unconditional commitment to pay the grant and this is communicated to the beneficiary or the grant has been paid, whichever is the earlier. The Trust has not made any grant commitments of more than one year.

Other expenditure is included in the accounts on an accruals basis. Irrecoverable VAT is charged to the Statement of Financial Activities as incurred.

The cost of managing investments is charged against investment capital, reflecting the total return approach to investment management. Any costs associated with the sale or purchase of investments are accounted for as part of the sale or purchase price of the investments.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The fund is a registered non-trading charity and, as such, is exempt from taxes under Section 505(1) of the Income and Corporation Taxes Act 1988.

Fund accounting

The endowment of the charity is expendable endowment. The Trust Deed allows this fund to be spent as income or retained as capital at the trustees' discretion. The income arising from the expendable endowment is unrestricted.

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The following assets and liabilities are classified as financial instruments - other debtors, other creditors and accruals.

Other debtors, other creditors and accruals are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

Financial assets that are measured at amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

The Gledswood Charitable Trust

Notes to the Financial Statements - continued for the year ended 5th April 2025

1. Accounting policies - continued

Investments

Investments on the balance sheet are stated at the market value at the year end. The acquisition cost of investments are included at the original book cost at the time of purchase. Gains and losses on revaluation or disposal are recorded in the Statement of Financial Activities.

Provisions

Provisions are set up only where it is probable that a present obligation exists as a result of an event prior to the balance sheet date and that a payment will be required in settlement that can be estimated reliably.

Going concern

The trustees have considered the financial position of the charity for a period of 12 months and beyond from the date of signing these financial statements and have reasonable expectation that the charity has adequate resources to continue in existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing these financial statements.

2. Investment income

Investment income has arisen from dividends and interest on investments. All income relates to unrestricted income.

3. Trustees' remuneration and benefits

There were no trustees' remuneration or other benefits for the year ended 5th April 2025 nor for the year ended 5th April 2024.

Trustees' expenses

There were no trustees' expenses paid for the year ended 5th April 2025 nor for the year ended 5th April 2024.

The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2024**

The trustees present their report with the financial statements of the charity for the year ended 5th April 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Objectives and aims

The objectives of the Trust are to benefit any purposes, objects and institutions that are charitable in law.

The objectives for the year are shaped by these strategic aims with a view to distributing grants and donations to help support other charitable organisations.

Achievement and performance

Charitable activities

The main source of income for the Trust is from investments held.

Income raised during the year from investments and interest amounted to £84,917 (2023 - £87,167). The Trust donated a total of £46,800 (2023 - £74,600) to charitable organisations, which is very commendable, and it is hoped that this level of grant aid can be maintained in the future. A previous year donation of £1,000 has never been cashed by the recipient, and as a result has been written off against this year's donations to leave £45,800 in the accounts.

The following charitable grants were made during the year:

	£		£

Financial review

Review of the period

The net surplus of unrestricted income over unrestricted expenditure for the charity for the year, after deducting grants paid out of income of £45,800, was £36,969 (2023 - surplus of income over expenditure of £10,224) and this is added to the unrestricted income fund from which future grants can be paid. The total of the unrestricted income fund at 5th April 2024 was £68,996 (2023 - £32,027).

Unrealised capital gains totalled £1,061,261 at 5th April 2024 (2023: £1,029,935).

The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2024**

Financial review

Reserves policy

The trustees aim to maintain reserves in unrestricted funds at a level which adequately covers charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds to cover support and governance costs.

Future plans

The trustees intend to continue providing grants in a similar way to the recent past while retaining flexibility as to the timing and scale of grants.

Structure, governance and management

Governing document

The charity was established under a Deed of Trust dated 2nd April 2003, which it is governed by, with the principal objectives and purposes as are exclusively charitable under the law of England and Wales. The trustees must use the income and may use the capital of the trust in promoting these objectives.

The Trust Deed provides for a minimum of three and a maximum of five trustees. Trustees may be appointed for life or such terms of office as may be decided by the trustees. During the lifetime of Lady Portarlington the power of appointing new trustees is vested in her.

Risk management

The trustees have reviewed the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Investment Policy

The Trustees' investment policy is to maximise long term total return, taking income and capital gains together without undue risk.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Independent Examiner's Report to the Trustees of
The Gledswood Charitable Trust**

Independent examiner's report to the trustees of The Gledswood Charitable Trust

I report to the charity trustees on my examination of the accounts of The Gledswood Charitable Trust (the Trust) for the year ended 5th April 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements **for the year ended 5th April 2024**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Investment income is recorded when receivable.

Expenditure

Expenditure on grants is recorded once the Trust has made an unconditional commitment to pay the grant and this is communicated to the beneficiary or the grant has been paid, whichever is the earlier. The Trust has not made any grant commitments of more than one year.

Other expenditure is included in the accounts on an accruals basis. Irrecoverable VAT is charged to the Statement of Financial Activities as incurred.

The cost of managing investments is charged against investment capital, reflecting the total return approach to investment management. Any costs associated with the sale or purchase of investments are accounted for as part of the sale or purchase price of the investments.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The fund is a registered non-trading charity and, as such, is exempt from taxes under Section 505(1) of the Income and Corporation Taxes Act 1988.

Fund accounting

The endowment of the charity is expendable endowment. The trust deed allows this fund to be spent as income or retained as capital at the trustees' discretion. The income arising from the expendable endowment is unrestricted.

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The following assets and liabilities are classified as financial instruments - other debtors, other creditors and accruals.

Other debtors, other creditors and accruals are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

Financial assets that are measured at amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2023**

The trustees present their report with the financial statements of the charity for the year ended 5th April 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Objectives and aims

The objectives of the Trust are to benefit any purposes, objects and institutions that are charitable in law.

The objectives for the year are shaped by these strategic aims with a view to distributing grants and donations to help support other charitable organisations.

Achievement and performance

Charitable activities

The main source of income for the Trust is from investments held.

Income raised during the year from investments and interest amounted to £87,167 (2022 - £71,601). The Trust donated a total of £74,600 (2022 - £69,550) to charitable organisations, which is very commendable, and it is hoped that this level of grant aid can be maintained in the future.

The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2023**

Financial review

Review of the period

The net surplus of unrestricted income over unrestricted expenditure for the charity for the year, after deducting grants paid out of income of £74,600, was £10,224 (2022 - surplus of income over expenditure of £131) and this is added to the unrestricted income fund from which future grants can be paid. The total of the unrestricted income fund at 5th April 2023 was £32,027 (2022 - £21,803).

Unrealised capital gains totalled £1,029,935 at 5th April 2023 (2022: £1,237,563).

Reserves policy

The trustees aim to maintain reserves in unrestricted funds at a level which adequately covers charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds to cover support and governance costs.

Future plans

The trustees intend to continue providing grants in a similar way to the recent past while retaining flexibility as to the timing and scale of grants.

Structure, governance and management

Governing document

The charity was established under a Deed of Trust dated 2nd April 2003, which it is governed by, with the principal objectives and purposes as are exclusively charitable under the law of England and Wales. The trustees must use the income and may use the capital of the trust in promoting these objectives.

The Trust Deed provides for a minimum of three and a maximum of five trustees. Trustees may be appointed for life or such terms of office as may be decided by the trustees. During the lifetime of Lord Portarlington the power of appointing new trustees is vested in him and thereafter in Lady Portarlington.

Risk management

The trustees have reviewed the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Investment Policy

The Trustees' investment policy is to maximise long term total return, taking income and capital gains together without undue risk.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. The Gledswood Charitable Trust**

Independent examiner's report to the trustees of The Gledswood Charitable Trust

I report to the charity trustees on my examination of the accounts of The Gledswood Charitable Trust (the Trust) for the year ended 5th April 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements **for the year ended 5th April 2023**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Investment income is recorded when receivable.

Expenditure

Expenditure on grants is recorded once the Trust has made an unconditional commitment to pay the grant and this is communicated to the beneficiary or the grant has been paid, whichever is the earlier. The Trust has not made any grant commitments of more than one year.

Other expenditure is included in the accounts on an accruals basis. Irrecoverable VAT is charged to the Statement of Financial Activities as incurred.

The cost of managing investments is charged against investment capital, reflecting the total return approach to investment management. Any costs associated with the sale or purchase of investments are accounted for as part of the sale or purchase price of the investments.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The fund is a registered non-trading charity and, as such, is exempt from taxes under Section 505(1) of the Income and Corporation Taxes Act 1988.

Fund accounting

The endowment of the charity is expendable endowment. The trust deed allows this fund to be spent as income or retained as capital at the trustees' discretion. The income arising from the expendable endowment is unrestricted.

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The following assets and liabilities are classified as financial instruments - other debtors, other creditors and accruals.

Other debtors, other creditors and accruals are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

Financial assets that are measured at amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2022**

The trustees present their report with the financial statements of the charity for the year ended 5th April 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Objectives and aims

The objectives of the Trust are to benefit any purposes, objects and institutions that are charitable in law.

The objectives for the year are shaped by these strategic aims with a view to distributing grants and donations to help support other charitable organisations.

Achievement and performance

Charitable activities

The main source of income for the Trust is from investments held.

Income raised during the year from investments amounted to £71,601 (2021 - £71,619) which is very consistent with the previous year. The Trust donated a total of £69,550 (2021 - £74,328) to charitable organisations, which is very commendable, and it is hoped that this level of grant aid can be maintained in the future

The following charitable grants were made during the year:

The Gledswood Charitable Trust

Report of the Trustees **for the year ended 5th April 2022**

Financial review

Review of the period

The net surplus of unrestricted income over unrestricted expenditure for the charity for the year, after deducting grants paid out of income of £69,550, was £131 (2021 - deficit of income over expenditure of £4,129) and this is added to the unrestricted income fund from which future grants can be paid. The total of the unrestricted income fund at 5th April 2022 was £21,803 (2021 - £21,672).

Unrealised capital gains totalled £1,237,563 at 5th April 2022 (2021: £1,033,086).

Reserves policy

The trustees aim to maintain reserves in unrestricted funds at a level which adequately covers charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds to cover support and governance costs.

Future plans

The trustees intend to continue providing grants in a similar way to the recent past while retaining flexibility as to the timing and scale of grants.

Structure, governance and management

Governing document

The charity was established under a Deed of Trust dated 2nd April 2003, which it is governed by, with the principal objectives and purposes as are exclusively charitable under the law of England and Wales. The trustees must use the income and may use the capital of the trust in promoting these objectives.

The Trust Deed provides for a minimum of three and a maximum of five trustees. Trustees may be appointed for life or such terms of office as may be decided by the trustees. During the lifetime of Lord Portarlington the power of appointing new trustees is vested in him and thereafter in Lady Portarlington.

Risk management

The trustees have reviewed the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Investment Policy

The Trustees' investment policy is to maximise long term total return, taking income and capital gains together without undue risk.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Gledswood Charitable Trust

Report of the Trustees
for the year ended 5th April 2022

Statement of trustees' responsibilities - continued

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 27th July 2022 and signed on its behalf by:

Lord Portarlington - Trustee

**Independent Examiner's Report to the Trustees of
The Gledswood Charitable Trust**

Independent examiner's report to the trustees of The Gledswood Charitable Trust

I report to the charity trustees on my examination of the accounts of The Gledswood Charitable Trust (the Trust) for the year ended 5th April 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Gledswood Charitable Trust

Report of the Trustees for the year ended 5th April 2021

The trustees present their report with the financial statements of the charity for the year ended 5th April 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Objectives and aims

The objectives of the Trust are to benefit any purposes, objects and institutions that are charitable in law.

The objectives for the year are shaped by these strategic aims with a view to distributing grants and donations to help support other charitable organisations.

Achievement and performance

Charitable activities

The main source of income for the Trust is from investments held.

Income raised during the year from investments amounted to £71,619 (2020 - £70,620) which represents an increase on the previous year by approximately 1.41%. The Trust donated a total of £74,328 (2020 - £65,750) to charitable organisations, which is very commendable, and it is hoped that this level of grant aid can be maintained in the future

The following charitable grants were made during the year:

Report of the Trustees for the year ended 5th April 2021

Financial review

Review of the period

The net deficit of unrestricted income over unrestricted expenditure for the charity for the year, after deducting grants paid out of income of £74,328, was £4,129 (2020 - surplus of income over expenditure of £1,930) and this is deducted from the unrestricted income fund from which future grants can be paid. The total of the unrestricted income fund at 5th April 2021 was £21,672 (2020 - £25,801).

Unrealised capital gains totalled £1,033,086 at 5th April 2021 (2020: £436,638).

Reserves policy

The trustees aim to maintain reserves in unrestricted funds at a level which adequately covers charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds to cover support and governance costs.

Future plans

The trustees intend to continue providing grants in a similar way to the recent past while retaining flexibility as to the timing and scale of grants.

Structure, governance and management

Governing document

The charity was established under a Deed of Trust dated 2nd April 2003, which it is governed by, with the principal objectives and purposes as are exclusively charitable under the law of England and Wales. The trustees must use the income and may use the capital of the trust in promoting these objectives.

The Trust Deed provides for a minimum of three and a maximum of five trustees. Trustees may be appointed for life or such terms of office as may be decided by the trustees. During the lifetime of Lord Portarlington the power of appointing new trustees is vested in him and thereafter in Lady Portarlington.

Risk management

The trustees have reviewed the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Investment Policy

The Trustees' investment policy is to maximise long term total return, taking income and capital gains together without undue risk.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Gledswood Charitable Trust

Report of the Trustees
for the year ended 5th April 2021

Statement of trustees' responsibilities - continued

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 27th September 2021 and signed on its behalf by:

A handwritten signature in black ink, appearing to be 'Lord Portarlington', written over a horizontal line.

**Independent Examiner's Report to the Trustees of
The Gledswood Charitable Trust**

Independent examiner's report to the trustees of The Gledswood Charitable Trust

I report to the charity trustees on my examination of the accounts of The Gledswood Charitable Trust (the Trust) for the year ended 5th April 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Gledswood Charitable Trust

Notes to the Financial Statements for the year ended 5th April 2021

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Investment income is recorded when receivable.

Expenditure

Expenditure on grants is recorded once the Trust has made an unconditional commitment to pay the grant and this is communicated to the beneficiary or the grant has been paid, whichever is the earlier. The Trust has not made any grant commitments of more than one year.

Other expenditure is included in the accounts on an accruals basis. Irrecoverable VAT is charged to the Statement of Financial Activities as incurred.

The cost of managing investments is charged against investment capital, reflecting the total return approach to investment management. Any costs associated with the sale or purchase of investments are accounted for as part of the sale or purchase price of the investments.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The fund is a registered non-trading charity and, as such, is exempt from taxes under Section 505(1) of the Income and Corporation Taxes Act 1988.

Fund accounting

The endowment of the charity is expendable endowment. The trust deed allows this fund to be spent as income or retained as capital at the trustees' discretion. The income arising from the expendable endowment is unrestricted.

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The following assets and liabilities are classified as financial instruments - other debtors, other creditors and accruals.

Other debtors, other creditors and accruals are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

Financial assets that are measured at amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

1. **Accounting policies - continued**

Financial instruments

Provisions

Provisions are set up only where it is probable that a present obligation exists as a result of an event prior to the balance sheet date and that a payment will be required in settlement that can be estimated reliably.

2. **Investment income**

Investment income has arisen from dividends and interest on investments. All income relates to unrestricted income.

3. **Trustees' remuneration and benefits**

There were no trustees' remuneration or other benefits for the year ended 5th April 2021 nor for the year ended 5th April 2020.

Trustees' expenses

There were no trustees' expenses paid for the year ended 5th April 2021 nor for the year ended 5th April 2020.
