OASIS OF HOPE FOUNDATION IN SANTA MARTA, COLOMBIA.

At present we have 315 students registered at the Oasis of Hope School.

In December 2023, 18 students graduated from the school, with the majority of them going on to university or some other form of further education!

The university scholarship fund originally set-up in 2021 continues to function well. The scheme was set up to help students families who can't financially afford the fees - but who's children have the ability to study at university level.

OASIS OF HOPE FOUNDATION WORK FORCE & FACILITIES

We currently have 14 available classrooms with 3 sets of toilets. The administration block consists of director's office with toilet, secretary's office with toilet, waiting room, teachers rest room and library, plus the IT facility and Administration block.

At present we have 19 teachers employed at the Oasis of Hope School, plus school principal, academic coordinator, psychologist, health & safety officer, secretary and cleaner.

The kitchen staff are volunteers who receive a small donation for their loyal contribution to the work.

OASIS - JOB CREATION

The Oasis of Hope foundation in Colombia employs a executive director, administrator, two administration workers, nurse and 4 security staff.

This allows value plus services to be provided to the students and the wider community from which they are drawn including health checks and interventions to promote good health. Clearly the security staff are required to ensure the building, students and staff are safe when within the school grounds.

OASIS OF HOPE FOUNDATION - SOCCER ACADEMY (OASIS LIONS)

This initiative was set-up by Rev. David Taylor in August, 2021. The aim is to reach out to boys and girls in the local community. Many of these young people simply have nothing to do, with little or no infrastructure being in place in these extremely poor neighbourhoods. The academy invites the students in and teaches them life skills and soccer expertise. At present we have 32 students, which includes 4 girls. The academy employs a director, secretary and 2 coaching staff.

CHILDREN'S EDUCATION & OUTREACH PROGRAMMES

Oasis of Hope Foundation provide support and outreach programs across the region of the Atlantic coast of Colombia. The focus of the work is to positively impact those communities that have and are experiencing a degree of social deprivation.

The partnerships which the charity has developed within the communities are both empowering and enabling. Oasis of Hope seeks to free individuals and ultimately communities from the debilitating effects of poverty through access to good quality education and life opportunities. The projects that come under the banner of Oasis of Hope are:

a) CIENAGA SCHOOL

In 2023 the number attending the school was 350.

15 students graduated from high school with many of them going on to university or further education.

b) LA PAZ SCHOOL

In 2023 the number attending the school was 380.

This school is situated in the Guajira, the desert area of Colombia where the school faculty is made up entirely of the Wayuu indigenous population.

c) PUEBLO VIEJO

In 2023 the number attending the Pueblo Viejo project was 180. This outreach provides lunches 3 times a week plus preschool educational study. Many improvements at this project have been made in 2023.

REPORT OF THE TRUSTEES

FINANCIAL REVIEW

Reserves policy

Following the retirement of the office manager the charity took the opportunity in this ever changing environment to reassess staffing requirements and in the short term operate purely with volunteers. Once this review is complete it is envisaged a part time employee will be engaged whilst ensuring reserves are maintained in accordance with our policy of a minimum 3 months operating costs.

The Trustees/Directors consider the financial performance of the charity during the year has been satisfactory. The Statement of Financial Activities shows net incoming/outgoing resources for the year of a revenue nature of surplus £10,461 (2022 - deficit £7,108) The total reserves at the year end stand at £59,350 (2022 - £48,889). Free Reserves at the year end stand at £42,750 (2022- £27,259).

Finance sent to Colombia from Oasis of Hope Foundation-Uk for the year 2023 was £79,438.50.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2023**

FUTURE PLANS

Future Plans In the coming year Oasis of Hope Foundation intend to continue to:

- deliver its life changing work in various communities within the Atlantic coast area of Colombia.
- build on the number of students that graduate. Many of these students come from families living in abject poverty. Graduating successfully gives them life changing options in securing further education or work.
- Oasis of Hope will continue to help students attain their full potential, thereby, not only releasing them from the shackles of poverty but will have an added benefit of slowly changing the communities in which they come from.
- positively impact the local communities in which the projects work within providing support and practical help which will alleviate poverty not just in the short term but give communities independence in the future.

In addition: Oasis of Hope is seeking to secure additional funding to enable us to :

-Employ a 'site manager' who would look after all the installations, making sure they are in good working order. We believe this will be cost effective going forward as it will allow issues arising on the site to be addressed in a timely fashion thereby eliminating costs which will arise from lack of timely intervention.

-Oasis of Hope is proactively seeking to secure grant funding as well as continuing to secure the individual gifts it relies on. This funding will allow it to continue to deliver its core services as well as to provide aspirational goals.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees (who are also the directors of Oasis Of Hope Foundation-Uk for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
OASIS OF HOPE FOUNDATION-UK (REGISTERED NUMBER: 04626166)**

Independent examiner's report to the trustees of Oasis Of Hope Foundation-Uk ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
