Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Trust deed
How the charity is constituted (eg. trust, association, company)	Trust
Trustee selection methods (eg. appointed by, elected by)	Appointed by Chair and Treasurer

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

- All our volunteers have to complete a form, provide their CV and two reference letters and are interviewed thoroughly by the Trustees. Volunteers resident in the UK have to go through a "Care Check"
- Our Child Protection Policy has to be read and signed by all volunteers before going to our project in Nepal
- Trustee indemnity and liability insurance cover

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To relieve the poverty and advance the education of orphans in Nepal, in particular but not exclusively, those of the LBU orphanage situated in the Kathmandu Valley, by provision of facilities and financial assistance.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Child Action Nepal was set up in 2003 after one of its trustees established an orphanage (LBU) in Kathmandu in 2002. Our first home had 10 boys and 10 girls and reached its full capacity. Therefore, we opened a second home in 2009 to welcome 20 more children who have lost their parents and were at risk of becoming servants, prostitutes or street children. Managing two houses became very difficult as it is hard to find good staff and we thought we could not spend as much time with each child individually, which is what makes CAN's approach so special. Therefore, as some of our children leave LBU after securing a job and a lodging, we are back to having one house and 20 children again. That way we can really create a family atmosphere and make the children feel like any other children.

In determining our programme each year, we have regard to both the Charity Commission's general guidance on public benefit and the prevention and relief of poverty for the public benefit. The trustees always ensure that the programmes we undertake are in line with our charitable objects and aims.

Child Action Nepal, through one of its trustees, establishes orphanages in Nepal and, to ensure that each orphan receives the maximum care and attention, we limit our homes to a maximum of 20 children.

The activities currently carried out for the public benefit by the charity include:

- **Education:** the Children go to one of the best schools in Kathmandu. Once they have reached the equivalent of GCSE level, the Charity keeps on supporting the children through vocational training, college or university, depending on their ability.
- **Healthcare:** the children and local staff's healthcare costs are entirely covered by the Charity. In addition to on-going treatment for some of the children, we organise visits to the dentist and the ophthalmologist at least once a year for everybody. We also have the children and staff vaccinated
- **Cultural:** We regularly organise visits to exhibitions as well as trips so that the children have a good knowledge of their country. In addition, the children are brought up according to Nepalese customs and celebrating the main festivals. That way we prepare them to become well-integrated citizens of Nepal.

We select the children who need the most help, i.e. the ones who have the poorest background, have lost one or both of their parents and are the most at risk of ending up as street children, servants or prostitutes because their extended family cannot support them.

We employ local staff supervised by a local committee, which ensures that we pay "local prices" for all our expenses.

In addition to school education, we educate the children to be self-sufficient and, during their vacations, to take care of their clothes and shoes, and help with the cooking and cleaning of the house.

Our trustees are unpaid and personally finance some of the charity's ongoing expenses so that CAN has only minimal expenditure in the UK and all donations are used directly for the benefit of the Children.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme

- We support only orphanages established by one of our trustees
- Volunteers, mostly from the UK, go regularly to the orphanage to help the children in their studies. They have to be at least 18 years old and spend a minimum of one month at the orphanage

related investment;

- contribution made by volunteers.

--

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The last year was focused on finding a new home and helping some of our older children start to live more independently. Finding a home in central Kathmandu, which is large enough and affordable was very difficult. We finally managed with the help of one of our sponsors who introduced us to a Nepalese friend. In April we moved the whole of LBU to Bhouda which is the Buddhist quarter of Kathmandu. The house has a nice garden and is far from the pollution and noise of the ring road. We had to adapt our new home to our needs as well as repair and improve the whole water system. We also added some new solar panels that we were able to finance thanks to a special donation.

Two of our boys have left LBU and are now self-sufficient and working in Kathmandu. They visit us from time to time and we remain in contact.

We had the visit of a whole group from Switzerland. This was organised by one of our long-term sponsors. They took the whole LBU family to a very nice picnic and distributed some clothes.

This year was the 20th Anniversary of CAN and we organised a fund raising party on the Thames. All the Trustees worked hard to make it a very successful event. Not only did we raise more money than we ever raised before at a fundraising party, but we also attracted more people and raised awareness on our work in Nepal.

We selected one of our eldest girls for the opportunity to have further studies in London. One of our Trustees took care of her living costs, and we held a special fundraising to pay the fees for her one-year Master's degree in International Banking and Finance at the University of Greenwich. She graduated with distinction and is now looking for a job to gain experience in the UK and then plans to go back to Nepal.

The plan for next year is to select another one of our children for a Master's degree in London, welcome six new young children (as two more boys should leave LBU) and establish a sister charity in Paris to facilitate the collect of funds from donors in Continental Europe.

Section E

Financial review

Brief statement of the charity's policy on reserves

CAN seeks to maintain at least one year's on-going expenses as reserves. Although the education costs are increasing as well as food and healthcare costs, we have fewer children, and our level of reserves is satisfactory.

Details of any funds materially in deficit

--

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Principal sources of funds:

- Direct individual donations
- Individuals performing sponsored challenges or events to raise funds for CAN (London 10k, marathon, etc.)
- Fundraising through websites such as Justgiving.com
- Sale of Christmas cards
- Grant giving charities

Expenditure:

- CAN's administrative expenses are mainly supported by the trustees - However the cost of bank transfers to Nepal and insurance are supported by CAN
- CAN controls every month the expenses at the orphanage in Nepal and one of our trustees visits the orphanage around 3 times a year (at her own expense).

Investment policy:

We have a conservative approach to investment.

Independent Examiner's Report

**Report to the trustees/
members of**

Charity Name
Child Action Nepal

**On accounts for the year
ended**

30 June 2023

**Charity no
(if any)**

1097447

Set out on pages

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended DD / MM / YYYY.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

* Please delete the words in the brackets if they do not apply.
