Trustees' Report

The Trustees, who are Directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the Charitable Company for the year ended 31 March 2025.

Objectives and activities

Objects and aims

The principal activity and objectives of the Company in the year under review was that of the provision of information regarding polycystic ovarian syndrome (PCOS). This is primarily provided as digital booklets, an active social media presence and online webinars. The Charity continued to work with professional organisations on furthering the research, treatment guidelines and wider agenda for PCOS including Monash University, Androgen Excess and Polycystic Ovary Syndrome (AE-PCOS) Society, Women's Health Coalition in Wales and the European Society for Endocrinology. The Charity maintained international and national collaborations with other patient advocacy groups, and with medical researcher teams as co-applicants on several major research projects. This includes the prestigious project that is changing the name of the condition globally and Verity are the only patient group as the co-applicant.

Public benefit

During the year the Charity has reached approximately 55,300 users on Facebook and approximately 34,961 users on Instagram – excluding the reach within our own private Facebook Groups. The website received approximately 46,000 website visits during the year. Website traffic has increased from directions to the site for the JLA survey and shopfront. Additionally, over 200 information packs with digital booklets regarding polycystic ovarian syndrome were distributed to supporters.

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Structure, governance and management

Nature of governing document

This is a Company limited by guarantee of the Members and does not have any share capital.

The Company was constituted in April 2003 and is governed by its Memorandum and Articles of Association.

Recruitment and appointment of Trustees

Supporters are asked annually if they wish to become a Trustee, and are elected by a vote of the members at the Annual General Meeting, or co-opted by the Board, in accordance with the Memorandum and Articles of Association.

Arrangements for setting key management personnel remuneration

The Trustees are not remunerated and are only reimbursed for valid expenditure incurred on behalf of Verity, of whom four have been reimbursed for a total of £2,896 (2024: £8,530) during the year. The Charity does not have any staff and all volunteers are only reimbursed for expenses incurred on behalf of the Charity.

Financial instruments

Objectives and policies

The Charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the Charity's policies approved by the Board of Trustees, which provide written principles on the use of financial derivatives to manage these risks. The Charity does not use derivative financial instruments for speculative purposes.

Trustees' Report

Statement of Trustees' responsibilities

The Trustees (who are also the directors of Verity The Polycystic Ovaries Self Help Group for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the Trustees of the charity on 28 November 2025 and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'R Morman', written over a dotted line.

Verity The Polycystic Ovaries Self Help Group

known as Verity

Notes to the Financial Statements for the Year Ended 31 March 2025

1 Charity status

The charity is limited by guarantee, incorporated in England & Wales, and consequently does not have share capital. Each of the Trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

74A Station Road East

Oxted

Surrey

RH8 0PG

These financial statements were authorised for issue by the Trustees on 28 November 2025.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Verity The Polycystic Ovaries Self Help Group meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Verity The Polycystic Ovaries Self Help Group

known as Verity

Notes to the Financial Statements for the Year Ended 31 March 2025

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including accountancy, strategic management and trustees's meetings and reimbursed expenses.

Verity The Polycystic Ovaries Self Help Group

known as Verity

Notes to the Financial Statements for the Year Ended 31 March 2025

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Equipment	25% reducing balance

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at cost at the balance sheet date.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Verity The Polycystic Ovaries Self Help Group

known as Verity

Notes to the Financial Statements for the Year Ended 31 March 2025

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the Trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

Verity The Polycystic Ovaries Self Help Group

known as Verity

Notes to the Financial Statements for the Year Ended 31 March 2025

Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
