## Activities

---

**Objects:** The prevention or relief of poverty (through providing subsidised activities and resources) The advancement of education (through running sessions to support children's learning and independence skills) The advancement of health (through our healthy lives programmes) The advancement of citizenship or community development (through our PSHE and volunteering programmes) The advancement of the arts, culture, heritage or science (through our wideranging curriculum and wide variety of trips) The advancement of amateur sport (through our sports programmes) The advancement of human rights (through our equality and diversity programme, contributing to consultations and events) The relief of those in need (through provision of respite and support)

**Activities:** To promote the participation and access of disabled young people aged 11 to 25 within the local community. We offer a friendly and fun environment where young people can practise life skills and develop independence. Our programme includes youth sessions, community trips, and residentials, all of which enable young people to build independence, skills, and confidence.
